Dear Mr. Moore,

I wonder whether you could send me the payment of \$2000.00 for the personal portion of the Edwards collection, at this time.

I would like to pay up a personal debt coming due, and it will be fine if I can count on your concluding the part of our transaction which is payable to me in my name as below.

I trust you have found the further photographic material of interest.

Very truly yours,

J. Herbert Gebelein
