

July 18, 1968

Dear Mr. Gebelein:

I am indeed grateful for your letter of July 15.

I will be pleased to own the Vernon cream-pot. It will encourage my hope that in time you will locate a Vernon tankard for me. Apparently, there are very few on the market. Send the creampot, and after I have examined it, I will be pleased to forward to you my check. I accept the discount you very generously allow me.

Always, I am,

Yours sincerely,

Cornelius C. Moore
