Prospects Bright

as Season Nears

Providence College Nine to Play
19 Games.—Last Year's
Team Intact.

Nineteen games, including an exhibition tilt with the Boston Red Sox May 24, to be played on Hendricken Field, comprised the diamond list for the coming spring for the Providence College Varsity nine, as announced today by John E. Farrell, graduate manager of athletics at the local college. The list is similar to the Friar schedules of past season, with but one newcomer, Pratt Institute of Brooklyn, making its appearance on the slate. The Friars will open the season against Lowell Textile here April 16.

Feature games, in addition to the Red Sox clash which will mark the first time the Friars have ever met a major league team in competition, include the home and home series with Brown, Manhattan, Boston College and Holy Cross, together with single games with Syracuse, Yale, Tufts, New Hampshire and Mt. St. Mary's College of Maryland. Tufts returns to the Friars' diamond card after a five-year absence.

Alumni Game Carded

One of the features of the spring program is the introduction of an all alumni game, to be staged on Alumni Day of Commencement week, June 7, between a team of graduates from Providence College and a similar team from Harvard. The game will be played on Hendricken Field, and will bring into competition such Crimson stars as Ben Ticknor, Eddie McGrath, Ed Donaghy, and such former Dominican luminaries as Ed Wineapple, Joe Duffy, Tom McElroy, Joe Harraghy, Harry Main, Heck Allen, Frank Cappalli, Ed McLaughlin, Ray Doyle, and many others.

For the first time the Holy Cross series has been changed, with the first game at Providence and the return engagement at Worcester. The Crusaders, defeated by the locals here last year in the final tussle for the Eastern title, will visit Hendricken Field on June 1, and the Friars will travel to Worcester 10 days later to close the season. Yale will be met in May instead of the first week in June as in former years, with Boston College taking over the early June date for a game here.

Oscar

Perrin

first baseman

Syracuse, defeated in a hard fought game here last June, will provide the Commencement Day attraction, coming here for a tilt with the Flynnmen on June 9. The Brown series will remain in the middle of May, with both games on Aldrich Field, as in former years.

Red Sox Here May 24

Original plans called for an early April meeting with the Red Sox, but when arrangements for a game at such a time could not be completed, President Bob Quinn of the Boston leaguers consented to send his aggregation here on May 24. The day previous the Red Sox meet the Senators in Washington, and the stop over here will be made en route back to Boston.

Prospects for a successful season are very bright, with the championship team of 1931 returning intact for further play. This group includes Quinton, Blanche, Connors, Buckley, Burdge, Page and Breen, pitchers; Tebbetts, Roberge, Welch and Foster, catchers; Ferrin, Corbette, Hammill, Reilly, Janas, Dion, Bleiler, Demoe and McCormac, infielders; Captain Sellig, Koslowski, Marsella and Griffin, outfielders. Pre-season practice will start as soon as the weather

will permit outdoor work, which, in all probability, will be early next week.

In addition to the attractive 'Varsity slate, a nine-game schedule for the Junior 'Varsity nine was also announced by Graduate Manager Farrell.

Complete 1932 Schedules

The complete 1932 schedules, games at home unless specified otherwise, are as follows:

'Varsity—April 16, Lowell Textile; 22, Pratt Institute at Brooklyn, N. Y.; 23, Manhattan at New York city; 30, Springfield; May 3, New Hampshire at Durham, N. H.; 5, Mt. St. Mary's; 7, City College of New York; 11, Boston College at Boston; 14, Brown at Aldrich Field; 18, Yale at New Haven; 19, Manhattan; 21, Brown at Aldrich Field; 24, Boston Red Sox (exhibition game); 27, St. Michael's College; 28, Tufts at Medford; June 1, Holy Cross; 4, Boston College; 7 (Alumni Day), Providence Graduates vs. Harvard Graduates; 9 (Commencement Day), Syracuse; 11, Holy Cross at Worcester, Mass.

Junior Varsity—April 16, Yale Junior Varsity at New Haven; 22, Becker College at Worcester; 23, Brown Junior Varsity; 30, Assumption College at Worcester; May 3, Bryant-Stratton College; 6, St. John's Prep at Danvers, Mass.; 10, Dean Academy at Franklin, Mass.; 12, Brown Junior Varsity at Aldrich Field; 18, Nichols Junior College at Dudley, Mass.

ALMOST ENTIRE 1931 SQUAD TO REPORT TO COACH FLYNN

Friars Schedule Game With Boston Red Sox Here May 24

**Last Year's Junior 'Varsity
Also Sending Up Sev-
eral Promising Candidates;
Seven-Year Record Good**

Baseball prospects at Providence College were never brighter than for the coming season. The team which won the Eastern college championship in 1931 is back almost intact, with Johnny Notte, who alternated at second base, as the only letter-man lost. Coach Jack Flynn, who has had charge since 1924, with the exception of 1926 when he managed New Haven in the Eastern League, intends to hold the first practice session two weeks from next Monday.

Coach Flynn is not planning on any radical changes, but that does not mean that last year's regulars can afford to let down. Naturally, past performances are considered and those who did good work in the past have the advantage over new

talent, but only until they have asserted their superiority over the ones who have advanced from the junior 'varsity ranks and the first-year youngsters.

ED QUINTON LEADS PITCHING STAFF

The pitching staff is exceptionally strong on paper. Ed Quinton, a Junior, with a record of 14 wins in 17 games, heads the list. Al Blanche, rangy right-hander, who came into prominence last spring; Danny Connors, Medford Junior, with great possibilities, and Frank Buckley, Senior from Roslindale, comprise the other letter-men. In addition, Flynn will take a good look at Louis Page of Beverly, a southpaw, who was ranked as one of the best schoolboy hurlers ever turned out of the Greater Boston district. Page sustained an arm injury last spring and as a result he had little chance to display his wares.

Eddie

Quinton

George Tebbetts, Nashua youngster, who is rated one of the finest backstops in the college ranks, will again be available for duty behind the plate, sharing the mask and pads with Oliver Roberge, who stands six feet, two inches and weighs 190 pounds. Roberge is the finest all-around athlete on the Smith Hill campus.

Leading candidates for the infield include Bobby Dion, captain of the 1931 Friars, at third base; Ed Reilly, who finished the season at shortstop; Ed Janas, who started the campaign at the same post; Walter Corbett at second base, and Oscar Perrin at the initial station.

The outfield is well fortified with Capt. George Sellig in left, Ed Koslowski, big baseball centre, in the middle garden, and the slugging Harrisville thumper, Charles (Chief) Marsella in right. Tom Griffin, pinch hitter extraordinary, who broke up the Boston College game by smacking a homer with the bases loaded in the ninth inning, is also going to make a strong bid for a first-string assignment.

JUNIOR VARSITY SENDS UP STRONG CANDIDATES

From the Junior Varsity come such lads as Chick Blaller, Shorty Demoe, Ed Hammill and John McCormac, who have been tested under fire. Also Charlie Rennick, former Hope high luminary; Charlie Burdge, 212-pound twirler from Warren, who found himself in football last fall and who may prove equally as capable on the diamond; Brien, Woonsocket hurler, and Dromgoole, an outfielder, from the ranks of the Inter-scholastic League.

Freshmen who will try to pry their way into the select circle include Dick Burns of Warwick, Bill Kutniewski of Commercial, Anthony Begos, outstanding school-boy infielder of this State for the past couple of years and leading hitter in the Amateur League last summer; Pete Gobis, fly hawk from Technical, who further developed at Hughie Duffy's summer school at Fenway Park, Boston, and Johnny Madden of Pittsfield, an infield protege of Manager "Shano" Collins of the Red Sox, who predicts a bright future for the lad.

Withdrawal from college at Christmas time of Mark McComiskey, stocky Lawrence finger, and one of the most promising in New England, meant the loss of a fine addition to the box corps. McComiskey left college with a promise of a tryout with the New York Yankees

FLYNN'S RECORD

TOTALS 107 VICTORIES

During the seven seasons that Coach Flynn has been drilling the Friars they have compiled 107 victories, 45 defeats and played two tie games, a record that compares favorably with the best in the country and is better than the majority. And all the more remarkable when one takes into consideration the undeveloped material with which he moulded excellent defensive teams.

FRIARS PLAY THE RED SOX MAY 24

Providence College List Is Announced

PROVIDENCE, March 17 (A. P.)—A varsity baseball schedule of 19 games, including an exhibition contest here May 24 with the Boston Red Sox, was announced today for the Providence college nine, claimants of the Eastern championship last Spring, by Graduate Manager John E. Farrell. Feature games include those with Holy Cross, Boston College, Yale, Brown, Syracuse, Tufts and Manhattan.

The complete schedule, games at home unless specified otherwise, is: April 16, Lowell Textile; 22, Pratt Institute of Brooklyn, N Y; 23, Manhattan at New York city; 30, Springfield; May 3, New Hampshire at Durham, N H; 5, Mt St Mary's; 7, C. C., N Y; 11, Boston College at Boston; 14, Brown; 18, Yale at New Haven; 19, Manhattan; 21, Brown; 24, Boston Red Sox (exhibition); 27, St Michael's; 28, Tufts at Medford; June 1, Holy Cross; 4, Boston College; 7, Harvard graduates vs Providence graduates; 9, Syracuse; 11, Holy Cross at Worcester.

Twenty-Five Friar Baseball Candidates Report to Flynn

More Men Expected Out Today.

Ed Quinton, Star Twirler,
Takes Part in Drill.

The 1932 Providence College baseball campaign got under way yesterday when 25 candidates for the team took part in a long drill held under Coach Jack Flynn at Hendricken Field. The number of players reporting was considerably smaller than expected but inasmuch as classes will be resumed today after the Easter holidays, it is expected that more than 50 will be on hand for this afternoon's drill.

Coach Flynn sent his charges through an informal practice contest in which most of the players participated. The Friars showed much enthusiasm and dash in their workout which lasted well over two hours.

Among the players who reported were a number of veterans and promising newcomers. Heading the hurling staff was Ed Quinton, last year's star hurler. Danny Connors, Medford youth, and Al Blance of Somerville, both experienced pitchers also participated in the drill. Other hurlers to report included Louis Page, Charles Burdge, Charles Rennick and Andy Tucker. The last three named are products of Rhode Island schoolboy baseball while Page is a former Boston schoolboy luminary.

The two catchers who are expected to do the brunt of backstopping duty this season, George Tebbets and Ollie Roberge, both were present. Oscar Perrin, regular first baseman last season, was absent and the initial sack assignments yesterday were occupied by Burns and McCarthy. Hammill and Welch played at second base. Bobby Dion, captain of last year's team and third baseman was at his usual post.

Capt. George Sellig and Marsella were the two veteran outfielders at the drill. Other candidates for garden work who reported were Gobis, Dromgoole, Verde and Keene.

* * *

Harry Main of Pawtucket, Providence College second baseman of a few years back, drilled with the Friars yesterday. Main has signed with the New Haven team of the Eastern League and will leave for that city Sunday. Accompanying Main to New Haven will be Ivy Fletcher, former Pawtucket high star hurler who is seeking a tryout with the Profs.

FRIARS HUMBLELOWELL

Friars Take Opener, 14-2 From Lowell Textile Nine

Big Ed Koslowski Hits Homer
Over Centre Field Fence.
Visitors Use Three Hurlers.

Gradually acquiring hitting power as the game progressed, the Providence College baseball team opened its season yesterday afternoon at Hendricken Field by defeating the Lowell Textile nine, 14 to 2. The game was close during the first four innings, but the Friar bats found their mark from then on to give the Dominicans decisive triumph.

Ed Quinton, Friar mound ace, turned in an excellent performance, allowing but five hits during the eight innings he pitched and scoring his 15th triumph in the 18 games he has worked for the Dominicans. Bill Lomax, former Georgetown star, relieved Quinton in the ninth inning and he retired the Lowell boys in regular order. Quinton's exodus from

the box was not worked as a precautionary measure by Coach Jack Flynn.

Big Ed Koslowski, Providence College centre fielder, provided the batting feature of the game by hitting the longest home run ever made at Hendricken Field. Koslowski hit one of Bukula's offerings clear over the centre field fence in the seventh inning to score Capt. Sellig and Haggerty. This is the first time this feat has been accomplished.

Use Three Pitchers

Lowell employed three pitchers in an effort to halt the Friars. Garner started and after he got through safely in the first two innings he slipped in the third, allowing the Friars to score three runs on three hits, two singles and a double, two bases on balls and an error by Shortstop Kokoska.

Garner was relieved by Mike Bukula, who was treated unkindly by his hosts. Bukula got by the fourth inning, but he uncorked two wild pitches in the fifth to enable the Friars to make three runs. In this session the Friars got two singles and a base on balls. George Tebbetts and Oscar Perrin got to Bukula for triples in the sixth inning to account for the two Providence runs made in this canto.

The climax of the game came in the seventh session when the Friars scored five runs to mark "finis" for Mr. Bukula. Koslowski's homer, three singles and two bases on balls did the damage. Mike Kokoska was shifted to the mound from shortstop in the eighth inning and he allowed one run.

The performance of the Friars as a whole for the opening day was favorable. Two newcomers to Flynn's ranks showed to advantage. Frank Marian, who replaced Perrin at first base in the eighth inning, excelled afield and Andrew Haggerty, who took Tom Griffin's place in right field in the seventh inning, also showed to advantage. Ed Hammill played the entire game for the Friars at third base in place of Bobby Dion, captain of last year's team, who has a lame arm. Hammill did not have many chances afield, but those that did come his way were well handled.

Turn in Good Batting

Koslowski, Capt. Sellig, Perrin, Griffin and Tebbetts turned in good batting performances for the Friars. Both Sellig and Perrin got three hits each. All of Sellig's were singles, but Perrin connected for a single, double and triple. Griffin made two singles in four times at bat, one of them scoring two runs. Tebbetts's triple in the sixth inning ranked next to Koslowski's homer as the hardest hit of the game.

Quinton was in serious trouble on only one occasion. That was in the fourth inning when Lowell made its two runs. His own error of Savard's grounder started the trouble. He next walked Shapiro and Savard advanced to second. He struck out Grossman and Farland, but hit Pilgian to fill the bases. Bukula was sent to bat for Garner and he came through with a single to score Savard and Shapiro.

Quinton started the third inning scoring for the Friars after he reached first base on Kokoska's error of his slow roller. He advanced to second when Hammill was walked. He scored the first Friar run on Sellig's single. Hammill advanced to third. Sellig reached second base on the Lowell attempt to catch Quinton at home. Both Sellig and Hammill scored on Griffin's single to give the Friars three runs for the inning.

Out at Home Plate

Providence scored next in the fifth. Koslowski and Perrin, first two men up, singled. Both were advanced by Tebbetts's sacrifice hit, but Koslowski was put out at home plate one play later. Bukula uncorked a wild pitched, allowing Perrin and Tebbetts to score. Corbett got to first on a fielder's choice and he made the third Dominican run when Bukula made his second wild pitch of the inning.

The Friars scored two runs in the sixth inning after two were out. Sellig fled to left field and Griffin was put out at first base. Koslowski got a base on balls and scored on Perrin's triple. Perrin came home when Tebbetts followed him with a triple.

Reilly opened the big seventh with a single. He reached third base on a passed ball and scored on Quinton's sacrifice fly. Hammill singled, Sellig walked. Hammill came home on Grif-

fin's single. Koslowski's homer came next and he sent Sellig and Griffin home before him.

In the eighth Mike Welch, pinch hitting for Quinton, got two bases when Grossman erred on his grounder. Sellig's single scored Welch for the final run of the game.

CONNORS, DION STAR AS FRIARS BEAT PRATT 7-1

Brooklyn, N. Y., April 22.—With Danny Connors, veteran hurler, and Bobby Dion, last year's captain, in leading roles, the Providence College nine pounded out a 7 to 1 victory over the hitherto undefeated Pratt Institute aggregation here this afternoon. Connors was in fine form in yielding eight scattered hits, several of the scratch variety, and striking out eight men, while Dion signalled his return to play with three hits.

Although the Friars furnished the heavy hitting and sparkled afield, it remained for Frank Boerman, star hurler of the Pratt nine, to steal the individual honors of the fray. Boerman, a rugged right-hander who is reported to be in line for a test with the Athletics this summer, struck out 14 of the Rhode Islanders, and in addition scored the longest hit of the game, a home-run drive over the left field fence for his team's lone score. The defeat was his second in two seasons. But though he proved effective in some innings in quelling budding Providence rallies, Boerman was nicked freely in the latter stages of the game, with Perrin, Dion, Sellig and Corbett leading the attack. Oe Perrin, visitors' first sacker, was the long range sticker of the day, with two doubles and a single to his credit.

Employs Strategy

With the playing field fence in on all sides, and the right field very short, Coach Jack Flynn of the Friars pulled a bit of strategy in sending Eddie Hammill into right field, figuring that the relief infielder would be able to field any fast drives to first base for outs.

Play was close for the first two innings, with the Friars placing two men on the bases each frame but being unable to bring them to the home station. In the third canto, however, successive doubles by Dion and Sellig accounted for a run. Sellig was left stranded in this frame when Boerman tightened and fanned Koslowski and Roberge, and forced Perrin to pop to second.

In the fourth Boerman demonstrated his versatility further by lifting one of Connor's fast shoots over the left field wall for a home run. This marker tied the score and provided the Friars with the needed incentive to force their way to the fore in the following canto.

In the fifth Hammill opened with a single to centre, but was forced at second when Dion grounded to first when attempting to hit to right field for a hit and run play. Dion pilfered second as Sellig fanned. Koslowski hit to short and Bode fumbled and then made a wild peg to first, allowing Dion to romp home and Koslowski to amble to second.

Game played: April 22, 1932

Perrin Gets Hit

Perrin collected his first hit, a single to right, which scored Kozzy with the third Friar run of the game. Roberge skied to third to end the rally.

In the sixth two more Dominican runs were chalked up when Dion pounded a single to centrefield with men on second and third. Corbett was hit on the hand to start the inning and went to third when Relly smashed a hit to right field. Connors and Hammill fanned, Relly moving to second on the latter out and then Dion contributed the needed scoring punch.

With connors pitching fine ball to hold the Pratt aggregation well in check the invaders took matters easy with this lead until the ninth inning when the final two scores were registered as the result of some long range clubbing. In this canto Hammill was safe when his riser dropped untouched in back of second. Dion popped out to the pitcher and Sellig grounded out. Boerman to Arman, and then Koslowski came through with a tremendous smash which cleared the centrefield fence but which the ground rules held to two bases.

Feature Plays

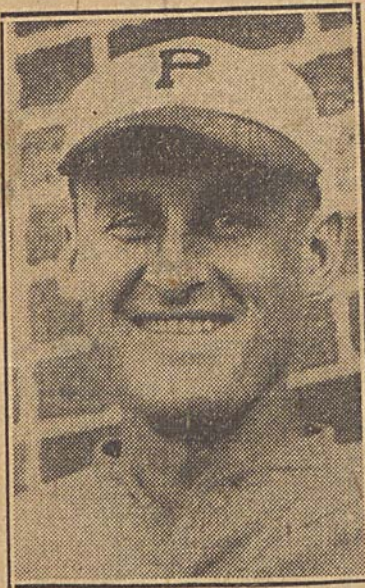

Koslowski went to third on a wild pitch and scored when Perrin lifted his second double over the right field barrier. Roberge singled to centre, but the rally died here when Corbett churned the breezes.

Aids Friars to Win

Tom Griffin, Providence College outfielder, hit a home run in fifth inning of Providence College-Manhattan game yesterday at New York with the bases loaded as the Friars won 9 to 6.

FRIARS UPSET MANHATTAN

Friars Trip Manhattan 9-6 After Griffin Hits Homer

Circuit Drive Comes with Bases
Full.—Dominicans Trail,
5-0, Up to Fifth.

(Special to the Providence Journal)
New York, April 23.—Disproving the theory that heroes do not repeat, Tom Griffin, Providence College right fielder whose home run defeated Boston College last June, thrilled a large crowd at Jasper Oval here today when he crashed a circuit smash over the centre field wall with the bases loaded to give the Rhode Island nine a 6 to 5 lead over Manhattan College and to pave the way for a final 9 to 6 decision in favor of the Friars. The victory was the third straight for the Dominicans.

Trailing 5 to 0 until the fifth inning, the Friars took advantage of Hasset's wildness to fill the bases, and then converted for two runs on an infield boot. Capt. Sellig of the visitors drew a walk to fill the bases again and, with two out, Griffin contributed his tremendous drive to put the Friars in the running.

Two more tallies were added in the following inning as the result of two hits

and an error, and Reilly drove in the ninth run in the seventh inning when he singled to left to score Tebbetts who had previously drawn a walk and had gone to second on an infield out. Al Blanche, Sophomore flinger of the Friars, turned in a creditable performance, being somewhat shaky in the early stages of the tilt, but rallying once his mates had claimed the lead, to hold the Jaspers well in check. He was nicked freely in the fourth and fifth innings when the locals garnered six of their 11 hits.

Flash Fine Ball

The entire Providence team flashed fine ball. Ed Reilly, shortstop, was brilliant afield handling eight chances without a miscue and making one double play unassisted to nip a Manhattan rally in the fifth. He started another double killing in the fourth to break up the strongest attack of the Jaspers.

Game played: April 23, 1932

And a very happy Week-end was enjoyed

Manhattan scored first, chalking up a counter in the first stanza. Tremark, speedy leadoff man, drew a walk and moved to second on O'Neil's sacrifice. Blanche forced Captain McCormick of the locals to churn the breezes, but Bud Hassett, long range slugger of the Jaspers, connected safely for two bases, his drive rolling to the left field fence, with Tremark registering at the home station on the hit.

Hasset added further to the Manhattan score column in the third. Tremark started the trouble again by working Blanche for a free ticket and O'Neil again moved him up to second. McCormick grounded weakly to Perrin. Tremark travelling to third on the out. Then Hassett caught hold of a high shot and rode it over the right field wall for a home run, his third circuit clout of the week in college competition.

Is Disastrous Frame

The fourth proved a disastrous frame for the Friars. Devaney started the inning poorly by fanning, but Sisko started trouble when he bounced a hard drive off Perrin's shins. Keegan walked and Bulger followed with a single through the box to score Sisko. Tremark hit a high bouncer which Blanche partly stopped, deflecting the ball out of reach of Corbett who made a fine attempt for a play at first. Keegan scored on the hit. O'Neil hit another freak bouncer which hopped over Dion's head, but Reilly made a fine stop, and the bases were filled. Then Reilly pulled down McCormick's line drive and completed a double play with a quick toss to Corbett at second to squelch the rally.

Then, with the score 5 to 0 against them, the Friars came to life and the tilt took a decided Providence tinge. Perrin singled inside of first, but was forced at second by Tebbetts, who grounded along the first base line. Corbett walked and Reilly took advantage of Hassett's temporary wildness to draw another free ticket, and the bases were crowded. Blanche fanned for the second out. Dion sent a hard drive towards short and Thomas booted the ball, allowing Tebbetts and Corbett to score. The error further upset Hasset and he issued a free ticket to Sellig to crowd the cushions again.

Griffin Clouts Homer

Then Griffin, with two strikes on him, connected for his run producing smash which swept the Dominicans into a 6 to 5 lead. Koslowski was safe a moment later on an infield error and Perrin continued the rally with a single to centre. Tebbetts walked, but Corbett skied to Sisko to end the attack.

In the sixth Reilly started another offence when he singled to right, and Blanche was safe when Hassett pegged poorly to first after fielding his bunt. Dion skied out to third and Sellig hit to short. On the latter blow Thomas pegged wide to second trying to force Blanche, and the latter travelled around to third, while Reilly raced home with a run. Griffin forced Sellig at second, but Blanche tallied on the play, making the Providence total eight.

Score In Seventh

The final Providence score was made in the seventh. Tebbetts walked, moved to second on Corbett's infield out, and dashed to the home station when Reilly pumped a single into left field.

A single by Tremark, Dion's error on McCormick's grounder, the only Friar

miscue of the tilt, and Hasset's long fly to left brought in the sixth and final Manhattan run in the ninth inning.

Providence College Catcher

George Tebbetts

FRIAR BALL STAR HAS OPERATION

George Tebbetts, Catcher,
Stricken with Appendicitis
on Way Back to City.

(Special to The Providence Journal.)
Bridgeport, Conn., April 24—Providence College's hopes of retaining its Eastern Collegiate baseball title received a severe setback here today when George Tebbetts, brilliant young catcher of the Friars, suffered an attack of acute appendicitis while enroute to Providence from New York and was rushed to the hospital for an immediate operation.

Tebbetts was returning to Providence with Graduate Manager John E. Farrell, of the Dominican College, after a two-game baseball trip to New York.

He was seized with illness enroute to this city and, as a result, Farrell consulted Dr. Francis Carroll, one of the leading physicians of Bridgeport, who diagnosed the attack as that of acute appendicitis and ordered an immediate operation.

Tebbetts was operated on early this evening at St. Vincent's Hospital and at 9 o'clock was reported to be resting comfortably.

Tebbetts is considered one of the finest backstops in college ranks and, only yesterday, turned in a brilliant exhibition behind the plate as the Friars defeated Manhattan College in New York City.

He will be lost to the team for the remainder of the season.

FRIAR ATHLETES FACE BUSY WEEK

Baseball Team Plays Springfield Saturday.—Golf and Tennis Men Face Opposition.

Athletes at Providence College will face one of the busiest weeks of the spring sports season with seven events carded. Both the Varsity and jayvee baseball teams are scheduled for one game each, while two matches are listed for both the Varsity and Freshman tennis teams and one match for the golfers.

The Varsity baseball team, which has won all three games played, meets the Springfield College nine at Hendricken Field on Saturday while the Junior Varsity aggregation goes to Worcester Saturday for a game with the Assumption College nine. Both the Varsity and Freshman tennis teams open their seasons on Wednesday. The Varsity will play Clark University at Worcester and the Freshmen oppose the Moses Brown players here. On Saturday the Varsity again travels to Worcester for a match with Holy Cross and the Freshmen meet the Brown yearlings at the Thayer street courts. The golf team faces the Boston College linksmen in one of the matches carded for the municipal course opening on Saturday.

Judging from the manner in which the Varsity nine has played in its three opening games, its prospects for the future appear exceptionally bright. The team should encounter no trouble in downing the Springfield team. The Junior Varsity has split even in two games played, losing to the Yale Jayvees and winning from the Becker College team.

The tennis players will be handicapped by the lack of practice as tomorrow will mark the opening practice day for the Friars. As there are a number of veterans available for the team, they are expected to fare well this season.

The golfers have had the advantage of a number of practice rounds but the Friar golfers will do considerable playing this week. Danny Golasso, diminutive player from New York, has turned in some low rounds and he is expected to do much for the Friars on the links this season. Joe McLaughlin, who was one of the leading golfers in this State a few years ago, is another candidate for the team who is expected to face the Eagles. McLaughlin has only played one round this season but he expects to get back his golfing touch with considerable speed this week. Peter Vucci of East Providence is another likely member of the team. Vucci has all the equipment necessary to a good golfer but is prone to be erratic at times. With more play, he should become a valuable member to the team. "Jud" Flannagan is another prospective member of the team.

Quinton's Bingle in Seventh Wins for Providence College

Friars Are Out-Hit but Beat
Springfield College by
3 to 2.

Providence College scored its fourth straight victory yesterday afternoon at Hendricken Feld, defeating Springfield College 3-2 in a game featured by a hurling duel between Eddie Quinton and Bob Bogardus. Springfield out-hit the Friars 7-5 but fine fielding by the Providence team nipped its scoring opportunities.

Although a bit shaded in pitching performance by his opponent yesterday, Quinton made up for it by bringing the Dominicans victory in the seventh inning with a long single to centre field. In this same inning Springfield managed to come from behind and tie the count at 2-all. Ollie Roberge, the Friars' catcher, opened the seventh with a single and stole second. Corbett and Reilly struck out, but Quinton managed to connect with one of Bogardus's deliveries for a single.

Wind Fools Them

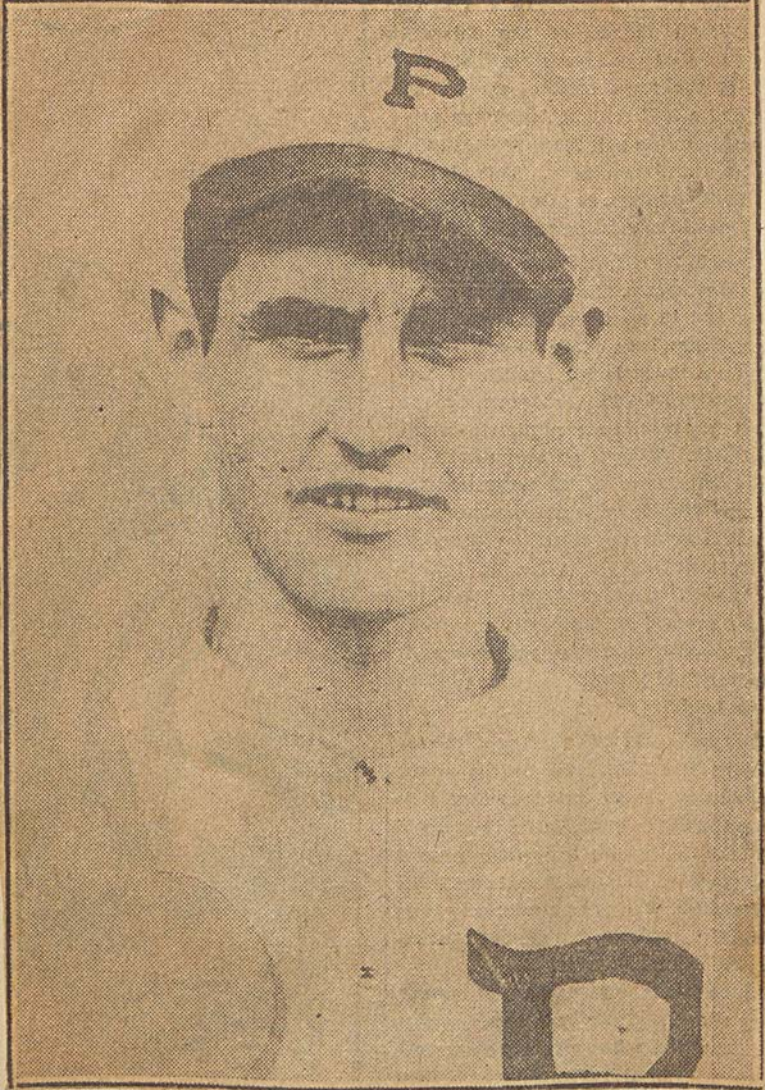

The hit traveled into deep centre field. Both Proctor and Wilhelm, centre and right fielders, respectively, for the visitors, made an attempt to catch the ball. But the strong wind had them puzzled and the ball landed in safe territory. Roberge romping in with what proved to be the final and winning marker for the Dominicans.

Bogardus, backed by the superior catching of Purington, gave one of the finest hurling exhibitions shown at a local diamond thus far this season. He kept the five hits allowed the Friars well scattered and struck out eight batters. The five hits made off Bogardus came in three separate innings, one being made in the first, two in the third and two in the seventh.

Four of the seven hits registered off Quinton were credited to Howard Meyers,

Bobby

Dion,

diminutive third sacker of the Springfield team. Meyers managed to make a hit each time at bat, a three-bagger in the first inning, scoring the initial run of the game, being his biggest offering.

Tied Early

After Springfield had tallied the first run in the opening inning, the Providence team also registered a run to draw up on even terms. The Friars sent across the second and what appeared to be the winning run in the third inning. Eddie Reilly singled to open the third canto and was sacrificed to second by Quinton. Dion followed with another hit and Captain Sellig reached first on Bogardus's error to fill the bases.

Griffin grounded to Bogardus next and the Springfield pitcher tossed home to put Reilly out, but Purrington, in trying to complete a double by throwing to first base, tossed wild and Dion came home with the second run. Springfield tried hard to equalize during the next three innings and although placing men in scoring positions several times could not overcome the faultless fielding of the Friars.

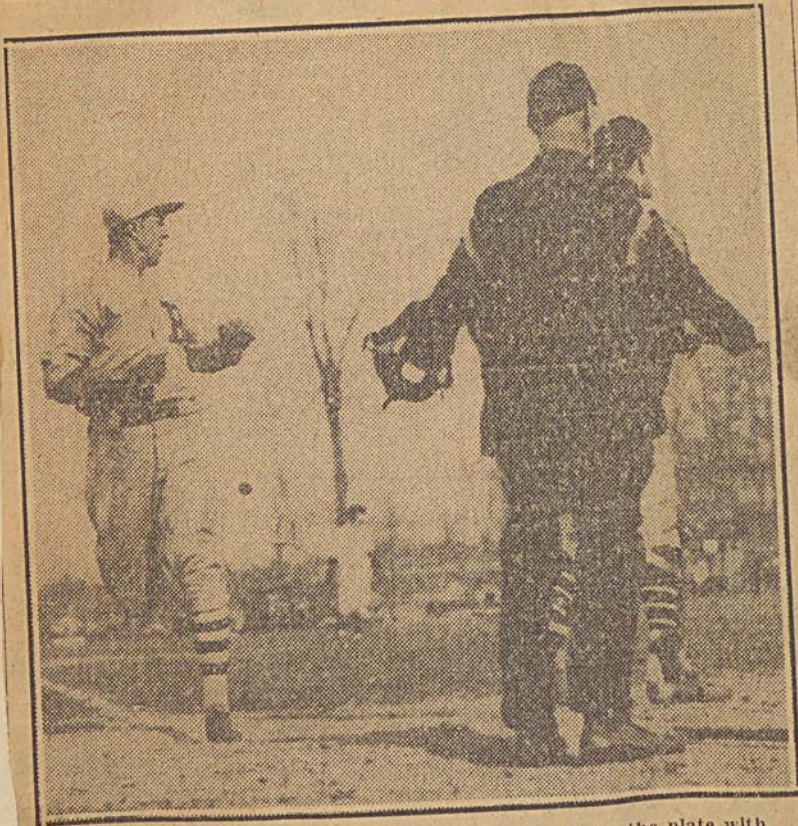

In the seventh the visitors managed to tie the score when they touched up Quinton for two hits, coupled with a base on balls. Wilhelm singled and took second when Bogardus was given a base on balls. Proctor sent a hit to short left field that went for a single and scoring Wilhelm with the tying marker. After two outs in the Providence half of the seventh frame, Quinton decided the issue with his timely hit.

Wildcats Held to Three Hits By Connors as Friars Win

Providence College Triumphs
4-0 for 5th Straight Vic-
tory of Season.

Dover, N. H., May 3.—The Providence College Varsity baseball team, with Danny Connors twirling effective ball, completely outclassed the University of New Hampshire nine here this afternoon, scoring a 4 to 0 shutout for their fifth straight win of the season. Connors pitched good ball, allowing but three scattered hits and keeping the locals completely under control throughout the fray. In addition to his fine mound work, Connors provided the Friars with a much needed offensive attack when he contributed a single for one of the hardest hits of the game in the sixth inning to score two of the four Dominican markers.

The tilt was for the greater part a pitchers' duel between Connors and John McGraw, stocky right hander of the Wildcats, who turned in some splendid box work in holding the Rhode Islanders to six hits. Providence scored a run each in the first and second frames as the result of loose playing on the part of the locals and although they placed men on the bases in scoring positions several times afterwards, McGraw proved effective in halting the rallies. In the opening canto, with two out Griffin got to first, then moved to second on a wild pitch and went to third on a passed ball. He scored on an error.

In the second canto, the visitors garnered another marker without much work. Roberge opened the inning by walking, but was forced at second by Corbett. Reilly walked, Connors hit to short and Reilly was forced at second as Corbett dashed to third. Dion hit a hard grounder to second and Chase fumbled long enough to allow Connors to slide safely into second while Corbett scored. Sellig forced Dion to end the rally.

New Hampshire had its best chance to score in the fourth. Hanna was safe when Koslowski lost his fly, Griffin sacrificed and Smith singled to centre, moving Hanna to third. Connors tightened and fanned Chase, but weakened a moment later to issue a free ticket to Lisabeth, filling the bases. Flannery, pinch hitting for Paine, grounded to Dion, who made a fast peg to Perrin for the final out. Providence left runners stranded on second and third in the fifth, when Griffin, Koslowski and Perrin were retired in order. However, a sixth-inning rally proved more successful and netted the final two Friar runs. In this frame Roberge hit to short and Koehler pegged wild to first, allowing the Friar backstop to continue to second.

Reilly pumped a single into short cen-

tre, sending Roberge to third, and later stole second. Connors then came through with his hard smash along the third-base line which sent both runners home. The Friar moundsman was nipped at second, however, when he tried to stretch his hit into a double.

Mt. St. Mary's Here Today For Tilt With Friar Nine

Southerners Have Won Eight
Out of Nine Games Played.
Blanche to Pitch.

The Providence College nine faces its strongest opposition of the season to date when it wheels into action on Hendricken Field this afternoon against the crack Mt. St. Mary's nine from Emmitsburg, Maryland. The Southerners come here with a record of eight games won, one lost and boast one of the best nines in their history.

Ample evidence of the strength of the visitors is gleaned from their record which shows wins over the crack Georgetown nine which plays the Friars here Sunday afternoon and the West Virginia outfit, which was undefeated until it ran against the Maryland contingent. Coach Jack Flynn expects the hardest sort of battle, and as a result will hurl his strongest array into action in quest of the Dominicans' eighth win of the campaign.

Al Blanche, lanky Somerville youngster who tamed C. C. N. Y. in brilliant style by allowing but four hits and one run, striking out 13 batters, will draw the mound assignment this afternoon. Blanche is an exceptionally fine hurler and the Southerners will find the going rough all the way. The Somerville youngster is also a fine hitter and will add to the offence of the team. Roberge, 190-pound backstop whose hitting featured the Friars' win over Springfield last week-end, will handle Blanche's slants this afternoon.

The other changes in the lineup will send Corbett back into play at second base, to team with Eddie Janas around the keystone sack, while Tom Griffin will endeavor to take over the centre field assignment again. Griffin sustained a slight ankle bruise in the Lowell tilt, and had to give away to Koslowski. The latter will be ready to step into the break today if needed.

The Mt. St. Mary's outfit boast a hard hitting nine, and a corps of fine hurlers headed by Ed Edelen, clever finger who is being eagerly sought by several major league clubs. Edelen has not allowed a run in the last 24 innings he has pitched, shutting out Georgetown with four hits, and West Virginia with two safe blows.

Caught at the Home Plate

Farrell, Mount St. Mary's second baseman, out at the plate, trying to score from third on Bill Lomax's low pitch in third inning of Providence College-Mount St. Mary's game yesterday afternoon at Hendriken Field. Ollie Roberge, Friar catcher, recovered the ball and threw it to Lomax in time to catch Farrell at the plate. The Friars won 4 to 3.

FRIARS RALLY NEAR END

TO DEFEAT MT. ST. MARY'S

Two Pinch Hitters Deliver Telling Blows in Local Tilt

Marsella and Haggerty Bring in
Tying and Winning Runs
in 8th and 9th.

Dogged determination for victory made more effective by the brilliant efforts of two pinch hitters—Charles "Chief" Marsella and Andrew Haggerty—brought the Providence College baseball team its sixth straight triumph of the season at the expense of the Mt. St. Mary's College nine of Maryland, 4 to 3, yesterday afternoon at Hendricken Field.

The Friars staged an uphill battle on their road to triumph. It was not until the ninth inning, when Oscar Perrin's single scored Haggerty from second base with the winning run, that their colors floated high. The invaders took a 3 to 2 advantage in the sixth inning and appeared headed for certain victory until

the "Chief," making his initial appearance of the season, made his big bat talk in the eighth session.

Longest Single of Game

Perrin was on base when Marsella went to bat and the run was needed by the Dominicans to tie the count. Batting for Walter Corbett, the "Chief" connected with one of O'Rourke's offerings for the longest single of the game, scoring Perrin with the tying run. This hit easily would have gone for a double, but in rounding first base, Marsella tripped, played safe, and went back to first.

This hit by Marsella, apparently was all that was needed to bring the Dominicans triumph. Their progress was momentarily stopped when they failed to do damage after filling the bases but their persistency was not to be denied. It was rewarded in the ninth.

Haggerty, pinch hitting for Tom Griffin, hit a long single to left field, Koslowski was walked, forcing Haggerty to second, and then came Perrin with the telling blow of the game, which enabled the nimble-footed Haggerty to scamper home with the deciding run.

The game was well played, both teams exhibiting good baseball. The invaders could only get four hits, but one of these was a home run by Shortstop Chanowski and another a triple by Farrell, second baseman. The Dominicans banded out 12 bingles, but unlike their rivals they did not capitalize all scoring opportunities. On two occasions, the third and eighth innings, the locals filled the bases but could not deliver a telling blow.

Lomax Starts

Bill Lomax started on the mound for the Friars, but was not at his best, and after being in some tight holes, especially in the sixth inning when the invaders filled the bases with one out, he was relieved in the seventh by Al Blanche. During the three innings that Blanche pitched he contributed some of the best hurling he has shown for the Friars. Only 10 men faced him and he fanned six of them. The four hits that Mt. St. Mary's made all were collected off Lomax.

O'Rourke hurled steadily for the visitors but he gradually began to weaken in the late innings. He was hit often but he managed to keep the Friar bingles scattered until Marsella and Haggerty entered the battle. While he was able to get by other players when hits were needed, he did not enjoy this success when the Dominican pinch hitters went to bat.

Providence scored in the first inning. Dion, first batter, fied to centrefield but Sellig hit a triple and later scored when Griffin, who had walked, was being put out on second on an attempted double play of Koslowski's grounder.

Both teams made one run each in the third inning. T. Lynch of the visitors reached first base when Dion, Friar third baseman, threw wild to Perrin on his grounder. Chanowski and O'Rourke went out but Farrell hit a triple to score Lynch.

Dion started the inning for the Dominicans by hitting a single. Griffin was walked and Koslowski also singled to fill the bases. Perrin fied out as Sellig did before him but Roberge hit a single to score Dion. Corbett grounded out to end the rally.

Mt. St. Mary's Ties Score

Mt. St. Mary's tied the score at two all in the fifth when Chaowski hit his home run and went ahead 3 to 2 in the sixth. Farrell opened this inning by getting his second hit of the game, a single. He went to third on Mulhearn's single and later scored on Bonner's sacrifice fly.

In the eighth the locals tied the count again at three apiece. Perrin, first to bat, drew a base on balls. He went to second on a passed ball and scored on Marsella's long single.

Sellig grounded out in the ninth but Haggerty, after poling out a foul over the fence, singled. Koslowski also walked and Perrin stopped the warfare with his single which scored Haggerty with the winning tally.

FRIARS SEEKING 7TH WIN, FACE C. C. N. Y. TODAY

Al Blanche Expected to Twirl
for P. C. with Spanier
for Visitors.

With a twin objective of scoring its seventh straight triumph of the season and avenging a smarting defeat received by another Friar sports team last winter, the Providence College baseball team faces the City College of New York nine this afternoon at Hendricken Field. Last February an excellent C. C. N. Y. basketball team invaded this city and handed the Friar quintet its worst defeat of the season. The Dominicans have not forgotten this humiliation and the baseball team is expected to atone partly for this defeat today.

The Friars showed a stronger batting attack in registering their sixth victory on Thursday against the Mt. St. Mary's nine but most of the 12 hits made came at rare intervals. The team did not bunch its hits until "Chief" Marsella and Andrew Haggerty showed the way with their powerful bats. Marsella may start today's game at his old position.

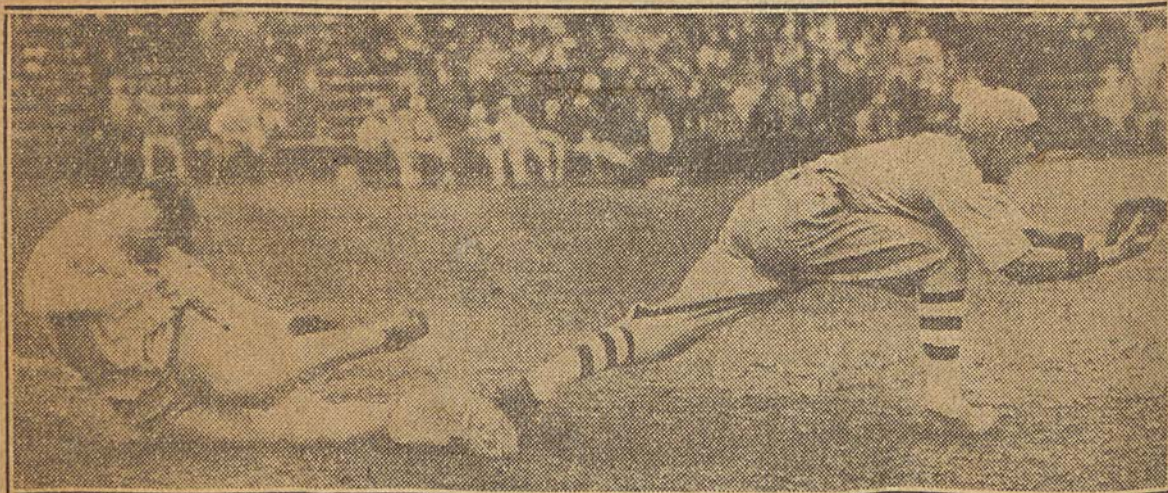

Close Battle Likely

The Friars should win today but again a close battle may result. Coach Jack Flynn's team is anxious to be undefeated when it opposes the crack Boston College nine next Wednesday in what looms as one of the most important games on week's Eastern college baseball schedule. By downing the Lavender team today, the Friars will realize this objective.

While the Friars were downing Mt. St. Mary's on Thursday, the C. C. N. Y. nine was being downed by Manhattan 10 to 5. The Lavender outfit got off to a good start against the Jaspers but its hurlers weakened in the late innings and the heavy hitting Manhattan boys did considerable damage with their bats. However, it took the expert relief hurling of Dick Coccolella to stop C. C. N. Y. after it had knocked Bud Hassett from the mound after three innings of play.

Despite the fact that the Friars have scored three of their six victories by only one run margins, they have exhibited some high class baseball. The only apparent weakness is with the stick and with improvement in this department the team should finish high in the eastern baseball race, if not on top.

Friar First Baseman in Action

Oscar Perrin was forced to stretch on this play in fourth inning of Providence College-City College of New York game yesterday afternoon at Hendricken Field. Kaplowitz was out trying to beat out his bunt. The Friars won 9 to 3.

QUINTON HURLS

AS FRIARS WIN 9 TO 3

Eddie Quinton Twirls Fine Ball as Friars Win 9 to 3

Providence College Defeats
C. C. N. Y. to Register Seventh
Victory of Season.

Producing its strongest offensive of the season behind the excellent hurling of Edward Quinton, the Providence College baseball team scored its seventh straight victory of the season by defeating the City College of New York nine a to 3 yesterday afternoon at Hendricken Field. This was Quinton's 17th triumph in the 20 games he has pitched for the Friars.

The Dominican bats were ringing mer-

rily yesterday, 13 hits being made for a total of 24 bases. Included in the battery of Friar hits were one home run, two triples and four doubles. The Lavender nine was held to six hits by Quinton.

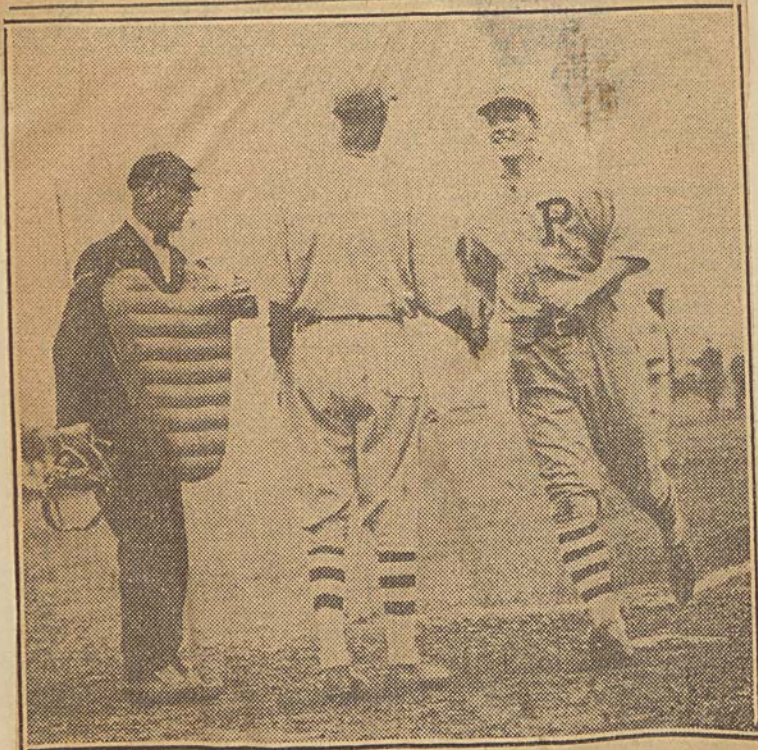

Marsella Plays Full Game

Charles "Chief" Marsella, hard-hitting right fielder, played his first full game and his presence in the lineup seemed to inspire the Friars offensively. The "Chief" pounded out two triples and a double in five times at bat. He knocked in three runs and his triple in the fifth inning started the Dominicans off to their four-run rally. Edward Reilly also starred at bat for the winners, getting three hits, two singles and a home run, in four times at bat.

Quinton pitched exceptionally good ball yesterday. He toyed with the Lavender batters during the first six innings, allowing only one hit during that time. He eased up a little in the seventh inning, however, to allow C. C. N. Y. to bunch three hits for two runs. The Lavender nine also got to him for two hits in the eighth session for their third tally but he was able to take things easy in the final innings, as he was coasting along on a comfortable lead.

Quinton received excellent support from his mates, the Friar infield making some fine plays. Walter Corbett scintillated around second base, as did Oglio, the C. C. N. Y. second baseman. The feature fielding play was turned in by Levy, C. C. N. Y. shortstop, who prevented two Friar runs in the seventh inning by making a brilliant catch of Quinton's terrific line drive.

Completing the Circuit

Edward Riley, Providence College short stop, crossing the plate after hitting a home run over the right field fence in fifth inning of Providence College-City College of New York game, yesterday afternoon at Hendricken Field. Oscar Perrin is shown congratulating Riley after scoring ahead of him. Umpire Dad Meehan is watching the runner score. The Friars won 9 to 3.

Best Performance of Season

Taken as a whole, the performance of the Friars yesterday was their best of the season. They played errorless ball, hit hard, and Quinton's hurling was of a high standard.

During the first six innings only 19 batters faced Quinton. Soloman, who singled in the second base, was the only man to reach first base during that time.

The Friars scored their first run in the first inning. Sellig reached first base when Kaplowitz, C. C. N. Y. third baseman, erred on his grounder. Marsella fled out, but Koslowski came through with a double to score Sellig. Roberge, first man up for the Friars in the second inning, doubled, but the next three batters could not do any damage.

Dion opened the third inning for the winners with a single. He was sacrificed to second by Sellig. Marsella doubled to score Dion with the second run of the game. Koslowski walked, but the next two batters were easy outs.

Providence College had two men on base in the fourth inning, but a telling blow was not delivered. The Friars showed their strongest offensive in the fifth when four hits, a home run, triple, double and a single accounted for four runs. Marsella opened the inning with a long triple to centre field. He scored on Koslowski's single. Perrin doubled to bring Koslowski home. Roberge and Corbett were outs, but Reilly hit one over the fence for a home run, sending Perrin in ahead of him.

Dion Gets a Pass

Dion drew a base on balls to open the sixth inning for the Friars. He was caught at second on a fielder's choice but Sellig was safe on first. Marsella made his second triple to score Sellig.

Kaplowitz hit Quinton for a double in the seventh. Soloman also doubled to score Kaplowitz with the first C. C. N. Y. run. Levy singled to score Soloman. Both teams scored in the eighth inning.

Maloney opened the inning by hitting a single for C. C. N. Y. He went to second while Katzeinick was being put out at first and later scored on Oglio's single.

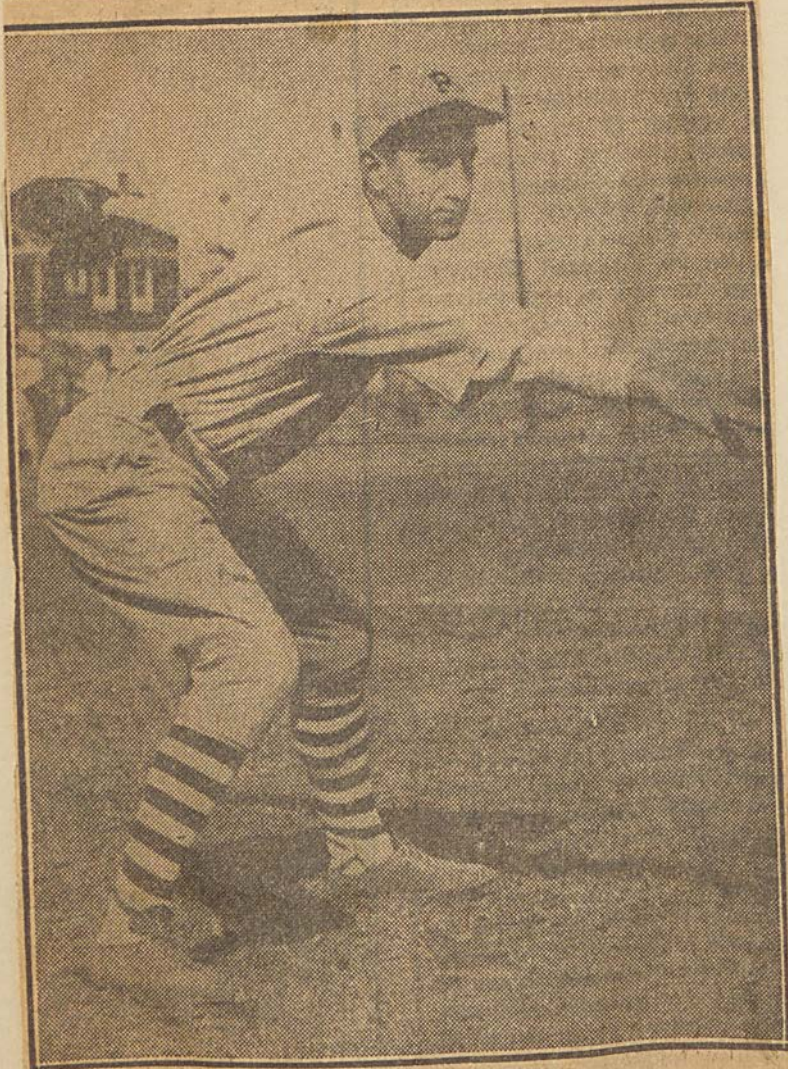

Sellig singled for the Friars. Marsella and Koslowski fled out but Perrin singled to score Sellig with the final run.

Expected to Halt Eagles

Al Blanche, Providence College pitcher, is expected to take the mound this afternoon for Friars when they meet the Boston College nine at Newton, Mass. Both teams are undefeated for the season.

FRIARS PREPARING FOR B. C. CONTEST

Wineapple and Murphy, 1928
Battery Stars, Aid in Drilling
Dominican Nine.

Two players who were instrumental in bringing the Eastern college baseball championship to Providence College in 1928 returned to their alma mater yesterday to help prepare another Friar nine for its first serious bid for the 1932 Eastern college title. The Dominican baseball team has an important contest with the Boston College nine tomorrow in the Hub. This game is expected to have an important bearing on the race for the Eastern crown and yesterday Eddie Wineapple, one of the best hurlers in Providence College history, and his old battery mate, "Chuck" Murphy, worked with the Friars in a practice game.

Inasmuch as the Friars may face the Eagles' star left-hander, Ed Gallagher, tomorrow, the batting practice that the Flynnmen garnered from the southpaw pitching of Wineapple yesterday undoubtedly will prove of value. The team held a long drill during which much time was devoted to batting. The participation of Wineapple and Murphy put more zest into the workout.

Considerable interest is being manifested in tomorrow's game by the Friar students and it is expected that a large number will accompany the team to Boston.

The Friars, who have won seven straight games, are confident of downing the Eagles, who also are undefeated in college games. The Dominicans twice downed the Eagles last season in close games and this year's series also is expected to produce the closest of competition. The prospects of Coach Flynn's charges to win were further strengthened against the City College of New York nine last Saturday.

Either Danny Connors or Al Blanche will hurl for the Friars. Each scored a victory over the Eagles last season. Both are ready for the game and both have hurled excellent ball thus far this season.

FRIARS TRIM BOSTON

COLLEGE 3-1

ON REILLY'S HOME RUN

P. C. Shortstop Takes Game from Eagles in 9th Inning

Gets Circuit Clout with Two On.

Al Blanche Gives B. C.

Only Three Hits.

(Special to the Providence Journal)

Alumni Field, Newton, Mass., May 11.
—Edward Reilly is Providence College's new baseball hero. This serious, hard-working shortstop richly won the right to that honor here today when he hit a home run in the ninth inning with two of his mates on base to give the Friars a thrilling 3 to 1 triumph over the Boston College nine.

This home run by Reilly turned defeat into victory for the Dominicans and snapped the eight-game winning streak in college games of the Eagles. This was the eighth successive triumph of the season for the Friars who now are perched in an enviable position in the race for the Eastern college baseball championship.

Blanche Gives Three Hits

Another Providence athlete who merits praise is Al Blanche, who pitched one of the best games of his career in holding the highly-touted Eagles to three hits. Blanche gave a masterful hurling exhibition and well deserved victory.

The Eagles scored a run in the sixth inning to take 1 to 0 lead. This lone tally loomed large as the game was rapidly drawing to a close. The Friars had had a number of opportunities to score runs but until Reilly made his circuit hit, they could not produce telling blows.

After the top of the Friar batting order could do nothing with Emil "Buddy" Roy, Eagles hurler, in the eighth inning, the Friar prospects of victory were at a low ebb. With the bottom of Provi

Game played: May 11, 1932

dence batting list coming to bat in the ninth, victory already was conceded to the homesters. But there was another chapter of this game to be written.

Perrin, first batter in the ninth for the Friars, was walked. He was advanced to second by Roberge. The Eagles tried to nail Perrin at second and failed. Roberge also was safe on first. Corbett made a sacrifice hit to advance Perrin to third and Roberge to second.

The Friar rooters were in an uproar when Reilly went to bat. Coach Jack Flynn had Edward Quinton warming up as he planned to send in Louis Marian to pinch hit for Blanche in case Reilly did not come through. But a pinch hitter was not needed for Reilly connected with one of Roy's fast balls and sent it on a long, low ride to deep right field. Perrin and Roberge scampered home before him.

Two Strike Out

The Eagles tried hard in their final bat to tie the count but they could do nothing with Blanche, who struck out two of the three men to face him in this inning and forced the other to ground out.

This is the second time in the baseball series between the Eagles and the Friars that a ninth inning home run has spelled defeat for the Boston boys just when victory seemed certain. Last season in Providence, Tom Griffin hit a home run with the bases loaded in the ninth inning to bring the Friars a 6 to 5 victory over the Eagles after the latter were leading 5 to 2. This also is the second time in two years that Reilly has produced a winning blow for the Friars. In the St. John's game last season, his single in the 10th inning brought his team a 6 to 5 victory over the Redmen.

The game was packed with thrills. Both teams played good baseball. Reilly's home run broke up an interesting pitchers' battle between two of the best hurlers in college baseball ranks. Up until the ninth, Roy had held the Friars to four hits. The Eagles hurler was in trouble on a number of occasions, but he was deadly effective in the pinches. This is Roy's first defeat of the season, but he forced an excellent baseball team to fight hard all the way to turn the trick.

Neither team could score during the first five innings but both had opportunities. It was sharp fielding that prevented earlier scoring than the sixth inning when the Eagles made their lone run.

The Eagles got a man on third base in the first inning after one was out, but Blanche forced Kittredge to ground out and fanned Blake to prevent any scoring. The Friars had three men on base in the second inning with only one out. Koslowski, first man up, fanned, but Perrin drew a base on balls. Roberge reached first on a fielder's choice and Chesnulevich, Boston College second baseman, dropped the ball in an attempt to get Perrin at second. Corbett also drew a walk to fill the bases. Roy, however, fanned Reilly and Blanche filed out to left field to halt the Friar progress.

Caught at Second

The Eagles got a man on base in the second, but he was caught at second base. The Friars went out in order in the third. Spognardi doubled for the Friars in the third after two were out, but Kittredge grounded out at first for the third out.

Koslowski, first time up for the Friars in the fourth, got a single but he was caught at second base. Perrin and Roberge made the second and third outs, respectively. The Eagles were retired in order in the fourth. Both Corbett and Dion got singles in the fifth inning for the Friars, but with Corbett on third, the Friars could not get to Roy for a scoring bingle.

Boston College got two men on base in the fifth after two were out, Lane drawing a base on balls and Blanche hitting Crowley with a pitched ball, but Spognardi fanned to end the inning. Only three Friar batters faced Roy in the sixth.

Kittredge, first at bat for the Eagles in the sixth, grounded out at first, but Blake drew a base on balls. Shea reached first on Corbett's error of his grounder. Chesnulevich filed out to left field for the second out but McIntyre hit a single over first base to score Blake with the first run of the game. The Friars had an opportunity to score in the seventh but runs were wasted on the bases. Neither team threatened in the eighth.

Rival Hurlers

On top is Eddie Quinton, Friar hurling ace, who will face Bert Humphries, Brown hurler, bottom, when the Brown and Providence College nines play today at Aldrich Field in the second game of their annual series. Quinton has scored five straight victories over the Bruins and Humphries today will make a determined effort to halt the winning ways of Eddle.

Bruin, Friar Nines to Play First Game of Series Today

Humphries and Quinton Will Be Opposing Hurlers in Aldrich Field Tilt.

Boasting an undefeated record and victories over some of the leading college teams in the East, the Providence College nine invades Aldrich Field today for the first of a two-game series with Brown. The game will start at 3:30 o'clock.

The series is an annual event between the two colleges and dates back to 1923. In all 19 games have been played during this period, 11 of which have been won by the Dominicans and eight by the Bears.

For the past two seasons the Friars have made a clean sweep of the games to take the lead in the matter of contests won and lost. The last Bruin victory was scored in 1929 when the Providence College nine was turned back, 1 to 0.

Keen Competition

Every game in the series has been productive of keen competition and today's tilt is expected to be no exception. Bert Humphries, the Bears' star speed-ball artist, has been selected by Coach Jack Kelleher to take the mound for Brown while Eddie Quinton, one of the best pitchers in Providence College baseball history, will twirl for the Dominicans.

The Bears have lost only two games out of eight starts. Both tilts were dropped to Holy Cross.

Coach Jack Kelleher's charges scored a brilliant victory over Colgate on Tuesday. In that game the Bears displayed their best ball of the season to beat the Maroon nine 5 to 3 while being held to four hits.

With Humphries in the box the Bears stand an excellent chance of handing the Friars their first setback of the season. Humphries, a sophomore, has been doing the brunt of the pitching for the Bruins and has been an important factor in the success which they have met.

Quinton defeated the Bruins in both games last year and this is one of the big reasons why Coach Jack Flynn has nominated him to do the twirling today. Like Humphries, Quinton depends mostly on a fast ball for his effectiveness.

Change in Batting Order

The Brown batting order has undergone one change for the game with Red Hunt, second baseman, being moved up from the seventh to sixth position. Hunt broke into the lineup on Tuesday for first time as a substitute for Maury Catto who wrenched his ankle in the Tufts game. The latter is still on the injured list.

Hunt handled the second base job in faultless style in his first starting assignment and Coach Jack Kelleher was very much impressed with his play. The youth is a fairly good hitter.

The rest of the Brown lineup will be the same with Hal Fowler catching and Capt. Jack Caulkins at first base. Hunt

Coach Jack Flynn will start the same team which nosed out Boston College 3 to 1 on Wednesday. The Friars point with pride to this victory over the Eagles for it was the first defeat of the season for the Boston nine.

Good Defence

In the last few games, Flynn's charges have shown a steady improvement in their hitting and are confident of getting by Humphries today. The Friars have one of the best defensive clubs in college baseball.

The Friars in running up their string of eight consecutive victories have defeated Lowell Textile, Pratt Institute, Manhattan College, Springfield, New Hampshire, Mount St. Mary's College, C. C. N. Y. and Boston College.

And it was One Tough Battle ~

FRIARS SCORE TWO RUNS

TO BEAT BRUINS 2-0

Single By Corbett Enables Friars to Win 9th Straight

Quinton Allows But Four Hits in Taming Bears for Fifth Time

Walter Corbett's smashing single over first base which sent two runners across the plate gave the Providence College ball club a ninth inning, 2 to 0 victory over Brown at Aldrich Field yesterday in the opening tilt of the local colleges' two-game series. It was the ninth straight triumph for the Friars.

That punch delivered by the Friars' smart second sacker climaxed an afternoon of brilliant play by this ex-Somerville, Mass., high school star and caused a break in the close pitching duel being staged by Eddie Quinton, ace of the Dominican mound corps, and Bert Humphries, capable Bruin Sophomore.

Aided, of course, by Corbett, Quinton registered his 19th triumph in 22 college starts and his fifth straight over Brown in the past three seasons. Four singles, two of them of the scratch variety, were all the Bears were able to garner off the Friar hurling artist.

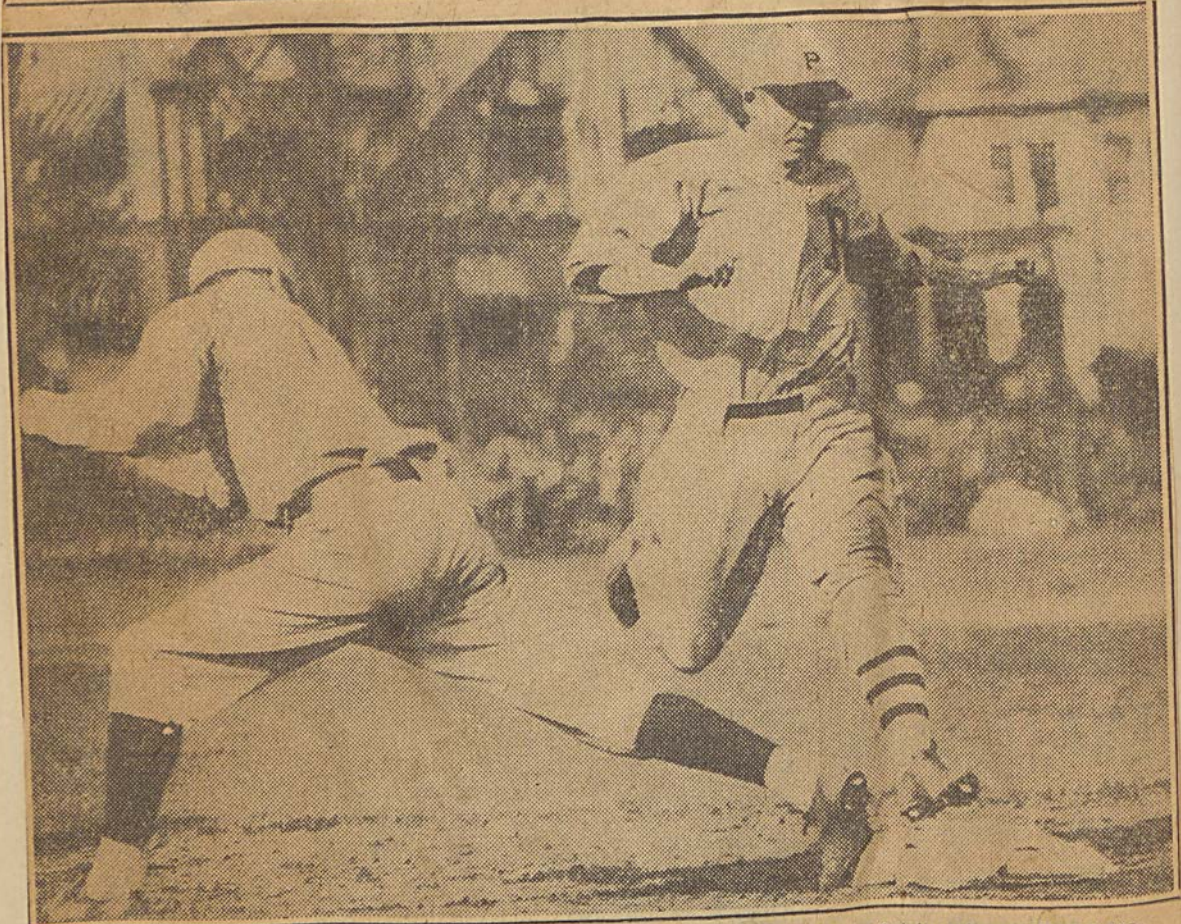

Koslowski Starts Rally

Brown rallied gamely in the last half of the final frame in an effort to cut down the lead the Friars had gained in the opening half. It was then that the Bears collected their only two clean hits of the contest. But Quinton regained control after that slight lapse to end the game for a shut-out victory.

After "Chief" Marsella had popped out to Buckv Harris to start the ninth frame, Ed Koslowski and Oscar Perrin crashed singles into right centre to complete a scoring set-up for the Friars. Ollie Roberge tried valiantly to score his mates but his best effort was a slow roller to Harris who made the throw to Caulkins at first in time for the put-out although Koslowski and Perrin each advanced a base.

Then in the midst of a rain shower Corbett kept Humphries tossing 'em until the count had reached three and two. Finally the "right" one came up and the Dominican second baseman drove the ball squarely over the first cushion and into right field. Koslowski and Perrin scored easily, the latter beating Tracey's throw to the plate with yards to spare. Reilly, Friar shortstop, ended the rally when he was tossed out. Fowler to Caulkins, on a roller in front of the plate.

"Out" By a Spike Length

Walter Corbett, Friar second sacker who was the hero of Providence College's 2 to 0 triumph over Brown yesterday, shown being tossed out at first in the seventh inning of the game at Aldrich Field. Jack Caulkins, Bruin first baseman, had to reach for Gilmartin's throw, but managed to keep his foot on the bag. Corbett reached the base a fraction of a second too late.

Star Fielding

Brown's final threat of the game was made in its half of the ninth after Harris had fouled out to Perrin and Silvonon hit a line drive to the same player. Kroeger, Bruin centre gardener, slapped a clean single over second base and advanced to third when Gilmartin duplicated that hit. Tracey fled out to Sellig in left field to end the game.

Humphries's exhibition of mound work left little to be desired. He held the opposition to seven hits, with just the last three figuring in the scoring.

Both inner defences functioned without error in the pinches when runs were threatened. The only misplays of the game were chalked up against the Friars. Reilly, shortstop, getting two, and Corbett, second sacker, one. Corbett more than made up for his miscue with his timely wallop. In addition, the Bay Stater made good on nine other chances and collected two hits out of three official trips to the plate.

A brace of snappy double killings cut short two budding Brown rallies in the early innings. The first came in the opening frame after Harris fled out and Silvonon drew a walk. Kroeger drove a sharp liner to Dion, who tossed to Corbett to force Silvonon at second. Corbett, in turn, relayed the throw to Perrin to nip Kroeger at the initial cushion.

Harris Makes Fine Play

In the third Silvonon drew his second walk of the game and went to second when Kroeger was safe on Reilly's error. Gilmartin fled out to Koslowski in centre field and Silvonon was caught at third on a perfect toss from the Friar middle gardener to Bobby Dion.

Bucky Harris, Brown's chunky short fielder, pulled Humphries out of possible trouble in the eighth after one was out and the Bruin twirler had issued a free ticket to Dion. Sellig shot a grounder just to the left of second base. Harris raced over, got the ball in his gloved hand, touched second and rifled the ball to Caulkins in time to get the Friar left fielder.

"Red" Hunt, Bruin second baseman, came to Humphries' rescue in the fourth inning after successive singles by Marsella and Koslowski put two Friars on the bases. Perrin hit to Hunt and Marsella was forced out, Hunt, to Harris. Then Roberge drove another grounder to Hunt and was tossed out at first to kill that rally.

Koslowski, centre fielder for the victors, was the batting leader of the game with three singles out of three official tries. He was walked once. His fine toss to Dion in the fourth to complete the double play on Gilmartin and Solvonon, and his third bingle of the game, in the ninth, completed a fine day's performance.

Auer, Fordham, East's Leading College Pitcher

**2 Victories Raise His Total
to 7, With no Defeats;
Providence Unbeaten**

Behind the sterling pitching of a sophomore, Kenneth Auer, who won two victories that made him the ranking pitcher in the East, Fordham's baseball team advanced to second place in the standing among the major colleges of the East, as all except one of the section's unbeaten teams joined the ranks of the conquered last week.

The only undefeated nine in the East is Providence, which during the last three years has been a power in college baseball and which now has won nine games straight, adding two during the week just past. Fordham has been beaten only once in eleven games—an average of .909. The Rams defeated two metropolitan opponents, Columbia and N. Y. U., last week, these triumphs placing them also in the leading position for the metropolitan title, with five victories and no defeats in this series.

Providence has defeated Lowell Textile, Pratt, Manhattan, Springfield, New Hampshire, Mount St. Mary's, C. C. N. Y., Boston College and Brown, and its victory over Boston College was that team's first defeat of the season. Fordham, curiously enough, was beaten only by Boston College, 9 to 8, while it defeated Princeton, Manhattan and Columbia twice, Yale, Temple, Duke, Seton Hall and N. Y. U.

Auer was the winning pitcher in both games last week, bringing his record to seven straight victories. He leads Coughlin, of Army, by two games. Kammer, Princeton; Quinton, Providence, and McCuskey, Amherst, have won four games each and lost none. Gallagher, of Boston College, and Blanche, of Providence, have each won three straight. Felix Andruskiewicz, of Tufts, has won seven out of eight, and Ray White, of Columbia, has taken seven out of nine.

Columbia furnished all of the fireworks in the Eastern Intercollegiate Baseball League, winning games from Dartmouth and Princeton to rank second to Yale, which defeated Cornell in its only league contest of the week. Yale has won five out of seven and Columbia five out of eight.

YALE NINE STOPS FRIARS

Wheeler Halts Victory Run of Dominicans at New Haven

Friars Unable to Score After
Filling Bases with One
Out in 7th.

(Special to the Providence Journal)
New Haven, Conn., May 18.—It is a long trail that has no ending, and Yale field provided the locale today for the first defeat of the Providence College nine, leading contender for the Eastern collegiate diamond title, as an alert Eli nine swept through to a 3 to 1 victory to snap the nine game win streak of the Friars. The setback marks the second time in as many years that a Yale aggregation has bested a Dominican nine, and the defeat removes the Rhode Islanders from the undefeated position they held alone until this afternoon. Timely hitting in the pinches, coupled

with heads-up baseball on the part of the locals proved the undoing of the Friars, coupled with the inability of the visitors to solve the offerings of Ned Wheeler, rangy right hander of the Eli mound forces. Wheeler was nicked for but five hits, only two of which were bunched to net a score. The Yale hurler encountered two unsteady innings, the second and the seventh, but proved able to come through with colors flying to score one of the major victories of the season.

Chance in 7th

With Al Blanche out of the picture as the result of an arm injury sustained yesterday, Coach Jack Flynn of the Friars was forced to switch his plans today, and so sent Danny Connors to the slab. Connors twirled fair ball although he had difficulty in keeping ahead of his batters. In the seventh Connors gave way to a pinch hitter and Bill Lomax took up the burden to hold the Eli sluggers in check for the remainder of the fray.

Providence had a splendid chance to claim the game in the seventh inning, the one frame when Wheeler struck a snag and appeared to be headed for the showers. Perrin started the trouble in this inning with a lusty triple to deep right field, and Roberge continued the attack with a sharp single to centre to account for the Friar run. Corbett walked, and Coach Joe Wood rushed Johnny Broaca, his star hurler, to the bull pen. Reilly moved both runners up with a perfect sacrifice bunt and the stage was set to claim two markers to tie the score at three all.

Coach Flynn played one of the reserve aces, sending Leo Marion, southpaw slugger, to bat for Connors. Marion was hit in the shoulder by one of Wheeler's wild shoots, and the bases were crowded with but one out. Dion made a bid for a Texas leaguer into right, but Pond came in fast and made a fine catch. Then Sellig failed in the crisis, fanning on called strikes for the final out.

Yale Scores in First

Aside from this attack the one in the second inning was the only other worry for the Eli hurler. In that frame Koslowski singled, moved up on Perrin's out at first, and went to third when Booth mused up Roberge's grass cutter. Corbett and Reilly were infield outs to end the rally and frustrate any possible Providence scoring attempts.

Yale scored one run in the first inning. Williamson worked Connors for a free ticket to first but was forced at second when Perrin fielded Kimball's grounder to that station. Fletcher drew a walk, moving Kimball to second from where he scored when Maine, Eli backstop, laced a single into centre.

In the third, with two out, Maine started another rally when he doubled along the left field foul line and then scored when Parker tripled to deep centre.

The final Yale run was scored in the fifth when Williamson went all the way to second after Perrin pegged wildly to fire on a throw to Connors after fielding a grounder, and scored when Fletcher poked a single into right field.

Corbett's sensational stop of Parker's bid for a hit to right with men on in the first inning for an out at first, and Parker's rifle throw from centre-field to nip Marsella trying to go from second to third after a fly catch in the fourth, were the fielding gems of the clash.

FRIARS TOP MANHATTAN 3-0

Lomax Pitches Masterful Ball, Allowing Two Hits

Providence College Thus Wins
10th Game.—All Scoring
in Eighth.

Best Game of Season

The game was the best played at the Friar ball grounds this season. Up until the eighth inning, the two moundsmen were engaging in a pretty pitchers' duel. Batters on both teams were being retired with surprising regularity. But baseball games call for "breaks" and the one in this game came in the eighth which broke up the interesting mound battle.

During the first seven innings only 22 batters faced Lomax and Blake worked on two more. There were indications that one of them might go through with a perfect game to his credit but Corbett spoiled the ambitions of Blake in the seventh and Sisko quelled the Hopes of Lomax one inning later.

Both teams played good ball afield with the Manhattan infield making a double play in the second inning for one of the features. Only one extra base hit was made and that was by Corbett who tripled.

The first man to get on base was Kowalski of the Friars, who was hit by a pitched ball but he was put out on second on a double play in the second. Keegan of the Jaspers drew a walk in the third but he was caught attempting to steal second base. In this same session Reilly, Friar shortstop, erred on Tremark's grounder but the Jaspers failed to follow with a scoring blow.

Blake Issues Passes

Blake walked two men in the fourth but he held the Friars from scoring. Again in the fifth and sixth, Blake issued bases on balls but he was effective in the pinches. The Jaspers were retired in order in the fourth, fifth, sixth and seventh innings. Corbett tripled for the Friars in the seventh with only one out but neither Reilly or Lomax could produce a hit.

Both Sisko and Leonard got singles for Manhattan in the seventh with only one out but Lomax forced Keegan to ground out at first and fanned Blake to retire the side. The Friars bunched four hits in the eighth for their total three runs and this was enough to win

Slim Bill Lomax gave an excellent hurling exhibition as the Providence College baseball team returned to winning ways in defeating the Manhattan nine of New York 3 to 0 yesterday afternoon at Hendricken Field.

The star Friar pitcher allowed only two hits as his team chalked up its 10th triumph in 11 games and its second victory of the season over the Jaspers.

Lomax was a complete puzzle to the Manhattan batters. It was not until the eighth inning that a hit was made off him. And it was in this session that Jaspers made both of their hits. Sisko, Manhattan second baseman, spoiled an opportunity for Bill to hurl a no-hit-no-run game, when after one was out in the eighth he hit a grounder that was too hard for Ed Reilly, the Friar short-stop, to handle. Leonard followed Sisko with a single, but this was the extent of damage that Manhattan could do with the offerings of Lomax.

Blake Also Hurls Well

Blake, the Jasper hurler, pitched good enough baseball to win any ordinary game but yesterday fate was not smiling his way. Up until the eighth inning when the Dominicans tallied all three of their runs, Blake was matching the effective hurling of his mound rival. The Friars got their first hit off Blake in the seventh inning and it was Walter Corbett who accounted for this with a lusty triple to deep centre field.

In the eighth inning the Friars bunched four hits to score their three runs. Two of these bingles were of the scratch variety, but as it was, they were enough to provide the undoing of Blake. The Friars played smart baseball in this inning in capitalizing their scoring opportunities but it was an unfortunate ending for the Manhattan pitcher.

Dion, first at bat for the Friars in the eighth, hit a clean single between short and second. Sellig sacrificed him to second and the latter was safe on first. Marsella advanced both runners with his scratch hit, which was played safe by the Manhattan third baseman, and the bases were loaded. Koslowski hit a hard grounder that went by Sisko, Manhattan second baseman, to score both Dion and Sellig. Marsella scored while Perrin was being put out on the latter's ground at first base.

the game as Lomax retired the Jaspers in order in the ninth.

STORM PREVENTS FRIAR-BROWN TILT

Rain starting just before Providence College and Brown were ready to take the field in their second intra-city ball game yesterday caused the indefinite postponement of the contest.

The two teams and several hundred spectators waited for more than half an hour for the storm to pass away but the rain fell steadily so the postponement was announced. Graduate Manager John E. Farrell of Providence College declared that a new date would be set for the game. The Friars won the first game a week ago 2 to 0.

Providence, the last major college baseball team in the East to remain undefeated, was the victim of a surprising upset by Yale last week, and Fordham went to the top in the race for the mythical Eastern title. The Rams added two victims to their string in this period and brought their record to twelve victories in thirteen starts. One of the defeated teams, Army, was a close rival for top honors, but Ken Auer turned the Cadets back, 4 to 2, Saturday at West Point. The other victim was Colgate, which was vanquished in an eleven-inning battle at Fordham Field.

Providence bowed to Yale by 3—1, Connors suffering his first defeat of the season in the box, but then shut out Manhattan, 3 to 0, and swelled its record to ten victories in eleven games. Holy Cross, another perennial baseball power, won two games, increasing its average to .857 and annexing third place. Boston College and Army are tied for fourth, each with ten victories in twelve games. And four of the five leaders—Fordham, Providence, Holy Cross and Boston College—are members of the informal Catholic loop.

Fordham's sophomore righthander, Auer, continued to show the way to rival pitchers in the East, his victory over Army being his eighth straight this season. Coughlin, of Army, has won six and lost none, and Kammer, Princeton; Quinton, Providence; McCusker, Amherst, and Gallagher, Boston College, have won four in as many starts.

Fordham will have an opportunity to avenge its only defeat of the season this week when it meets Boston College on Saturday at Fordham Field. The Eagles defeated the Rams by 9 to 8 a month ago, and their second contest gives promise of being one of the outstanding games of the season.

Friar Nine Will Play Host to Boston Red Sox Today

Quinton or Blanche Likely to
Get Mound Assignment
Against Big Leaguers.

Providence College's star baseball team faces major league opposition when the Boston Red Sox invade Hendricken Field this afternoon. Despite the fact that the Sox are trailing in the American League race, there is much interest being manifested in the game and a large crowd is expected to watch the teams perform.

The Red Sox, naturally, are favored to come through but the collegians will be determined to put up some real opposition. Al Blanche or Ed Quinton probably will get the call against the Red Sox. Both are capable pitchers and may give the big leaguers some trouble. Both will welcome opportunity to show their wares before their foes today.

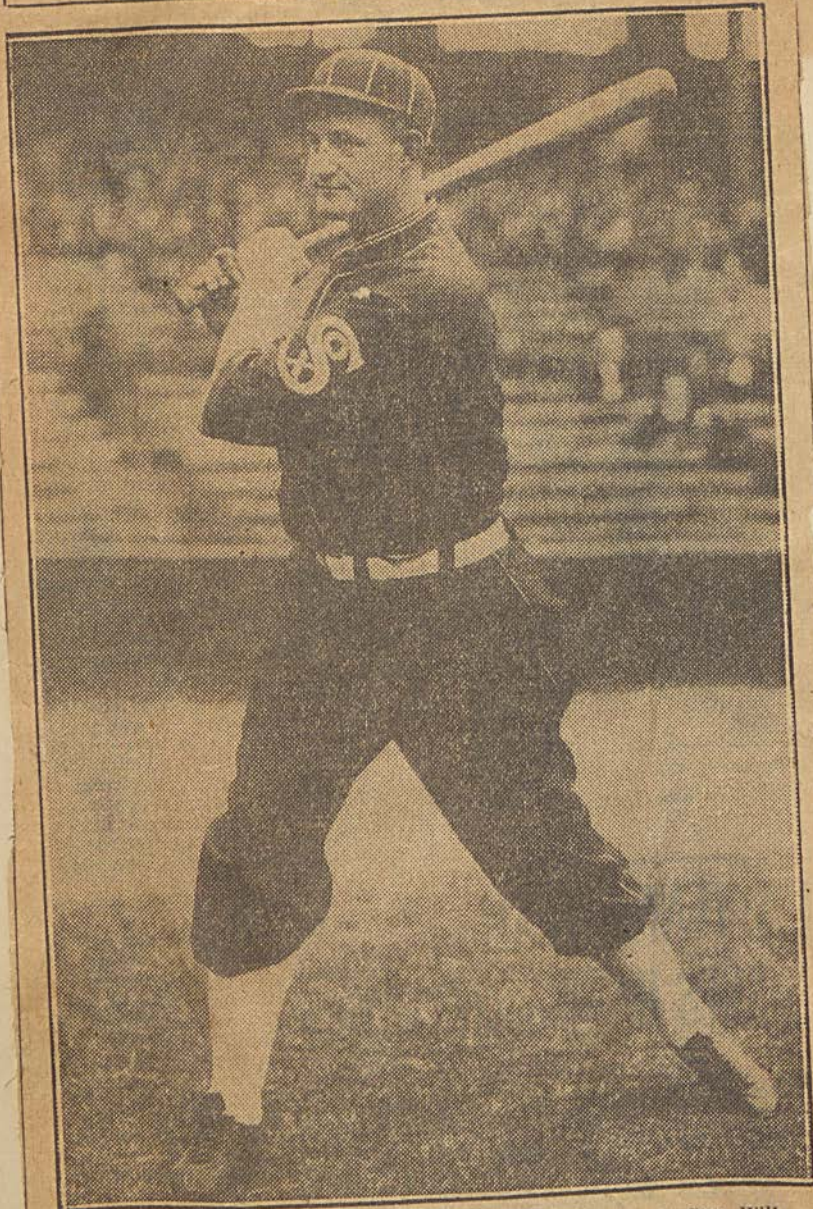

The Red Sox will come here with Johnny Reder, former Fall River soccer player, in their lineup. Reder, who was a sensation of the American League

training season, is slated to start today's game. Reder is well known here due to his soccer exploits while with Fall River. The Red Sox will start their regular lineup. It is not definitely known who will hurl for the Boston club but Michaels or Leheny are likely choices.

Oliver, the centre fielder, is the best sticker with the Sox. He is batting for .320 and is fairly high on the American League batting list. Jolley, who was recently acquired from the Chicago White Sox, also is another heavy sticker with the Boston nine.

The Friars will make a determined effort to regain its first place berth in the Eastern college race this week by downing St. Michael's and Tufts. The Dominicans have won 10 games and lost one in 11 played.

FRIARS SCORE FIVE RUNS

RED SOX 9-8

Webb's Two Errors Prove Costly to Big League Nine

Blanche Holds Hub Batters Hit-
less in Last Four Innings
of Game.

A concrete example of how costly an error can be in baseball was given at Hendricken Field yesterday afternoon when the Providence College nine defeated the Boston Red Sox of the American League 9 to 8. The major leaguers had the game cinched until the ninth inning. When the collegians appeared for their final turn at bat, they were trailing 8 to 4. Victory already was conceded to the Hub team, but this was premature, as Earl Webb, Red Sox right fielder, insisted on playing a part that completely changed the tide of battle.

The Dominicans scored five runs in their thrilling final inning spurt and four of these tallies were direct causes of two errors by Webb, who had little to do during the game until he sadly misced the two chances that came his way.

Webb's Error Costly

The Friars got four hits in the ninth inning but three of these were scratches. These bingles coupled with Webb's errors did all the damage necessary. Dick Burns, pinch hitting for Walter Corbett, opened the ninth for the Dominicans with a single. Reilly followed with another single to advance Burns to second. Tom Griffin was sent in to hit for Al Blanche but he flied out. Dion got a scratch single to fill the bases and Sellig followed Dion to score Burns.

Red Sox and Friars In Action at Hendricks Field

Photograph on left shows Rabbit Warstler safe at third on Urbane Pickering's hit to right field in third inning of Boston Red Sox-Providence College game yesterday afternoon at Hendricks Field. The Friars won 9 to 8. Bobby Dion is about to catch the ball. Photograph on right shows Chlet Marsella crossing the plate with the winning run in the ninth inning.

The bases still were loaded when Marsella went to bat. He hit a fly to right field that on most occasions Webb would easily catch but this time he dropped the ball. This served notice to the Friar runners to advance and in an effort to catch a man at third base, Webb made a wild throw which was so wide of the hot corner that four Friars—Reilly, Dion, Sellig and Marsella—were able to score. These four tallies put an end to the hostilities and sent the Red Sox back to Boston with another defeat on their record.

Blanche Stars on Mound

Considerable credit for the Friar triumph should go to Al Blanche, who held the Red Sox hitless during the four innings he hurled. The two runs the Red Sox scored off him in the seventh were the result of an error by Sellig on Oliver's fly to left field with two men on base. In the other three sessions, Blanche retired the Sox in order.

Ed Quinton started on the mound for the Dominicans and he was easy for nine Boston team. He was nicked for nine hits, including a double and two triples, during the five innings he hurled. The Red Sox scored six of their eight runs off Quinton. Big Bill Kline hurled for the Red Sox and he was nicked for eight hits. Up until the ninth he kept them well scattered. He toyed with the Friars during the early innings, but the latter encountered more success with his offerings as the game progressed.

Sellig Gets Homer

One of the hits made off Kline was Sellig's long line drive to left field in the fourth inning for a home run with one man on base. Two other Friars also got extra bases. Frank Marian, hard hitting substitute first baseman, tripled in the fifth while batting for Quinton. He scored Roberge who had doubled. Marian was caught at home plate when he tried to stretch his triple into a home run. Jolley, Pickering, Connolly and Kline each made two hits for the Red Sox. One of Jolley's went for a triple.

The Red Sox scored a run in each of the first three innings. In the opening session, Pickering doubled after two were out and he scored on Jolley's single. Boston again tallied in the second with two out. Connolly tripled and scored on Kline's single. Wastler opened the third for the Red Sox with a single. Pickering also singled. Jolley hit a grounder to Corbett, Friar second sacker, who threw to Reilly to put out Pickering at second and Reilly completed a double play by tossing to Perrin at first to retire Jolley. While the Friars were making this double killing, Wastler scored the third Red Sox run.

Two-Run Error

Quinton walked Olson, first up in the fourth. Connolly singled and both scored when Sellig made a wild throw in an attempt to catch Olson at third after he had caught Wastler's fly. The Friars were retired in order in the first three innings, but scored two runs in the fourth. Dion drew a base on balls and Sellig followed him with a home run.

Jolley accounted for the Boston run in the fifth when he tripled and scored while Webb was being put out at first base. The Friars also scored in the fifth to make the count 6 to 3 when Roberge doubled and Marian tripled. The scoring march of the Red Sox was halted momentarily by Blanche when he took the mound in the sixth. Two runs were made off Blanche in the seventh. He walked Pickering and Webb and both scored when Sellig dropped Oliver's fly to left field. This ended the Red Sox scoring.

Climax in Ninth

The Friars tallied in the sixth. Dion drew a walk. Sellig was safe at first on Watwood's error. Marsella flied out, but Koslowski also walked to fill the bases. Perrin scored Dion with a single, but Roberge was fanned and Corbett grounded out at first to end the inning.

No further scoring was done by the Friars until the ninth, when the climax of the game occurred.

STARTING ON ROUND TRIP

Capt. George Sellig, Providence College outfielder, has just laced out a home run off Pitcher Bob Kline of the Red Sox in fourth inning of game won by Friars, 9-8. Catcher Connolly and Umpire Bob Hart are shown together with part of the crowd which attended game yesterday at Hendricksen Field.

SHANO COLLINS MISSES SEEING FRIARS DO THINGS TO RED SOX

Aided by Earl Webb, Local Collegians Score Five Runs in 9th to Chalk Up Victory—Shano Leaves

"Nice little ball club you've got, Jack," said Manager "Shano" Collins of the Boston Red Sox to Coach Flynn of the Providence College nine as he passed in back of the Friars' bench during the first half of the ninth inning of yesterday's game at Hendricks Field.

The score, at that time, was 8 to 4 in favor of the big leaguers and Collins, who was making an early getaway, probably figured he could afford to be magnanimous. "It is a good club," replied Flynn, "but it is better than what you've seen. The wind has bothered some of my boys and they were suffering from stage fright at the start. They've steadied down now."

"Well, see you later, Jack."

"See you later, Shano."

So, Collins resumed the long walk to the gate in left field. Every few steps he would turn to see what his batters were doing. One struck out, the second man flied to "Chief" Marsella and the next one was retired on a pretty play by Eddie Reilly. By that time Collins reached the exit and soon he was seated in a taxicab. His mind was at ease. The Sox, who had defeated the Senators in Washington on Monday, had won two in a row. And away went the cab.

Collins didn't know it then, but before the cab was out of sight of the college his Sox had frittered away a four-run lead and finally emerged on the wrong end of a 9-8 score when Earl Webb, holder of the world's record for two base hits, dropped Marsella's fly, with the bases loaded, then pegged weirdly past third base into the left field bleachers allowing everybody to score.

It was Dick Burns, husky substitute catcher, who started the ninth inning uprising. The lad from Spring Green was sent in as pinch batter for Walter Corbett and he responded by delivering a whistling single. Ed Reilly followed with a one base knock, then Tom Griffin, swinging for Al Blanche, gave Webb a hard chance in right. Bobby Dion dropped a safety in short right and the bases were filled.

Capt. George Sellig, whose terrific home run drive gave the Friars their first two runs in the fourth inning, tried to repeat, but he topped the drive. Yet there was so much power in his swing that the ball, after striking the ground in front of the plate, bounced high in the air, and Pitcher Bob Kline had to wait for it to descend before he could make an effort to get Burns at the home station. He was too late—and the cushions were still populated. Then came Marsella's lift to short right, close to the foul line. Webb got his hands on it, but muffed and when he let go with all he had the throw sizzled through the infield, between shortstop and third base and into the bleachers. Reilly tallied, so did Dion, so did Sellig to tie the score, and Marsella kept on to the plate for the winning run as Urban Pickering, third baseman, retrieved the ball.

BLANCHE PUZZLES

BIG LEAGUERS

Kline went the entire distance for the Sox, while Ed Quinton and Blanche toiled for the Friars. Quinton was hardly up to his usual standard. He found difficulty in keeping ahead of the hitters, and when they got him in a hole they simply waited for his fast ball. The Sox obtained all of their nine hits and six of their runs during his five-inning stay, but they couldn't do a thing with Blanche's offerings, and the two runs they negotiated in the seventh were the result of a couple of passes and a muff by Sellig—the second ball he had dropped during his career on Smith Hill.

Smead Jolley, Ed Connolly, Pickering and Kline gave Quinton plenty of bother. Jolley had a triple and single, so did Connolly, Pickering a double and single and Kline a pair of singles. The Sox scored in the opener on Pickering's two-bagger and Jolley's single; in the second on Connolly's triple and Kline's first single; in the third on singles by "Rabbit" Warstler and Pickering and Jolley's terrific infield drive that was turned into a double play by Corbett, Reilly and Perrin; two in the fourth on a pass to Marvin Olson, singles by Connolly and Kline, and Dion's failure to snare Sellig's throw-in; in the fifth on Jolley's three-bagger and Webb's infield out, and the final two in the seventh on passes to Pickering and Webb and Sellig's miscue on Tom Oliver's booming cloud-scraper.

MARION TRIPLES AS PINCH HITTER

The first of three passes obtained by Dion, together with Sellig's mighty smash, gave the Friars two runs in the fourth. Ollie Roberge's double and a pinch three-bagger by Leo Marion, who swung for Quinton, accounted for the third run, in the fifth. Marion was out when he tried to stretch his drive into a homer on Oliver's relay throw to the plate. Dion's second pass, in the sixth, an error by Kline on Sellig's tap, and Oscar Ferrin's single to right brought the total to four. The bases were clogged but Roberge fanned and Corbett dribbled to Johnny Watwood. Another opportunity was wasted in the seventh, when Reilly was given a life by Watwood's error and Dion worked Kline for his third pass, but Webb gobbled Sellig's boomer and Pickering disposed of Marsella.

Fielding gems were contributed by Dion, who robbed Kline in the sixth by a gloved snare of a well-hit grass cutter, and by Reilly, who refused to be fooled by a badly bouncing skinner from Jolley's bat in the ninth.

A pair of former National League umpires, Bob Hart and Pete McLaughlin, handled the game in efficient manner. Hart is now a tax assessor in Lowell. He worked behind the plate, so the fans were deprived of the pleasure of listening to "Singing Pete," and they had to be content with Pete's magnificent posturing as he waved out players at the different bases.

Coach Flynn was unusually silent—for him—as he made his way to the dressing room when all was said and done.

"A penny for your thoughts," interrupted "Chuck" Murphy, one of a line of excellent catchers that included Johnny Halloran and Joe Harraghey, before the coming of George Tebbets and Ollie Roberge. Murphy rushed up to offer congratulations.

"I was just trying to figure it out," replied Flynn. "That victory makes us champion of something or other, but I don't know what it is."

Maybe "Shano" Collins can supply the answer, if he didn't lose his voice when he found out what happened after his departure from the scene.

Friars Get 21 Hits to Beat St. Michael's Nine 17 to 1

Hammer Three Pitchers.—Errors Swell Score.—Victory 12th for Dominicans.

Staging its strongest drive of the season, the Providence College baseball team slugged its way to an impressive 17 to 1 victory over the St. Michael's College nine of Vermont at Hendricken Field yesterday afternoon. The Friars collected a record number of hits this season, getting 21 for a total of 31 bases. This was the 12th triumph in 13 games for the Dominicans.

In direct contrast to the heavy hitting of the Friars was the weak stick work of the visitors, who could get only three bingles off the combined delivery of Danny Connors and Charles Rennick. All three hits were made off Connors in the six innings he pitched. Rennick held the opposition during his three-inning stay on the mound.

Parade Starts in Third

St. Michael's used three pitchers in an effort to stop the rush of the Dominicans but neither one could do the job. Phil Ruggiero started. He lasted four innings and was nicked for 12 hits. The Friars got to him for seven runs in the third inning. Bob Meade, who hurled against Springfield on Tuesday, followed Ruggiero to the mound, but he also found the going rough and the homesters scored five runs off him in two innings.

Jim Hannon left his third base position in the seventh to replace Meade. He allowed three runs in the seventh, but held the Friars scoreless in the eighth. Six hits were made off Hannon in the two innings he worked.

The Friar bats were registering with regularity throughout the game. Ruggiero got by the first two innings without being scored upon and there were indications that the game would develop in a pitchers' battle, but Ruggiero's effectiveness lasted only two innings.

Support Falls Ruggiero

Ruggiero also would have got by third session without damage being done, but after he had forced two Friars to fly to centre field, his support failed him. This upset Ruggiero and before the inning was over he had allowed seven runs. This was the turning point in the game.

Coach Jack Flynn of the Friars used almost his entire junior varsity nine during the latter part of the game and the jayvees continued the good work of their predecessors. The batting of Andrew Haggerty, Dick Burns and Frank Marian stood out for the subs, while the hurling of Rennick also was noteworthy. Burns hit a home run in the seventh inning. Oscar Ferrin and Chief Marsella led the regulars at bat.

Game played: May 27, 1932

Neither team scored in the first two innings. After two were out in the third, Marsella doubled and scored on Koslowski's single. Perrin singled and Roberge walked to fill the bases. Corbett also was walked, forcing Koslowski home. Crosbie erred on Reilly's ground-er and Perrin scored the third run of the inning. Roberge, Corbett and Reilly all tallied when Colville dropped Connors's fly to left field. Connors made the final run of the inning when Connery muffed Dion's fly in centre field.

Burns Hits Homer

Marsella opened the fourth with a single, reached third on an error and was scored by Perrin. Koslowski, who was safe on Connery's misplay of his fly, was scored by Corbett's single for the second Dominican run in this session. Colville's double and an error by Dion enabled the losers to tally their lone run of the game in this inning.

The Friars banged out four consecutive hits in the fifth, three singles and a double, to score three runs. A base on balls, two doubles and a single gave the Dominicans two more runs in the sixth.

In the seventh Perrin tripled and he was brought home when Burns hit a

home run. The final run made by Providence College came when Reilly, who was walked, scored on Dion's bingle.

THE SPORT WINDOW

RUGGED ROAD AHEAD FOR P. C.

JACK FLYNN'S Providence College baseball stars are very much in the running for the Eastern intercollegiate championship. With but one defeat to date, that by Yale, the Friars are in a good spot to dispute the issue with all rivals. The club is not out of the woods by any means.

Arthur Markey

On Saturday at Aldrich Field the Brown Bear awaits the P. C. horde. The Bruins are always at their best when the Dominicans supply the opposition. Flynn may decide to send Al Blanche to the firing line, considering the excellent piece of pitching he dished out against the Red Sox on Tuesday. Humphries remains Brown's best bet. If he is in the form displayed in the first setto with the Friars a fortnight ago it will take timely hitting and equally good pitching by the Smith Hillers to gain the verdict. P. C. has Ed Quinton prepared to aid Blanche should Al wobble at all.

Holy Cross and Boston College come to Providence on Tuesday and Saturday of next week. A pair of brilliant baseball teams. It will take some wide-awake competition on the part of the Flynn ensemble to get past this pair of sturdy foes.

Brown has a holiday game scheduled with Harvard. This annual fixture generally provides a lively afternoon of fun. Bruno bowed to the Crimson yesterday. Coach Kelleher would avenge that setback. Should Humphries draw the mound duty against P. C. the Harvard game is likely to fall to the lot of Norman Halpin, an East Providence young man who can throw a snappy strike.

There will be baseball enough for local fans on the holiday. In addition to the Bruin-Crimson contest, Tim O'Neil's batch of amateur leaguers will go to bat in the morning with games on all the city's baseball parks.

* * * *

EASTERN COLLEGES HAVE SOME GOOD PROSPECTS

BLANCHE, a Somerville youth, gives every indication of a bright future in professional baseball. He has the build, pitching instinct and control. George Tebbetts, Providence catcher, is another P. C. youngster who should make the professional grade. He is recovering from an appendicitis operation and is probably out of the game for the balance of the current season. George looks pretty sweet back of the bat. Marsella, Friars' sterling outfielder, is still another potential big leaguer. The Southern and Western colleges have been supplying the majors with the bulk of rookie talent the past few seasons. The East is due to get busy once again. Yale fans are singing the praises of Pitcher Johnny Broaca, Holy Cross is cheering Buck Mahoney, Harvard has Charley Devens, Fordham nominates Ed Auer. A collection of likely pitching luminaries. Several major league clubs have been casting longing eyes the way of Harvard's Devens and Cross' Mahoney. Ed Quinton of P. C. looks good enough to deserve minute consideration, so also does Mickey Martynick, a Woonsocket boy who is undefeated on the firing line in nine games for Rhode Island State.

BROWN AND P. C. MEET AGAIN—THANKS TO TUFTS

COACH KENNETH NASH and Athletic Director Clarence Houston of Tufts are thorough sportsmen and are today being given a rising vote of thanks by Providence College, Brown University and Rhode Island baseball fans and friends of each of the local schools. Nash and Houston expressed immediate willingness to postpone the scheduled P. C.-Tufts game booked for next Saturday in order that Brown and the Friars may play the second edition of their annual series, the game listed for last Saturday being washed out by rain.

Nash is a former Brown third baseman. Mighty fine person. He knows the rivalry existing between the Bears and Dominicans is deep-rooted and wholesome. It is a natural. Some day P. C. and Bruno will do something nice for Tufts. *May 25, 32 - June - Just*

Bruin, Friar Nines to Play Saturday

The second game of the annual intra-city series between the Brown and Providence College baseball teams will be played on Saturday at Aldrich Field, according to an announcement made yesterday. The game was originally scheduled to be played last Saturday but was called off because of inclement weather. Providence College won the first game of the series played on May 14, 2 to 0.

Bruins Take Lead

Tracey, Brown first baseman, shown scoring on Fowler's double to left in the ninth inning of the Brown-Providence College ball game yesterday. Tracey's run put the Bruins ahead 4-3 but the Friars tied the count in the last half of the ninth and won the game in the 10th.

FRIARS DEFEAT BRUINS

FOR CLEAN SWEEP

Reilly Singles in 10th to Down Bruin Nine 5-4

Eddie Reilly's sharp single through shortstop with the bases loaded and none out in the last of the 10th inning gave Providence College a 5 to 4 victory over Brown at Aldrich Field yesterday to terminate one of the weirdest contests of the long series between these intra-city rivals. The triumph gave the Friars a clean sweep of this season's series, the Bruin nine having taken a 2-0 defeat from the Friars two weeks ago.

A freaky ninth inning saw the Bruins stage a four-hit, three-run rally to forge ahead to a 4-3 lead in the first half and saw the Friars parade on free passes to force in the tying run in the last half. Then a downpour of rain halted proceedings for 35 minutes. When the game was resumed the Bears were set down without undue trouble, but the Friars continued to garner free trips to first with two bases on balls and a fielder's choice filling the cushions and setting the stage for Reilly's winning single.

Blanche Winning Pitcher

Eddie Quinton, ace of the Providence College mound corps, who was seeking his sixth straight triumph over the Bruins, had his long winning streak over the Bears broken when he was yanked for a pinch hitter in the last of the ninth. Al Blanche, his successor on the slab, got credit for the victory.

Quinton twirled superb ball for six innings, holding the Bears hitless. In the seventh the Bruins opened with a three-hit bombardment that brought their first run. Then in the ninth the big rally brought about Quinton's retirement.

Bert Humphries, star of the Brown mound staff, met a fate similar to Quinton's. He was retired for a pinch hitter in the eighth after having held the Friars to five hits and three runs, all of which were unearned, in the eight frames he was on the mound. Sweeney and Halpin followed with bounteous donations of free passes.

The Friars opened the scoring in the second inning when Perrin, first sacker for the Dominicans, singled and reached second on a wild pitch by Humphries. Roberge flied out but Corbett punched a single to centre field to send Perrin to third. Fowler, Bruin catcher, threw badly to second in an effort to catch Corbett stealing and Perrin counted at the plate. Humphries pulled himself out of the hole by fanning Reilly and Quinton.

Game played: May 28, 1932

Diving Tackle at Third in Brown-P. C. Game

Gilmartin, Bruin third sacker, made a diving try to nip Perrin, Friar first baseman, on Hammill's fielder's choice in the 10th frame of the Brown-Providence College ball game at Aldrich Field yesterday. Umpire Kelleher ruled Perrin safe on the play. The latter scored the winning run of the game a moment later when Eddie Kelly singled.

Providence College Takes Both

Games of Intra-City Series.

Quinton Retires.

In the ~~third~~ ^{fourth} the Friars garnered two more runs with Perrin again leading the attack. He drew a pass after Koslowski had fled out and then stole second. Roberge was safe at first on a scratch hit to Humphries but was forced out at second. Hunt to Harris, on Corbett's grounder.

Hunt Makes Error

Reilly drove a grounder at Hunt which the latter bobbled just when he had the opening for an easy double play. Perrin raced to third and both he and Corbett scored when Kroeger retrieved the ball after Hunt's error and tossed it well over Gilmartin's head at third.

Brown's accomplishments in the first six innings were negligible, two bases on balls and two stolen bases being the best they had to offer when on the offensive. Defensively the Bruins flashed and burned out intermittently. Kroeger's running catch of Marsella's long drive to centre field in the first inning was a gem. Bucky Harris robbed Sellig of a Texas Leaguer in short left in the third and followed that with a fine stop and snap throw to first to nip Marsella after the latter had sent a slow roller deep into the shortfield territory.

Harris continued his good work in the Bruins' seventh. He opened that inning with a single, advanced on Kroeger's single and scored after Gilmartin had forced Kroeger at second and Reilly heaved the ball over Perrin's head in an effort to complete a double killing. Hunt's single was wasted when Tracey pinch-hitting for Caulkins, and Fowler went out in order.

The Bruin shortstop again headed the Brown batting order in the ninth but was called out on strikes. Kroeger got a single and moved to third on Gil-

lartin's drive to centre field, the ball being deflected off of Quinton's glove and bouncing over Corbett's head to roll into the middle garden.

Tracey Gets Freaky Hit

Hunt fanned but Tracey sent Kroeger home when he dumped a freaky hit just back of the pitcher's box. Fowler came through with a two-base wallop down the left field line to score Gilmartin and Tracey. Quinton ended the inning by fanning Sweeney.

Marion batted for Corbett to start the Friars' half of the ninth and drew a base on balls. Reilly popped out to Sweeney in an effort to bunt. Haggerty, batting in place of Quinton, fanned. Sweeney had considerable trouble in finding the plate and issued

FRIARS TRIUMPH OVER BRUINS 5-4

free tickets to Dion and Dick Burns, pinch hitting for Sellig, to fill the bases. Halpin relieved Sweeney and continued giving out free passes by walking Marsella to force in the tying run. The inning ended when Koslowski fled out to Kroeger. A heavy rain which had started midway through the final half of the ninth caused a 35-minute halt in the game.

Harris singled after two were out in Brown's half of the 10th but his punch went for nought when Kroeger grounded out.

Perrin and Roberge drew passes to start the last half of the 10th. Hammil, who was playing second in place of Corbett, hit a grounder to Gilmartin at third and the bases were loaded when Umpire Kelleher ruled that the Bruin third sacker had failed to catch Perrin coming into the hot corner. Reilly's smashing single between third and short ended the game.

AL BLANCHE GIVES PURPLE BUT 4 HITS

Error, Cammarano's Triple and Murray's Homer Gives H. C. Three-Run Lead in First, But Friars Bunch Six Hits With Passes and Two Bad Errors and Win in Seventh

Sellig's Single Scores Two Runs
to Win in 7th.—Crusaders
Get Three in First.

Gradually acquiring effectiveness as the game progressed, Al Blanche, Providence College's big Sophomore hurler, allowed the Holy Cross nine only four hits as the Friars scored a 7 to 5 victory at Hendricken Field yesterday afternoon in the first of a two-game series between these annual rivals. This is the 14th triumph in 15 games for the Dominicans and the fifth straight victory of the season for Blanche. Capt. George Sellig won the game for the Friars in the seventh inning when his single scored Dion and Blanche.

The Holy Cross offensive, which has been sounding loud of late, started in typical fashion. The Crusaders scored three runs in the first inning on a triple, home run and an error. But after this dismal start, Blanche, who apparently was nervous at the outset, settled down and silenced the Crusader bats.

Reilly Hits Homer For Friars Against Crusaders

Edward Reilly, Providence College shortstop, is shown sliding home safe on his home run to deep centre field in the second inning of the game yesterday at Hendricks Field. Holy Cross lost 7 to 5. Maynard, Holy Cross catcher, made a desperate effort to catch Reilly. Joe Mulligan, Crusader hurler, is shown with his back to the camera.

in the scoring, while Holy Cross wasted only one of its four and that was in the ninth inning when the issue practically was settled.

Each team was eager for victory and while their play on a whole was good, both lapsed at times. Blanche helped the Crusader offensive get rolling in the first inning when he made a wild throw on Niemiec's grounder and in the seventh inning, Ed Reilly, the Friars' usually dependable shortstop, miscued two grounders which enabled Holy Cross to score two runs and tie the game at five all. Dona Maynard, Holy Cross catcher, paved the way for the final two Friar runs in the seventh inning when he made a wild throw on Dion's sacrifice hit.

Mulligan Yanked

Holy Cross used two pitchers in an effort to stop the determined Friars. Joe Mulligan, giant right-hander, started but he lasted only six innings. Mulligan was erratic at the start but he pitched better ball until he was yanked in favor of Buck Mahoney off whom the Dominicans scored their winning runs. When Mulligan left the mound, Providence was ahead 5 to 3. The Friars got four hits off Mulligan in six innings.

The Dominican prospects of victory greatly decreased after Holy Cross scored three runs in the first but they kept working for victory until the climax of the game in the seventh inning found them favored.

Murray Gets Homer

Niemiec of Holy Cross started the game by rolling to Blanche who threw over Perrin's head at first base. Niemiec went to second on the wild throw. Marshall grounded out but Cammarano tripled to score Niemiec and Murray, next to bat, hit a homer over the right field fence to send Cammarano home ahead of him.

The Friars got one of these three runs back in the first. Dion and Sellig were easy outs but Mulligan walked both Marsella and Koslowski. Perrin singled to score Marsella from second and advance Koslowski to third. Perrin was caught at second base on Roberge's fielder's choice.

Blanche retired Holy Cross in order in the second but Reilly of the Friars hit a home run to deep centre field in this inning to cut the lead of the Crusaders to 3 to 2. Neither team scored in the third or fourth. Blanche walked two Crusaders in the fourth after two were out but Maynard could not come through with a hit.

Two Runs on Two Errors

The Friars took the lead 4 to 3 in the fifth inning by scoring two runs. Reilly, first up, flied out to Marshall but Blanche was safe on first when Marshall erred on his grounder. Dion was walked. Marsella doubled to score Blanche and Dion. Only three Holy Cross batters faced Blanche in both the fifth and sixth innings. The Friars increased their advantage to 5 to 3 in the sixth by scoring one run. Koslowski was walked, went to second and scored on Perrin's single of the game.

Holy Cross tied the score in the seventh inning at five all by scoring twice. Colucci doubled, O'Connell grounded out but Colucci scored when Reilly erred Maynard's grounder. Maynard stole second and came home on Reilly's error of Mahoney's grounder.

The Friars came right back in their half of the seventh to win the game. Blanche started the rally with a single. He was sacrificed to second by Dion. Maynard threw wild in an effort to get Dion at first. Blanche went to third on the error and Dion to second. Sellig hit a hard single just along the third base line to score Blanche and Dion. O'Connell singled for Holy Cross in the ninth but he was left stranded on the bases.

Dona Maynard, Holy Cross catcher, scoring tying run, 5-5, on Kelly's error in seventh inning of game here yesterday, Providence College eventually won by a 7-5 count.

FRIARS RISE TO GREATEST HEIGHTS TO TOP CRUSADERS

Blanche Baffles Holy Cross Hitters After First Inning; Score, 7-5

Fourteen victories in 15 starts is the imposing record which the Providence College baseball team has compiled so far this year but the 14th triumph, which came yesterday at Hendriksen Field, is the prize exhibit of the whole string. The Friars, playing splendid ball, turned back the famed Holy Cross nine by a 7-5 score.

The game was one of the finest seen here in Providence in the past few years. Nearly every feature which goes to make a close and exciting contest was present. Long distance clouting, clever pitching and smartly sensational fielding all combined to make the game attractive.

BLANCHE IMPROVES AFTER SHAKY START

Al Blanche pitched a splendid game after getting away to a rather shaky start in the first inning. The smooth working right-hander held the Holy Cross batsmen to two hits in the remaining eight innings and had them swinging ambitiously but well-nigh fruitlessly at his fast ones. In that first frame Blanche appeared a trifle nervous as he threw far over Ock Perrin's head on what should have been an easy out and then made the mistake of giving Cammarano and Murray a couple of fast ones down the alley which were promptly converted into a triple and a homer.

George Sellig, Perrin and Chief Marsella were the batting heroes of the Friar's triumph. Sellig proved to be the right man in the right spot in the seventh when he sent a vicious single down the third base line to bring in Bobby Dion and Blanche with the runs that proved to be the winning tallies. Perrin twice delivered with men on the sacks, the first time being in the initial frame when he singled over first to score Marsella and the second occasion being in the sixth when he again singled, enabling Ed Koslowski to tally from second. Marsella played the hero's role when he slammed a double to deep right centre in the fifth which scored Dion and Blanche.

PERRIN SPARKLES AROUND FIRST BASE

Perrin fielded the first base outpost in superb fashion. The slim Albany youngster twisted himself into fantastic postures to spear throws which were uniformly high, wide and handsome. He surely takes rank with the best first sackers in college ranks.

The redoubtable Buck Mahoney struck no fear into the Friar hearts for they greeted him with one run in his debut in the sixth and then came back to clinch the ball game with two more in the seventh. It may be added, however, that Mahoney was hardly at his best having pitched the full game in the Crusaders' 10-2 triumph over Boston College at Worcester on Monday.

Niemiec turned in a pretty bit of fielding in the third frame. Sellig smacked a hard grounder at Mulligan and the ball bounced off the hurler's glove—Niemiec

dashed into the scoop the ball and loop it to first with one motion and in time to nip the Friar outfielder by a comfortable margin.

Dona Maynard, Crusader catcher, lived up to his reputation as a sprinter when he caught Ed Koslowski's foul in the seventh. Maynard ran halfway behind the stands and through a sand pit to make the put out.

Scoring Runs as Friars Win Over Eagles

On the left Boehmer of Boston College is shown scoring a run in the eighth inning which gave the Eagles a 4 to 3 lead over the Providence College nine at Hendricken Field yesterday. The Friars won the game in the 10th inning 6 to 5. On the left Walter Corbett of the Friars is shown scoring a run in the eighth inning which tied the score at 5 all.

DION'S DOUBLE

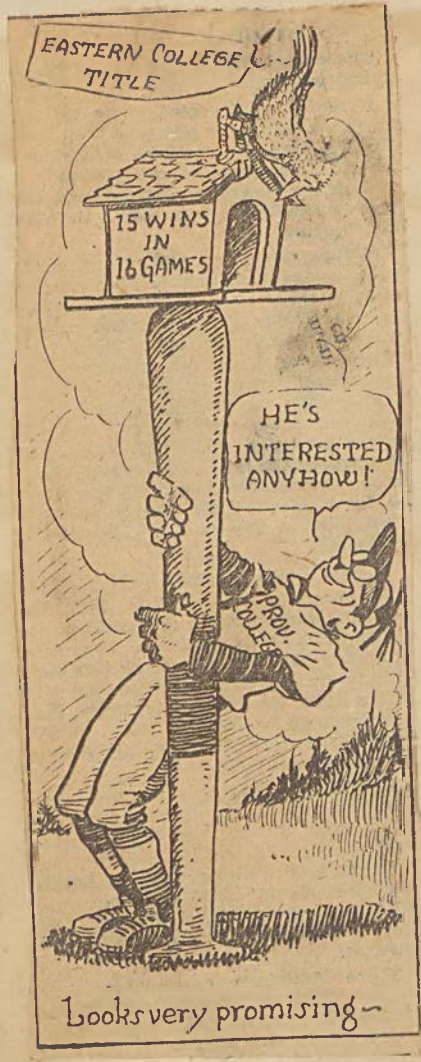

GIVES FRIARS 6-5 VICTORY OVER EAGLES

Friars Score 6-5 Victory Over Eagles in 10 Innings

Dion's Double Breaks Up Close
Battle to Give Dominicans 15th
Triumph of Season.

Displaying the timely hitting and dogged determination to win, factors which have brought it many triumphs this season, the Providence College baseball team defeated the Boston College team 6 to 5 in 10 innings at Hendricken Field yesterday. This is the second victory the Friars have scored over the Eagles this season and their 15th triumph in 16 games. Bobby Dion won the game for the Dominicans with his double in the 10th inning which scored Ed Reilly with the deciding run.

Dion was the true hero of the game. It was he who delivered the hits which tied and won the game for the Friars. In the eighth inning, when the Eagles were ahead 5 to 4, Dion came through with a slashing single that scored Corbett with the tying run. These two timely hits by Dion proved the undoing of the Eagles, who tried hard for victory. The Friars used three hurlers and the Eagles two. Bill Lomax started for the Dominicans but he lasted only two innings. The Eagles got to him for two singles and a triple with none out in third for two runs. Lomax was wild in the first two innings and barely managed to come through without being scored upon. Blanche relieved Lomax and he sailed along smoothly until the eighth when he hit one man and allowed three singles, which gave the Eagles two runs and a 5-3 advantage. He was benched in favor of a pinch hitter in the eighth and Ed Quinten replaced him. Quinten toyed with the Eagles during the ninth and 10th innings.

Roy Weakens

Emil Roy hurled eight innings for the Eagles and when he was relieved by Ed Gallagher the count was tied at five all. Roy, who was in many holes during his stay on the mound, weakened in the eighth with victory within his grasp and allowed the Friars to tally two runs. The Friars found Gallagher easy. He managed to weather the ninth after difficulty but could not weather the storm in the 10th.

The Friars again made most of their seven hits figure in the scoring. The Eagles also failed to waste many of their six hits. Wildness of pitchers helped both teams to score. Roy walked eight men, Lomax four and both Blanche and Gallagher two each.

Walter Corbett, Friar second baseman, provided an unusual batting feature. The first time at bat he hit a home run and he drew a base on balls on his next four visits to the plate. He scored three of the six Friar runs.

The Friars staged a courageous battle in their uphill fight to victory. When the Eagles tallied twice in the eighth, prospects of a Dominican triumph grew, but the homesters took advantage of Roy's wildness in the eighth to raise their hopes again.

Both Score in Eighth

Blanche hit Boehner, first man to face him in the eighth. Chesnulevich popped out to Roberge and Gatturna flied out to Koslowski for two outs. McIntyre singled. Both Boehner and McIntyre scored when Roy singled. This gave the Eagles a 5-3 advantage.

Roberge and Corbett, the first two men to face Roy in the eighth were walked. Reilly advanced both runners with his sacrifice hit. Andrew Haggerty, pinch hitting for Blanche, hit a sacrifice fly to left field to score Roberge, cutting Boston College's lead to 5-4. Dion's single scored Corbett from second base with the tying run.

Corbett was walked for the fourth time in the 10th. He was sacrificed to second by Reilly. Chesnulevich erred on Reilly's sacrifice and the latter was safe on First. Quinton hit a grounder to Gal-

lagher and the latter forced Corbett out at third. Reilly went to second on the play and Quinton was on first on a fielder's choice. Dion then doubled to score Reilly and break up the ball game.

Lomax walked two Eagles in the first inning but he kept them from scoring. The Friars got a man on base in the first but could not score him. Lomax walked two more in the second but a fine double play which was started by him prevented any Boston College scoring. Corbett hit a home run with Perrin on base in the second for two Friar runs.

Eagles Take Lead

The Eagles scored three runs in the third. Crowley and Spognardi, first two batters singled. Downes tripled to score both. Blanche relieved Lomax at this point of the game. He fanned Boehner and forced Chesnulevich to ground out at first. Reilly erred on Gatturna's

grounder, enabling Downes to score the third run of the inning.

Both Sellig and Marsella singled for the Friars in third, but both were left stranded on the bases. Blanche walked Crowley and McIntyre in the fourth, but checked the attempts of the other Eagles' batters. Corbett, first at bat for the Friars in the fourth. He advanced to third on Dion's grounder and scored when Chesnulevich made a wild throw to first in an attempt to catch Dion. Blanche easily retired the Eagles in the fifth, sixth and seventh innings. The Friars had Roy in trouble in these three innings, but did not score.

Wineapple Hits Homer for Friar Alumni

Eddie Wineapple provided the feature in the Providence College Alumni-Harvard Graduates game yesterday at Hendriken Field when he hit a home run with the bases loaded in the fifth inning to clinch the game for the Friars. The Providence College team won, 9 to 5. Heck Allen, his teammate, and Dudley, Crimson catcher, watch him come home.

Friar Alumni Nine Wins Over Harvard Grads 9-5

Eddie Wineapple's Homer in 5th
with Bases Loaded Clinches
Game.

A parade of walks followed by Eddie Wineapple's home run in the fifth inning brought the Providence College Alumni baseball team five runs and enabled it to defeat the Harvard Graduates 9 to 5 yesterday afternoon at Hendricken Field. The weather was not suited for baseball but this did not dim the ardor of the players. Wineapple's circuit hit came with the bases loaded and provided the feature of an otherwise slow game.

Two double plays by the Providence College Alumni helped to enliven the contest. Both of these double killings came when Wineapple was on the mound.

Wineapple hurled five innings for the Alumni nine and was nicked for six hits and three runs. Joe Whalen relieved Wineapple on the mound and held the graduates to four hits and two runs. McJennett started for the Harvard nine but he was relieved by Donaghy, converted shortstop, in the sixth inning, when the former found difficulty in finding the plate.

Issues Four Passes

McJennett worked well until the fifth.

In this inning he issued four successive walks and allowing Wineapple to hit his home run. He returned to the mound in the sixth, but he walked the first man to face him and was relieved by Donaghy. He was more effective than his predecessor and shared with Wineapple the hitting honors, getting four hits in five times at bat. He hit three singles and a home run.

The Harvard team scored in the first inning after two were out. Chase reached first on Allen's error, but Nugent hit into a double play. Donaghy singled and Lord tripled to score Donaghy. The latter was left stranded on the bases. The Friars had three men on base in the first inning with only one out, but McJennett toyed with the next two batters.

Friars Take Lead

The Friars scored twice in the fourth to take a 2-1 lead. McElroy fanned but Murphy was hit by a pitched ball. Wineapple tripled to score Murphy and Ed scored on Allen's sacrifice fly. Harvard regained the lead in the fifth inning by scoring twice. Huxtable singled. He was sacrificed to second by Dudley. Duffy erred on McJennett's grounder and Huxtable scored. Chase was safe on a fielder's choice and he scored on Donaghy's single.

The Friars came back in their half of the fifth to clinch the game. McJennett walked the first four men to face him, forcing in a run and then Wineapple hit his home run to clear the bases.

Harvard scored a run in both the sixth and seventh innings but the Friars scored twice in the sixth. Neither team scored in the final two innings.

Lead in College Baseball Taken By Providence

Defeat by N. Y. U. Weakens
Fordham Bid for Crown
as Dominicans Win Two

Beginning two games last week Providence College's team forged to the front in the race for the mythical baseball championship of the East. Fordham, which had led the field during the last month, dropped its second game with N. Y. U., but then went on to conquer Rutgers in the last game on its schedule, while the Dominicans defeated two of the strongest college teams in the east and its traditional rivals—Boston College and Holy Cross.

Providence now has fourteen intercollegiate contests and lost one for a percentage of .929, while Fordham has lost two and won fourteen. Providence still has two more games to play, one with Syracuse and another with Holy Cross. Army closed its schedule in third place, with eleven victories in thirteen games. N. Y. U. and Seton Hall are tied for fourth with eleven victories and four defeats. Both ended their campaigns last week.

Auer Gains Tenth Victory

Though Fordham lost a game during the past week, Kenneth (Dutch) Auer, its star pitcher, was not in the box at the time. He worked in the game with Rutgers and gained his tenth consecutive victory of the season. Included among the ten is only one shutout, but the Maroon ace counts among his victims some of the best teams in this section of the country. He holds decisions over Princeton, Yale, Temple, Manhattan, Seton Hall, Columbia, N. Y. U., Army and Boston College, in addition to Rutgers.

Several of the previously undefeated pitchers lost for the first time this week. Lynn McCuskey, of Amherst, lost two games after winning four straight and Thompson, of Dartmouth, and Jackson, of Penn., were defeated after three straight victories. Quinton, of Providence, added another triumph to make his record six straight and put him in third place behind Auer and Coughlin, of Army, who has won seven in a row.

Columbia May Win Title

In the league, Columbia's pair of victories over Penn on Memorial Day gave the Lions a chance for the title for the first time since baseball has been played on Morningside Heights. The Lions wound up their fight in the league with this pair of games, but Yale, leading the loop at present, still must play two games with Princeton. If the Elis break even a tie will be created and if they lose both Columbia will win the pennant. In other words, the Elis must take both games of the series to win the title.

Columbia also hit its way to the batting lead and established new league records in five offensive departments. The Lions set marks in team batting, with .347; in runs scored, 93; in runs batted in, 80; in double plays, 9, and in total hits, 130. The last record beat by fifteen the mark set by Penn last year.

Barber Leads in Batting

Hank Barber, of Dartmouth, virtually has clinched the individual batting championship, though he did not participate in his team's last game with Penn. He has compiled a .500 average, twelve hits in twenty-four at bat. Bill Graupner, of Penn, is second with .462.

AMONG THE P. C. GRADS

PROVIDENCE COLLEGE will lose several of its prominent athletes when the sheepskins are handed out at Smith Hill tomorrow. From the football squad goes Eddie Nawrocki, centre; Charlie Jorn, end; Chick Bleiler and Johnny Brady, sterling quarterbacks, and Mickey Foster, what a halfback. The baseball squad will bid farewell to Bobby Dion and George Sellig, the former a third sacker and last season's leader, and Sellig, outfielder and present captain. In addition Eddie Hammill, sub infielder, and Jimmy Welch, sub catcher, will be lost to the diamond. Welch, incidently, goes under the surgeon's knife for removal of his appendix on Saturday. Star catcher, George Tebbetts had his carved out some weeks ago. Allyn Sullivan, brilliant captain of the P. C. tennis aces, is another who graduates, while from the basketball team will go George Cody and Johnny McCormick, steady, dependable athletes.

The football team is hardest hit. It isn't every day you can pick up quarterbacks with the brains and resourcefulness of Bleiler and Brady. Nothing this pair couldn't do and do well. Coach Archie Golembeski says he gets a headache every time he thinks of scouting about for two such signal barkers.

The Friars will have another good ball team in 1933. Coach Flynn has two men already picked out to fill the shoes of Dion and Sellig. Sullivan's tennis brogans will take a lot of filling. It is a part of the game.

EASTERN CROWN SPUGHT BY FRIARS

Dominicans Face Syracuse Here
Thursday; Meet H. C. at
Worcester Saturday.

The Providence College baseball team will realize its season's objective—the mythical Eastern championship—on Thursday afternoon if it is victorious in its game with the Syracuse nine. As a matter of fact the Dominicans will have two opportunities this week to win the crown as they have two games carded, the other being with the Holy Cross nine on Saturday. A victory over either the Orange or the Crusaders will bring the title to Providence.

The Fordham team, which has been leading the race during the past month, lost to N. Y. U. last week and finished its season with a record of 14 victories and two defeats. This defeat by N. Y. U. virtually eliminated the chances of the Rams for the title.

Favored to Beat Orange

The only hope Fordham has to come out on top is for the Friars to lose both of their remaining games with Syracuse and Holy Cross. Syracuse has not fared very well on the diamond this year having scored only three victories in 11 games and the Dominicans will be top-heavy favorites to win this game and the championship.

The Friars are leading the Eastern college race with 14 victories and one defeat with Fordham second. Army is in third place with 11 victorics and two defeats but it is 29 percentage points behind the Rams in the standing. If the Friars defeat Syracuse Thursday, their record will be 15 victories in 16 games for a percentage of .938, a mark which neither Army nor Fordham can match.

Good Chance to Win

If the Friars win from Syracuse and lose to Holy Cross, their percentage will be .882 which would be seven points higher than the Fordham mark and 36 points higher than that of Army.

Eddie Quinton, Friar hurling ace, stands third among the college pitchers of the East. Quinton has won six straight games. Auer of Fordham, who has scored 10 straight victories, tops the list. Al Blanche of the Friars and Kammer of Princeton are tied in the fourth berth with four straight victories each.

Friars

Clinch Eastern Baseball Title

FRIAR NINE WINS EASTERN CROWN

Dominicans Clinch Baseball
Championship with Victory
Over Syracuse, 8-3.

END SCHEDULE TOMORROW

Holy Cross Game at Worcester
Will Not Involve Leadership
...of Providence

A smart Providence College baseball team realized its season's objective yesterday when it defeated the Syracuse nine, 8 to 3, at Hendriken Field, clinching the Eastern college baseball championship. Realizing that victory would give them the crown the Friars played determinedly against the Orange. The outcome never was in doubt. The game was a feature of the Commencement Day program.

This is the 15th victory in 16 games for the Dominicans. It gives them the best record in Eastern intercollegiate competition and in their history. The Friars have one more game scheduled. They meet Holy Cross at Worcester tomorrow. Regardless of the outcome of that contest, however, the Dominicans have won the title.

Fordham Hopes Blasted

The Fordham nine led in the race until last week. Then a defeat by the N. Y. U. nine wrecked the hopes of the Rams for at least a tie for the title. The Rams closed their season with 14 victories and two defeats or a percentage of 87.5. The percentage of the Friars is .983. If they are downed by Holy Cross tomorrow this will be reduced to .882.

PILING UP SCORE

Reilly, Providence College shortstop, is shown scoring third run of second inning as Friars beat Syracuse yesterday. Reilly had just tripled and came in on Connors's single.

The Friars have played good baseball throughout their campaign. They have scored victories over some of the best college teams in the East, and boast a triumph over the Boston Red Sox of the American League. The Friars have not been a hitting club, but they have hit at opportune times. Timely hitting and good hurling have been the secret of the success of the Dominicans this season. The Friar hurling staff rates with the best in the country, and is headed by Ed Quinton, Al Blanche and Danny Connors.

Friars Get 14 Hits

During the early stages of the game yesterday, the Friars made everything count. With victory practically certain later, they lapsed a little in the closing innings.

Danny Connors hurled steady ball for the Friars. He was nicked for nine singles, but he was effective in the pinches. On two occasions, Syracuse had Connors in a hole, but each time he weathered the storm without much damage. The Friars exhibited a sustained offensive, collecting 14 hits, including a home run and a triple, off Dominic Stefanelli, Syracuse hurler. The attack by the Friars yesterday was one of their strongest of the season.

"Chief" Marsella provided the batting feature in the sixth inning, when he hit a home run to deep centre field with Bobby Dion on base. Marsella also collected a single and a double in his five times at bat.

Sellig and Dion Graduate

For Capt. George Sellig and Bobby Dion, captain of last year's team, yesterday's contest marked their last college game at Hendricken Field. Both were graduated yesterday. Both Dion and Sellig turned in creditable performances afield in their final home game.

Neither team scored in the first inning, both being put out in order. In the second inning, however, the Friars scored three runs after two were out. Roberge started the rally with a single. Corbett followed with another bingle and Reilly scored both with a triple to left field. Connors also singled to score Reilly, but the former was left stranded on first when Dion filed out to centre field. Syracuse came through with three successive singles in the third inning, and was further aided when Connors hit Sulkowski with a pitched ball. But despite this, the Orange scored but one run.

The Friars added another run to their total in the third inning. Marsella reached first on Frank's error on his grounder. He was advanced to second on Griffin's single. Stefanelli walked Perrin to fill the bases. Marsella scored

on Roberge's sacrifice fly, but the other runners were left on base.

Syracuse scored a run in the fourth on two singles and an error. The Friars came back in their half of the fourth to tally twice after two were out and increase their advantage to 6 to 2. Dion walked, stole second and came home on

Sellig's single. Marsella doubled to score Sellig.

Syracuse scored its third and final run in the fifth. Sulkowski singled and reached second on Corbett's error. He came home when Dion miscued Lipitz's grounder.

The Dominicans scored their final two runs in the sixth when Marsella hit his home run with Sellig on base. Both teams got men on base in the final innings, but these were wasted on the bases.

Marsella Hits Homer for Friars

Chief Marsella of the Providence College Baseball Team provided one of the features as the Friars downed the Syracuse Nine, 8 to 3, at Hendricken Field yesterday, to clinch the Eastern College title. Marsella's homer came in the sixth and Dion scored ahead of him. Marsella is shown crossing the plate with umpire Dad Meehan and catcher Chapman looking on.

CONNORS HOLDS SYRACUSE AS MATES HIT HARD AND OFTEN

Marsella Contributes Home Run and Double; Quinton Picked to Face Holy Cross at Worcester Tomorrow

Unleashing a barrage of 14 hits for a total of 21 bases in eight turns at bat, the Providence College nine clinched the Eastern college baseball championship by defeating Syracuse, 8 to 3, before a Commencement Day crowd at Hendricken Field. The victory marked the 16th triumph in 17 starts for Coach Jack Flynn's boys, who close their schedule tomorrow at Worcester, where they meet Holy Cross for the second time.

Although he was tattered for 10 hits—all singles—Danny Connors of the Friars would have held the Orange to one run if his infield mates had tendered him tighter support. The visitors bunched three bingles for their opening tally in the third inning, but Walter Corbett erred in the fourth and again in the fifth to provide openings for Syracuse tallies.

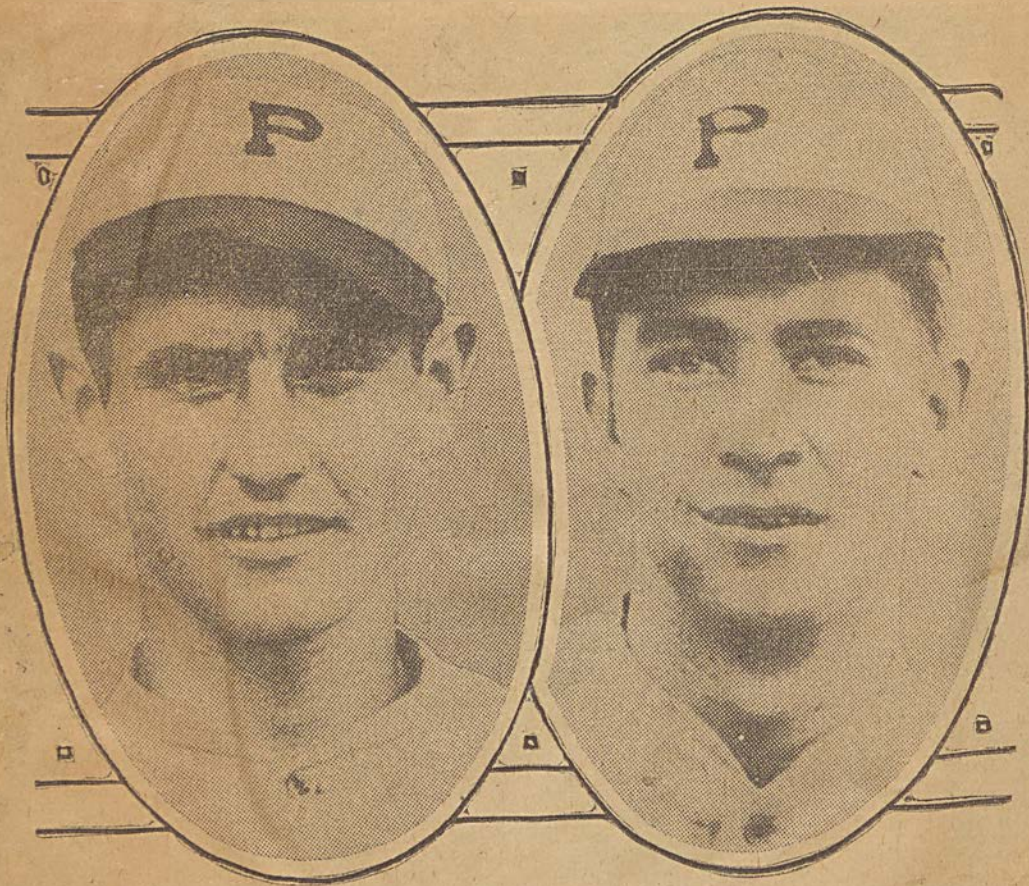

MARSELLA LEADS WITH THREE HITS

"Chief" Marsella led the Providence attack with a homer, double and single. Capt. George Sellig chipped in with a two-bagger and single, Corbett had a brace of one-timers, as did Ollie Roberge, while Bobby Dion, last year's captain, Eddie Reilly, Oscar Perrin, Tom Griffin and Danny Connors each made one safe knock. It was the first time this season that every member of the outfit hit safely and Reilly's effort—a screaming triple—set the champions off on the right foot, coming as it did with two runners aboard the sacks in the second inning.

Each side went down in order in the opening session, but Roberge opened the inning for the Friars, with two out, in the second. The big catcher whistled a single to left and Corbett duplicated the dose. Then came Reilly's three-ply wallop to left centre and Connors sent Eddie home with another left-field single.

With two Syracuse batters retired on strikes in the third, Fahy, Bock and Cramer came through with successive hits, the former scoring, and the bases were filled when Sulkowski was struck by a pitched ball, but Frank hoisted to Dion to end the rally. Providence got the run back in the last half of the third on Bock's bobble of Marsella's grounder, a single by Griffin, a pass to Perrin and Roberge's long lift to Cramer in deep centre.

Play Final Home Game for Friars

Bobby Dion, left, and George Sellig, right, members of the Providence College baseball team who will play their final college game at Hendricken Field today against Syracuse. Both will graduate today. Sellig is captain of this year's team while Dion captained the 1931 nine.

DOUBLE PLAY CHECKS

SYRACUSE IN FIFTH.

The Orange picked up its second marker in the fourth on a single by Lipitz, Corbett's failure to hold Chapman's roller, with a double play in sight, and Fahy's second hit. Sulkowski's hit, another miscue by Corbett on Frank's dribbler, with another twin-killing in prospect, and a puzzling hopper by Lipitz that took a queer bounce as Dion was about to field it, netted Syracuse its third and final run in the fifth inning. A nice play by Dion on Malster's drive started a double play to check the Orange's chances in this inning.

Dion and Sellig, who were playing their last contest before a home audience, scored for the Friars in the fourth. Dion walked and pilfered second base, then Sellig doubled past first and Marsella doubled to left to chase his captain to the pay-off station. Dion's single in the sixth was followed by Marsella's four-bagger, a poisonous smash to the fence between left and centre, and that ended the scoring for the day, although the Friars had a chance to add to their total in the seventh when Perrin and Roberge hit safely and moved up a peg on Corbett's pretty sacrifice bunt, but neither Reilly nor Connors could negotiate with Stefanelli's slant in the emergency.

SELLIG PUTS IN BUSY DAY IN OUTFIELD

Capt. Sellig climaxed a busy day in the field—he accepted seven chances—by a pretty running catch of Frank's drive, with two Syracuse men on the bases and two out, in the ninth. As soon as he made the catch, George pocketed the ball, which he will treasure as a souvenir of the game that gave his team the college title, then he ran for the showers. On the way he tried to think of some explanation to offer Coach Flynn for over-running first base and trying to stretch his single in the eighth into a double. The ensuing run-down, in which four Syracuse players took part before they finally tagged Sellig, provided the spectators with a merry moment.

Coach Flynn indicated that Eddie Quinton would get the starting call for mound duty against the Crusaders at Worcester on the morrow. Eddie did relief work against Boston College last Saturday when he relieved Lomax and stopped the Eagles in the ninth and 10th innings. Quinton has not been called upon to go nine innings since the second Brown game on May 28. Lomax was to have faced Syracuse yesterday, but did not put in appearance, so Flynn nominated Connors and kept Quinton and Al Blanche in reserve.

PROVIDENCE WINS FROM SYRACUSE, 8-3

PROVIDENCE, June 9—Providence College baseball team became claimant to eastern college baseball honors this afternoon when it defeated Syracuse, 8 to 3.

Today's victory gave Providence a record of 16 games won out of 17 played.

FRIARS TO INVADE WORCESTER TODAY FOR H. C. CONTEST

Game Is Last of Season for
Eastern Champions; Blanche
to Pitch.

With the eastern college baseball championship safely in its possession, the Providence College baseball team invades Fitton Field, Worcester, today for the second game of the annual two game series with the Holy Cross nine. The Friars downed the Crusaders 7-5 here last week and today they hope to make a clean sweep of the series. The Friars never have downed Holy Cross twice in a season but today they have a good opportunity to turn the trick.

Al Blanche, who mastered the Crusaders last week, again will take the mound for Providence today. Ed Quinton will be ready to pitch if needed. Blanche hurled excellent ball against Holy Cross, allowing but four hits and he is confident that he will repeat his triumph.

Last Game for Friars

The Friars will find the Crusaders much harder to defeat at Worcester and consequently will have to play their best baseball to emerge victorious. This is the last game for the Dominicans who have made an enviable record this season, winning 15 out of 16 college games. Realizing that another victory over Holy Cross will add to their prestige, the Friars will make a determined bid for victory today.

For Capt. George Sellig and Bobby Dion, today's game will mark their last in a Providence College uniform. They graduated last Thursday.

Improve Hitting

The Friars have shown a marked improvement in their hitting during the recent games and if they continue their strong offensive, their chances of winning today will be much stronger.

Mahoney, who relieved Mulligan in the game at Hendricken Field last week, is slated to hurl for the Crusaders. If Mahoney is in good form, the Friars will find him hard to beat.

Caught at Plate as Crusaders Down Friars

On the left, Oscar Perrin, Friar first baseman, shown being caught at the plate in the third inning by Dona Maynard, Holy Cross catcher. On the right, Marshall of Holy Cross caught at home plate by Catcher Oliver Roberge of the Friars in the third inning. Marshall attempted to score on Murray's Texas Leaguer to deep short but Ed Rolly made an excellent throw to Roberge. The Friars were defeated by the Crusaders 8 to 4 at Worcester in their final game of the season.

Crusaders Pound Dominican Hurlers for 8 to 4 Victory

Providence College Unable to
Hold Early Lead as Al
Blanche Weakens.

Fitton Field, Worcester, Mass., June 11.
—The Holy Cross offensive struck with much fury here today, raising havoc with Providence College pitchers and making it altogether a sad ending for the Friars, who were defeated 8 to 4. It was their second defeat in 17 college games. The Crusader bats rang merrily for 16 hits and a total of 27 bases. Holy Cross's victory today evened the annual two-game series between the two teams.

The Dominicans, who on Thursday clinched the eastern college baseball championship, nicked Arthur "Buck" Mahoney for nine hits but after an erratic start, the Crusader hurler settled down and toyed with the Friars in the pinches. An unusual feature of the game was that the Crusaders scored all of their runs after two were out in each of the three innings in which they tallied.

Webster Honors Sellig

George Sellig, captain of the Providence College team, was presented a gold purse by his town folks from Webster, Mass., when he went to bat in the first inning. There was a large delegation from Webster to watch their favorite play. For Sellig and Bobby Dion, today's game closed their baseball career with the Friars.

The Crusaders really won the game in two innings, the fifth and the eighth. In both these sessions Holy Cross staged strong attacks. By virtue of excellent all-round play during the first four innings, in which every Crusader rally was easily nipped, the Friars took a 4 to 1 lead and were on their way to an apparently easy victory. But in the fifth the Holy Cross bats found their mark for five successive hits, a home run, triple and three singles, to score four runs and entirely change the aspect of the battle.

Al Blanche, who had been hurling steady ball, was the victim of this heavy fifth inning attack. The Crusaders hit his offerings unmercifully and he was replaced by Ed Quinton. Quinton weathered the storm until the eighth when he was nicked for three successive hits, a home run, triple and a single, for three runs. It really was an error by Walter Corbett, Friar second baseman on Mahoney's grounder after two were out that paved the way for these three Holy Cross runs.

home runs for the Crusaders, the former's coming in the eighth with two men on base. Frank Cammarano hit two triples and a single in five times at bat, while Tommy Farrell banged out four successive singles in as many times up. Perrin, with two timely singles, drove in three Friar runs, while Blanche accounted for another with his home run.

Friars Take Early Lead

The Friars took a 1-0 lead in the first inning. Sellig and Griffin drew bases on balls and Sellig scored on Perrin's single to right field. Niemiec, who was hit by Blanche with a pitched ball in the first inning, was the only Crusader to get on base in this session. The Friars were retired in order in the second. The Crusaders got two singles and a sacrifice hit in the second, but airtight fielding by the opposition prevented any scoring.

Providence tallied twice in the third. Dion, first up, singled. Sellig was hit by a pitched ball. Marsella advanced both with a sacrifice hit and both scored on Perrin's single. Blanche's home run in the fourth gave the Friars a 4 to 1 lead.

Maynard and Mahoney accounted for the first two Crusader outs in the fifth, but Niemiec came through with a home run. Marshall followed with a single, and he was scored by Cammarano's triple. Murray singled to score Cammarano, and Farrell's single brought Murray home. At this point Quinton relieved Blanche on the mound, and he fanned Colucci for the third out.

The Friars were retired in order in both the fifth and sixth innings. O'Connell doubled for the Crusaders in the sixth but he was left on base. In the seventh the Crusaders had men on second and third after two were out but Quinton forced Colucci to fly out to Koslowski for the third out.

Dion Hits Into Double Play

Reilly singled for the Friars in the seventh but Dion hit into a double play. With the count 5 to 4 against them the Dominicans made a real bid for victory in the sixth. Sellig fanned but Marsella singled. He was advanced to third on Koslowski's double but with the tying and winning runs on base, neither Perrin or Pinch Hitter Marian could deliver a telling blow.

The Crusaders clinched the game in the eighth when Marshall hit a home run with Niemiec and Mahoney on base. Reilly drew a base on balls for the Friars in the ninth and Hammill, pinch hitting for Quinton, doubled but Mahoney

forced Dion to hit into a double play to end the game.

Yale Nine Wins First Official Title Since '89

Victory Over Princeton Clinches League Honors; Broaca Sets 3 Records

Champion of the Eastern Intercollegiate Baseball League by virtue of its victory over Princeton Saturday, Yale today holds an official baseball title for the first time since 1889. The victory of the Elis over the Tigers, 6 to 3, in ten innings, was Yale's second of the season over Princeton, both in extra-inning games, and made Yale's league record eight victories in ten games. The Blue lost one game to Penn., 8 to 0, and one to Dartmouth, 9 to 7, in the nightcap of a double-header on May 7.

The last time that Yale won a recognized title, in 1889, Amos Alonzo Stagg, '88, participating as a post-graduate, pitched the Elis to a triumph in the American College Baseball Association—Yale's eighth victory in nine league games. After that campaign, the association was disrupted by the first Harvard-Princeton football break and the East was without organized college competition in baseball until 1929.

In the interval, Yale eight times had the best general record in the East. In this year's campaign the Blue won sixteen games and lost seven.

The best general record of this section, however, was turned in by Providence, which won fifteen and lost two for an average of .862. Fordham is seven points behind, with a record of fourteen victories in sixteen games.

The "Little Three" series also was decided last week-end, when Williams conquered Wesleyan, 5 to 2, and avenged an earlier 8—2 defeat. Williams won three games in the series, also conquering Amherst twice. Amherst finished second with two victories and two defeats.

Johnny Broaca, of Yale, set three new league pitching records in his triumph over Princeton. He ended the season with seven league victories and one defeat; he established a low mark for earned runs, with an average of 1.60 for each nine-inning game, and he set a record for strikeouts, his total of seventy being just double the record set in 1930 by James Peterson, of Penn. Altogether, he won eight games and lost one, including a victory over Holy Cross.

Providence College Nine Captures Eastern Crown

Wins 16 Out of 18 Games During 1932 Campaign; Showed Fine Defensive Strength.

Scoring 16 victories in 18 games, the Providence College baseball team compiled the best record ever made by a Friar nine to win the 1932 Eastern collegiate championship. The team played consistently throughout the season, a feature of its play being a strong defence.

The only two defeats received came from Yale and Holy Cross, but the setback from the Crusaders was avenged as the Dominicans won the first game of the home and home series between them. The Ell nine downed the Friars, 3 to 1, while the Crusaders trounced the locals in their final game of the season, 8 to 4, at Worcester.

Beat Red Sox 9-8

One of the victories scored by Providence was over the Boston Red Sox. A four run rally in the ninth inning brought the collegians a 9 to 8 victory over the major leaguers.

The hurling staff of Providence was rated as the strongest in the East. With Al Blanche, Ed Quinton, Bill Lomax and Danny Connors doing the pitching for the Flynnmen, the opposing teams found it difficult to get base hits. Each one of these hurlers turned in an exceptionally good performance during the season.

Double victories were scored over Manhattan and Boston College, two of the team's keenest rivals. When the Friars and the Eagles met for their first game each was undefeated in eight games. It was a home run in the ninth inning by Ed Reilly, star shortstop, that turned defeat into victory for the Dominicans and halted the victory march of the Eagles.

Top Bruins Twice

Both games with Brown in the inter-city championship series were won by the Dominicans, the first by a 2 to 1 score and the second 5 to 4 in 10 innings.

With the exception of Bobby Dion,

third baseman, and George Sellig, left fielder, every member of the championship team will be available for the 1933 campaign.

Following is the season's record:

Providence 14, Lowell Textile 2, at Providence.

Providence 7, Pratt Institute 1, at Brooklyn, N. Y.

Providence 9, Manhattan 6, at New York city.

Providence 3, Springfield 2, at Providence.

ELI JAYVEES SHADE FRIAR SECONDS 5-4

(Special to the Providence Journal.)

New Haven, Conn., April 16.—Hair-raising ninth-inning rallies by both the Providence College Jayvees and Yale enabled the Blue seconds to garner a 5 to 4 win over the Dominicans here this afternoon. The Providence lads went into the ninth trailing by one run, but McCarthy crashed a long hit between centre and left field to make a home run and knot the score at four all.

The Eli seconds, not to be denied, bunched a couple of hits in their half and the game was over with but two outs. Howland, after Rogers had been retired, singled, and advanced to second on Hall's grounder to third and Kroehl drove him home with a sharp hit to deep left. Rennick twirled well for the losers, but bunched hits proved his downfall.

TRIM BECKER 9-0

Learnon Leads Attack for Winners; Bridges Hurls in Fine Style.

(Special to the Providence Journal.)

Worcester, April 22.—Providence College Junior Varsity romped off with an easy 9 to 0 victory over Becker College here today. Bridges, visiting boxman, had the Becker nine at his mercy, allowing only two hits and striking out 12 batters. With all the Becker regular pitchers on the injured list, Brezniak, Varsity third baseman, took up the hurling duties. The Jayvees solved his delivery early, Learnon leading a 12 hit attack with a home run, double and a single.

FRIAR JAYVEE NINE WHIPS ASSUMPTION

(Special to the Providence Journal.)
Worcester, Mass., April 30.—The Providence College Junior Varsity baseball team hit hard and took advantage of the locals' sloppy fielding here today to score a 10-1 victory over Assumption.

Providence scored one in the second, took advantage of two passes, a hit and an error to get three more in the third and then bunched five hits with three misplays to score four others in the fourth.

Tucker, on the mound for the visitors, held the locals to eight well scattered hits and fanned 14 batsmen.

Bryant-Stratton Nine Trims Friar Jayvee Outfit 8 to 6

Indians Register Fourth Straight
Victory.—Rally in Sixth
Tells Story.

Three runs made in the sixth inning because of errors of omission by Providence College Junior Varsity brought the crack Bryant-Stratton baseball team an 8 to 6 triumph over the Friar Jayvees yesterday afternoon at Heldricken Field. It was the fourth victory of the season for the Indians. They were outhit nine to eight but they made good most of their scoring opportunities.

The Friar "subs" were ahead 5 to 3 going into the sixth but in this inning centre fielder Peter Gobis dropped Godmsky's fly and this started the Indians on what proved to be the winning rally.

Johnnie Rogers hurled for the winners but he was not at his best. The Friars nicked him for nine hits, five going for extra bases, but he received good support from his mates, two double plays coming at opportune stages. Big Charlie Burdge started for the losers and although the count was 7 to 5 against him when Charles Fennick replaced him in the eighth inning, he hurled good ball. He held the Indians to six hits during this time and with better support, victory may have gone to him.

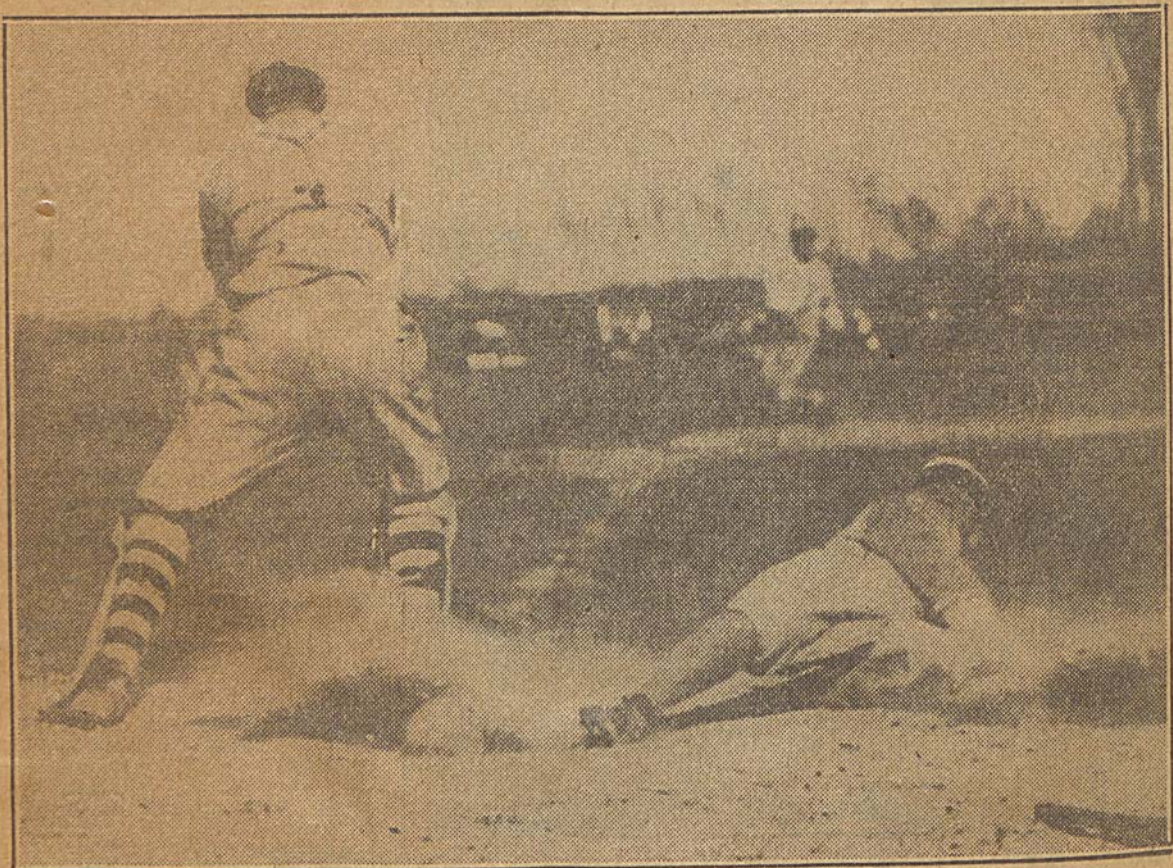

There were two players yesterday who stood head and shoulders above the rest. They were Leo Marian, Providence College first baseman, and "Chopsy" Sullivan, Bryant-Stratton centre fielder. Each got three hits in four times at bat. Marian banged out a home run, double and single, while Sullivan got a home run, triple and single. Marian also fielded his position in fine style. Marian's play yesterday stamped him as a prospective member of the Friar Varsity.

The Indians scored two runs in the first inning on Godmsky's single. Conley got to first base when he was hit by Burdge, he went to second on McDonald's putout, Sullivan drew a base on balls and both he and Conley scored when Godmsky singled.

Marian scored the first Friar run in the first inning with his homer. The Friars scored again in the third when Marian's single scored Demoe, who had walked. The Dominicans tallied three runs in the fourth on Demoe's triple, Noon's single, a sacrifice hit and a base

on balls. Sullivan's home run accounted for the Bryant-Stratton run in the fourth.

The Indians scored three runs in the sixth on one single, an error and a base on balls. The Friar infield became disorganized in this session and the opposition capitalized all scoring chances. The Friars tallied their last run in the eighth when Paul Healy, who had doubled, came home on Kearns's error of Demoe's grounder.

P. C. JAYVEES BOW TO DEAN ACADEMY

(Special to the Providence Journal.)
Franklin, Mass., May 10.—The Providence College Jayvees outhit the Dean Academy nine in a free slugging contest here today, but dropped the decision by a 12 to 5 score. Dean hit when hits counted, several extra base blows coming at opportune moments, while Page kept the 13 Providence safeties fairly well scattered.

Burns, Providence catcher, led his team's attack with three hits, including a triple, while McDonough with a single, a double and home run, and McKenna with two doubles and a single were the hitting stars for Dean.

FRIAR NET TEAM DEFEATED IN SNOW

(Special to the Providence Journal)
Worcester, Mass., April 27.—Snow flurries and freezing weather wrecked the Clark-Providence College tennis match today, but not until after Clark had won three of the five full singles matches. Clark was conceded victory inasmuch as Graham of Clark had a 4-1 lead over Fitzgerald of Providence in the rubber set of the unfinished singles. No doubles were played.

The summary:

Tompkins, Clark, defeated Sullivan, Providence, 6-1, 6-4.
Power, Providence, defeated Berkovitch, Clark, 6-4, 6-2.
Burwick, Clark, defeated Alves, Providence, 6-3, 7-5.
Hall, Clark, defeated Barrette, Providence, 3-6, 6-3, 7-5.
Carter, Providence, defeated Sandman, Clark, 3-6, 6-1, 7-5.
Graham, Clark, was conceded victory over Fitzgerald, Providence, 4-6, 7-5 and 4-1 (unfinished).

BROWN NET TEAM TRIMS FRIARS 9-0

Fitzgerald of P. C. Forces
Dave Scott to Strenuous
Measures to Win.

Returning to action after their first setback of the season, a 9 to 0 defeat suffered at the hands of the North Carolina team last Saturday, the Brown netmen yesterday administered a similar drubbing to the Providence College racquet wielders on the Thayer street courts.

In scoring clean sweeps in six singles and three doubles matches, the Bears romped through without the loss of a set. For the most part the Bruin netmen found little difficulty in turning back their city rivals.

Fitzgerald of the Friar team forced Dave Scott, No. 5 man on the Brown outfit, to exert his best brand of play to win at 6-4, 6-4. The closest doubles encounter of the program came with Scott and Fitzgerald clashing again, the Brown duo of Scott and Dunkerton being forced to their utmost to pull out a 6-3, 7-5 match against Fitzgerald and Gorman.

The summaries:

Singles

- Butler, Brown, defeated Sullivan, P. C. 6-0, 6-3.
Chace, Brown, defeated Powers, P. C. 6-1, 6-4.

FRIAR NET TEAMS BEAT EAGLES 6-3

The Providence College Varsity tennis team closed its season auspiciously here today by scoring a decisive 6 to 3 triumph over the Boston College Varsity netmen. The teams divided honors in the singles competitions, but the Friar combinations proved too strong for the Eagles and as a result the locals made a clean sweep in the doubles play.

Rene Barrette of the Dominicans turned in the hardest fought match of the day when he downed Captain Keiran of the visitors, 7 to 5 and 6 to 3. Allyn Sullivan, Providence leader, showed fine form in downing his rival in straight sets, winning in the singles in straight sets, 6-4, 6-3, and then pairing in the doubles with Power to score 6-1, 6-4 victories to close his collegiate tennis career.

The summary:

Singles—Power (P) defeated Lyons (B), 6-1, 6-4; Sullivan (P) defeated Donelin (B), 6-4, 6-3; Carr (B) defeated Alves (P), 6-1, 6-3; Barrette (P) defeated Kieran (B), 7-5, 6-3; Drohan (B) defeated Fitzgerald (P), 6-3, 6-4; Kenney (B) defeated Gorman (P), 6-8, 6-2, 9-7.

Doubles—Power and Sullivan (P) defeated Lyons and Kieran (B), 6-3, 6-1; Fitzgerald and Barrette (P) defeated Donelin and Connolly (B), 6-3, 6-4; Alves and Gorman (P) defeated Carr and Drohan (B), 6-3, 6-0.

BROWN FRESHMEN WIN TENNIS TOURNAY

Winning all but one match in the singles, the Brown Freshmen tennis team defeated the Providence College first year netmen, 8 to 1 yesterday at the Brown courts on Thayer street. Gagne scored the lone point for the Friars by beating Robert D. Eddy in the singles 7-5, 6-3.

Christopher was the only Bruin who was extended to win. He was matched against Hart of the Dominicans. After losing the first set 6 to 4 he rallied to clinch the match by winning the next two 8-6, 6-1.

The summary:

MOSES BROWN WINS TENNIS MATCHES

Moses Brown School's crack tennis team scored its second victory of the season yesterday afternoon at Moses Brown courts, downing Providence College Freshmen, 6-3. Moses Brown won five of the six singles matches to build up its lead, which was cut down in the doubles, where the Friar yearlings took two out of three. So well matched were the teams that only two love sets were played in the 19 necessary.

The doubles match won by Persons and Wild of Moses Brown over Fiorella and Gagne of Providence College, 7-5 7-5, was a feature. Gene Hebert, former West Warwick high all-around athletic star, was a factor in the Freshman play. Persons, Meuser and Wild did some neat work for the Quakers, while Hebert, Kelly and Hart excelled for the Freshmen.

Golf and Track Are Added to Friar Sports Activities

"Mike" Thomas in Charge of
Links Team; Trackmen Report
to John Keating.

In accordance with a policy of "athletics for all" and a wider sports program at which the Providence College athletic authorities have worked with added zeal this year, it was announced last night that one more sport would be added to the Varsity list and preliminary plans for another have started.

For the first time, the college will be represented by a golf team and John E. Farrell, Graduate Manager of Athletics, is working on a schedule for the golfers. If there is sufficient interest and capable material available, it is likely that a track team will be organized. Inter-class track competition already is scheduled and in case a Varsity team is not fielded this year, the meets between the two classes will serve as an important foundation for the future of the sport at the college.

Meetings for both the golf and track candidates were held yesterday. Nineteen reported for the golf team and 30 for track. John Keating was named to have charge of the track candidates and Michael J. Thomas of golf.

May Meet Bruins

It is likely that a Providence College relay team will compete against Brown and Rhode Island State in the track meet to be held at the Auditorium next month. Anthony Barbarito, Sophomore sensation of the football team last year, Bert Skipp, another gridder, and Howard G. Norback are three of the men who probably will face the Bruin and Ram players. All three were star runners during their schoolboy days and are products of New Haven high school.

Both Barbarito and Skipp plan to enter various indoor meets and have started practice. Barbarito is holder of the Yale interscholastic 220-yard record and was a star member of the New Haven high track team for three years. He was undefeated in three years of dual competition in the 100 and 220-yard runs. Skipp was a team mate of Barbarito the year New Haven won the Connecticut State schoolboy crown. Norback was a member of the New Haven high mile relay team which set a State record.

Mashle Swingers Report

A number of good players reported for the golf team, including R. S. Gilmore, former star of the St. John's Prep team. Gilmore has a low handicap in the M. G. A. and has turned in low rounds at various Bay State courses. Daniel Galasso played in the Eastern Interscholastic tournament as a member of the Port Chester high team and placed fairly high.

Joseph McLaughlin of East Providence, another candidate, was a semi-finalist in the Rhode Island junior tournament a few years back, and played two years on the champion East Providence high team. He has broken 80 a number of times on various courses in this State. Other promising players who reported include Peter Vucci of East Providence, Stephen Byrne of Warwick and J. E. Kelley of New York.

Whether the college will send representatives to the national collegiate tournament has not yet been determined.

Active Sports Year

Providence College is in the midst of its most active athletic year in history. The interclass competition, which started last fall, has attracted many of the students to athletics and some keen competition has developed. More than 200 students, including members of the Varsity, Junior Varsity, Freshman and interclass teams are playing basketball. The interclass games have proved highly interesting. Class teams will compete in track, baseball, wrestling, boxing and volleyball with trophies going to the winners.

Three teams, Varsity, Junior Varsity and Freshman, will engage in outside competition in baseball, football, tennis and basketball. This new plan makes it possible for a much larger number

of athletes to participate against outside rivals.

Many on Track List

Other track candidates who reported follow: Edward Kleiner, S. Serera, John D. Schott, N. Verde, Joseph Fishbein, John Barnataviz, C. J. Buckley, O. F. McKeough, Joseph Bolano, Peter McGuire, Vincent Carr, Jerry Nolan, Thomas F. Curtin, Jerome Chernoff, William E. Dwyer, Ambrose Eugene Briscoe, A. L. Alberino, S. Weiner, James Ryan, George Boyle, Tom Coffey, Innocenzo J. Cilk, William Thompson, James Francis Hogan and John F. Reilly.

Other candidates for the golf team who reported include: J. E. Kelley, J. Flannagan, Edward R. Martin, Edward J. Murphy, Stuart Crowley, Frank A. Smith, John Shields, James McKenna, Matthew O'Malley, William Naughton, Michael S. Di Cola, Frank J. Sullivan and Francis R. McLean.

Opening of New Municipal Links Is Scheduled Today

11 Exhibition Matches Will Be Played.—Exercises Start at 2 O'Clock.

Taking another progressive step in its program of providing recreational and sports opportunities for the public, the city of Providence today opens the Municipal golf course in Triggs Memorial Park.

Conceived by Donald Ross, foremost links architect in the land, and executed by a staff of capable men under the direction of Superintendent of Parks Ernest K. Thomas, the new course will be open for inspection at 2 o'clock today when the official program starts.

A golf course that is potentially the equal of the best in the country, public or private, has been built on the site of the old Obadiah Brown farm on Chalkstone avenue. It is a full 18-hole course, 6449 yards in length, with a par rating of 72.

11 Exhibition Matches Today

Today its potentialities will be tested by a group of representative golfers, city officials and civic club members. Eleven exhibition matches have been arranged by Mr. Thomas and Fred M. Knight, secretary of the Rhode Island Golf Association. They include one between city officials, one between four prominent amateurs, another between four prominent professionals, another between four of the State's leading women players, three between college players, and four between members of eight civic clubs in the city.

The opening exercises will start at 2 o'clock when J. E. C. Farnham, chairman of the Board of Park Commissioners, will officially present the course to the city. Mayor James E. Dunne will accept for the city and will drive the first ball off the first tee. John F. Conaty, President of the Board of Aldermen, will speak and then the match between Aldermen Rush Sturges and Donald O. Burke and Councilmen Frank J. McDonald and Bernard A. McGuinness will set off on the first test of the new course.

This is scheduled for 2:15 o'clock and at five-minute intervals thereafter will follow the other interesting matches on the program.

Open to Public Tomorrow

A large crowd of golf-minded Providence citizens is expected to accept Superintendent Thomas's invitation to inspect the course today but they must content themselves with watching others wrestle with the intricacies of the new links. Only the 44 players invited to participate in the exhibition matches today will swing a club over the turf which has been so carefully nursed along by Everett Pyle, the greenskeeper and course manager. At 7 o'clock tomorrow morning, the course will be open for the public. It will be open at 7 o'clock every morning hereafter during the golf season and will stay open from that hour as long as anyone wishes to start

out in the late afternoon and early evening.

The skill of Ross, the architect, in planning, and of Pyle, the builder, in constructing, will be greatly in evidence at the Obadiah Brown Farm today. Twenty-five months ago the property was the typical New England farm, partly wooded, partly open, partly studded with rock. The first six months of the time devoted to building this course were spent in clearing away trees and rocks from the site of the proposed fairways. There followed close application to the plans of Donald Ross to assure that the finished course would be a full realization of the ideas of the architect.

Varied Assortment of Holes

The course includes as varied an assortment of golf holes as could be desired. The holes vary in length from the 134-yard fifth to the 506-yard sixth. There are four par three holes, 10 par four holes, and four par five holes. The greens are wide but varied contours make them by no means easy. More than 70 bothersome traps and bunkers offer the usual obstacles to good scoring.

With Providence's new golf course comes a new professional. Joe Pezzullo, former State champion, has made the big step in golf which is the dream of all caddies from the time they start out with their first bag of clubs over their shoulder. Not many years ago, Joe was a caddy down at the Rhode Island Country Club. Today he is a pro, with the city's course his post. Pezzullo announced his intentions of turning professional last fall, when the P. G. A. championship was being staged at Wanamissett. A few weeks ago he was engaged for the municipal links job by John F. Cashman, who has the concession at the course.

Pezzullo will appear on the course today in one of the exhibition matches, paired with his friend and teacher, Tom Jones, pro at the Rhode Island Country Club. These two will play against George Gordon, the dean of the pros in Rhode Island, and Lew Myers of Ledge-mont. Gordon is from Wannamoisett.

In the match between amateurs, James S. Kenyon, president of the Rhode Island Golf Association, and Ralph D. Rooks, State champion in 1923, will play Henry M. Gartner, 1927 champion, and Dr. R. F. McCoart, another leading ama-teur.

Miss Helen Hackney, president of the R. I. W. G. L., and Mrs. Frederick Davis, State champion, will oppose Mrs. Wilbur L. Rice, former champion, and Jean Bauer, promising young player, in the match between the women stars of the State.

Three Colleges to Compete

Three Rhode Island colleges will send representative golfers to the municipal links today as will Boston College. Captain Bobby Hutton and Win Moore of Brown will play Nils Munson and William Cotter of Rhode Island State. Following that foursome, Captain Michael Thomas and Daniel Golasso of Providence College will tee off against Captain Gerard W. Moore and Richard S. Nugent of Boston College.

Another Providence College pair, Edward McLaughlin and Peter Vucci, will meet Caleb Scully and Edward Halligen, also of Boston College.

The first match between the civic clubs will have Ira Mackenzie and Benjamin E. Northup of the Town Criers playing Hugo A. Clason and Homer Trayer of Rotary Club. Then Robert C. Carr and William J. Gow of the Exchange Club will play Andrew L. Intlehouse and William G. Rich of the Lions Club. Edgar J. Wholey and Milton Pooler of the Civitan Club will play Ernest L. Goodman and John J. Halloran of the Kiwanis Club. Richard B. Watrous and C. J. France of the Chamber of Commerce will play a team yet to be designated by the Reciprocity Club.

In addition to trying to turn in the lowest score and thus gain the honor of holding the course record, the players today will have some material prizes to seek. The Hope Rubber Company, it was announced yesterday by Smiley Thorne, will give a leather golf bag to the amateur scoring the lowest, providing that score is under 80. To the leading woman golfer who is 95 or better will be given another bag. John F. Cashman is giving a box of golf balls to the low scoring team from the civic clubs and another to the low scoring team among the college players.

PEZZULLO HAS 74 AT NEW MUNICIPAL COURSE OPENING

4000 Attend Inaugural Exercises and Follow Exhibition Matches.

Beneath a pleasant sun which seemed to auger well for the future of the course but amidst a driving wind which augured not so well for the golfers, the city's new Municipal golf course was opened at Triggs Memorial Park on Chalkstone avenue yesterday afternoon.

Scenes reminiscent of the National P. G. A. championship at Wannamoisett last fall attended this first major golfing event of the 1932 season in Rhode Island.

Nearly 4000 persons watched the presentation of the course to the city by the Board of Park Commissioners, saw Mayor James E. Dunne hit the first ball out on to the first fairway—with more or less success—and then divided up into smaller groups to watch the progress of the 10 exhibition matches.

Brown and Boston College golfers were victorious in the intercollegiate matches, the Bruins defeating Rhode Island State 6 and 5 as the Eagles pinned a 5 to 1 defeat upon the Friars. Bobby Hutton was 79, the Brown captain winning the prize offered to the low scorer among the college players.

Joe McLaughlin won the only match the Providence College team took from the Friars when he defeated Jerry Hern 3 and 1. Gerald Moore and Jim Nugent, the first Boston College foursome, narrowly defeated Mike Thomas, Providence College captain, and Danny Golasso one up in the closest match of that college affair.

The summary follows:

SINGLES

Moore (B. C.) defeated Thomas (Prov.), 3 and 2.
Nugent (B. C.) defeated Golasso (Prov.), 5 and 2.
Scully (B. C.) defeated Vucci (Prov.), 6 and 5.
McLaughlin (Prov.) defeated Hern (B. C.), 3 and 1.

FOURSOMES

Moore and Nugent (B. C.) defeated Thomas and Golasso (Prov.), 1 up.
Scully and Hern (B. C.) defeated Vucci and McLaughlin (Prov.), 5 and 4.

Vucci and Flannagan Only
Friars to Collect Points
at Agawam Hunt.

The Brown golf team scored a 7 to 2 victory over the Providence College linksmen yesterday afternoon at the Agawam Hunt course in the first meeting between these two rivals. The Bruins won four of the six singles matches and all three of the foursomes. Win Moore, Brown's No. 6 man, won individual scoring honors with a fine 78. Moore and his partner, Fred Bailey, also turned in the low best ball card with their combined 71.

The two Friars to score points were Peter Vucci, who scored a brilliant two up victory over George Schwenck, and "Jud" Flannagan, newcomer to the team, who also downed Fred Bailey two up. Both Vucci and Flannagan were forced to stage remarkable finishes on the final hole to triumph. Vucci was the dormie one but he needed a sensational birdie three on the 18th to win the hole and match. Vucci's second shot on this hole stopped three feet from the pin. Flannagan was forced to make a remarkable approach shot to get his par four on the 18th to down Bailey.

Bob Hutton and Mike Thomas, rival captains and No. 1 men, played on close terms for 13 holes but on the next three holes Thomas encountered difficulty with his tee shots to lose the next three holes and the match. Hutton carded a fine birdie two on the 16th to end the battle. Thomas had a putt for a deuce

on this hole but missed on his try. This birdie by Hutton also won the foursome match for him and Bob Sace against Thomas and Daniel Golasso 3 and 2. Chace defeated Golasso 4 and 3. Golasso was not up to his usual standard while Chace was playing good golf.

Joe McLaughlin of the Friars lost his first match of the season to Jack Roberts 4 and 2. Moore defeated Bill Donahue of the Friars 4 and 3.

The summary:

SINGLES

Bob Hutton (B), defeated Mike Thomas (PC), 4 and 2; Bob Chace (B), defeated Daniel Golasso (PC), 4 and 3; Jack Roberts (B), defeated Joseph McLaughlin (PC), 4 and 2; Peter Vucci (PC), defeated George Schwenck (B), 2 up; Jud Flannagan (PC), defeated Fred Bailey (B), 2 up; Win Moore (B), defeated Bill Donahue (PC), 4 and 3.

FOURSOMES

Hutton and Chace (B), defeated Thomas and Golasso (PC), 3 and 2; Roberts and Schwenck (B), defeated McLaughlin and Vucci, 3 and 1; Bailey and Moore (B), defeated Flannagan and Donahue, 5 and 4.

McCOMISKEY SIGNS CONTRACT WITH NEW YORK YANKEES

Will Report to Team in the Spring—Now a
Student at Providence
College

Mark McComiskey, ex-Lawrence high pitcher and captain, and a member of the twirling staff at St. John's prep last season, has signed a contract to report with the New York Yankees at their spring training camp next season.

McComiskey is now a student in the freshman class at Providence college. During the past summer he played with the South Lawrence A. A. He formerly twirled for Orleans in the Cape Cod league. McComiskey signed the contract a couple of days ago.

Red Sox Recruit

Dick Chapman, former Providence College player and well-known amateur ball player who will leave this morning for a tryout with the Boston Red Sox.

CHAPMAN TO RECEIVE TRIAL WITH RED SOX

Dick Chapman, member of the Providence College baseball team last season, will leave this city this morning for Boston where he will be given a try-out by Manager Shano Collins with the Boston Red Sox. He will work out every morning during the remainder of the week, and, if he shows enough promise will be retained by the Red Sox and probably farmed out to a minor league club.

Chapman is a shortstop but last season with the Friars he played in the outfield. He is also well-known in local amateur baseball circles, having played with the Waldorf Clothing nine last summer. He is a graduate of La Salle Academy and won all-State schoolboy honors while attending school there. After his graduation from La Salle he went to Holy Cross and played shortstop with the freshmen nine there. He later transferred to Providence College.

HOLY CROSS DROPS GAME TO FRIARS

Providence College Too Strong For Crusaders

PROVIDENCE, June 2—Fourteen victories in 15 starts is the imposing record which the Providence College baseball team has compiled so far this year but the 14th triumph, which came yesterday at Hendriken Field, is the prize exhibit of the whole string. The Friars, playing splendid ball, turned back the famed Holy Cross nine by a 7-5 score.

The game was one of the finest seen here in Providence in the past few years. Nearly every feature which goes to make a close and exciting contest was present. Long distance clouting, clever pitching and smartly sensational fielding all combined to make the game attractive.

Al Blanche pitched a splendid game after getting away to a rather shaky start in the first inning. The smooth working right-hander held the Holy Cross batsmen to two hits in the remaining eight innings and had them swinging ambitiously but well-nigh fruitlessly at his fast ones. In that first frame Blanche appeared a trifle nervous as he threw far over Ock Perrin's head on what should have been an easy out and then made the mistake of giving Cammarapo and Murray a couple of fast ones down the alley which were promptly converted into a triple and a homer.

George Sellig, Perrin and Chief Marsella were the batting heroes of the Friar's triumph. Sellig proved to be the right man in the right spot in the seventh when he sent a vicious single down the third base line to bring in Bobby Dion and Blanche with the runs that proved to be the winning tallies. Perrin twice delivered with men on the sacks, the first time being in the initial frame when he singled over first to score Marsella and the second occasion being in the sixth when he again singled, enabling Ed Koslowski to tally from second. Marsella played the hero's role when he slammed a double to deep right centre in the fifth which scored Dion and Blanche.

PIVOTAL GAMES FOR FRIARS ON TAP

Play Holy Cross in First of Annual Series Wednesday; Boston College Saturday.

Nov. 1, 1932

BY MICHAEL J. THOMAS

Two games which will either crush or strengthen the hopes of the Providence College baseball team for the eastern intercollegiate baseball championship will be played by the Friars this week at home. On Wednesday the Dominicans open their annual two-game series with the Holy Cross nine, while on Saturday they will oppose the Boston College team in the second of a two-game series.

If the Friars are triumphant in both contests their stock in the college race will be greatly boosted, while defeats at the hands of both the Crusaders and the Eagles will practically mean their elimination as serious contenders for the crown.

The Friars will be favored to win both games. They defeated the Eagles 3 to 1 on May 11 at the latter's home grounds and with the advantage of playing at home on Saturday, the Dominicans are natural favorites to repeat their triumph.

For the first time the Providence College nine opens its series against Holy Cross with more than even chance for victory. The Crusaders are not as strong as in past years while the Friars have one of the strongest teams in history.

Coach Jack Flynn's charges have won 13 out of 14 games played this season. The only team to lower the Dominican colors this season was Yale. Included in the list of Friar victims is the Boston Red Sox nine of the American League which was downed last Tuesday.

It is most likely that Al Blanche and Bill Lomax will hurl for the Friars in this week's two important games. Insofar as Blanche, defeated the Eagles in the first game at Boston, by some excellent hurling, he again probably will get the call against the Hub team. Lomax demonstrated his true ability last week by defeating the strong Manhattan nine. He allowed the Jaspers only two hits. He is the logical choice for the Holy Cross mound assignment.

Both Blanche and Lomax rate with the best college hurlers in the East. They have deceptive deliveries and fine control and both are "Heady" players. Blanche's mound work thus far has been sensational. He is a far more confident hurler than he was a year ago. He held the Boston Red Sox hitless during the four innings he pitched against them.

FRIAR GOLFERS WIN
FROM WORCESTER

P.C.Players Take Three Singles,
Two Foursomes Matches for
5 - 1 Victory

The Providence College golf team defeated the Worcester Polytech liksmen 5 -1 at the new municipal golf course.The Friars won three of the four matches (singles) and both of the foursomes.

The singles match between Danny Galasso and Irwin Peterson was the feature. These two players staged a closē battle that was not decided until the 18th green where Galasso won the hole 6 to 5 to take the match one up. Both played close to par on most of the holes.

The foursome match with Captain Mike Thomas and Galasso of the Friars playing Captain Carl Backstrom and Peterson of the Tech teamalso provided some close competition. The Dominican pair won the match on the 18th,both carding fives to sixes by their opponents, Thom won his match from Backstrom ,5 and 4.

The only point that the Worcester team collected was made by Paul Cheatham who defeated Peter Vucci of the Friars 1 up on the last hole, It took a 15 foot putt on the final green to down Vucci. Joseph McLaughlin of the Friars won his singles match from Arthur Anderson,4 and 3.

The summary:
