Subject: Thank you for ASTP info

Hi Gary--

At first, I was going to call to say thank you for the ASTP info you sent me yesterday, but I decided to impress you with my e-mail "expertise" (such as it is) instead.

So, thank you for sending me the info. I'll share a copy with Pat Vieira, PC's public affairs officer.

She would be the person to ask whether we have received any more ASTP press clippings. You can reach her at ext. 1962.

You may also wish to ask whether she's received any newsclips about the Washington race. I had forwarded the info you sent me to her, and I know she did a news release about it.
