Very Reverend and Dear Father Provincial:

Today I received my release from the Army. Our division has been breaking up these past six weeks and under the advice of our Corps chaplain I applied for a release to return to teaching. The fact that I have a Master's Degree in Guidance and can assist veterans was undoubtedly a factor in my release. I am most happy and have informed Father Foley of my good fortune. I am ready for work and ready to do all I can for Providence College.

I will be tied up here for a few days closing our property and funds of the Catholic chapel then I hope to visit the brethren in Oakland, and Denver and then a few days in River Forest with my liberated Manila classmates. I am counting on a visit with you in New York toward the end of the month.

With my Army career closed I am ever grateful to you, Father Provincial and with your blessing bring the experience to the classroom at Providence.

I am

Obediently yours,

Edward T. Duffy, S.J.
