Dear Col Golonka:

I was delighted to chat with you today with reference to the October 17th dedication. Both you and Sgt Major Fortunato should be justly proud of your cadets. En route back to our hotel, we all remarked that we never looked as good in our uniforms!

Needless to say, the entire program and ceremony was outstanding-the guest speaker was excellent - the Band was simply great. There are not enough superlatives to describe that afternoon.

Your idea to create a permanent reminder of the ASTP from 1943-44 certainly has our approval. Since all the photos and documents will be displayed in the ROTC area, it is comforting to know we will not be forgotten.

Enclosed please find our check in the amount of \$ 500.00 to defray expenses for this worthwhile project.

All The Best
