In 1943, Malcolm Ekstrand was one of 380 members of Unit #1188 of the U.S. Army Specialized Training Program who were enrolled at Providence College.

Their promised education cut short, these young men answered the urgent call to serve their nation and courageously served in the 328th Infantry Regiment of the 26th Yankee Division. They marched with General George Patton and fought in the Battle of the Bulge.

For this reason, Providence College is pleased to award the Honorary Degree of Bachelor of Science to Dr. Malcolm Ekstrand.
