

The Reverend
Paul Doyle, O.P.
Siena Heights College
Adrian, Michigan

Dear Paul:

I am pleased to grant permission for you to plan a trip to Europe during the coming summer in celebration of your Silver Jubilee Anniversary as a priest.

It has been the custom in the Province to grant the Jubilarians a two month vacation, and I intend that this laudable custom be continued. If you will remind me in due time, I shall be happy to send you a 'celebret'.

If you intend to travel by ship, I would suggest that you petition from the Apostolic Delegate, perhaps through Father Rafe Gallagher, the requisite Indult to celebrate Mass on board ship.

May I anticipate the great occasion of your Silver Jubilee and extend my congratulations in advance.

Devotedly in St. Dominic,

R. L. EVERY, O.P.
Provincial.
