Mr. Morris Cohon,
90 Booth Avenue,
Englewood, New Jersey.

Dear Mr. Cohon,

I tried to reach you by telephone to enquire about the Caster by Samuel Edwards which you illustrate in the December issue of "Antiques". What is the size and price?

I am interested in silver by the early Newport Silversmiths; Clarke, Goddington, Russell, Casey, Vernon and the others. Perhaps you have seen the recent publication by Ralph Carpenter. Many of my pieces were illustrated in that publication.

Very truly yours,
