PROVIDENCE 3, R. I.

Congress of the United States
House of Representatives
Washington, D. C.

July 13, 1959

Dear Friend:

Enclosed is a copy of the bill which I have introduced in the House of Representatives to amend the Social Security Act in order to remove the limitation upon the amount of outside income which may be received by an individual while receiving benefits under the Act.

Knowing of your interest in such a provision, since I returned to Washington I have been working in support of similar bills which have been introduced in the Congress but now I have decided to add my own bill in order to give the measure additional weight. After a careful study of the problem I came to the decision that the best approach was to call for the complete elimination of a restriction of the amount which might be earned. I am certainly hopeful of early favorable Committee consideration.

With every warmest wish,

Sincerely,

John E. Fogarty
Member of Congress
