

Dear Mr. Moore,

Are you still interested in early American silver? I remember a few years ago I negotiated a sale of a silver Cowell muffinier to you that belonged to my aunt.

Now an uncle of mine wishes to sell a pair of Paul Revere's sugar tongs and I was wondering if you would be interested. The piece is \$400 - The tongs are in fine condition and the Revere mark very clear.

Sincerely yours,  
Adelaide C. Babcock
