Dear Mr. Moore,

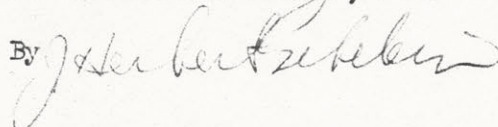

I thank you in acknowledgment of your further payments of \$2000.00 and \$1500.00 respectively since my last letter which enclosed a review statement.

Meanwhile I am having photographs taken of the Edwards salvers and pair of casters and the SE (Stephen Emery) cream jug, so that in the event you take these pieces you will have the photographs of them to add to your records of the collection.

Very truly yours,

GEBELEIN SILVERSMITHS, INC.

P. S. I enclose statement for your record of the Samuel Edwards mug owned by me individually, as set forth in the third paragraph of our letter of April 27, 1962.
