Dear Chief Justice Weisberger:

On behalf of Providence College and the Military Science Department, we want to thank you for supporting our dedication to the Army Specialized Training Program and Class of 1944 Memorial Dedication Ceremony.

Your poignant speech on life of the Veterans of World War II in the Providence Area contributed much to this historic event.

Each member attending remarked how inspirational it was in dealing with the emotion of this event.

Again our sincerest thanks for contributing so much to this great day.

Please feel free to visit our department and students in the future and we look forward to a long association with you.

Sincerely,

R. C. Golonka
Lieutenant Colonel, U.S. Army
Professor of Military Science
