Dear Mr. Moore:

I am pleased to inform you that I have sold my 50% interest in a Fifth Avenue Antique Store and again am devoting the whole of my time and attention to my own antique business at THE MUSEUM SILVER SHOP, 104 East 57th Street, New York.

Upon relinquishing my shares and directorship on February 28th I obtained 50% of the merchandise and this together with my own stock gives THE MUSEUM SILVER SHOP one of the largest and best selected stocks to be seen in New York.

Owing to our very low overhead we are able to offer all of our goods on the most advantageous terms. Because we are very much overstocked, prices are marked to insure quick sales and many of the values will never be repeated. We feel sure our prices will astound you.

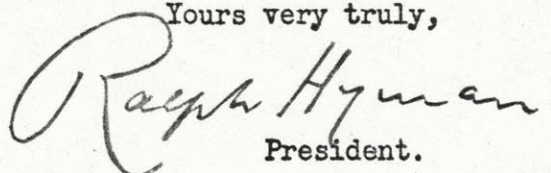

Our augmented stock of; ANTIQUE SILVER, OLD SHEFFIELD PLATE, ENGLISH PORCELAIN, CONTINENTAL PORCELAIN, JEWELRY and OBJECTS OF ART is one of the largest in the United States and you are invited to drop in and browse around.

Besides outstanding and rare items in the objects just mentioned, we have reproductions suitable for GIFTS FOR ALL OCCASIONS ranging from \$5.00 upwards.

An early visit by you will prove profitable, enjoyable and well worth while. You are invited to come in at anytime and look around without any obligation to purchase.

I am looking forward to the pleasure of seeing you soon again.

Yours very truly,

  
Ralph Hyman.  
President.
