Dear Mr. Moore -

The other day I happened
to stop in at Mr. Liverant's shop
in Colchester and saw a silver
ring made by Nathaniel Hurd.
It was made for the Hale family
and was bought from a member of
the Hale family. There are three or
four different initials on the ring
the first being N. H. for Nathan Hale.

(over)

He is asking \$450 for it and
thought you might be interested.

I always have you in mind
when a good piece of silver turns up.

Sincerely yours,
Adelaide C. Babcock
