Dear Col Golonka:

It is difficult to believe almost one year has passed since that memorable dedication last October! It was an afternoon that will live in our hearts forever.

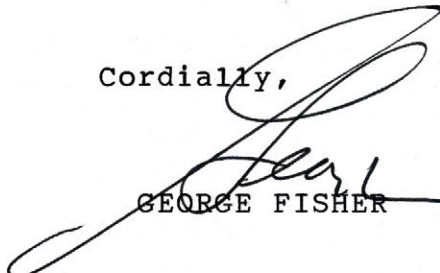

Many people have inquired about your progress in establishing a permanent reminder of the ASTP program from 1943-44. Perhaps you are in need of some additional material or photos...please let me know if we can help.

Accordingly, I will be in the Boston area the last week of September and would like to visit with you on Wednesday Sept 29th. In addition, I would welcome the opportunity to meet with your cadets and dialogue about the ASTP program and World War II.

If that date is not convenient, we can arrange an alternate date.

With kindest regards, I remain

Cordially,

GEORGE FISHER
