Newport, Rhode Island

Dear Mr. Moore:

You will have already received the tankard which I decided best to return.

Concerning the JR tankard, I wonder whether Mr. John D. Kernan of 54 Meadow Street, New Haven might be interested to reflect on the New York characteristics. He has scouted up new lights on subjects such as he occasionally has reported in articles.

I trust you will be favoring us with a further reduction of the remaining balance.

I took notice of your success in the London auction and congratulate you on the return of another home production to Newport.

Very truly yours,

GEBELEIN SILVERSMITHS, INC.
