Dear Mrs Jackson,

I am enclosing a copy of the saga of the ASTP Unit which I felt was needed to put the whole incident in perspective.

Maybe someone else has done this but I am not aware of it. Also this is as I remember it and that was 54 years ago. Someone may remember a few things differently.

Anyway I finally got the ambition to do it and did it.

I think I had previously sent you a copy of the Graduation exercise program of Jan 1944 and also a copy of the letter from Dept of the Army Feb 1944 notice of closing down ASTP. If you don't have these, please let me know.

I am looking forward to the gathering at P.C. and have all the reservations made. Please share this with Prof Deasy. I am looking forward to meeting all of you.

The time is winding down and I'll soon be there. I sent a copy of this to George Fista so he knows about it. I also told him I was sending a copy direct to you.

Sincerely,

Robert (Bob) Radson
(I go by Bob or Doc)

Dr. Robert L. Madson
