Mr. George Fisher  
Mr. Leo Wurtzel  
Providence College Veterans Fund

Dear George and Leo,

Thank you so much for your \$1,000 contribution from the Army Specialized Training Program to our Chapel Fund. It was thoughtful and generous of you and much appreciated by me and the College community. Thank you also for your praise of the warm hospitality you received from the Friars Club, the ROTC and so many of our staff during your brief stay on campus.

I am delighted that you had such a pleasant and moving experience at your remembrance celebration at the College on Saturday, October 17. I am also glad to know that the Army Specialized Training Program's experience at Providence so many years ago engendered such fond memories.

I am truly sorry that I was unable to be present at your remembrance, but I had a previous commitment. I have heard so many wonderful things about the event: the quality of your love for your heroic comrades, the depth of your emotions as you remembered them, the enormity of your pride for their courage in battle and the level of your satisfaction in knowing that your plaque will always memorialize your buddies for the supreme sacrifice they made for you, the College and all of us.

I will bring this note to a close with the hope that it will find each of you well and happy. Thank you again for the honor you have brought to Providence College. You have enabled us to share in some small way in your noble accomplishments. I hope to see you again sometime.

Sincerely,

*Philip A. Smith, O.P.*
