"(1) engages in the practice of medicine, dentistry,
or osteopathy, in an area in a State determined by the
appropriate State health authority, in accordance with
regulations prescribed by the Secretary, to have a short-
age of and need for physicians or dentists; and

"(2) the appropriate State health authority certifies to the Secretary of Health, Education, and Welfare in such form and at such times as the Secretary may prescribe that such practice helps to meet the shortage of and need for physicians or dentists in the area where the practice occurs; then 10 per centum of the total of such loans, plus accrued interest on such amount, which are unpaid as of the date of such practice begins, shall be canceled thereafter for each year of such practice, up to a total of 50 per centum of such total, plus accrued interest thereon, except that regulations prescribed pursuant to clause (1) may also provide for a minimum period of service as a condition to application of this subsection."
