Mr. Cornelius C. Moore  
112 Bellevue Avenue  
Newport, Rhode Island

Dear Mr. Moore:

I am sorry I was not here several days ago when you called. I understand you spoke to my father and hope he was able to be of help, even though he is not connected with the exhibition under way.

I hope to be able to come to Newport to see you in the very near future (I will call first to make sure it is convenient) and bring the loan forms along at that time.

Regarding your letter of March 10th, we would appreciate receiving the pieces of furniture the last week in April or at the latest the first week in May. The exhibition will be open to the public from May 16th through June 20th. There will be a preview for lenders and Exhibition Committee members the evening of Friday, May 14th and the exhibition will be open only to those same people on May 15th so that they may have a chance to see it at their leisure. To avoid last minute complications we would like all the furniture in place well before May 14th.

Please let us know if you would like to make your own arrangements for the moving of your pieces. If you do not wish to do so we will make the arrangements and be in touch with you later.

If you wish to make the arrangements please let me know as I would like to be able to have the pieces from the Hunter House as well as the card table from the Redwood Library come at the same time. This would be the most practical arrangement.

Sincerely,

Joseph K. Ott, Chairman  
Exhibition Committee
