Major Michael McNamara
Battalion Exec Officer
Providence College
Providence, RI 02918

Dear Major McNamara:

I was delighted to chat with you this morning and you should be highly commended for your success during this past semester.

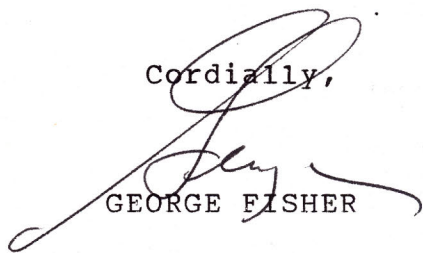

This letter will confirm my speaking to your cadets on Wednesday, October 4th. My talk will be most interesting and informative...I will describe life at Providence College during the ASTP Program...and the events thereafter.

It should be noted when the ASTP was abruptly terminated, we were all assigned to infantry duty. Accordingly, most of the class have Purple Hearts, and/or Bronze Stars. (I have both)

Many thanks for the invitation for lunch. My wife, Annette, and I will be there! We would enjoy meeting your cadre and cadet leaders.

Cordially,

GF/ar
