Dear Mr. Moore:

The Samuel Vernon porringer which I sent to you, and which belonged to the Malbone family of Newport, I have just found out was on exhibition for quite some time at the Rhode Island School of Design. A similar example by Vernon is illustrated in plate #121, "The Arts and Crafts of Newport, R. I." by Ralph E. Carpenter, Jr., published by the Preservation Society of Newport.

Sincerely yours,

Morris Cohon
