Dear Mr. Moore:

I notice the Moody Russell spout cup advertised in October "Antiques". Presumably you may have noticed the Casey cream jug illustrated on page 413 of the same. I recently handled a couple pieces from these people in Vermont which were very good, including the John Coburn sauceboat we are sending to you along with the cream jug and spoon as instructed by to-day's mail.

*will ship
on Monday*

Very truly yours,
