Chap & Danks obsouge, With Very Rev. T. S. Me Dermott, of 4134 Int. Reg. ORO. 104 869 herington and, "Palaster, Here last here new yoh . try. Tool 100.2.1944 ponular in Holland Very for and Dear & somical . is now follow - the land of the worken show the people have have neited us mat regally - glad to see us . I have been the your throughout Trans Belgin and nos Holland Have welly seen the unervood bush in astran - my neglicier by prests and nume magnificiant. far the Dominicans\_ in Brussel and foreain - wally according a underful reption. While to have and at into them. I like their waters of serving coffee at viriation When sitting down, the coffee got is proved around? Materday got in three masses and again today. Ustrand it my first place - armounced mass to be held in a stable and within ten minutes two hubbers what we present - general absolution mass and all what to Commentor and the same thing these times that morning Today found a convent of news, and had my all bruke masses. They to get along the sature Agement - find all anisating me, and of it don't get around then is a hard have been hear inequilar, but Those to hear from your had soon and many of the failure which a hered Amenderaus in your massesand assume you of a marthrane of your whentiers.
