

CADET ALLEN R. NEWMAN of Cleveland Heights, Ohio, now stationed at Providence College, and Evelyn R. Gerson of Akron, Ohio, were married last Saturday evening by Rabbi Alter T. Bilgray at the Jewish Community Centre. Cadet Newman, alone in a strange city had his problems, he had the girl and the ring but nobody to perform the ceremony. He came to the Centre and presented his problem—first, a committee was formed and all the arrangements made, and the wedding with guests (members of the Centre) went off without a hitch. Lucille Gerson, a sister of the bride was maid of honor, and Lt. Joseph Shube was best man.

✠ BROTHER CHRYSOSTOM SEERY, O.P. ✠
Dominicana, Summer, '43

The Fathers and Brothers of the House of Studies of St. Albert's Province, River Forest, Illinois, were profoundly saddened when God called home to Himself Brother Chrysostom Seery, O.P., on April 8, 1943. From his constant and serious questions, the Faculty came to appreciate Brother Chrysostom as an eager student. His Brothers in the Studium loved him for his frankness and his generous giving of himself for the sake of the community—in activities as varied as singing bass when songs were being sung, lettering a card on his beautiful penmanship or organizing a softball team to represent the Students' summer camp. He contributed many poems and articles to our Dominican publications. But his greatest excellence lay in his deep and solid spirituality. He drew most of his inspiration from his Bible, whose pages he read daily.

Franklin Seery came to Guzman Hall, Providence College, from St. Andrew's parish, Flushing, New York in 1934. He was graduated with honors four years later. He made his simple profession at St. Rose Priory, Springfield, Kentucky on September 12, 1939, and his solemn profession three years later at the House of Studies in River Forest. Shortly afterwards, he received the clerical tonsure and the first two Minor Orders.

Brother Chrysostom was stricken with a strange malady of the kind of which medicine unfortunately knows very little. He went to the infirmary in early March, then to Loretto Hospital in Chicago three weeks later. Serious complications soon caused his death on Thursday, April 8. He was just twenty-eight years old, and five years from his reception of the habit.

participation in international organization to maintain peace in the post-war world will be made at a public mass meeting here Aug. 30 by Sen. Harold H. Burton, Ohio Republican, and Rep. Howard J. McMurray, Wisconsin Democrat.

Those attending the meeting will have the opportunity to place Rhode Island on record in favor of approval by Congress of a resolution pledging American leadership in the postwar movement.

Senator Burton is one of four co-sponsors of a Senate resolution designed to commit the government to such a course and with Congressman McMurray makes up one of several teams of Congressional leaders who are carrying directly to the people the question of collective security in the hope that after the summer recess Congress will take action re-

ARMY STUDENTS ARRIVE AT P. C.

More Than 500 Soldiers To Take Engineering Courses

CLASSES AUG. 9

New Civilian Program Will Not Start Until Sept. 14

With over 500 student-soldiers arriving on the campus earlier this week, Providence College settled down today to the few remaining days of its regular session for civilian students and "refresher" courses for the soldiers.

The soldiers, assigned to Providence College to take basic engineering courses, are under the command of Major Howard B. Smith. They were sent to the college from the following classification centers: City College of New York, North Carolina State College of Agriculture and Engineering, the University of Alabama, and Clemson Agricultural College. They are quartered in Aquinas Hall, the resident students' building erected in 1939, and Guzman Hall, former student dormitory and faculty residence building. Resident civilian students are now living with private families immediately off campus.

Eight members of the clerical faculty moved this week into Martin Hall, 50 Elmhurst avenue, former St. Pius recory. The building has been named in honor of Blessed Martin de Porres, Dominican lay brother beatified in 1837. Residing at Martin Hall are: Rev. Bruno C. Zvirblis, O.P.; Rev. Robert G. Quinn, O.P.; Rev. William R. Clark, O.P.; Rev. William A. Hinnebusch, O.P.; Rev. Edward L. Hunt, O.P.; Rev. Leo S. Cannon, O.P.; Rev. Edward H. Gallagher, O.P., and Rev. James W. Hackett, O.P.

Classes under the Army program will begin August 9, with the college admitting a new freshman class of civilian students on September 14.
