Dear Steven:

We are leaving for sunny Florida today but I had to write this note. It was indeed a pleasure to visit the campus again and thank you and your staff for your hospitality and most cordial welcome.

When we returned, I contacted many of our ASTP alumni and described the events and the construction of the new beautiful Chapel.

They all were unanimous...when you commission the new officers in the Chapel in May, we all would welcome the opportunity to participate. Perhaps we could have a ceremony re-dedicating our plaque in its permanent resting place. It is comforting to know our buddies who made the supreme sacrifice will be memorialized forever at Providence College.

Accordingly, when you have a firm date, please advise and I will "start the ball rolling".

Cordially,

PS I am enclosing an article that may be of interest.

PPS. If the date is around the 3rd week of May, we can anticipate about 30 -40 ASTP alumni to attend!

(They would prefer any date after May 20th)
