indebtedness to Mr. Moore, already a generous benefactor."

Mr. Moore also serves as Chairman of the Advisory Board of the College.

Reverend Gerald F. Dillon, Chaplain at Salve Regina, declared that "Mr. Moore has made a wise investment which will return him rich dividends in personal satisfaction and in spiritual happiness.

"This fresh evidence of his interest in Salve Regina College," Father Dillon said, "is an inspiring first gift in the Sisters of Mercy \$1,000,000 centennial fund appeal."

The deed to the property, with stamps indicating a \$12,000 transaction, was filed today in Newport.

Walter F. Farrell, chairman of the foundation gifts committee, announced that the pre-campaign solicitation for such gifts will continue from November 1 through November 15, followed by the general fund appeal from November 15 to December 1.

Solicitation of foundation gifts officially began yesterday under the direction of Walter F. Farrell, chairman of the Campaign Foundation Gifts Committee. This spe-

cial phase of the campaign will carry through November 15, when the general public solicitation will begin.

The foundation gifts appeal throughout the State is being handled by the district chairmen, who have accepted the responsibility in addition to their work in organizing the public appeal at the district level. Msgr Cassidy and Mr. Hogan announced that parish teams are in the final stages of organization and names of personnel will be published beginning next week.
