Reverend and Dear Father Provincial:

Had hoped upon graduation from Harvard Chaplain School to able to call upon you personally. However this is the Army and my hopes were shattered when I was routed through Albany and St. Louis to my new station Camp Chaffee, Arkansas. Also, ~~Father~~ Provincial, I am to be here but a few days as my outfit moves to the manuever area in Tennessee next Monday.

There are only three priests assigned to the Division so we can well expect to be very busy in the hills of Tennessee until late in January.

I wish to thank you, Father Provincial for your many kindnesses and may I expect to hear from you when I am in the field.

I remain

Obediently yours

P. Edmund T. Doyle, Jr.

Chaplain (1st Lt.) Edward P. Doyle
Combat Command B, 14th Armored Div.
