

# PROVIDENCE COLLEGE

## INTER-OFFICE MEMORANDUM

TO Ann Manchester-Molak  
FROM Bob Deasy

DATE December 11, 1998  
SUBJECT Graduation 1999

How about honoring the Class of 1944 on their 55th anniversary. These were our A.S.T.P. guests of last October who are still writing to me raving about Providence College. Maybe certificates of attendance or even possibly degrees (It has been a custom to honor Doctors, Dentists, and Lawyers who went on to their professions after completing only two or three years here on the campus. If interested please call and count me in. I know my brother at the R.O.T.C. staff would be interested.

Have a nice holiday season,

Bob D.
