Dear Mr. Moore:

Since another party is interested in the S. Casey tankard, the mention of this piece will have to be only for such indefinite time as it awaits disposition or withdrawal. As indicated it would also be only for a full cash consideration. I may assume correctly that you already have a tankard by this famous Rhode Islander of "Little Rest". The cream pitcher was of course a nice addition.

May I ask again for your cooperation in closing out the old balance? I trust you are enjoying good health while the weather has been over-dampening. It was good to hear from you via your acquaintance who called last week for the identification of an old English piece.

Yours very truly,

GEBELEIN SILVERSMITHS, INC.
