

175 MIDDLESEX ROAD
CHESTNUT HILL MASSACHUSETTS

my dear Mr Morse -

I am so sorry to have
been away when you called
about the silver.

Mr Bunker has a sister in
La Jolla, California who is
very ill and we flew out-
here for a few days.

Mr Parker did not know
anything about our

arrangements - according to
my understanding you were
to pay me \$1200 for the
Edwards Hankard and three
hundred \$300 for the Pot wine
stuff -

Do you expect to be in
Boston again soon? If not
perhaps I could bring the
silver to New York - some day
when you could arrange
to see it.

175 MIDDLESEX ROAD
CHESTNUT HILL, MASSACHUSETTS

Will you let me hear
from you soon -

Yours most sincerely

Walter Clarke Bunce
