Subject: Army Specialized Training Program Reunion

Dear Mr. Deasy,

I had a feeling either you or your brother was going to be involved in this. I was afraid Mr. Fisher had jumped the gun (See 1) on announcing the reunion and then the administration was not going to respond. I'm glad that Ann / her staff pressed on with this.

For your information, I am enclosing what has transpired so far on the Reunion (See 1-3) and the material on the history of the PC unit. I copied about 100 pages from Keefer's 1988 book on the nationwide programs if you want to look at it. I don't know whether he'll be getting in touch with me again for photographs or other memorabilia. We do have a fair amount of that, which also might be good for some Reunion program, etc. Also a reminder that the War Memorial Grotto, which may not be with us that much longer, was dedicated on May 9, 1948.

If nothing else, this package should provide you with some good exam bonus questions!

Sincerely,

Jane M. Jackson
