The Veterans of the Battle of the Bulge was organized to honor the Americans who served in The Battle of The Bulge and to remember those who never made it home. VBOB is a non-profit educational organization which does not engage in either political, lobbying, or propaganda activities.

Those who were in this historical battle never forgot. Let us recall it together and make it memorable for all time.

Hello Steve:

Just a note to tell you I am alive and well! We had our 60th Anniversary luncheon meeting this past December and it was attended by 357 people..including 30 soldiers from Iraq(with their families) as our guests. They received a standing ovation.

The 26th Division has a magazine that comes out 4 times a year. The enclosed ad will be appearing for the remainder of this year.

We all have feelings about Providence College. I would welcome the opportunity to speak to your cadets and talk about 1944 and what happened to us when we left PC. I did receive a call from Cadet Morales who extended an invitation to come up on Nov 11th..but we leave for Fla on Oct 10th every year. Annette and I will be up north from May 15th to Oct 10th...we do not need another ceremony..we just want to walk around and speak with your cadets.
Our Best to Marianne

Steve
