Dear Fr. Conaty:

A question has come up recently in our preparing for overseas. It is in regard to our wills....have the Fathers in the Army made a new will or does the one we made at Solemn profession suffice. I would appreciate it if you would send me a blank form of the will we made at profession that I might show it to the Judge Advocate here at the camp. Talking to him he believes a second will isn't necessary but asked me to write for a form to clear up any doubt and if necessary make a second assuring Father Provincial of any possessions in the event of any such need.

Thanking you for your consideration, I remain,

Fraternally yours,
