Dear Major Tuite,

Glad to have ROTC + National Guard representatives present on 8-1-11 when Father Shanley awarded me the honorary degree from Providence College.

Thank you for coming.

As you know when you are in the military you never know where you will be sent and what will happen to you. We all have different experiences - some good + some bad. I was glad I served - and just fortunate to have survived. Thirty seven ASTP students from DC did not.

It was good to have you and Major Shosh at the presentation.

Best wishes,

Malcolm Ekstrand, DPM
