**TO THE TUNE OF SHRIEKING SIRENS AND HOOTING WHISTLES**, Rhode Island completed its Third War Loan obligations by exceeding its stepped-up \$100,000,000 goal today. This picture illustrates the manner in which we "Backed the Attack." America's fighting man is exemplified by Pvt. Robert Lane, a member of the Army Specialized Training Unit at Providence College. The typical Rhode Island family is portrayed by State Council of Defense Executive Edmund A. Quinn, Mrs. Quinn and their two children, James and Jane.
