Mr. J. Herbert Cebelein  
79 Chestnut Street  
Boston 8, Massachusetts

Dear Mr. Cebelein:

I enclose my check for two thousand five hundred dollars (\$2,500.00).

Please may I ask that you identify the item to which the five thousand dollar payment made on December 22, 1961 relates. From my records I can't identify it and it will be helpful for me to do so.

The other day I saw a tankard by Joseph Rogers. The size and design were pleasing and it was in perfect condition. However, there was imbedded in the cover a coin or medallion and the lettering thereon is visible on the inside of the cover. Previously I have not seen a tankard with a coin or medallion in such part of a tankard. What do you think?

I am,

Sincerely yours,

---
