Fidelity Union  
January Eleventh  
Nineteen Hundred and Fifty Four

MADE IN U.S.A.  
Mr. J. Herbert Gebelein  
79 Chestnut Street  
Boston, Massachusetts

Dear Mr. Gebelein:

Many, many thanks for your interesting letter of  
January 6th.

Upon the review of my records, it appeared to me that  
the credit balance is as you stated. Please retain it to  
be applied against future acquisitions.

I suggest that you pursue, at this time, the acquisition  
of the pieces you refer to. They are of great interest, and,  
surely, will add materially to my collection. What may they  
be obtained for?

I am, with all good wishes,

Sincerely,

---
