

Nov 24-1952

Dear Mr. Moore -

Thank you very much for your courteous letter in regard to the Revere tongs. The Revere mark is that of Paul Revere Jr. and I am enclosing a sketch of the tongs as I do not have a photograph. The sketch is actual size and though may not show all the detail indicates somewhat the pattern.

I hope you may get some idea as to the pattern and shape.

Again, thank you for your prompt reply.

Sincerely yours,
Abelaid C. Babcock
