PROVIDENCE COLLEGE 'VARSITY BASKETBALL TEAM

Winners of 11 of its 16 games this winter, and favorites in the clash against Brown at the Elmgrove avenue gym tomorrow night. Front row, left to right—Allan Bracken, left forward; Sam Shapiro, right forward; Capt. Edward Koslowski, centre; William Kutulewski, right guard; Edward Reilly, left guard. Back row—P. Morrison, guard; Abe Felt, guard; Oliver Roberge, centre; Manager F. J. Reavey; James Bostick, forward; John Morrison, forward; John Ziment, guard.

Al McClellan

P. C. BASKETBALL SQUAD

REPORTS

Providence College Hoopsters Begin Strenuous Season

Only Four of 18 Games are Scheduled for
Harkins Hall Court.—Bracken
is Big Threat

With tall, speedy and experienced men in each position, P. C.'s basketball quintet has embarked on a campaign that is likely to lead it to a highly respectable place in the court sport. All of the Friar regulars of last year's team are again playing together, in the pink of condition and eager to better their 1932-33 record which numbered 13 victories in 16 games. But even should they show improvement over their old form, as Coach Al McClellan confidently expects they will, the Friar hoopsters will roll along no serene or smooth road to basketball glory.

Looming up dangerous in the distance is that ever "cagey" C.C.N.Y. team and the basketball-bred brethren, St. John's of Brooklyn. Yale, Dartmouth and Army, always a formidable trio in the court sport, will likewise be hostile hosts to the Friars. Another team that will probably provide P. C. with a strenuous session is St. Thomas of Scranton, conquerors of P. C.'s Eastern champs in 1928. Even Harvard, formerly a second rater in basketball, has taken on a winning lease of life under its new coach, Wesley Fesler, and is expected to give McClellan's men a close contest.

No Little Handicap

Each of the aforementioned teams will be encountered away from home. Indeed, only four of the Friars' 18 games are scheduled for Harkins' Hall. This puts the local boys under no little handicap.

In basketball, more than any other sport, the home team enjoys important advantages. In the first place, it benefits from the peculiarities of its own floor. The homesters, from constant usage, have become familiar with every foot and angle of their court, a layout which may vary considerably from the one on which the visitors are accustomed to play. Naturally their teamwork and timing is adversely affected.

Secondly, the visitors may be bothered and even baffled by the lights and shadows of a court that is strange to them.

In the third place, a visiting team almost inevitably plays in an antagonistic environment and consequently is deprived of the encouragement and inspiration the homesters receive from their howling supporters.

Friars a "Road Team"

The sum total of these disadvantages is authoritatively estimated to be between 10 and 15 points. A "road team" like the Friars will therefore go into the majority of its games handicapped like a batter who has one strike on him before he reaches the plate. Hence P. C.'s classy outfit will be forced to exert themselves in order to compile a championship or near championship record—even should they show the 25 per cent improvement that Coach McClellan expects every year from his charges.

Undoubtedly a victory over C.C.-N.Y. is the most cherished ambition of the Friars. It is no great feat for a college football team to beat C.C.N.-Y. but when a college basketball team turns the trick it creates a sensation. The New Yorkers lost only one of their fifteen games last year, St. John's nosing them out by a three point margin.

Outshooting the Lavender hoopers, all of whom are Jewish, will be an extremely difficult task this year also. Like the Friars, C.C.N.Y. is well supplied with capable and well seasoned material. Coach Nat Holman is highly optimistic about another great season. "This is one of the most experienced teams I've had at City," he says. "Four players are seniors and one is a junior, which means that they have seen enough basketball to know their way around the court."

Three Seniors on Squad

A situation that is almost similar and pleasant exists at P. C. Coach McClellan has three seniors—Capt. Ed Koslowski, ex-Captain Dick Bracken and Eddie Reilly—and two juniors, Sam Shapiro and Bill Kutniewski.

The outstanding player of this quintet is Dick Bracken of Portchester, N. Y. For the past two campaigns his work has attracted the admiration of basketball experts. In the 1932-'33 season he was picked on the All American second team as a forward.

On the All New England five he merited a first string berth, thereby repeating his achievement of the preceding year when he won honorary admission to this team—but as a guard.

Unusual versatility, therefore, has marked Bracken's career at P. C. An expert and experienced performer in all departments of play, Bracken can do more things with a basketball than any of his teammates. Particularly noteworthy is his uncanny knack of shooting accurately under all circumstances.

Bracken Adept

To frustrate Bracken from scoring is a perplexing task. The enemy is unable to anticipate his actions because the P. C. Star is equally adept with either hand at shooting baskets. Last year he was the highest scorer on the team.

An important factor in Bracken's scoring activities is Sammy Shapiro, a tall, agile boy from Lynn. Shapiro's job is akin to that filled so capably by Bill McCue a few years ago. He is a "feeder." Being an exceptionally fast and clever floor worker, Shapiro often maneuvers the ball to a spot near the basket where he turns it over to Bracken to shoot.

The hand that consistently starts Friar plays in motion belongs to Ed Koslowski, the center. Rarely has he been outjumped on the tip-off. Standing six foot two, Koslowski has the height and natural spring in his legs necessary to a good center. He is the heaviest man on the team, scaling 194 solid pounds which he carries with the speed of a lightweight.

Unexpected Stunts

A skilled performer in every phase of pivot play, this big fellow particularly excels in flipping baskets, one handed, while nonchalantly passing from the left to the right side of a basket. He usually does this two or three times an evening, a stunt so totally unexpected and deceptive that there is no way to stop it.

At left guard for the Friars is Eddie Reilly who, like Koslowski, hails from Bridgeport where they played on rival schoolboy teams. Now they are inseparable pals and teammates in baseball as well as basketball. Reilly, though not a brilliant player, is nevertheless a sturdy, dependable man whom opponents find difficult to elude. Friar fans appreciate his habit of halting opponent plays that seem on the verge of being crowned with a tally.

Kutniewski Tireless

Right guard finds Bill Kutniewski doing alert and whirlwind duty. He is absolutely tireless. Blessed with a splendid physique and active in sports all the year around, Kutniewski is always in prime condition and can go through an entire game at a break neck pace. He abounds in aggressiveness and is the fastest big man McClellan has ever seen. Kutniewski likewise possesses a goodly amount of basketball instinct and ability. This season, his second as a regular, should find the Olneyville boy ranking with the best guards in New England.

The Friars opened their 1933-'34 campaign this evening with the Penn Teachers' College at Harkins' Hall. The remainder of the schedule follows:

- Dec. 14—Yale at New Haven
- " 19—St. John's at Brooklyn
- " 20—Columbus Club at Brooklyn
- Jan. 10—Dartmouth at Hanover
- " 17—Army at West Point
- " 18—Penn Teacher's at East Stroudsberg
- " 19—St. Thomas at Scranton
- " 27—Springfield
- Feb. 9—Pratt Institute at Brooklyn
- " 10—C.C.N.Y. at New York
- " 16—Harvard at Cambridge
- " 17—Coast Guard at New London.
- " 22—Springfield at Springfield
- " 24—Alumni
- Mar. 2—Lowell Textile at Lowell
- " 7—Worcester Poly Tech
- " 10—Brown at Brown Gymnasium

Friars to Tackle Most Ambitious Basketball Schedule

P. C. Slate Loaded With Hard Games

Dartmouth, Yale, Army, C. C. N. Y. and Harvard on Season's List

Providence College has gone "Notre Dame"—at least as far as this year's basketball schedule is concerned.

The Friar 1933-1934 court list, announced today by Graduate Manager John E. Farrell, resembles a Notre Dame football slate, with every game an objective and not a "breather" in a carload.

Gerald Prior

It's just about the most ambitious schedule Coach Al "General" McClellan's cagers have tackled yet and that includes the list in 1927-28, when

the Friars built up a well-recognized claim to the Eastern championship.

Perhaps it's even a bit tougher than the Friars wished, but there was no getting around it. When it was bruited around that the Dominicans had the entire first-string hook-up of last year back for duty this campaign, the weaker Eastern college teams proved coy about signing on the proverbial dots. So the Black and White had to go out after the strong ones. And certainly got them.

The schedule's an 18-game affair, 13 contests on the hard, cruel road, four in the Friar auditorium at Harkins Hall and one in Brown's big gym on Elmgrove avenue, the annual Friar-Bruin clash for the city championship.

OPEN DEC. 8

The Friars open with a home game Dec. 8 against the State Teachers' College of East Stroudsburg, Pa.—about which more later—and in the course of their campaign run up against such feature opponents as Yale, ever-dangerous St. John's of Brooklyn, Dartmouth, Army, St. Thomas's of Scranton, Pa., Springfield, C. C. N. Y. and Harvard, winding up with a Brown team that takes pre-season shape as the best the Bear has had in many a day.

Sam Shapiro

Now about these East Stroudsburg Teachers. The name doesn't mean much in New England basketball, generally, but it has a big significance for followers of the court game in other parts of the East. Last season the Teachers put together the best record of any small college team in the East, a total of 17 victories in 18 starts. And that, considering the vagaries of the hoop sport, is some putting together. They're rumored to be just as hot this year, so that the Friars can look for a stiff opening assignment. The Black and White has another game with the Teachers, a road affair, billed Jan. 18.

Yale comes next on the list. This contest is down for Dec. 14 at New Haven, and will be followed by St. John's at Brooklyn Dec. 19 and the crack Columbus Club quintet at Brooklyn, Dec. 20. One feature of the Dominican program this season may make the burden of the heavy schedule a bit lighter. The annual game with Dartmouth—a "jinx" clash during several past Friar campaigns—isn't scheduled this season until after Christmas, thereby giving the Friars more time to prepare to meet the usually powerful Green.

CHANCE FOR REVENGE

The Dartmouth contest is scheduled for Hanover Jan. 10, the first game after the Christmas recess. It will be followed by a clash with Army at West Point, Jan. 17. This Army game and the clash with St. Thomas's at Scranton, Pa., give the Dominicans chance for revenge on two of the three teams that marred the great Friar record in 1928 with defeats.

Neither St. Thomas nor Army has been met since 1928. A game was scheduled last year with Army, but was called off when West Point was quarantined because of an epidemic of grippe.

Besides the two games with the East Stroudsburg Teachers, the Friars have only one other home-and-away series on their list. That's with the Springfield Gymnasts who will come here Jan. 27 and will entertain the Friars at Springfield Feb. 22. The annual series with St. John's has been cut down to one game this season at Brooklyn, because a decreased athletic budget at St. John's ruled out the possibility of the Brooklynites making the trip here.

On their February trip to New York, the Dominicans meet Pratt Institute at Brooklyn, Feb. 9, and City College at New York, Feb. 10. Then comes Harvard, Feb. 16; Coast Guard Academy, Feb. 17, and Springfield, Feb. 22, all on the road. The annual Alumni game is scheduled for Feb. 24 at Har-kins Hall, after which the schedules runs through its final stretch with Lowell Textile at Lowell, March 2; Worcester Polytech here, March 7, and Brown game March 10.

VETERANS IN FORM

In practice the Dominican veterans are showing all the skill that marked their play last year. They'll start this season protecting a 12-game victory chain strung from January to Match last season. The Friars suffered three defeats in 16 games last season, all three setbacks coming in the pre-Christmas periods.

The veteran quintet ready for action consists of Sam Shapiro and Dick Brashen, forwards; Capt. Ed Koslowsky, centre, and Eddie Reilly and Bill Kutniewski, guards. Kutniewski, veteran football guard and leading candidate for captain of next year's eleven, hasn't reported yet for hoop practice, but is expected before the end of the week.

In addition, the Friars have a flock of last year's strong reserves back for action and several stellar graduates of the Freshman ranks, headed by Jake Siment, captain of last year's yearlings.

A strong schedule is now being completed for this season's Freshman

team, which promises to be stronger than any first-year quintet the Friars have yet put on the court.

The 'varsity schedule:

- Dec. 8, State Teachers College of East Stroudsburg, Pa., at Providence.
- Dec. 14, Yale at New Haven.
- Dec. 19, St. John's at Brooklyn.
- Dec. 20, Columbus Club at Brooklyn.
- Jan. 10, Dartmouth at Hanover.
- Jan. 17, Army at West Point.
- Jan. 18, State Teachers College at East Stroudsburg, Pa.
- Jan. 19, St. Thomas at Scranton.
- Jan. 27, Springfield at Providence.
- Feb. 9, Pratt Institute at Brooklyn.
- Feb. 10, C. C. N. Y. at New York.
- Feb. 16, Harvard at Cambridge.
- Feb. 17, Coast Guard Academy at New London.
- Feb. 22, Springfield at Springfield.
- Feb. 24, Alumni at Providence.
- March 2, Lowell Textile at Lowell.
- March 7, Worcester Polytech at Providence.
- March 10, Brown at Brown.

FRIARS OPEN HOOP SEASON THIS WEEK

East Stroudsburg Teachers,
Eastern Leaders Last Year,
to Play Here.

The East Stroudsburg Teachers, the team which topped the Eastern collegiate basketball rating last year, will come to Providence on Friday evening, Dec. 8, to start the Friars 1933-34 court season. Dr. A. Lester Crapser, coach of the Pennsylvanians, has four veterans on his Varsity quintet and is intent upon duplicating his successful season of last year. The Teachers won 17 games in an 18-game schedule last year, dropping one game to Ithaca College by a single point.

The quintet from Pennsylvania, which will meet the Dominicans on the Harkins Hall court this year, will be a rugged and rangy aggregation, according to pre-season reports. In the forward court the Teachers have Marshall Evans, a Junior, who has had three years of varsity experience. He stands 5 feet 7 inches and weighs 170 pounds. His running mate is Ashley Morgan, who has won a regular post this year after two years of play as a reserve.

Another veteran, Harry Pearsons, with two years of varsity competition to his credit, holds down the centre position. He is 6 feet 2 inches in height and tips the scales at 180. A capable reserve centre is Fred Marconi. At one guard the Pennsylvanians have Joe Mankelunias, who is spending his last season with the team. He is a Senior and his three years of work in the varsity lineup has made him an important cog in the team's defence. The other guard post is held by Malcolm McCulloch, a veteran of two varsity seasons. A reserve forward who is sure to see duty during the coming campaign is John Archer.

Coach Crapser is in his eighth year at the State Teachers College in East Stroudsburg and with four lettermen as a nucleus has rounded out a fine team. Included in the Pennmen's trip into New England is a game at Springfield with the Teachers' College. Last year after a close, fast game the visitors from Pennsylvania finally subdued the Springfield quintet 42-34. Numbered among their more prominent victories last season were victories over Muhlenburg, St. Thomas and Bucknell.

Coach "Gen." McClellan will resume practices for his squad tomorrow after a let-up over the Thanksgiving holiday. Although he has one or two men in mind for starting posts, he will be on the lookout this week for men for the other positions. Captain Ed Koslowski and Ollie Roberge are battling for the call in the jump position, and, although "Kos" may start, Ollie is sure to get into the game either as reserve centre or at a guard or forward post. The outstanding candidates for guard are Bill Kutneski and Ed Reilly. In the forward assignments Sam Shapiro and Dick Bracken seem to have the honors, although Oc Perrin and Pete Wheeler are pressing them closely. Jim Bostick is another front courtman who may get the call at a forward post during the game. Jake Ziment, Abe Feit and Johnny Madden are in the thick of the fight for guard assignments.

Edward Koslowski

Dominicans Rally to Subdue East Stroudsburg Five 47-35

Visitors Lead 23-14 at Halftime.

The Providence College Varsity basketball team staged a spectacular comeback in the second half of its opening game last night to defeat a fighting East Stroudsburg quintet 47-35 on the Harkins Hall court. In a preliminary game, which also produced its share of thrilling play, the Friar Freshmen took the Bryant and Stratton Indians into camp 42-29. An enthusiastic capacity audience witnessed the games and the excitement grew to a high pitch as the Friars, on the short end of a 23-14 score at the half, rallied to go ahead of the Teachers and kept out in front.

Allan "Dick" Bracken was the big gun in the Friar offence in the second half with nine baskets to his credit and a total of 24 points for the whole game. Sam Shapiro with eight points and Bill Kutneski with seven helped to swell the score. On the visitors' five the outstanding player was Capt. Marshall Evans, who drew applause with his successful long-tom shots. He netted 21 of his team's points.

At the start of the game the Friar defence was weak and the Teachers penetrated to within scoring range easily. On the offence the Dominicans advanced the ball up the floor well but lost it when within range of the basket. The second half saw a complete change in the Friar offence, and the defence bottled up Capt. Evans so completely that he was no longer a threat. With their star player boxed, the Teachers wilted under the overpowering Friar attack, and, when the Friars went ahead 31-30 after 12 minutes of the second half, the Stroudsburg offence faltered and did not click again effectively.

The Teachers had the upper hand during the first four of five minutes of play in the second half and raised their score to 30 points before the Friars began to add to their 14. Dick Bracken broke loose to make some difficult shots, and with the confidence produced by his performance, the Friars started a short passing game which had the Teachers bewildered. The Black and White courtmen ran up 23 points to the Teachers' five during this short passing attack and were pressing hard as the game ended.

VETERAN P. C. FIVE HOPES TO TRIM YALE

Coach "Gen" McClellan will take a veteran Providence College basketball team to New Haven tomorrow determined to chalk up a victory over Yale. The Friars have defeated the Bulldogs only twice in their six meetings, but feel that last year's 50 to 29 defeat was not a true representation of the difference in strength between the two teams. With a team of five men who have played against Yale before on the large Payne Whitney gym floor Providence hopes to turn back the Elimen.

Although their play in the first half against the Stroudsburg Teachers was ragged in spots, the Friars have corrected those errors in practice and expect to play 40 minutes of fast ball, the same type which helped them to overcome the fighting East Stroudsburgers in the second half of their contest. If the Friars can stage another whirlwind finish as they did last Friday evening they should have no difficulty in subduing the Yale five.

Yale defeated a strong aggregation of alumni players last week and with a quintet of experienced players is looking forward to maintaining its hold on the Eastern Intercollegiate championship. Coach Ripley expects a hard game with the Friars and is looking to the game as a test for his men to determine whether or not they can take the Eastern crown again.

In 1928, the year Providence College was a leader in New England basketball, with such stars as Johnny Krieger and Eddie Wineapple, the Friars turned back Yale and Dartmouth in succession. The victory over Yale was by the narrow margin of one point, 28-27. Again the Friars came home winners in 1931, when a team, including Capt. Chick Gaynor, Dick Brachen, Ed Koslowski and Ed Reilly, defeated the Bulldogs, 32-26.

The record of the series thus far is:

	Providence	Yale
1926	23	53
1928	26	27
1929	21	30
1930	25	34
1931	32	26
1932	29	50

Providence Clashes With Eli Five Here

Opening Game Of Basketball Season To Be Feat-
tured By Presence Of De Angelis In Yale
Lineup—Bridgeporters With Friars.

Yale will open its basketball season in the Payne Whitney gymnasium tonight with Providence College furnishing the opposition. The game is scheduled for 8:30 o'clock and will be preceded by a contest between the Yale Freshman and Naugatuck High school at 7:15.

Providence College, coming to New Haven with a finely-balanced quintet, will meet Yale in the seventh game of the series between the two institutions. Yale has won four of these games; Providence two. Coach Elmer Ripley of the Yale team last night announced that Jimmy DeAngelis, football guard, will open the game at right forward for Yale tonight. DeAngelis reported for basketball soon after the close of the football season, and has come along so well during the past two weeks that he is going to be started tonight over Kellogg. Kellogg, however, will be in the game at different times.

Both Yale and Providence College have capable sets of reserves and there is every indication that tonight's contest will be closely fought and as interesting as any of the series thus far.

The fine condition of the squad, coupled with the experience of the men, gives rise to the belief that it will be another Providence year in the court game, and as a result a large delegation will come down for the game.

When Coach McClellan of Providence sends his starting array into action against the Elis, it will be with the conviction that he is naming one of the finest hoop teams in New England college ranks.

With every man in the starting array a veteran letterman, and all seasoned by at least one campaign of rugged college competition, it is little wonder that the Friar mentor has reason to believe that his clever aggregation can top the Eli contingent which captured the Eastern Intercollegiate league bunting last winter.

Captain Ed Koslowski will be at the tap position tonight and a large following of Bridgeport fans will turn out to see the home town boy lead his veteran aggregation in action, as well as cheer for Ed Reilly,

another Park City youngster who, as a senior, is starting his third campaign as a regular with the Dominicans. Koslowski, who stands six two and weighs 195, was named by the cage coaches of New England as the best pivot man in college circles.

But though the Friars will count upon the even balance of their rangy quintet to bring them a victory, no little share of the task will fall on the shoulders of Dick Bracken, captain of the team last winter, an all-New England and second all-American choice, and of the East's leading scorers, with an average of 13 points per game. Although just one of the team this winter, his senior year, and no longer a captain, Bracken demonstrated in the Friars' opening clash, that he is as capable as ever, leading the team in scoring with a total of 24 points. The remainder of the starting array will have rugged Bill Kutniewski, football captain for next fall and the regular guard in basketball last winter, pairing with Ed Reilly in the back court, and Sam Shapiro, rangy Lynn product, teaming with the brilliant Bracken in leading the offense.

Dominican Hoop Captain

Edward Koslowski, who plays centre for Providence College basketball team, who leads his charges against Yale at New Haven tonight.

Providence College Stages

Late Rally to Defeat Yale

KOSLOWSKI, BRACHEN, ZIMENT FEATURE PLAY AS FRIARS WIN

Former Two Are High Scorers in Game at New Haven

New Haven, Conn., Dec. 15.—Providence College won last night's basketball game from Yale, the Eastern Intercollegiate champions, when brilliant field goals by Centre Ed. Koslowski and Ziment and two scoring shots from foul by Dick Brachen shifted a 32 to 29 lead for Yale to a final advantage of 35 to 32 for the visitors. The winning six points were made during the last two minutes and closed a game in which the lead changed three times and the first half closed with the count tied at 19 all.

Koslowski and Brachen, whose final shots produced the winning points, were consistent in brilliancy and in point scoring honors for both fives, Koslowski's 14 and Brachen's 13 were high totals for both teams. Captain Earl Nikkel led Yale with 10 points. Bill Saner for Yale and Sam Shapiro for the visitors registered timely long scoring shots.

A sweepstake rush sent Yale into an 8 to 2 lead in the opening few minutes, the product of three difficult field baskets by Nikkel. Slowly the baskets of Brachen and Shapiro cut down the lead and a long toss by Shapiro breezed Providence into its first lead at 14-13. Miles tied it at 14 for Yale but scores by Brachen elevated Providence's total to 19. Then Reese's long toss in the very last second of the half again tied the count at 19.

Ed Wilson's under the basket goal sent the Elis into a two-point lead in the second half but Ziment's scoring toss tied the count once more at 21. Koslowski's points sent Providence ahead to 24 but Nikkel's made Yale's total 23. Reilly was injured and returned but Brachen's sharpshooting gave Providence a 29 to 23 slant, almost a winning advantage. Reese, Saner and Klein aided Yale with deft field goals which tied the count once more at 29 amid pandemonium and Yale took a one-point lead on Nikkel's foul and advanced it two more on Bill Saner's long toss. Fine shots by Koslowski, Brachen and Ziment gave Providence a 35-32 lead as the game closed.

Game played: December 14, 1933

LOOKING ON

with
JOE KRAYNICK

His Friars Ramble

One of the most likeable college coaches we've had the pleasure of meeting is that towering, good-natured Providence College basketball mentor, Al McClellan, who is currently enjoying another trip with his "Rambling Friars." McClellan and his squad stopped off at the Hotel Barnum Tuesday night while on their way to Stroudsburg, Pa., the first halt on a three-game trip.

Al, a six foot, four inch giant who weighs in the neighborhood of 235 pounds, has groomed another crack quintet at Providence and is assuming one of the most difficult schedules in the east. His Ramblers really ramble, having 17 games on the road this season against the cream of the eastern colleges.

Praises Young Reilly

McClellan knows he has a fine team and places much of the credit on the two Park City boys who form the foundation of his club. While singing the praises of both the Eddies, Koslowski and Reilly, Jr., the big coach paused a moment to say that Reilly was the finest back he had ever coached—and he didn't mean maybe. "He has everything and does everything just right," McClellan said of young Ed. "Reilly can shoot, is a great defensive man, passes brilliantly and adds tremendously to the morale of the team. What more can a coach want?" Coming from the one man who should know, this is high tribute to the quiet, plugging athlete who has finally worked himself to the very top.

Plans for Future

While he has year in and year out turned up with splendid teams, McClellan is not letting the grass grow beneath his feet. He has plans for next year and even better plans for 1936. The freshmen squad at Providence is a classy one, he says, and he expects great things of these men in a year or two.

Was College Star

Everyone seems to know about the teams McClellan has coached, but few really know the man who directs the Friars to so many victories. Well, to begin with, Al was a great college player. He was a giant of a man and while at Mount St. Josephs college he played center in basketball, tackle in football and was a pitcher on the baseball team. You will note that these positions are the most important ones in each sport.

Play Pro Baseball

McClellan was exceptionally proficient in all three sports. Upon graduating from college he immediately played professional basketball and baseball with the best of teams. He was center for a pro team led by Johnny Beckman and Buck Harris in 1921 at Nanticook, Pa., and he played pro baseball with Eastern, International and American yeague clubs. He pitched for Waterbury and made an appearance in Bridgeport in 1919 and he also played at Worcester in 1920 and went to Detroit Tigers in mid-season. The next season he went to the International league. He played with Buffalo. He also spent three years with Baltimore. During the war he was in the aviation corps. Al can also play golf shooting in the low 80's. He has had offers to coach at Brown and other eastern schools, but he hangs on to his job at Providence hoping that he may ultimately become head coach in other sports. Perhaps you will agree with me—he's quite a man.

Yale Championship Basketball

Team Nosed Out 35-32

By Providence

Elis Stage Fine Rally Losing In Last Minute

Koslowski, Star Pivot Man of Friars, Teams Up With Bracken to Steal High Scoring Honors, Running Up Total of 27 Points—Yearlings Take Naugy High 40-20

Yale's 1932-33 Eastern Intercollegiate League basketball champions dropped their first game of the season last night in the Payne Whitney gymnasium to a fine veteran Providence College five by a score of 35-32.

Behind six points at 23-29 with eight minutes left to play in the last 20-minute half, the Elis staged a thrilling rally to run up 11 points in the ensuing six minutes while holding the Friars scoreless to forge into the lead at 32-29 with two minutes to play.

But here the tension broke Phil Klein, substituting for Ned Wilson at center, could hold Ed Koslowski no longer, as the big All-New England center made a beautiful one-hand shot to bring the Dominicans up to within one point. A few seconds later Ziment pudgy substitute, took a short pass under the basket to score and Bracken put the game on ice in the last minute by calmly dropping two fouls to make it 35-32.

While it was either team's game right up until the last minute, it was quite obvious that Yale is still in need of a center. Granted that Koslowski is one of the finest pivot men in New England, Wilson might have covered him more closely. However valuable the six foot, seven inch center may be in getting the tap and retrieving the ball from the backboard, one ventures to say that his namesake, Tommy Wilson, freshman center, last year, now out for a knee operation was sorely needed. The forwards Nikkel and De Angelis, and later Saner, did well and Ben Reese and Eggle Miles in the back court played their usual rugged games.

But the 27 points that Koslowski and Bracken scored between them was too much, and could either of these two stars been partially stopped the outcome might have again been different.

Totals	12	8-12	32

Referee—Pat Kennedy. Umpire—Harold Swaffield. Time of periods: two 20-minute halves. Score at half-time: 19-all tie.

In the first few minutes of the game the Elis were off to an 8-3 yead, the greatest lead they held in the game. Bracken had scored first on a long side, but fouls by Reese and Miles, and a basket by DeAngelis put Yale ahead at 4-2. Two successive baskets by Earl Nikkel, cagey little blue leader, gave Yale a commanding five point lead.

Yale managed to stay fairly well in the lead for almost the entire half, but shortly before the end, Koslowski and Bracken each pulled two one-hand shots to put the Friars out ahead at 18-15 and again at 19-16. Nikkel made good after being fouled by Shapiro and Reese followed up Nikkel's long shot seconds later to knot the count at 19-all after a hectic last five minutes.

Wilson scored his only two points of the game to open the second half on a followup, but missed two fouls shortly thereafter. Ziment tied the count for Providence with a fine tap-in shot, and then the big Friar leader, Koslowski, tallied the next six points alone while Nikkel was adding but two points to the Yale total. Bracken added two more counters to make it 29-23 for the McClellanmen.

With fresh blood inserted in the personages of Klein for Wilson and Saner for DeAngelis, the Elis found new life and were off on their great rally. Klein scored from under the basket and Reese followed with an overhead shot. Saner took a pass from Miles to score cutting in to tie the count at 29-all.

Ziment fouled Nikkel and the Eli captain made good. Reese then missed a foul try, but shortly after, Saner measured off from about 30 feet and swished the strings to make it 32-29 where the rally ended. Providence's Garrison finish in the last two minutes to bang off six points was quite noteworthy, and is still ringing in the ears of Eli followers.

It might have been the big floor, but whatever it was, Pete Foley's Naugatuck High five took a fine lesson in the art of the game, losing to the Yale freshmen in a preliminary by a score of 40-20, which for a game that was supposed to have been close, was quite a licking.

Larry Kelley, husky frosh guard, led both teams with 12 points, while Dick Tuckey, the only Naugatuck man to cause any trouble at all was next with nine points. Roy Michaels, local boy at forward, played a fine game scoring eight points. Bud Miles, another local and brother of Eggle on the varsity, played an exceptionally good game at guard for the frosh:

Dominicans Face Hard Game With St. John's Five Tuesday

Columbus Club Quintet Will
Also Be Opposed by
Friar Team.

Off to a successful start in the first two games on its schedule, the Providence College Varsity basketball team will tackle the St. John's College quintet in New York on Tuesday evening. In other years the Redmen have been scheduled for a home and home series but this year only one meeting has been arranged for the two teams. Therefore a victory is very important for both clubs inasmuch as there will be no chance to erase a defeat in a second game.

The trip to New York will also include a game with the Columbus Club five which has become an annual fixture on the Friar schedule. In other years, however, this contest has preceded the one with St. John's. Meeting St. John's ahead of the Columbus Club, the Friars are expected to make a good stand. The calibre of ball they have been playing can be gauged from their victories over two fast quintets to date, East Stroudsburg and Yale. Both games have been won by late rallies, and if the Black and White courtmen can maintain their powerful finishing sweep, they have a good chance of defeating the Redmen.

The Friars will have had two short practice sessions between the Yale game and the contest with St. John's on Tuesday but Coach Al McClellan believes that his men are in fine condition and ready for the game. Ed Reilly is the only player with an injury at present and he is expected to be ready for play by game time. He received a bruised hip in the Yale contest.

Former Captain Allan "Dick" Brachen is leading the Friars in scoring and is the driving force in the Dominicans' attack. In both games his play under fire when the Friars have been trailing has inspired his teammates to turn victory into defeat. Captain Edward Koslowski ranks second in point getting and at centre plays a fine game starting Friar plays which net points in the majority of cases. Both he and Brachen seem headed for All-New England honors again this year if their capable play continues.

Teaming up with Brachen at the forward berths is Sam Shapiro. This slim six-footer excels on long shots and combines with Brachen to register needed baskets. At the guards are Bill Kutneski, who, in addition to his fine defensive work, also has a good eye for the basket,

and Ed Reilly who is an outstanding defensive guard. Fast on his feet, Reilly has broken up many threats by opponents and makes up in defensive strength for his low scoring average.

Much of the Dominicans' success to date may be traced to the capable crew of reserves on the squad. Jake Ziment has seen action in both of the games played to date and has won praise for his work. He was instrumental in the Friar victory over Yale, teaming with Brachen and Koslowski to give the Black and White players the margin of victory. Oe Perrin, Jim Bostick, Jack Madden, Ollie Roberge and Abe Felt have also turned in fine performances for the Friars in reserve roles.

STRONG FRIAR CAGERS PLAY ST. JOHN'S

By Michael J. Foster.

Just how good are those sophomores who have been keeping Fordham and St. John's near the top in the local college basketball race?

New York's court fans should have the answer to that question by late tonight, for both the Rams and the Redmen are scheduled to face strong opposition this evening.

The Maroons battle Yale's Eastern League championship quintet on the spacious Rose Hill gymnasium floor, and the Redmen go into action against powerful Providence on the more confined De Gray court in Brooklyn.

Despite their setback at the hands of Providence in New Haven a week ago, the Elis rate as dangerous foemen for Fordham's trio of high-scoring sophomores, Tony De Phillips, Don Brennan and Bobby Reinmacher.

Losing to the Friars is no disgrace; with an all-veteran lineup boasting of one of the most aggressive centers in the East in Ed Koslowski, the Rhode Islanders figure to make any team they meet this Winter step fast to win.

Yale has a fine pivot of its own, Ed Wilson, who is going to give the veteran Williams, of the Ram quintet, a busy evening, and the duel between 140-pound Reinmacher and Earl Nikkel, burly Eli football star and court captain, should make interesting watching, too. Nor are Bill Saner, Eggie Miles and Ben Reese slouches. If the Ramlets can turn these huskies back in convincing style, the basketball world will know that Ed Kelleher's sophomores are the real thing.

ST. JOHN'S IN STIFF TILT.

The schedule-maker handed St. John's a tough assignment in sending Buck Freeman's team against Providence so early in the season. Al McClellan has the same, identical lineup to send against the Redmen which held the Saints to an even split in their home-and-home series last Winter, a veteran at every post and all big, strong players.

NEW YORK JOURNAL

REDMEN TOPPLE DOMINICANS 43-31

Friars Unable to Cope with Excellent Passing of Foes After First Half.

(Special to the Providence Journal.)
Brooklyn, N. Y., Dec. 29.—The St. John's basketball team, working at top speed, turned back a physically superior Providence College quintet 43 to 31 last night in the De Gray gymnasium, Brooklyn.

The Redmen found it hard going in the first half, at the end of which they led 22 to 17, but they played rings around Providence's veterans in the second half and ran up a lead of 18 points, 40 to 22, late in the second period before the first team was relieved.

The first half was seriously fought, with Providence brawn counteracting St. John's guile—but not for long. The Redmen got off to a 7-2 lead early in the half, but with nine minutes of the period gone, the Friars, on two baskets and two fouls went ahead at 8-7 and then at 10-7 on Ziment's shot from the side. But except for a one-point lead on the next St. John's basket, that was the last advantage they held during that chapter.

The Redmen's set plays and delayed attack began to function in its old time style and Kaplinski, Gotkin and Oeding sent St. John's off to 22-13 before the visitors found the basket again.

Then Bracken broke through twice in a row to sink two neat shots from great the basket to bring the score 22 to 17.

The tempo increased to an even more furious pace in the opening minutes of the second half as two consecutive Providence baskets, by Koslowski and Bracken, cut down the Redmen's lead 24 to 21. St. John's was passing beautifully, holding the ball for minutes at a time, but under the basket it's shooting was faulty. The Redmen had at least 12 free shots at the hoop before finally sinking one, but when they started to fall in they fell fast. Kaplinsky and McGuire each sank two to make the count 32 to 21 in the home team's favor.

Four new men were on the floor for the Redmen by this time when Providence broke through for a basket and two fouls to make the score 43 to 28. Felt added a basket and foul for the Friars to make the final 43 to 31.

But Buck found among that group from last year's freshmen team two fellows who played together on the same teams for four years and who were "naturals" when it came to clicking together in team play.

And last night it was these two slim, dark fellows from Brownsville and Thomas Jefferson who put St. John's rooters at ease and opened a rift in the dark clouds.

Rip Kaplinsky and Dave Gotkin formed St. John's forward passing combination that ended the 14-game winning streak of the Friars, who were touted as one of the strongest teams in the East. Gotkin heaved to Kaplinsky, who sank the leather. Of course, it wasn't as simple as all that but at times it looked that way.

Freeman started little wiry Kaplinsky at center against the six foot two, 195-pound Ed Koslowski just to disconcert the Friars. Kaplinsky moved back to guard after the first play and then started to run the legs off the big fellows who were ordered to guard him.

Rip tossed in five field goals and two fouls before Freeman pulled him out of the game to give his second string talent a chance to score. Gotkin, whose bronze features have earned him the nickname of "Java," also gave way to a substitute after throwing in two from the floor and two from the 15-foot line.

The completeness of the rout was such that even Freeman himself was taken aback by it all.

"They certainly surprised me," said Buck with a big smile that is reserved for victories over Providence. Freeman couldn't find a thing wrong with his team and he was heartened by the manner in which his light, fast team had stood up against big, bruising players.

For once Providence's reputation as a second half team failed to materialize. The Friars like to come from behind to win and when St. John's led, 24-17 at half time they were not greatly disturbed.

But this time the second half was just a repetition of the first. In fact, as far as Providence was concerned it was worse. When the Redmen boosted the lead to 40-22, Freeman started to send in his second team and by the time the game finished Joe Marchese was the only one in the lineup who had started. However, he left the game nine minutes after the first whistle as he had fouled three times and Freeman wanted him available in case he was needed for a final rally.

TRIPS COLUMBUS CLUB

Dick Bracken Leads Friar Offensive With 12 Points

Dominicans Have Wide Edge in
Second Half After Early
Play is Close.

(Special to the Providence Journal.)

Brooklyn, N. Y., Dec. 20.—The Providence College basketball team handed the Columbus Club five a 40 to 27 setback on the K. of C. court in Brooklyn tonight. The game was a hard fought battle throughout. Providence took the lead shortly after the start on Ed. Koslowski's field goal, but after running up a 7 to 3 advantage, Columbus Council pulled gradually and tied the score twice at 12 and 13. The Friars, however, took the lead again on Ed. Reilly's basket and led at half time, 15 to 14.

Columbus Council came back in the second half and tied the score again at 18 all, but was unable to gain the lead.

The Providence attack, led by Dick Bracken and Ed. Koslowski, put the Friars into the lead once more and thereafter Columbus Council could not make any headway.

Dick Bracken, Providence star forward, was the high scorer with five field goals and two fouls for 12 points. Frank Kelaheer led the Caseys in scoring with eight points.

DARTMOUTH FIVE TRIMS P. C. 37-25

Friars Take Lead in Second
Half But Are Unable to Hold
It.—Bonniwell High Scorer.

(Special to The Providence Journal.)
Hanover, N. H., Jan. 10.—Dartmouth went into the lead among the New England college basketball teams here tonight by staging a late rally to defeat Providence College, conquerors of Yale, 37-25.

Despite the margin the game was closely fought, and the Dominicans wiped out a first half Dartmouth lead to go out in front in the first minutes of second half play by 19-17. Bonniwell tied the count with one of his sensational shots and both fives matched point for point until the last eight minutes when Captain Henry Kraszewski and George Stangle put Dartmouth in front with four baskets. The Indians were never headed from this point and with Bonniwell doing most of the scoring ran up their final margin.

Bonniwell, who topped the Green sharpshooters last year, again proved the bulwark of the Dartmouth attack tonight by scoring the majority of the points, 10 field goals and a foul for 21 points. Ed Koslowski led the Providence scoring with 10 points.

ARMY DEFEATS FRIARS 35 TO 29

Cadets Hold Early Lead; Shapiro and Bracken Star for Providence.

West Point, N. Y., Jan. 17.—(AP)—An early lead enabled Army to defeat Providence College in a close and exciting basketball game by a score of 35 to 29 today.

With the score three all, Dawalt, Neely and Kenerick dropped goals in rapid succession which gave Army its margin. The half ended 14 to 8 in favor of the Cadets.

In the second half each team scored 21 points. Shapiro and Bracken making beautiful shots to keep their team in the running. For Army Dawalt, with nine points was high scorer and Hiatt, who scored seven points, starred with his excellent floor play at intercepting the opponent's passes.

ARMY FIVE BEATS PROVIDENCE, 35-29

Gains Early Lead to Triumph in Thrilling Contest—Dawalt High Scorer.

Special to THE NEW YORK TIMES.
 WEST POINT, N. Y., Jan. 17.—

Army defeated Providence College at basketball today, 35 to 29. The cadets took an early lead which they never relinquished, the first half ending 14 to 8 in Army's favor.

Throughout the second half, however, the visitors played the cadets on even terms, pressing the Army hard toward the finish. Keen shooting from the floor by Dawalt in the final moments of the game kept Army in front.

Dawalt led Army in the scoring column with four field goals and a point from the foul line. Bracken with eight points scored on four shots from the field was the visitors' chief point getter.

The line-up:

Teachers Hold Providence to 30-23 Score In Fast Armory Fuss Friars Score Point More Than in Game With Army Quintet

Playing a fast, aggressive game, the Providence Friars came to town last night and defeated Coach Crapser's Red and Black by a 30-23 score.

Both teams played a lightning game and both were strong on the defensive, as the score indicates, but Coach McClellan's charges from Rhode Island were a bit faster and repeatedly snared the Teacher's passes.

Shapiro, forward, played the stellar role for the Friars, while Captain Marshall Evans, with three field shots and three fouls led the Teachers in scoring. One of Evan's long shots which connected was easily the most breath-taking incident of the evening.

In a preliminary contest, the Teachers Jay Vees took the measure of the Exeter Five, from Luzerne county, to the tune of 42-23. Thirteen of the Teachers participated in the game and all but two broke into the scoring column. Shirko, forward, was the stellar scorer for the visitors, accounting for one more than half of their 23 points.

FRIAR BASKETBALL TEAM TRIPS EAST STROUDSBURG

30-23

Sam Shapiro Stars on Attack For Friars; Scores 12 Points

Dominicans Lead at Halftime 17 to 10.—Koslowski, Bracken Star.

East Stroudsburg, Pa., Jan. 18.—(AP) —Playing a fast, aggressive game the Providence College basketball team tonight defeated East Stroudsburg Teachers College 30 to 23.

Although the Teachers scored first, Providence was out in front within five minutes and was never headed. At half time the winners led 17 to 10.

Both teams starred defensively, with Providence stronger on the offence and snaring many of the Teachers' passes.

Sam Shapiro, forward, was leading scorer for Providence with a total of 12 points. He was fololwed by Captain Koslowski and Bracken, with seven and four points respectively. Captain Mar-

shall Evans led the Teachers in scoring, with three field goals and three fouls.

ST. THOMAS' CAGERS FACE FORMIDABLE FOE IN PROVIDENCE COLLEGE AT ARMORY TOMORROW

ROBERT BUTTERLY
-GUARD-

RAY ROACHE
-FORWARD-

STEVE MALECKI
-GUARD-

JOHN PATRICK

EDDIE DEITCH -CENTER

CAPTAIN
FRANK
MCNULTY
-FORWARD-

The latest group picture of St. Thomas' College basketballers is shown above.

Jack Harding, coach of the St. Thomas' College varsity basketball outfit, which has run up its string of consecutive victories to five straight to date, has his minions in fine shape for the hard tussle expected tomorrow night when Coach Albert McClellan's Providence College Friars make their debut there.

The New England combination expects to snap the winning streak of the Tom Cats, but the local Purple and White basketekers are just as determined that their victory march will go on, even at the expense of Providence.

McClellan, widely known as a basketball and baseball coach, has a veteran group of players this year. With the entire first string squad available from last year's squad that won thirteen out of sixteen games played, against such opponents as Dartmouth, C. C. N. Y., Army, Navy, Yale, Harvard, and many of the other big collegiate teams, McClellan's team has continued this season as last.

Will Oppose Eddie Deitch.

Eddie Koslowski, captain of the visitors, is one of the best centers in New England, and will face Eddie Deitch, star pivotman for St. Thomas' in a dual battle that will be interesting to watch.

Dick Bracken, last year's captain of the Friars, is back for another year, he having obtained the honors of the leadership of the team in his junior year last season. Sam Shapiro will team up with Bracken at forward posts against the Tom Cats tomorrow night. Bracken was selected on the second All-American basketball team last year, while Shapiro is considered one of the greatest versatile players ever developed in the greater Boston district.

Bill Kutniewski, captain-elect of the Providence football team for next year, will be at one of the guard posts against the St. Thomas' basketekers. Eddie Reilly, a clever passer and good defensive man, is now playing his third season with the Friars.

Tommies' Starting Lineup.

Coach Harding will rely on his regular lineup of players to come through with a victory over this tough group of players from Providence. Captain Frank McNulty will be at one of the forward posts with Ray Bowman starting at the other side of the front court. Ray Roche, who was injured at the start of the season in practice, will get an early assignment tomorrow night, it is expected.

Eddie Deitch has his call already for the pivot place against Koslowski, of the Friars, while Bob Butterly and Tom Kelly will be the starting guards. Johnny Patrick, Steve Maleski and Jack Kelly will get a call for reserve duty.

St. Ann's High of West Scranton meets the S. T. C. reserves in the preliminary game, with two hours of dancing following the games.

Pennsylvania Team Takes Lead
in First Half and Keeps It.
Bracken Friar Star.

Scranton, Pa., Jan. 19.—(AP)—The St. Thomas basketball team defeated Providence College, 43 to 29 in a rough court contest tonight. At half time St. Thomas was out in front by a 22 to 15 count.

Capt. Frank McNulty and Eddie Deitch led the St. Thomas attack, each scoring 11 points. Butterly and Bowman also played fine ball for the winners. Bracken, who tallied 12 points, was the only visiting threat.

Providence Basketeers Fall Before

St. Thomas Attack, 43-29

Deitch and McNulty Star as Hardingmen Win Sixth Straight

Forward and Center Each Tally 11 Points in Rough
Contest at Watres Armory; Bowman and
Butterly Also Play Brilliant Ball

Paced by Captain Francis (Red) McNulty and Eddie Deitch, brilliant center, Coach Jack Harding's St. Thomas basketeers chalked up their sixth straight victory in the Col. L. A. Watres armory last night at the expense of the highly touted Providence college quintet. The biggest crowd of the season saw the Tommies triumph by a score of 43 to 29.

Each Tally 11 Points

McNulty and Deitch each tallied 11 points for the local collegians and both also played a fine floor game. Ray Bowman, Duryea youngster, and Bob Butterly were the other stars in the Purple victory, the former caging four field goals and one foul for a total of nine points, while Butterly dropped in three double deckers, all from beyond mid-court.

The visitors started out as though they meant business. Kutneski opening the scoring by caging a foul and after Butterly deadlocked the count with a free toss Eddie Reilly dropped in a field goal to send the visitors ahead. Eddie Deitch tied it up with a field basket and Bracken made a double-decker.

McNulty then sank a long field goal to again deadlock the count and Deitch followed with a two-pointer to send the Tommies out front. After Sam Shapiro made a foul Kutneski came through with a field goal to give Providence a one-point lead. Butterly then dropped in the first of his long field goals but Koslowski and Bracken came through with double-deckers to give the visitors a 12-9 advantage.

Game played: January 19, 1934

After time was called McNulty dropped in a field goal and a foul to tie the count again and Kelly tossed in a one-pointer. Butterly made another pretty shot, putting St. Thomas ahead by 15-12, and after Bracken dropped in a foul McNulty caged a two-pointer. The Pittston boy came through with another field basket to give the Tommies a 19-13 lead. Shapiro dropped in a double-decker and Deitch, Bowman and McNulty dropped in foul goals before the half ended with the Tommies out front by a 22-15 score.

The Tommies continued their attack in the second half and Coach McClellan of the Providence aggregation inserted many substitutes in a futile effort to stop the Purple scoring. Coach Harding's men were ahead by a margin of seven or more points during the second twenty minutes of play.

Bracken was the only Providence scoring threat, the visiting forward caging five field goals and two fouls for a total of 12 points. Eddie Koslowski, high scoring pivot man, was unable to get past Deitch with the result that he scored only one field goal.

FRIAR HOOP FIVE TO PLAY ON HOME COURT SATURDAY

Dominicans to Meet Springfield
College Quintet in Second
"Home" Stand.

The Providence College 'Varsity basketball team will make its second home appearance of the current season on Saturday when it plays host to Springfield College. An attractive double header has been arranged with the Providence Freshman quintet meeting the Springfield Jayvees in a preliminary game. The Providence 'Varsity has faced seven opponents since its opening game on the Harkins Hall court with the last six games away from home.

In other years the Springfield fives have provided the Friars with stiff opposition and this season's team is reported to be one of the best in years. An indication of the thrilling battle in store can be drawn from the fact that both Providence and Springfield downed the fast Stroudsburg Teachers on successive nights by very similar scores. In commenting on the outcome of these games, Coach Albert McClellan of the Friars said that he expected the Springfield quintet to furnish some of the fastest and most deceptive play that the Friars have encountered to date.

The Black and White courtmen have won four of the eight games played to date but have not maintained the brilliant play which was shown in their opening games. After defeating Stroudsburg and Yale the Friars suffered a setback at the hands of St. John's and lost later to the strong Dartmouth and Army fives. Coach McClellan will spend a week of intensive practice with his men in an effort to bring them up to winning form for Saturday's encounter with Springfield.

A preliminary game between the Providence Freshmen and the Springfield Jayvees will provide an interesting feature and should give the Freshmen a chance to show their talent against a 'Varsity style of play. With a very promising start this season, the Freshmen have swept several worthy opponents aside and should make a capable showing against the Jayvees.

SPRINGFIELD FIVE TO MEET FRIARS

Game Scheduled Tomorrow
Night at Harkins Hall; Vis-
itors Have Strong Team.

Providence College's 'Varsity basketball five will complete the first half of its schedule tomorrow night when it meets the Springfield College court quintet on the Harkins Hall floor at 8:30. The Freshman team will engage the Maroon Jayvees in a preliminary which is expected to provide exciting action.

Springfield defeated Amherst on Wednesday in spite of numerous substitutions by the Jeffs and displayed power which should make them a stubborn foe for the Friars. Coach Al McClellan expects the Maroon outfit to be hard to beat and has been experimenting during practice to find the most powerful team in his capable squad. The centre problem will be divided between Captain Ew Koslowski and Oliver Roberge, both men endowed with the ability to give the Friars strength at the centre court position. Captain Koslowski has played some of the best basketball of his career this season in the jump position and Roberge is an outstanding player, capable of filling in at any post.

In the forward court the men who should see action Saturday evening are Allan Brachen, leading point-getter of the Black and White squad, who teams up with Sam Shapiro, long-shot artist for the Friar forces. Oscar Perrin has shown up well in practice and may draw a forward or guard post. At guard the two regulars, Bill Kutneski and Ed Reilly, will get the call to start while Jake Ziment, Abe Feit and Jim Bostick are ready to do reserve duty.

The Friars will have a weight advantage over the Maroon players which may be an important point in their favor as the games with Springfield usually produce some rugged action. In the forward court the Black and White will be inches over the Maroon but the advantage will be reversed in the back court. Coach Ed Hickox expects to start the same team which faced Amherst on Wednesday and looks for a close battle right up to the final whistle.

FRIARS NOSE OUT SPRINGFIELD 44-43

Kutneski Scores Winning Point
on Foul Shot in Closing
Minutes of Game.

A successful foul toss in the closing minutes of play by Bill Kutneski, Friar guard, gave the Providence College Varsity basketball team a 44-43 victory over Springfield College last night in Harkins Hall. Baskets by Dick Brachen and Captain Ed Koslowski enabled the Friars to draw abreast and go ahead of the Maroon courtmen in the closing minutes and Kutneski's toss clinched the decision.

Springfield took the lead from the opening whistle and held it for half of the first period until Capt. Ed Koslowski tossed in a neat shot to put the Friars into the lead for the first time at 13-12. In the first half the lead see-sawed back and forth five times as brilliant baskets by Koslowski, Reilly and Shapiro, for the Friars and baskets by Desoe, Rees and Hunt for Springfield set a fast pace. Just before the half ended Al Hunt, Maroon guard, put his team ahead with a long shot only to have the Friars win back the lead at half time 25-22 on tosses by Reilly and Shapiro.

Playing "point-a-minute" basketball, the teams treated the crowd to some of the most thrilling play that has been seen on the Providence court. Ed Reilly, Friar guard, was a sparkplug on offence and rallied his mates by his stirring under-the-basket shots. Capt. Ed Koslowski was high scorer for the Black and White with 13 points, followed closely by Dick Brachen with 10. Bill Kutneski had a large share of the victory, for it was not only his foul toss which won the game, but his brilliant breakaways for scores during the course of the game.

As play resumed after the half, Springfield seemed to have lost its eye for the basket. The Friars drew away to a seven-point lead and only the work of Collins and Cella kept Springfield in the running. As the Maroon players found themselves, they shortened the lead to one basket and then Ellis tossed a long-tom from mid-court to even the count at 39 all. Play then became rough as both teams battled to cage a basket. Dick Brachen kept the Friars in the game with two spectacular tosses from the side court and Ed Koslowski pushed a basket into the net. Springfield came back strong and Collins and Cella caged two baskets to tie up the score. On a breakaway up the floor Bill Kutneski was fouled and dropped in the free throw to win the game.

BRACHEN IS HIGH SCORER FOR FRIARS

Dominican Star Has 79 Points;
Capt. Koslowski Second
with 69.

The Providence College 'Varsity basketball team makes its second invasion of metropolitan New York on Friday when it plays the Pratt Institute quintet. The encounter with the Brooklyn college will mark the resumption of court relations between the two contestants after a lapse of one season. During the 1931-32 schedule the Friars encountered little difficulty in beating Pratt, but the present New York team is a much stronger outfit and is expected to extend the Friars.

In their first nine games the Friars have won five and lost four. At the halfway mark last year the Black and White courtmen had scored five victories in eight games. The failure of the team to make a better showing this year may be traced to the fact that the opposition on the present schedule has been much stronger. An outstanding achievement by the Friar forces this season is the defeat of Yale, Eastern intercollegiate champs of a season ago. The closest battle of the schedule to date was the Springfield game in which the Black and White shaded the Maroon 44-43 in the closing minutes of play.

Allan "Dick" Brachen, All-New England selection at forward last year, is highest point scorer with 97 points to his credit. Brachen has averaged almost 11 points per game. He holds the individual record for the highest total of points scored in a game. Against East Stroudsburg, he scored 12 baskets from the floor.

Captain Edward Koslowski, another Friar contribution to the mythical All-New England five, is second in the list of high scorers with 69 points. His best game of the year was that against Yale, when he caged six field goals and a pair of foul tosses for 14 points. Koslowski starts all the Friar plays from his centre post and his fine work has been a big factor in the success of the team.

Samuel Shapiro, forward mate of Brachen, holds down third place in the list of point-getters with 58 points. He starred against East Stroudsburg at the Stroudsburg Academy when the Pennsylvanians played hosts to the Dominicans in a return game. Sam caged six baskets to lead the scoring in that game.

Edward Reilly and William Kutneski, rugged Friar guards, have caged 24 and 29 points respectively, but have been more valuable to the Black and White because of their capable work on the defence. Kutneski caged a foul toss to give the Friars a victory over Springfield and Reilly turned in his best game of the year against Springfield by sinking four baskets from the floor.

The records of individual players follow:

	FG.	FT.	Pts.
Allan Brachen, f.	42	13	97
Edward Koslowski, c.	29	11	69
Samuel Shapiro, f.	24	10	58
William Kutneski, g.	10	9	29
Edward Reilly, g.	11	2	24
John Ziment, g.	6	2	14
Frank Feit, g.	3	4	10
Oliver Roberge, g.	1	2	4
James Bostick, g.	1	1	3
Oscar Perrin, g.	1	0	2

The record of the first half of the schedule 1933-34:

Providence College.. 47	E. Strouds. T. ... 35
Providence College.. 35	Yale 32
Providence College.. 31	St. John's 43
Providence College.. 40	Columbus Club... 27
Providence College.. 25	Dartmouth 37
Providence College.. 29	Army 35
Providence College.. 30	E. Strouds. T. ... 23
Providence College.. 29	St. Thomas 43
Providence College.. 44	Springfield 43

310 318

The remainder of the Friar schedule follows:

Feb. 9, Pratt Institute; Feb. 10, City College of New York; Feb. 16, Harvard; Feb. 17, U. S. C. G. A.; Feb. 22, Springfield; Feb. 24, open. March 2, Lowell Textile; March 7, Worcester Polytech; March 10, Brown.

Graduate Manager John E. Farrell is negotiating with the manager of the Holy Cross Independents for a game on Feb. 24 in Providence to fill the only open date on the Friar schedule. If this game cannot be arranged the Providence College Alumni may decide to field a team and make the date a time for the renewal of friendships of college days. Excluding the possibility of a home game on the open date, the Friar 'Varsity will make two appearances in Providence on successive week-ends. On March 7 Worcester Tech will come to Harkins Hall and on March 10 the Friars and the Bruins will wind up their schedule with their annual classic at the Brown gym.

FRIARS TRIUMPH

PRATT FIVE 31-25

Providence College Courtmen
Come from Behind to
Capture Verdict.

New York, Feb. 9.—(AP)—Providence College's basketball team came from behind in the closing minutes of play tonight to defeat Pratt Institute, 31-25.

Pratt, with Johnny Reiser starring as usual, led 15-11 at half time and still was in front with only seven minutes to play. Then the Friars began to find the range, tied the score at 21-21, then went into the lead, 24-21. Reiser tied it again at 24-24, but Kutniewski sank two fouls and Bracken one to give Providence a lead they easily held for the rest of the game.

C. C. N. Y. Court Team Whips Providence College 38 to 17

Friars Weak on Defence as
Lavender Forces Go on
Scoring Spree.

(Special to the Providence Journal)
New York, Feb. 10.—Cutting through the wide open Friar defence with the utmost ease, City College's Varsity basketball team had little trouble ending its home schedule with a 38-17 victory over the Providence College quintet tonight.

Excepting for the first few minutes of the game, when both teams guarded closely and neither could get the range for its long shots, City College completely outplayed Providence. The Lavender's man-to-man defence functioned so well that the Friars had no more than half a dozen close-up tries at the basket all night, only two of their five field goals were made on short shots.

Providence's defence, in contrast crumpled badly after a strong start in the face of the fast passing, swift-cutting City College attack. C. C. N. Y. had men free under the basket all evening, bewildering the Friars with the speed and intricacy of its passes, and only a tendency to be careless when laying up the ball prevented the Lavender from piling up a much bigger score.

Providence Five to Face Harvard Tonight

Providence College, boasting an all American forward, and an All N. E. center, is the next opponent of the stumbling Harvard quintet. The Friars will play at the Indoor Athletic Building tonight.

Ed Koslowski, giant baseball slugger who is playing his third season as a regular, captains the Providence team. A year ago he was the unanimous choice for All New England center.

The All American member of the team is Al Bracken, forward, who was elected captain in his junior year. Bracken averaged 13 points a game during the 1932-33 season.

Providence will enjoy a terrific physical advantage over the Crimson, especially in the matter of height. Koslowski stands six feet three inches, topping Dick Boys the lankiest of the Harvard players. Bracken is 6:1; Shapiro and Reilly are both huskies, the latter the regular shortstop for the past three years; and Bill Kutniewski, guard, is captain-elect of the Providence football team.

Providence is coached by Allan McLellan, of Swampscott, former Salem High School mentor.

Coach Wee Fesler shook up his lineup again, in the endeavor to assemble a winning combination. This time he has changed Dick Fletcher from guard to forward to pair with Gene Merry, who scored 18 points against Tufts. Bill Henderson replaces Fletcher at guard.

Boston Advertiser-American

Boston HERALD

POWERFUL FRIAR FIVE AT HARVARD TONIGHT

Sporting a galaxy of basketball stars, the powerful Providence College court five, with a 35-32 victory over Yale to its credit, displays its wares against Wes Fesler's crimson squad in the Harvard gym at 8 tonight.

Capt. Ed Koslowski, 6-foot 2-inch All-New England centre, heads the Providence team that is coached by Allan McLellan, former Salem high school mentor. Former Capt. Dick Bracken, mentioned on several All-American fives last year by right of his record of averaging 13 points a game, and Sam Shapiro of Lynn give the visiting quintet a strong scoring line. Bill Kutniewski and Ed Reilly will take care of the defence posts.

Fesler has shifted his starting line-up in preparation for the formidable Providence combine. Dick Fletcher moves up from guard to forward to replace Dick Morse. Fletcher will pair with Gene Merry. Bill Henderson takes over Fletcher's berth. Capt. Joe Ferriter will start at the other guard and Dick Boys in the pivot post.

FRIARS POINTING FOR HARVARD TILT

Game to Be Staged at Cambridge Friday.—Roberge Back in Condition.

The Providence College Varsity hopes to finish the remainder of its court schedule with a run of victories and Coach Albert McClellan will begin today to point for the contest with Harvard at Cambridge on Friday. Although the New York trip took quite a toll among the players in the way of colds and throat ailments, the full squad is expected to report today for intensive practice.

Oliver Roberge, who injured his foot a day before the Friars left for New York, responded so favorably to treatment that he was able to take over Ed Koslowski's post at centre during the game with Pratt Institute and played the longest stretch since the start of the season. Captain Koslowski has been the sole pivot man and the strain has been such as to hinder his play. However, with Roberge back in condition, the capable Friar captain will receive relief in the remaining contests.

William Kutneski, Friar guard, was shifted to centre against C. C. N. Y. and his aggressiveness drew the attention of Coach Nat Holman of the Lavender who commented favorably upon his performance. Bill is rated as the most improved player on the Black and White squad since the beginning of the season and turned in a surprise game against the highly-touted Goldman, City College pivot man. Kutneski was honored with the football captaincy for the coming season and it is reported that his chances of winning the court leader's post too are very good. If he is elected, it will be one of the highest honors ever paid to a Providence College athlete. In addition to playing a fast game on the court Bill also is the most accurate foul shooter on Coach McClellan's squad.

With the Varsity scheduled away from home this week-end, it remains for the Friar Freshmen to furnish the action on the local floor. Tomorrow evening they engage the strong St. John's Prep five.

PROVIDENCE COLLEGE

TOPS HARVARD IN

BASKETBALL 25-18

Shapiro, Friar Forward, Sets Pace for Winning Outfit

Dominicans Triumph on Scoring Spurt in Last Half of Game.

(Special to the Providence Journal.)
Cambridge, Mass., Feb. 16.—Bill Henderson, diminutive Harvard guard, held Providence College to a bare 7-6 lead at half-time tonight, but Sam Shapiro, former Lynn English stylist, provided Providence with an eight-point spurt in the second half that enabled them to lick the Feslerman, 25-18, in the indoor athletic building here.

Henderson and Shapiro furnished interesting competition in an otherwise listless contest.

Shapiro was the high scorer of the contest, caging three field goals and two free throws for eight markers. His work was brilliant for the Friars.

The Providence aggregation, which had administered a 35-32 defeat to Yale earlier in the season, was decidedly off its regular game.

Only 13 points were basketed in the first period. Each quintet resorted to a slow passing attack and an air-tight defence. Shapiro counted on a field goal just before the half to bring the Friars from the rear and give them a 7-6 advantage.

Lapsing into a second half jinx that has pursued it all season, Harvard let the visitors pile up a sizable lead as the second half got under way. Providence coasted right ahead to a 22-11 lead before Fesler's contingent could get under way. In the waning moments of the struggle, Dick Morse, Dick Fletcher and Danny Comfort whipped two-pointers through the cords in quick succession to run up the Harvard total.

PROVIDENCE BEATS HARVARD

Sam Shapiro Engineers Winning Spurt—Final Score, 25-18

Bill Henderson, diminutive Harvard guard, scrapped Providence College to a bare 7-6 lead at half time; but, Sam Shapiro, former Lynn English stylist, engineered an eight-point spurt by Providence in the second half that enabled them to lick the Feslermen, 25-18, in the Indoor Athletic building, Harvard, last night.

Henderson and Shapiro furnished interesting competition in an otherwise listless contest. The Harvard guard only netted the twine for three scores, but his floorwork was outstanding. In fact, the passing of the entire crimson five was better last night than it has been at any time this season. A little more luck on their shots might have turned the victory tide in Harvard's favor.

SHAPIRO PROVES HIGH SCORER OF THE CONTEST

Shapiro was the high scorer of the contest, caging three field goals and two free throws for eight markers. His work was the one bright spot for the Friars, and it undoubtedly meant the difference between victory and defeat for his cohorts.

The heralded Providence aggregation, that had administered a 35-32 defeat to Yale earlier in the season, was decidedly off its regular game. Their offense never clicked consistently, and Shapiro was the only one of the bunch of eagle eye shots who found the basket.

Only 13 points were basketed in the first half. Each quintet resorted to a slow passing attack, and an air-tight defence. Shapiro counted on a field goal just before the half to bring the Friars from the rear and give them a 7-6 advantage.

Lapsing into a second half jinx that has pursued it all season, Harvard let the visitors pile up a sizable margin as the second half got underway. Providence coasted right ahead to a 22-11 lead before Wes Fesler's contingent could get going. In the waning moments of the struggle, Dick Morse, Dick Fletcher, and Danny Comfort whipped two-pointers through the cords in quick succession to run up the Harvard total.

Providence College to Send Brilliant Team Against Cadets Tomorrow

Bracken and Koslowski Standout Friar Stars

Boasting two All-New England players, one of whom made the All-American second team last season, Providence college comes to New London tomorrow night for the annual basketball game with the Coast Guard academy.

Headed by three brilliant players, who two years ago played major roles in the victory of the Friars at the state armory in a benefit game for the unemployed, Providence rules an overwhelming choice to conquer the Cadets.

Allen (Dick) Bracken, captain of the team last year while a junior, is the player who last season was chosen by the sports writers as a member of the All-American second team.

Standing six feet, one inch, and weighing 185 pounds, Bracken has never been completely stopped in his three years of campaigning on the basketball court. Last season he tallied on an average of 13 points per game and besides getting an All-American second term berth was picked All-New England forward. Slated to play left forward, Bracken gets the post opposite diminutive Don Weller, Coast Guard captain.

Capt. Eddie Koslowski, All-New England center last season, is regarded by the leading coaches as one of the best centers in the east. Koslowski, however, as good as he was last season, will have to convince Coast Guard officials that he is as good as he is rated. Last season Jack Forney, Coast Guard center,

made Koslowski look bad, tallying 14 points against the Friar ace.

Sam Shapiro, a junior at Providence and the man who is generally conceded the captaincy for the 1934-35 season, is the Providence star who two years ago provided the Friars with the margin of victory over the Cadets at New London. Shapiro scored 13 points that night as a freshman and won a varsity post through his performance.

The guards, Bill Kutniewski and Eddie Reilly, also played in this city two years ago and have been varsity men for the past two years. Both stand over the six foot mark and weigh close to 200 pounds.

From that team which two years ago defeated one of the best Coast Guard teams in history, only two players have graduated. Eddie Dromgoole, a varsity guard and forward for the past three years, graduated last June, while Chick Gainor, captain of the team of two years ago, received his diploma in 1932.

The Cadets have neither the height nor the experience to combat the powerful Friars, but Coach Johnny Merriman hoped that a good ball handling display and a fast passing attack, plus excellent shooting might combine to keep the Cadets in the running.

The Cadets after seven straight defeats hope for a change of luck tomorrow night, but apparently the wrong opponent has been picked for the Cadets to start a winning streak.

Game played: February 17, 1934

FRIARS WALLOP COAST GUARD FIVE

Dominicans Gain 52-30 Victory
in Game at New
London.

New London, Conn., Feb. 17.—(AP)—
The Providence College basketball team
trounced the Coast Guard Cadets, 52 to
30, tonight after trailing in the first
half.

The Cadets staged a rally as the first
half drew to a close to go ahead, 21 to
19, but their advantage proved short-
lived, Providence jumping into control
at the very start of the second half.

For a great part of that second half,
the Cadets scored only three points,
while Providence piled up a command-
ing lead. Toward the close, the Coast
Guard again found the range, but was
unable even to threaten Providence
again.

Providence Five

Takes Cadets, 52-30

Friars on Short End of 21-19 Score at the Half

By JACK CRUISE, JR.

Valiantly attempting to create one of the biggest upsets in Eastern collegiate basketball competition and succeeding in their objective for the first 20 minutes of play, the Coast Guard Academy basketball quintet fell by the wayside in the closing half as a brilliant Providence college team rolled on to an easy 52-30 victory Saturday night at the Coast Guard gym.

Applying the full pressure in workmanlike fashion as soon as the second half opened after being two points down at intermission, the Dominican Friars swept through the Cadets man to man defense with an accurate passing, swift cutting offensive which rolled up 33 points and clinched the game beyond any doubt.

For the first 20 minutes of play the Cadets, displaying a fast breaking offense which clicked with unusual effectiveness against a team which threw up an unusually close man to man defense, matched each Providence scoring effort and forged into a 21-19 lead shortly before the close of the half as Eddie Fahy batted in a follow-up shot to break a 19-all deadlock.

But the Providence varsity, starting as a unit at the opening of the second half, soon gathered momentum and the Cadets rapidly dropped behind.

Cutting in and out and zipping the ball about, always with the intention of drawing the Cadet defensive strength away from under the basket, the Friars soon began to hit the target with the same brilliant accuracy which earlier in the season pinned a surprise defeat on Yale in the Payne Whitney gym.

Sam Shapiro and Bill Kutniewski led the second half attack of the Friars, although Coach Al McClellan used 11 men and 10 of them crashed into the scoring column. Shapiro and Kutniewski scored 10 points each to grab off high individual honors for the Friars.

Weller High Scorer

But high individual scoring honors and the distinction of being the outstanding man on the floor went to a Coast Guard player—diminutive Don Weller, captain of the Cadet team.

Drawing down Dick Bracken, an All-American choice last season, as his opponent, Weller proceeded to play his smartest brand of basketball and his brilliant playing kept the Cadets in the thick of the fight throughout the first half.

Heading the Cadet attack with 15 points, 11 of them tallied in the first half, Weller also directed the quick break strategy of the Cadets and thrice in the opening period whirled long passes down the floor which were converted into baskets by waiting Cadet players.

Providence was prepared for the quick break in the final chapter of the game and broke much quicker on the defense to counteract the strategy of the locals.

Providence, fresh from a very unimpressive victory over Harvard

at Cambridge on Friday night, started slowly and dropped behind at 3-0 as Weller scored from the floor and foul line in the first two minutes of play.

Friars Lead 11-3

The Friars began to click after Kutniewski scored from the floor and Providence grabbed an 11-3 lead with 10 minutes of the half to go.

Then the Cadets started a drive which eventually landed them in front just as the half ended and brought the gallery of 400 fans to their feet with the realization of just what they were doing despite the great odds.

With Weller and Cass firing away and hitting the basket with the characteristic accuracy of Coast Guard teams of the past two years, the Cadets tied the score and then took a four point lead at 15-11. The two teams went into a tie again at 19-all, but just as the whistle blew for the end of the half, Fahy took a rebound off the backboard and slammed the ball in the net for two points and the lead at intermission.

New London DAY

Providence started to click as the second half opened and the spectators settled back into their seats assured that the final issue was settled and that only the size of score was to be decided.

The Cadets never were able to hit the same brilliant stride which was theirs in the first half and tallied but nine points in the second half.

The Coast Guard defeat was their eighth straight setback of the campaign without a victory, but the improvement shown by the locals was an encouragement which caused Coast Guard athletic officials to view the coming game against Norwich university with considerable optimism. The Cadets play Norwich next Saturday at Billard hall.

FRIARS TO PLAY AT SPRINGFIELD

'Varsity Game Listed Thursday;
Unbeaten Providence Year-
lings Card Three Tilts.

A return game with Springfield College Thursday is the only contest scheduled for the Providence College 'Varsity basketball quintet this week. The Freshmen will play three games, meeting some of the stiffest opposition of the season. A match with the Holy Cross Independents, who have been enjoying a successful season, according to reports, could not be arranged by Friar officials, and Feb. 24 will remain open. It will offer an excellent opportunity for the Friars to take stock and rest up for the final spurt down the home-stretch.

The Freshmen will face Becker College on Tuesday evening at Harkins Hall. A week of hard practice was meted out by Coach Archie Golembeski, Becker mentor, to his squad, in anticipation of the game between Becker and New Bedford Textile last week, and the Worcester team is expected to furnish plenty of opposition for the Friarettes. Becker has lost the services of Don Allan, stellar guard, and Coach Golembeski has had to do some changing to fill the gap. Roland Hale is expected to work into the starting five in Allan's place.

Games with St. John's Prep at Danvers on Thursday and with Dean Academy on the Harkins Hall floor on Friday complete the weekly card for the yearlings. With 13 straight victories in their wake, the local basketeers are expected to play stellar ball in order to finish the season with no defeats. To date the Freshmen have compiled one of the finest records ever made by a yearling sport squad at Providence College.

The 'Varsity players, who have won a victory over Springfield earlier in the season will meet the Gymnasts on their home court and may run up against fast competition. Springfield dropped a close, hard-fought game to the Friars on the local floor 44-43 and will be determined to even the series by a victory. Although injuries have disrupted the calm of the Friar squad, the regular starting line-up will face the Teachers. Coach McClellan is not prone to make too many changes in what he believes to be his best combination and by Saturday all the regulars are expected to be fit for play.

Providence Cage Stars Who Meet Maroons Today

OSCAR PERRIN, Forward.

DICK BRACKEN, Forward.

ED KOSLOWSKI, Center.

HERE are three of the Providence College basketball stars who will face Springfield College here today. Koslowski is one of the best basketball players in the East.

PROVIDENCE BEATS

SPRINGFIELD

Friars Trail in Early Stages But Rally to Win by 45-33

Ed Reilly, Brachen and Kutniewski Feature for Providence College Five.

(Special to the Providence Journal)
Springfield, Mass., Feb. 22.—A complete collapse of its defence midway in the second half in a game that had been waged on even terms up to that time, caused irreparable damage for Springfield College and permitted the rangy Providence College basketball team to register a 45-33 victory over the Maroon five at West gym here today. The defeat was the second of the season at the hands of the Friars and ended a six-game winning streak of the Hill quintet.

Off to a brilliant start through the individual efforts of Butch Hunt, who went out of the contest on personal fouls before the end of the first period, Springfield rolled up a 10-point lead on the Friars. Carelessness and a rift in team work put the skids under the Maroons and the visitors knotted the count 14 to 14 at half time.

Keyed to a fast pace from the start, the rivals kept hammering at the defences with equal success for about eight minutes and then came the break. Always credited with having smart and smooth teams, Providence began to take liberties with the Maroon's defence. Coach Al McClellan's charges began dribbling by Hill players with alarming ease for baskets and also passed to uncovered men under the hoop for easy shots at the basket. During this period of Springfield legarthy the Dominicans took over a nine point lead, 34-25. Through sheer determination and some circus shooting the Maroons rallied to come within three points of the visitors with three minutes left to play but over the home stretch the Friars put on another spurt, led by the flashy Ed Reilly, to leave the local team dead in its tracks.

Highlights in Holiday College Contest Here

Bits of action, snapped by a staff photographer of The Republican, during Providence's 45 to 33 victory over Springfield in a lively college basketball game here yesterday afternoon. On the left "Shadow" Collins of Springfield can be seen banking a "step shot." The central scene shows Mantell of the home team and Ziment, sub for the visitors, tugging away at a loose ball. On the right Dick Bracken of Providence is depicted in the act of making a one-handed toss for the hoop.

Rhode Island Cagemen Rally to Beat Maroon

Stellar Work By Hunt Affords City of Homes Team
Large Lead at Outset of Game But Seasoned Providence Team Comes From Rear to Top Sophomores

By J. EARL CHEVALIER

From one extreme of basketball skill to the other the young Springfield college 'varsity team drifted altogether too frequently yesterday afternoon at West gym, with the result it dropped a 45 to 33 decision to a ripe and classy Providence college quintet which took advantage of every mis-play committed by the Maroon sophomores. The defeat checked the winning streak of the Springfield cagemen, who had compiled six straight victories since the same Providence team outpointed them, 44 to 43, at the Rhode Island capital last month.

Hunt Shines, Then Departs

Springfield could stand neither prosperity or pressure yesterday afternoon, when some 900 fans packed West gymnasium for the purpose of watching the climax game of the Maroon's home season. Sparkling work on the part of "Butch" Hunt, lively guard, early in the conflict helped Springfield obtain a 13 to 2 advantage. At this juncture Hunt and his associates suddenly suffered a lapse of form. Soon Hunt, who appeared to be the victim of one dubious ruling, departed for too frequent infraction of the code. From that point to the finish Springfield's sophomores, lacking the poise they will acquire later, alternately blew hot and cold, as Coach Al McClellan's nifty Providence outfit began to operate in the manner expected of seasoned workmen who long have been united under one banner.

Treacherous highways delayed some of the Providence party yesterday. As a result the ball game got off the mark more than half an hour behind schedule. Sam Shapiro, the tall, slim forward who pitched for the Lynn team during a baseball tournament here last summer, afforded the visitors a margin when he banked a shot from the side. George Cella, Springfield forward, promptly converted a pass from Collins to tie the score. Sherman Rees, guard for the home team, dribbled through for a field goal which moved Springfield into the van. At this stage Hunt performed in rare fashion. He put a cluster of four baskets into the twine, as he and his mates worked in telling style. When Charley Collins added a foul, he made the score read 13 to 2 in favor of Springfield.

The lead dwindled as Providence finally began to make profit out of the penalty shots awarded the invading team. A pair of baskets by Ed Reilly, superb Providence passer, gave further evidence that the Rhode Island team's attack had commenced to function. Then Dick Bracken, mature forward of the Providence quintet, horned into the scoring picture with a free throw and basket. The half ended with the teams tied at 14-all, inasmuch as Sherm Rees scored from the 15-foot line for Springfield.

Springfield had three reserves in action when the second half started. Ed Koslowski, Providence captain, put his team in the lead with a basket at the end of a pass from Kutniewski, but Springfield regained command when "Shadow" Collins and George Cella, regular forwards, supplied brilliant shots while in full motion. Jack Savane helped the Springfield cause to the extent of one basket. Providence took time out. On the resumption of play the Rhode Island basketekers benefitted from some torrid work by Bill Kutniewski and Sam Shapiro. Kutniewski, a ball hound if ever you saw one and captain of Providence's 1934 football squad, tallied twice at the end of smart plays, while Shapiro's accuracy earned him two baskets. In due time Providence had a margin of five points.

Kutniewski a Demon

Despite a good set shot from Desoe's hands and a nifty basket by Cella as he cut through the foul zone, the Providence team clung fast to its five-point lead. Little Charley Collins of the home team turned in a dazzling push shot from a distance and bespectacled Jesse Brown likewise brought a gasp with an unusual field goal, but Providence had found its true stride. When Kutniewski elected to content himself with purloining Springfield passes, Ed Reilly sauntered down the court long enough to collect another brace of scrimmage goals and assure Providence of victory. Kutniewski and Bostick, a reserve, registered from the floor prior to the final whistle, which left Providence in the van, 45 to 33.

Kutniewski revealed himself as the outstanding figure yesterday. He raised havoc with the long, lob passes the anxious Springfield team insisted on throwing. The energetic Providence guard proved to be "on the ball" throughout the game. For artistic passing with either hand Ed Reilly of the visitors left little to be desired. Ziment, a fleshy sub, did not creep into the scoring picture but he had a knack of putting Providence's offense in shape. Springfield played scrappy ball, the keen desire on the part of the sophomores to win caused them to be guilty of some loose defensive work, however. The young pupils of Coach E. J. Hickox at times did not have their foes properly spotted.

Inferior foul-shooting by both teams marked the game. The conquering Providence team turned only seven of about 19 gift tosses into points. Springfield could garner only three of 17 possible points from the line of least resistance. The referees, Robert Jackson and Walter Day, had to be on the move at all times to keep watch over the zealous athletes. The score:—

Friars Beat Lowell Textile as Brachen Stars 46 to 33

Star Left Forward Scores 19
Points.—Bay Staters Lead
at Halfway Mark.

Lowell, Mass., March 2.—(AP)—Dick Brachen ran wild against Lowell Textile tonight and was the outstanding figure in the 46 to 33 victory of Providence College.

The flashy Friar forward shot baskets with uncanny accuracy to account for 19 points. Textile started strong and was able to lead the Providence five 24 to 21 at half time. In the final stanza the Lowell defence collapsed before the strong passing attack of the Friars.

The summary:

FRIARS FACE W. P. I. QUINTET TONIGHT

Undefeated Yearlings Meet New
Bedford Textile in
Opener.

LINEUPS AT HARKINS HALL.

PROVIDENCE

WORCESTER

COLLEGE.

TECH.

Shapiro, I. f. I. f., Norton
Brachen, r. f. r. f., Hendricksen
Koslowski, c. c., Svenson
Reilly, I. f. I. f., Warwick
Kutneski, r. f. r. f., Phelps
Time 9 p. m. Referee, Charles Schurman.

Boasting a winning streak of four straight games the Providence College Varsity basketball team will make its final appearance on its home court tonight when it faces the Worcester Polytech quintet at Harkins Hall. The Friars have taken the measure of Harvard, the Coast Guard Academy, Springfield and Lowell Textile, all in a row, and have a record to date of 10 victories and five defeats.

The Friar Freshmen, undefeated in 16 starts, will provide the first part of the attractive double-header which has been arranged for the local court tonight, meeting the fast New Bedford Textile five at 7:30. Captain Al Hagstrom will lead a team of Ray Belliveau, forward; Ben Smith, centre; Leo Davin and Joe Carew, guards, against the Textilers and expects his teammates to continue their better than a point-a-minute pace.

Worcester Tech comes to Providence with a reputation for being a thorn in the side of stronger fives and gave Lou Bush and his Massachusetts State cohorts a hard battle Saturday, losing in the last half 43-33. In the forward berths Tech will have Sonny Norton and Fritz Hendricksen, a stellar pair of ball handlers. At centre the clever Norm Svenson will match wits with Capt. Eddie Koslowski, Friar pivot man. In the back court the Worcester team has lost Joe Sukaskas, veteran guard, but will send Capt. Mike Warwick and Jim Phelps against the Black and White outfit.

To stem the attack of the Engineers, Coach Albert McClellan will start Bill Kutneski, who has contributed a large share of points to the Friar cause, and Eddie Reilly, who will be playing his last game before a home audience. Capt. Eddie Koslowski will be at centre, with Dick Brachen and Sam Shapiro at the forward posts. The first two mentioned will be among those on the squad making their last appearances in a college game on the Harkins Hall court. In reserve the Friars will have Ollie Roberge, Jim Bostick, Oc Perrin, John Madden, Abe Feit, Jake Ziment and John Morrison.

The Friars made an auspicious start of their season and seem headed for a similar finish. As a whole the team has shown improved teamwork in turning back its last four opponents. Dick Brachen leads the scorers, whose records follow:

Allan Brachen	135
Samuel Shapiro	102
Capt. Ed Koslowski	92
William Kutneski	80
Edward Reilly	55
John Ziment	25
Frank Feit	15
James Bostick	11
Oliver Roberge	5
Oscar Perrin	4
John Madden	2

DOMINICANS TRIP WORCESTER TECH QUINTET 58 TO 21

Providence College Freshmen
Swamp New Bedford Textile 59 to 21.

Both the Providence Varsity and Freshman basketball teams were victorious last night at Harkins Hall, the Varsity downing Worcester Polytech, 58-21, for their fifth straight victory, and the Freshmen swamping New Bedford Textile, 59-21, for their 18th triumph. Accurate shooting and a fast passing game enabled the Friars to stay out in front all the way.

Dick Brachen ended his career on the Harkins Hall court in a burst of glory as he caged seven field goals for the evening's high total. His twist shots were of the spectacular sort and all of his shots came from under the basket. Capt. Edward Koslowski and Edward Reilly, centre and guard, also turned in fine performances in their farewell appearance on the Friar court.

At the half the Friars enjoyed a 31-11 edge and Coach McClellan gave his reserves more action than they have seen all season. The work of Oliver Roberge, three sport star; Jake Ziment, Jim Bostick and the entire sub team was outstanding. Dick Brachen had the first few minutes of play almost wholly to himself as he sank four goals. Sonny Norton caged the first goal of the game to give his team a short-lived 2-0 lead. Brachen cut this down and fast break-aways by Bill Kutneski, Sam Shapiro and Ollie Roberge sent the Friars far in the lead.

The prospects for another strong dynasty of basketball players at Providence College are very bright, and the Freshmen who ended their home court season last night hope to take up the work where the Varsity left off. Six Dominican players, Dick Brachen, Capt. Koslowski, Ollie Roberge, Ed Reilly, John Morrison and Oc Perrin bid adieu to a home audience and brought to a close the dynasty of men who have made history for Providence from their Freshman days up through the years.

Joe Carew with 11 points, Al Hagstrom with 10 and Ben Smith with 10 points were the big guns which the Textillers could not stop, as the Freshmen started their second team and alternated with the regulars. Ray Belliveau and Carl Angelica turned in capable displays for their team. On the visitors' lineup the outstanding men were Crowley, Clark and Aulisio. Aulisio went out on fouls toward the end of the game.

P. C. FIVES GET SET FOR BROWN

Close Contest Looms Tomorrow; Reilly, Friar Guard, Sustains Injury.

The Providence College basketball teams will hold their final practice today in preparation for their annual classic with Brown University on Saturday evening. It appears that the contest will be one of the basketball treats of the year since Brown showed marked improvement on Wednesday when it defeated the favored Rhode Island State quintet. Enthusiasm at Providence College has been given fresh impetus as the possibility of a close game with Brown looms on the court horizon. Daily papers at the local college carried editorials yesterday urging the entire student body to support the teams in what promise to be their most interesting games.

Hopes of the Friar stalwarts were somewhat dimmed yesterday when Edward Reilly, star guard on the regular five, reported an injury to his hand. In the game with Worcester Tech on Wednesday, Reilly was spilled under the basket and shaken up badly, but continued after a short rest. His fall proved to be more serious than was first indicated and he went to see the team doctor yesterday afternoon. However, Ollie Roberge, stellar Friar utility man, is ready to step into the breach and is in fine condition after the Tech game.

Coach Albert McClellan is particularly proud of his Freshman five which has made a record which will be hard to duplicate. In 18 games the yearlings have won each time and have scored 939 points to their opponents' 492. The schedule for the first-year quintet has included the outstanding prep schools in New England, business schools of Varsity calibre and the Springfield jayvees. In meeting Brown, '37, the Freshmen will close a season which has had its thrills and close calls, but which will go down in P. C. sport history as an outstanding achievement.

Six Dominican players will close their court careers tomorrow night and will leave gaps which Coach McClellan hopes to fill from his capable Freshman squad. Capt. Edward Koslowski, Bridgeport, Conn., was picked as centre of the all-New England five last year and is considered to be one of the best pivot men in Eastern court circles. Allan "Dick" Brachen, Port Chester, N. Y., has been leading scorer for the past two seasons and captained the P. C. Varsity during the 1932-33 campaign. He was named on the second all-American basketball team a year ago and has held a guard and a forward berth on the all-New England quintet.

Edward Reilly, Bridgeport, Conn., has been in the regular lineup for three years and broke into the starting team when Dick Brachen was moved from a guard post to his present forward position. Ollie Roberge, who holds nine Varsity letters, is the utility man on the Friar squad, and plays all posts with finesse. Oscar Perrin, Albany, N. Y., has been a reserve for two seasons and has done consistently good work while he has been on the floor. John Morrison, Staten Island, N. Y., is also a reserve who starred on the Freshman team a few years back.

Revived Brown Team Looms

as Threat to Friars

in Annual Court Battle

Close Game Foreseen at Bears' Gym

**Brown, Heartened by Win
Over State, Out to Upset
City Rivals**

By GERALD PRIOR

(News-Tribune Sports Writer)

Providence College tangles with Brown at Brown gym tomorrow night in a basketball game that carries more advance color than any previous court clash between the intra-city rivals.

Gerald Prior

The game—annually attractive because of the home-town rivalry angle—has picked up additional interest during the past few days because of Brown's inspired performance Wednesday night in trimming Rhode Island State.

Previous to that Brown-State game, Providence College was a top-heavy pick to take the Bears. But the Bruin's win over State's vaunted "point-a-minute" team makes tomorrow night's game a horse with another jockey.

In running up a 47-29 margin over State, Brown proved that, given a jab or two of inspiration, it has what it takes to make trouble for any opposition, no matter how classy.

Brown supporters can see the same Bruin club causing all sorts of grief for a Friar quintet, which will be finishing up the heaviest, most wearing schedule it has tackled in the brief but brilliant history of basketball at the Dominican college.

DOMINICAN RECORD

The Dominicans haven't carved out as fine a record this season as they have in some other recent years, but they've made a creditable showing. They've been licked five times. All the defeats came at the hands of hefty foes, St. John's, Dartmouth, Army, St. Thomas' and C. C. N. Y. And they have 11 well-earned triumphs to over-balance those five setbacks.

Previous to the State game Brown appeared headed for a so-so season, but with that contest the Bear has leaped out of mediocrity to a spot close to brilliance. It can make the final jump to the heights by finishing its campaign with an upset win over the Friars tomorrow night.

A win over the Friars would give Brown not only the city championship but also a fair claim on the Rhode Island collegiate championship. State licked Brown earlier in the season, but Thursday night's win over the Rams more than wiped out that setback.

The city championship and the State title also beckon to the Friars. And they have an additional reason for victory in the fact that this game will mark the breaking up of a squad that has brought the Dominicans up to the heights during the past four seasons.

FRIARS IN WINDUP

Six seniors on the team are scheduled to depart over the sheepskin trail next June after having performed for the Dominicans either as reserves or regulars during the past four seasons.

The lads who will be playing their last collegiate game for the Friars tomorrow night are Capt. Dick Brachen, mentioned for all-Eastern and all-American honors during his career at the Dominican institution; Eddie Koslowski, last year's captain and also a recipient of "all" team honors in seasons past; Eddie Reilly, clever, regular guard; Ollie Roberge, utility performer and all-around athlete; and Johnny Morrison and Occ Perrin of the reserve staff.

In tomorrow night's starting lineup Capt. Brachen will pair with slithery Sam Shapiro in the forward court, Koslowski will be at centre and Reilly and Bill Kutniewski will be the guards.

Brown will depend upon the hook-up that brought it victory over State with Howie Floren and Henry Malkowski, hero of the State game, at the forwards; Dick Morse at centre and Capt. Oscar Hammer and Al Simonds, guards.

FRESHMEN IN PRELIM

In a preliminary to the 'varsity game the Freshman teams of the rival colleges will clash. The undefeated Friar frosh will be seeking their 19th straight triumph and are favored to get it.

Past Providence College-Brown 'varsity records:

	P.C.	Brown.

BRUIN FIVE READY FOR YEAR'S FINALE AGAINST FRIAR QUINTET

**Bears Heartened by Victory
Over Rams; Game Carded
at Brown Gym Tomorrow;
Cubs Play in Prelim**

By JOE NUTTER

Heartened by the great victory that the Brown basketball five turned in over Rhode Island State College, the Bruin quintet made ready today for the season's finale against Providence College tomorrow night. The belief atop College Hill is that the Bruin can defeat the Dominicans if he can maintain the fast pace that was set against the Kingston team Wednesday night.

Coach Arthur D. Kahler will keep his Varsity combination intact, with Howard Floren and Henry Malkowski, forwards; Dick Morse, centre; and Alvan Simonds and Capt. Oscar Hammer, guards. That group played 37 minutes under the driving pace that Rhode Island set up, and Kahler thinks that they can duplicate that trick again.

FRESHMEN QUINTET

TO PLAY PRELIMINARY

The Brown freshmen and the Providence College freshmen will open the double-header tomorrow at 7:30 and the two Varsity teams will take the floor at 8:45. The Varsity game will be played under Intercollegiate League officiating, insuring fast, continuous action.

Coach Al McClellan will start his regular lineup of Sam Shapiro and Allen Bracken, forwards; Capt. Edward Koslowski, centre, and William Kutniewski and Edward Reilly, guards.

Providence College with 11 victories must be rated a pregame favorite, for the Friars have compiled a finer record than the Bruin. But for that matter, Rhode Island had a better record than the Bruin, and records meant nothing at all once the Bruin swung into action in that game.

Kahler gave his men a complete rest yesterday and they remained away from the court today. Kahler figures that they have had all the drill they need.

In meeting Providence College, Brown will not be required to face the unweildly wealth of capable reserves that Rhode Island had, but the Dominican first team will be much larger than anything Brown can muster. That doesn't bother Kahler for he feels that his team, playing as it did against Rhode Island, will be able to off-set any advantage in weight or height.

SEASON HAS BEEN GOOD ONE FOR BEAR 'VARSITY

But win, lose or tie, this is still Brown's greatest season under Kahler direction. Kahler is completing his third season. His first team won two games, his second finished ahead in six, and this year's team has already won seven, and Kahler hopes to make that eight tomorrow night.

Here is the Providence College record:

Providence.....	47	East Stroudsburg State Teachers	35
Providence.....	35	Yale	32
Providence.....	31	St. John's (Brooklyn)	43
Providence.....	40	Columbus Club (Bkn)	27

Thumb-nail sketches of the five Friar starters:

Centre

Edward Koslowski, '34, of Bridgeport, Conn. Captain of the 'Varsity team. Picked centre of the all-New England team last year. Stands six feet two and weighs 195. One of the best pivot men in Eastern college ranks. Is also a regular outfielder on the 'Varsity nine. Prepared for college at Warren Harding high and Samuel Johnson Academy. Wears No. 25.

Forwards

Allan R. (Dick) Bracken, '34, of Portchester, N. Y., who captained the 'Varsity through its successful campaign of 1932-33. Named on the second All-American basketball team as a forward, and for the past two years has been on the all New England team. Led Friars in scoring last winter with an average of 13 points per game. Stands 6 feet 1 inch and weighs 185. Wears No. 27.

Sam Shapiro, '35, of Lynn, Mass., who teamed with Bracken last winter to give the Friars a great front court combination. Stands 6 feet 1 and weighs 170. Very fine passer and a good shot. Member of junior 'Varsity baseball team last spring. Prepared for Providence at Lynn English high and Samuel Johnson Academy. Wears Jersey No. 8.

Guards

William Kutniewski, '35, of Providence, who is one of the finest all-round athletes ever developed in Rhode Island. It captain of the 'Varsity football team for next fall. Stars on the gridiron as a guard, and last fall was named by many coaches as one of the leading linemen in this section. Very aggressive and a tireless worker. Stands 5-10 and weighs 193. Is numbered No. 31. Prepared at Commercial high in Providence, where he won honors in football, basketball, baseball and track.

Edward Reilly, '34, of Bridgeport, Conn. Another senior member of the Friars veteran aggregation. Is starting his third season as regular back in basketball. For past two campaigns has also starred in baseball as shortstop of the 'Varsity nine. Stands 5-9 and weighs 170. Clever passer and good defence man. Prepared at Central high in Bridgeport, Conn. Wears No. 21.

Bruins and Friars Conclude Basketball Season Tonight

Brown to Start Same Five Men
Who Opened Against Rhode
Island State.

LINEUPS AT BROWN GYM

BROWN.	PROVIDENCE COLLEGE.
Floren, I. f.	I. E. Brachen
Malkowski, r. f.	R. L. Perrin
Morse, c.	Capt. Koslowski
Capt. Hammer, l. g.	I. G. Roberge
Simonds, r. g.	R. G. Kutneski
Freshman game—7:30 o'clock.	Varsity
game—8:45 o'clock.	

Spurred on by a brilliant victory over Rhode Island State earlier in the week, the Brown basketball team will oppose the highly-touted Providence College quintet tonight at the Brown gym with high hopes of upsetting the Friars.

Coach Arthur Kahler of the Bears will depend on the same five men that played all but two minutes against the Rams to carry the Brown attack again tonight. This means that Howie Floren and Henry Malkowski will be at the forward berths with Dick Morse at centre and Capt. Oscar Hammer and Al Simonds, guards.

Simonds is the only one in the group who is not a veteran. He is a Sophomore but has come along fast and is now rated as one of the outstanding players on the entire Brown squad. The Bruins have been resting for the last two days. Kahler states that his men are at top form and they need no more practice.

* * *

This game closes the season for both clubs. In order for the Bears to win they must press the attack every second. This is the style of play they used against Rhode Island State. In that game the Bears jumped into the lead soon after the opening whistle and never ceased their continual bombardment of the State basket.

The Friars will have the advantage of height in the game, but the Bears figure that they can offset this by a fast offensive.

Coach Albert McClellan of the Friars may have to make one change in his regular lineup. Edward Reilly, star guard, suffered an injury to his right leg in the game with Worcester Tech on Wednesday and it is doubtful if he will be able to play tonight.

McClellan has a fine group of reserves available. Oliver Roberge looms as the most logical candidate to take Reilly's guard berth. If it is at all possible, Coach McClellan will start Reilly. An examination of the injury will be made by the team physician today.

Four seniors will be in the Friar starting lineup if Roberge plays. They are Allan Brachen, Oscar Perrin, Capt. Koslowski and Roberge. There is a slight chance that McClellan may start another Senior in place of Bill Kutneski regular right guard, who is a Junior.

In Final Home Game

Dick Brachen, Providence College veteran, who will face Worcester Tech quintet at Harkins Hall tonight.

* * *

In a preliminary game the undefeated Friar Freshmen will play the Bruin yearlings. The P. C. Freshmen have won 18 straight games. When the Freshman captains meet in the centre of the floor to discuss the home court rules there will be no need for introductions. Capt. Alfred "Gus" Hagstrom of the Friar Freshmen and Captain Piggs of the Bruin Freshmen were team mates on the Gloucester high five and both later went to Cushing Academy.

The Varsity series has resulted as follows:

1921-22—	Providence College	12,	Brown	48
1927-28—	Providence College	31,	Brown	19
1928-29—	Providence College	49,	Brown	23
1929-30—	Providence College	30,	Brown	20
1930-31—	Providence College	47,	Brown	28
1931-32—	Providence College	51,	Brown	34
1932-33—	Providence College	50,	Brown	26

In the three contests played between the yearling teams the outcomes have been:

1930-31—	Providence,	'37, 50,	Brown,	'37, 13
1931-32—	Providence,	'37, 31,	Brown,	'37, 22
1932-33—	Providence,	'37, 30,	Brown,	'37, 25

Coach McClellan will be completing his seventh year as basketball coach at Providence College tonight and has turned out two teams this season which rank with his best offerings to the court game. In particular he feels that the present Friar Freshman outfit will rank with the best yearling teams in New England. The first-year quintet has met representative basketball fives including the Springfield jayvees, business colleges of near-Varsity calibre and outstanding prep teams.

The athletic council of Providence college has ruled that the Freshman basketball season will end with the game with the Brown Freshmen. This means that the five will not be entered in the State amateur tournament as was reported recently. Because of the long schedule which they have played, and since many of the basketball players will be candidates for the baseball team, which will be called out shortly under Coach Jack Flynn, veteran big leaguer and Friar mentor for nine years, the authorities have decided to terminate the season today.

FRIARS OVERWHELM BEARS IN FINAL HOOP GAME 41-24

Friars Rally to Trip Bears 41-24 in Final Hoop Game

Hammer, Brown Captain, Is
Forced Out of Tilt by
Fouls.

With their highly-gearred scoring offense completely stopped in the first half, the Providence College Friars were forced to stage a brilliant rally in the second half to beat the Brown basketball forces, 41 to 24, last night at the Brown gym in the final game of the season for both teams before a crowd of 1200.

The Bears staged a dazzling defensive game to force the Friars to fight uphill most of the first half. The Smith Hill five led at halftime, 14 to 12, but only after the Bears had been in the lead four times during the period.

Coming back strong after the rest period, the Friars, making frequent substitutions, wore down the tired Bruins and coasted to victory. The Bears made their last strenuous bid for victory five minutes after the second half had got underway to tie the count at 16 to 16. After that the Providence College quintet went on a scoring spree never to be threatened again.

The game, played with Intercollegiate league officials in charge, was a rough one. Thirty-five personal fouls were called by the two officials.

Oscar Hammer, captain of the Bears and playing his last college game, was forced out of the contest after 14 minutes of play because of making four personal fouls. His absence weakened the Bears considerably. Bob Johnson, his substitute, performed brilliantly until he, too, went out of the game on fouls in the second half.

During the first half the Bears more than held their own against the rangy Providence College team. They played the same fast passing game as they did against Rhode Island State earlier in the week to throw the Friar stands into fear that their team was to meet the same fate as the Rams.

Game played: March 10, 1934

Henry Malkowski, the little forward on the Brown team from Central Falls, once more turned in a sparkling performance. He was the high scorer of the game with 11 points. Allan Brachen and Sam Shapiro, Friar forwards, tied for the runner-up honors, each registering 10 points.

Dick Morse, Howie Floren and Malkowski did all the scoring for the Bears. Outweighed and much smaller in height than their Providence College opponents, the Bears nevertheless forced the issue all the way. Al Simonds, the Bruin guard, also was outstanding for the Bears. He caused the P. C. forwards all kinds of trouble.

As the first period opened, Malkowski dropped in a one-hand toss from the corner to give the Bears a 2 to 0 lead. Then Kutneski caged two foul shots to tie the score. Brachen followed by sinking a setup shot and making good on a foul. Then the Bears started to work and soon were out in front, 6 to 5. The Friars tied the count at 6 to 6, but the Bears were ahead at the 10-minute mark, 8 to 6, when Morse crashed through the Friars' defence on a quick dribble.

Again the Friars tied the score, this time at 8 to 8, when Brachen came through with a field goal from the side, but the Bears took the lead again on Malkowski's basket from the foul line. Here the first Friar substitutions were made in an effort to bolster the attack. A minute later Hammer and Ziment collided and a double foul was called. It was the fourth foul for the Bruin captain, forcing him out of the game.

Another one-hand shot, this time by Floren, increased the Bears' lead to 12 to 8. Again the Friars came from behind to tie the score when Shapiro and Ziment registered. Bill Kutneski was cut over the eye in a scrimmage under the Friar basket and left the game to have repairs made. Two foul shots, one by Brachen and the other by Koslowski, gave the Friars their two-point margin at the half.

After the Bears had tied the score at 16 to 16 in the second half the Friars tumbled into a 32 to 16 lead. Once out in front by a comfortable margin, the Friars applied the pressure to sew up the victory. Ziment went out of the game on fouls after nine minutes in the second half. With eight minutes left to play the Smith Hill quintet was out front, 32 to 21.

In the last few minutes the Bruin reserves took up the fray. Morse and Malkowski, however, played the entire game without substitution.

In the preliminary, the Providence College Freshmen also staged a second rally to down the Brown Freshmen, 50 to 13. At halftime the Friar yearlings were leading, 24 to 12. It was the 19th victory for the yearlings and enabled them to close their season with an undefeated record.

***He's Captain Bill
For Two Teams Now***

Bill Kutneski, above, elected last fall as captain of the 1934 Providence College football eleven, today was accorded a second honor when he was made leader of next year's basketball quintet.

KUTNESKI IS NAMED DOMINICAN CAPTAIN

1934 Football Leader Also Will Head Basketball Forces Next Season.

The election of William Kutneski, '35, of Olneyville to the basketball captaincy of Providence College marks the first time in the athletic history of the local institution that a Rhode Islander has been given that honor. In the 12 years that the Friars have competed on the basketball court it is also the first time that the football captain-elect has been made basketball captain-elect.

Kutneski, a graduate of the old Commercial high school with the class of 1930, is, without question, one of the most versatile athletes developed in this State in the past few years. At Commercial he played in four sports but has confined himself to football and basketball at Providence College. In his schoolboy days he was the Brown and White's leading court player and graduated with the distinction of being one of the best all-around athletes ever turned out by his school.

Of the eleven men who formed the Providence College basketball squad which just finished a successful season, Bill Kutneski is the only resident of this city. However, his stellar work this year with the courtmen won him the post of captain for 1934-35. Although records were not broken this year by the Friars, they turned in a season which was highly pleasing to their followers. When Bill takes charge next year he will have Sam Shapiro, John Madden, James Bostick, Abe Feit, Jack Ziment and Pat Morrison from this year's team, and 11 promising men from the undefeated Freshman squad.

Kutneski showed much promise during his Freshman year and has come forward rapidly during the past two seasons to take his place among the cream of Providence College athletes. In refraining from play with the baseball team during the spring months, Bill allows himself a chance to rest up after six months of strict training rules. Along with his brilliant athletic record Bill has achieved marked success in his academic work. After three years work at guard in football and two years of play at the same post in basketball the new captain-elect has risen to the peak as leader of both squads.

The election of the Providence player caused favorable comment on the Providence campus yesterday and is considered to be one of the most popular choices ever made by Dominican lettermen. In football the captain-elect has been rated by coaches as one of the outstanding line men in New England and has drawn the attention of court mentors by his capable play, both defensively and offensively.

Prior to the election yesterday afternoon 13 Varsity letters were awarded and 11 sets of Freshman numerals were distributed to the yearling squad. On the Freshman squad John Fairbrother of Pascoag was the only Rhode Island youth to win numerals. The list of awards announced yesterday includes:

Varsity—Capt. Edward Koslowski, Bridgeport; Capt.-elect William Kutneski, Providence; Allen R. Brachen, Port Chester, N. Y.; Edward Reilly, Bridgeport; Oliver Roberge, Bristol, Conn.; Samuel Shapiro, Lynn, Mass.; James Bostick and John Ziment, Hoboken, N. J.; Abraham Feit, Patterson, N. J.; John Morrison, Staten Island, N. Y.; Oscar Perrin, Albany, N. Y.; John Madden, Pittsburgh, and Manager Frank J. Reavey, of Providence.

Freshmen—Capt. Albert Hagstrom, Charles Gallagher, Fred Collins, John Smith, Raymond Belliveau, Joseph Carew, Leo Davin, John Fairbrother, Milton Bleiden, Carlo Angelica and Manager Francis J. Holden.

COLLEGE BASKETBALL SHOWS GAIN IN ATTENDANCE IN N. E.

Majority of Teams Use the Man-to-Man Defence; Five Colleges Favor League Officiating

By JOE NUTTER

That basketball is definitely on the upward swing in the colleges of New England as proven by general attendance figures and interest on the part of the players, students and the public is proven by the answers to a questionnaire that Coach Arthur D. Kahler of Brown mailed to all New England coaches for data that will be used in his report at the National Coaches Meeting at Atlanta this week-end.

The majority of teams use the man-to-man defence, while a few use a combination of the man-to-man and the zone; the majority of New England coaches favor New England officiating as opposed to league officiating; there is general agitation for the formation of a league; the majority want greater standardization in officiating, the majority want two officials for all games, and all see a fine future for a game that is constantly increasing its tempo in the East.

Kahler is the New England member of the National Rules Committee, and his report for the First District that embraces New England will cover the several points that he has brought out in his questionnaire.

15 COLLEGES USE MAN-TO-MAN DEFENCE

Fifteen of the 21 teams answering the questionnaire used a man-to-man defence, that group including Vermont, M. I. T., Norwich, Wesleyan, Williams, Yale, Springfield, Northeastern, Brown, Providence College, Dartmouth, Rhode Island, Trinity, Massachusetts State and Harvard.

Clark University used a zone defence, and New Hampshire, Connecticut, W. P. I., Boston University and Tufts used a combination of the two.

Seven colleges reported that the attendance at the home games was greater this season than last, six found a falling off in attendance and six found the attendance figures of 1933-34 identical to those of the previous year. Those noting an increase were W. P. I., Tufts, Mass. State, Trinity, Northeastern, Norwich and Vermont, partially, at least, proving the old adage that the crowds follow the winners.

Norwich and Vermont did not have great teams, but Tufts, Massachusetts State and Trinity and Northeastern all have fine combinations. Harvard, Springfield, Rhode Island, Clark, New Hampshire, and Connecticut found their attendance about the same. And almost to a man the New England college coaches feel that basketball interest is on the upswing in New England.

FIVE COLLEGES FAVOR LEAGUE OFFICIATING

And Yale, Brown, Harvard, Dartmouth and Williams favor Eastern League officiating as opposed to the New England variety. It must be noted in this discussion that this is the view of the coaches only, and that a vote of the spectators and players would be very likely to bring an overwhelming majority vote for the league officiating. Al McClellan of Providence College pointed out in his answer that his view of the work of league or New England officiating depended entirely on the officials, and that answer leads us off in another direction.

Not a few of the coaches want standardization of officiating in some definite direction, some decriing the tendency to permit the game to "get away" a bit so that it will be rough, others decriing the tendency to keep the damper on too hard. Most of the coaches felt that there should be some definite medium that would govern all officiating, so that all of the teams would know exactly what was expected of them before they ever took the floor. And most of the coaches would have two officials work a game. Most of the lot are satisfied with the present rules.

One coach, whose name must remain unonymous, thinks that the "New England officials think that the people

come to see them officiate, instead of the game, and that they blow the whistle too much." Another thinks "that the New England officials appear too technical, some of the Eastern League officials go to the other extreme."

Maine, Bowdoin, Bates and Holy Cross do not boast Varsity basketball teams, Holy Cross being the only member of the quartet that boasts an intercollegiate team, and that is a Freshmen five.

And there was ample agitation in favor of a league. Charley Caldwell of Williams would have Eastern New England and Western New England leagues, with a play-off at the close of the season. Several others would have a general New England League, some citing that as the salvation of basketball in this section.

The season's records of the reporting teams follow:

	Won.	Lost.
Massachusetts State	12	0
Trinity	11	1
Rhode Island	13	3
Tufts	11	3
Dartmouth	13	7
Providence College	12	5
Northeastern	9	4
Springfield	11	5
Yale	14	9
Williams	7	6
Wesleyan	6	6
Boston University	5	6
Brown	7	9
W. F. I.	6	8
Connecticut	5	10
New Hampshire	5	8
Norwich	4	8
Clark	3	12
M. I. T.	2	8
Vermont	4	10
Harvard	3	19

McClellan Named Leader Of N. E. Basketball Coaches

Friar Mentor Has Completed
Eighth Successful Court
Season.

Albert J. McClellan, coach of basketball at Providence College, was named president of the New England Association of College Basketball Coaches at a meeting held recently in the Harvard Varsity Club, Cambridge. The Friar court mentor, who has headed basketball at the Dominican college for eight seasons, just completed another successful year during which his Varsity won 12 games and lost five and his Freshmen went undefeated in 19 contests.

At the association meeting a New England Conference of court fives was suggested and several changes in rules were discussed. The changes were taken under consideration but the plan for a league of New England college teams was tabled for later action.

The new president of the coaches' association is one of the few commuting mentors in New England, travelling over a hundred miles daily during the season to direct the Friar court squads. His teams have won 124 games and dropped 48 and have made a reputation which places them high in the basketball world.

Under McClellan the Providence College Varsity teams have won 87 games and lost 34 while the Freshmen quintets have earned 36 victories and lost to 10 opponents.

Coach McClellan's best year was 1923 when he had a five of championship calibre and placed Johnny Krieger on the All-American team. His wide experience in basketball was gained through competition with Salem High and St. John's prep teams and in later years through coaching at these same schools. His ability to judge the strength of his own teams and the opposition has been one of the factors contributing to the

Al McClellan

success of his quintets. This year he came very close to the actual outcome when, early in the season, he predicted the record his 1934 team would make.

Statistics show that Coach McClellan's varsity finished in sixth place among New England court teams this year. Victories over Yale, Springfield, Brown and Harvard were some of the highspots of the recent Friar campaign. With a big shakeup in his squad due to the graduation of six regulars, Coach McClellan is nevertheless looking forward to a good season. He has eleven men coming up from the Freshman squad who could combine with the veterans to give Providence College another strong court quintet.

Leader of Friar Freshmen

Alfred Hagstrom, captain and left forward, of the Providence College Freshman basketball team.

Undefeated Providence College Freshman Team

Front row, left to right—Raymond Belliveau, forward; Milton Belden, guard; Captain Alfred Hagstrom, left forward; Charles Gallagher, right guard; Carlo Angelica, guard. Back row—Joseph Devenish, assistant manager; John Lefebvre, forward; Fred Collins, centre; John Smith, centre; Leo Davin, left guard; Joseph Carew, right forward; John Fairbrother, forward; Frank Holden, manager.

FRIAR FRESHMEN FACE 21 GAMES

Basketball Schedule Provides
Contest with 14 Teams
Around New England.

A Freshman schedule of 21 games was announced last night for the yearling basketball squad of Providence College by Graduate Manager of Athletics John E. Farrell. The schedule provides games with 14 teams, some of which will be played on a home and home basis and will test the ability of the Friar freshman team which is regarded as an exceptionally strong aggregation.

In comparison with the nine-game schedule of last season this year's list of contests is a long step towards the adoption of regular sport activities for first year men.

On the schedule there are 11 games on local courts with nine of them slated for the Harkins Hall floor. Eight new opponents will appear against the Friar yearlings, including Oxford School of Cambridge, Mass.; Providence Division of Northeastern University; Springfield J. V.; Durfee Textile; Boston Boys' Club and the American International College of Springfield, Mass. Home and home games will be played with Bryant and Stratton; Holy Cross '37; New Bedford Textile; Assumption College, Worcester; Dean Academy; St. John's Prep; and Becker College. The St. John's Prep and Becker games have been fixtures for the past two years. As usual Bryant and Stratton's fast quintet will open the Friar Freshman schedule and the annual wind-up game with the Brown Freshmen will again end the season.

In scrimmages to date several men have shown that they have the ability to win a place on the starting five which will open against the Bryant and Stratton Indians and Coach McClellan will watch them closely during this afternoon's and tomorrow's drills. A tentative line-up which would give the Bryant and Stratton quintet a stiff battle would include Jack "Ben" Smith at centre, Al Hagstrom and Ray Belliveau at the forward posts and Joe Carew and Harry Andrews at guard positions. According to athletic officials at the Dominican college, Alfred Hagstrom of Gloucester is one of the best set shots since the days when Jack Krieger was setting the pace for the Eastern high scorers at few years ago. Hagstrom made an impression on the coach by his accurate tosses from the first day he appeared on the Dominican practice floor. He is expected to team up with Ray Belliveau, Fitchburg's finest boy athlete in recent years.

"Ben" Smith at centre is well over six feet tall and handles the ball well with his pair of massive hands. In the back court the Freshmen have Joe Carew, leading scorer in prep school ranks in Maine two years ago, and a trio of men who are eligible for the call at the other guard post, Harry Andrews, star of Rogers High's tournament team a year ago; Carlo Angelica, Enfield High athlete, who is a fast man on the court, and Charles Gallagher from Our Lady High, Newton, Mass.

Seniors predominate on the present Friar varsity outfit and Coach McClellan has sanctioned this long schedule for his yearlings in order to prepare them for the big jump into regular varsity competition next season.

The schedule follows:

Dec. 8, Bryant and Stratton; 9, Oxford School; 12, Holy Cross '37; 16, Providence "Y" Educ. Dept. at Y. M. C. A.

Jan. 13, New Bedford Textile at New Bedford; 17, Assumption College at Worcester; 20, Dean at Franklin; 27, Springfield J. V.

Feb. 7, Assumption College; 10, Durfee Textile at Fall River; 12, Holy Cross '37 at Worcester; 14, St. John's Prep; 15, Boston Boys' Club at Roxbury; 20, Becker College; 22, St. John's at Danvers; 24, Dean; 28, Becker College at Worcester.

March 2, Bryant and Stratton; 3, Amer. Inter. College at Springfield; 7, New Bedford Textile; 10, Brown Freshmen at Brown Gym.

FRIAR BASKETBALL COACH TO HOLD "CLINIC"

New Rules to Be Demonstrated and Interpreted Saturday Night

A basketball "clinic" will be held by Coach Albert McClellan at Providence College on Saturday night at which the new rules for the 1933 season will be demonstrated and interpreted. The Friar varsity squad will floor two teams for the demonstration. Coach McClellan will describe the new rulings and answer questions during and following the scrimmage. Several prominent New England coaches will be in attendance and will witness the game between the Friar Freshman quintet and the Oxford School five scheduled for that evening.

Game played: December 8, 1933

Friar Freshmen Beat Bryant
and Stratton 42-29.

In the Providence Freshmen-Bryant & Stratton game, Jack Smith with 15 points and Al Hagstrom with 13 were the outstanding performers. Smith was the steadiest player on the court. The Friar first-year team found it hard to get started, but after the half staged a scoring spree which sent them far ahead of the Indians. On the Bryant & Stratton five Elmer Duckworth was high scorer with 12 points, and the good work of Wright, Capt. Haslehurst and Kennedy kept the Indians in the running. Joe Carew was another standout on the Black and White yearling quintet. After the Freshman game Coach Albert McClellan appointed Alfred Hagstrom of Gloucester, Mass., captain of the Dominican Freshman five.

FRIAR FRESHMEN TO PLAY TONIGHT

The Providence College Freshman basketball team, which opened its season last night by defeating the Bryant and Stratton Indians, will oppose the Oxford School of Business Administration five from Cambridge, Mass., tonight on the Harkins Hall floor. Admission will be free.

Alfred Hagstrom of Gloucester, Mass., who was appointed captain of the Friar Freshman five after last night's game, will lead his team against the businessmen. Hagstrom was a regular end on the Freshman football team which won five out of six games during their season. After completing his high school career at Gloucester, Hagstrom attended Cushing Academy. His work on the gridiron drew comment from all sides and he was instrumental in several of the yearlings victories. On the court the Gloucester youth is a fine set shot and demonstrated his ability last night running up 13 points to take second high-scoring honors.

The Oxford quintet met the Rhode Island School of Pharmacy five on Tuesday and dropped a 47-15 decision to the Pharmacists. It will be the first time that the visitors have appeared on a Friar Freshman court schedule and Coach Al McClellan will field his best combination.

The starting lineups of both teams:

PROVIDENCE	OXFORD
COLLEGE '37	SCHOOL OF B. A.
Carey, r. f.	r. f. Dean
Hagstrom, l. f.	l. f. Marshall
Smith, c.	c. Prince
Angelica, l. g.	l. g. Bedell
Davin, r. g.	r. g. Richardson

Following the encounter with the businessmen, Coach McClellan will hold an open house at a basketball "clinic" in which every angle of the court game will come in for discussion. High school basketball coaches and squads from Providence and surrounding towns have been invited to attend the demonstration. The new rules for this year will be interpreted and then Coach McClellan will answer any questions on the Friar offensive and defensive formations. He will attempt to make clear any part of the Friar style of play in which his audience is interested.

The regular varsity lineup of Capt. Ed Koslowski, centre; Dick Bracken and Sam Shapiro, forwards, and Bill Kutneski and Ed Reilly, guards, will face a quintet of Ollie Roberge, centre; Jake Ziment and Frank Feit, guards, and Oc Perrin and John Madden, forwards.

FRIAR FRESHMEN TRIUMPHS 69-25

Defeat Oxford School Quintet. Players Demonstrate Rule Changes.

The Providence College Freshman basketball team scored its second victory of the season last night when it defeated the Oxford school quintet of Cambridge, 69-25. Coach McClellan of the Friar yearlings used his entire squad during the game, starting his second team against the visitors. The visitors flashed bits of good playing and scored several baskets after well completed plays.

Providence was never threatened after the first few plays and although the Oxford men staged a spirited rally in the third period they were not equal to the Friar manpower. Charles Gallagher, Friar yearling left forward, was high scorer with 17 points with Walter Garbocki next high man with 10 points. The three combinations used by the Friar first year squad worked well together with the regular first team showing a steadier attack and better defence.

On the visiting five Prince with eight points and Marshall with five points were outstanding. Capt. Pearce was forced out of the game on personal fouls after he had played a good game at right guard.

The game was witnessed by several coaches of local schools, who together with their squads were guests of the Dominican athletic authorities. After the game James Parker, Eastern inter-collegiate basketball official, explained the rule changes for this year and two Friar Varsity fives demonstrated them. A game followed which was interrupted in order that questions submitted by the spectators might be answered. Coach Albert McClellan and Graduate Manager John E. Farrell were a committee to arrange the demonstration.

FRIAR FRESHMEN CARD "Y" QUINTET

McClellan's Charges Will Be Seeking Third Straight Vic- tory Tomorrow Night.

The Providence College Freshman five will meet the "Y" Collegians at 8:30 o'clock tomorrow evening on the "Y" court. The Friar yearlings have defeated Bryant & Stratton and Oxford School by decisive scores and will be seeking to maintain the "point-a-minute" pace which has characterized their two victories.

Coach McClellan has not announced a starting lineup for the game, but the first string five of Al Hagstrom, recently appointed captain, at left forward; Joe Carew at right forward, Jack Smith at centre and Car Angelica and Leo Davin at the guards is sure to see duty. In scoring, Capt. Al Hagstrom leads the squad with 19 points. Rangy Jack Smith and Charlie Gallagher, adept reserve, are tied for second with 17 points, followed by Joe Carew with 12 points and Walter Garbecki with 10.

Gallagher showed a good eye for the basket in the game with Oxford School, making his entire total of points in that game. Another standout in the same contest was Walter Garbecki at left guard, who played a fine defensive game and accounted for 10 points in the team total. The Friar yearling second team, which is just a step below the regulats, includes Charlie Gallagher, left forward; Ray Belliveau, right forward; Tom Collins, centre; Walter Garbecki, left guard, and Harry Andrews, right guard. Andrews, former Rogers high star, has been ordered to rest over the week-end because of a knee injury, while Ray Belliveau may be kept out of the game tomorrow night to allow his bruised hip to heal.

Several of the Freshmen players practiced on the Harkins Hall court yesterday, although many were excused in order that they might attend the Varsity game in New Haven. An intensive drill followed the Varsity workout on Wednesday, and with another short practice today the Friar basketball mentor will select his starting lineup for the encounter with the Collegians.

FRIAR FRESHMAN FIVE WINS 81 TO 21

Swamp "Y" Collegians in Basketball Game.—Carew Is High Scorer.

Scoring at will the Providence College Freshman basketball team swamped the "Y" Collegians 81-21 last night on the Providence Y. M. C. A. court. At the halfway mark the Friar yearlings had marked up 45 points to the home-sters seven. The Friars played a steady game during the first half but were inclined to be wild during the second half, throwing away several scoring chances. The visitors made 31 points before Arnold, Collegian centre, sank two foul shots to chalk up the first score for his team.

High scoring honors on the Providence Freshman team went to four men. High scorer was Joe Carew, right forward, with 13 points, followed by Captain Al Hagstrom, Jack Smith and Charlie Gallagher, each with 12 points. On the home five Strickland, right forward, was high man with eight points. Arnold, Collegian centre, netted six points for his team.

During the first half the smooth working Providence Freshman attack had the Collegians bewildered. Coach McClellan started his first team with Charlie Gallagher at left guard in place of Carl Angelica. The regulars caught the Collegians flat-footed using a fast pass to a free man under the basket for several scores. The majority of the Friar scores came by this method with the ball being worked down to the foul line and a short pass to a free player.

As the first half drew towards its close the Collegians, inspired by Arnold's two successful foul shots, scored five points to advance their total. A basket by McElroy together with Stiles's foul shot and Allen's successful toss accounted for the points. In the second half of the game the Collegians caught the Friars napping and broke away down the floor with Newton and Strickland chalking up eight points. The Freshmen "point-a-minute" pace was momentarily checked and during the remainder of the game their attack was slower. Later in the second frame baskets by Arnold and Strickland brought the Collegians' total to 21 where it remained till the final whistle.

Coach McClellan used his squad of 12 men during the game making frequent substitutions. Ray Belliveau and Harry Andrews were cut of the lineup, the Fitchburg youth watching the game from the sidelines. Among the reserves who turned in a capable game were Walter Garbecki, Milt Bleiden, Fred Collins and Carl Angelica. The home quintet had several chances to score in the first half on breakaway plays but failed to cage the ball. Their play during the second half was steadier and they showed a stronger attack.

FRIAR YEARLINGS IN ACTION TONIGHT

Providence College First Year Quintet Meets Holy Cross Freshmen Here.

Providence College's first Freshman basketball team will swing into action tonight at Harkins Hall against the Holy Cross yearlings in the first of three contests which have been scheduled for the Friar first-year team this week. Coach Albert McClellan, who instructs both Varsity and Freshman court squads at the local college, will have his hands full this week with five games on the slate.

Scoring honors among the Friar Freshmen have been quite liberally sprinkled over the whole squad with forwards and guards coming in for recognition. Against Durfee Textile, Joseph Carew forged to the front, scoring 18 points. Leo Davin tops the high scorers with 106 points which is one point more than Dick Brachen, luminary of the Varsity hoopsters, has caged to date. Capt. Alfred Hagstrom is also right up with the leaders. Since his return to competition, Charles Gallagher has been heard from favorably in the way of point making.

Stronger opposition is looked for when the yearling Crusaders make their second appearance on the Harkins Hall floor. Coach McClellan will start his first team of Hagstrom, Carew, forwards; Collins or Smith, centre; Davin and Gallagher, guards. Holy Cross will send Kuziora, Gavin, forwards; Monciwz, centre; O'Neil, Spaeth, guards, into the fray in an attempt to even the series. The contest was originally slated for the Crusaders home floor but was shifted to Providence when no court was available in Worcester. So, although the game will be played in Harkins Hall, it will officially be Holy Cross's home game. Glenn O'Brien of Medford will referee. The game will start at 8 o'clock according to the usual custom at the Dominican college when one game is scheduled.

A light drill has been ordered for the Varsity tomorrow afternoon in preparation for the Harvard encounter. The players were excused from practice today after their long trip to Gotham where they broke even in two games. With the basketball season fast nearing its end, baseball will soon be the topic of campus conversation and only cold weather and a snow-covered diamond are holding the candidates indoors. A capable squad is looked for when Coach Jack Flynn calls out the men.

FRIAR FRESHMEN TRIUMPH 39 TO 20 OVER HOLY CROSS

Ray Belliveau Leads Local Out-
fit to Victory Scoring
14 Points.

A smooth-working Providence College Freshman basketball quintet defeated the Holy Cross yearlings 39-20 last night on the Harkins Hall court. The Crusaders held the lead for two plays when they led the Friar Freshmen 3-2 in the opening moments of the contest but the Friars rallied to go ahead 8-3 and were out in front during the remainder of the game. Flooring two teams of equal calibre, Coach McClellan made rapid substitutions during the game, keeping fresh men on the court during most of the contest.

Ray Belliveau was the outstanding man on the court for the Friar yearlings and caged their first basket. His fast dribbling and positional play aided him to win the scoring honors for the evening with a total of 14 points. It was his first appearance in two weeks and he thrilled the crowd with his spectacular shots. Captain Al Hagstrom and Ben Smith netted five points each for second honors.

The Black and White players presented a fast passing attack which had the visitors bewildered. At the half the Friar yearlings had piled up a 3-1 lead with 25 points to the Crusaders' 8. Coach McClellan sent in his second stringers as the half closed and when play was resumed the second team took the floor. Midway in the last half the first team again went in and drew ahead of the visitors rapidly with erratic shooting preventing a higher score.

At the start of the second half the Crusaders dropped in a field goal and four foul shots and seemed headed to overtake their opponents, but the return of Ben Smith and the Friar first team nipped the rally. Captain Monciewz and Kuziora, Holy Cross left forward, were best for the visitors with four points each.

The loss of Charles Gallagher and Joe Carew as starters forced Coach McClellan to make two changes in his starting lineup. He sent Ray Belliveau in for Carew, and Carlo Angelica for Gallagher. Carew played a few minutes although his injured ankle prevented him from playing his best game.

In a preliminary game Guzman Hall defeated the Collegians 28-16. Houser with eight points and Brennan with five were outstanding for their teams.

FRIAR FRESHMEN

FIVE WINS 56-27

Overwhelms New Bedford Textile School in Hoop Battle.
Davin Leads Scorers.

(Special to the Providence Journal.)

New Bedford, Jan. 13.—The Providence College Freshmen continued their heavy scoring by overwhelming New Bedford Textile School 56 to 27 here tonight.

Davin, although he played only slightly more than one-half of the game, was easily the star of the contest. The former Hillhouse high sensation scored 22 points. Bob Smith, former Brockton high star, and Ray Belliveau, ex-Fitchburg captain, also played well for the visitors. Aulisio and Crowley were the best for Textile.

Both teams were somewhat handicapped. Clark, New Bedford centre, did not play and Providence was minus Carew and Gallagher.

FRIAR FRESHMEN

FIVE WINS 51-20

(Special to the Providence Journal)
 Worcester, Jan. 17.—Starting slowly but generating speed as they went along, the Providence College Freshmen walloped the Assumption College five here tonight 51 to 20, running particularly wild during the third period.

Providence led 4 to 3 at the end of the first quarter and 23 to 13 at the half. A reserve team went into action in the third quarter and swept to a 44-18 bulge by the time the third quarter ended.

Referee—Schurman. Time—Four 10-minute periods.

FRED COLLINS, New Milford's great athlete, is performing in splendid fashion at center for the Providence college freshman five. In a recent game against Assumption college, Collins netted four field goals to abet his team in its 54 to 43 triumph. At the start of the season, Collins was relegated to a substitute's role. Midway in the season, however, the regular center suffered a badly sprained ankle, and Collins got the call as regular pivot man. The elongated lad took advantage of his opportunity to the full, rising to the occasion and playing in splendid fashion, cinching the position for himself. The Friar frosh, incidentally, are enjoying a highly successful season, with 10 straight victories to their credit, as against no defeats, and give assurance that the varsity will be well represented during the next few seasons.

FRIAR YEARLINGS BEAT ASSUMPTION

Locals Maintain "Point-a-Minute" Pace in Scoring
54-43 Victory.

Maintaining their "point-a-minute" pace the Providence College Freshmen overcame a stubborn Assumption College court team on the Harkins Hall floor 54-43 last night. Assumption gave the Friar yearlings a harder battle in Providence than on their home court earlier in the season. The Worcester team took the lead from the start on a foul toss by Goodreau and baskets by Goodreau and Deslauriers. At the end of the first period the capable work of Leo Davin, Charles Gallagher and Fred Collins put the Providence cubs ahead 11-7.

Milt Bleiden sank a perfect set-shot to open the scoring in the second period. In this frame the work of Roger Aubouchon, Assumption right forward, was outstanding. He netted three baskets in succession to keep the Flying Frenchmen in the game and his brother Paul tossed in two baskets. Al Hagstrom, diminutive Friar captain, caged a long set-shot and a beautiful flip shot and the half ended with the score 27-18 in the home team's favor.

Whirlwind basketball with spectacular dribbling by Goodreau and the Aubouchons was the order during the third period. Charles Gallagher sank three baskets to contribute the major portion of the Friar scoring in this frame and was aided by the fine passing of Joe Carew and Leo Davin. The work of the visitors was outstanding in this period with Goodreau thrilling the crowd with smart basketball under the basket and on the foul line. His set-shots swished through the netting time and again.

Game played: February 7, 1934

The play during the last period was fast as Assumption battled to take the lead and the Friars endeavored to stay out in front. With the tiny Goodreau slipping beneath the guards of the rangy Friars to find the basket, Assumption threatened strongly only to be turned back as the Friettes settled down to play safe, defensive basketball. Leo Davin topped off a capable performance by netting three baskets including the final goal.

Assumption fielded their strongest quintet and battled the Friars all the way. The five men who started left the floor only after the final whistle, and yet were as fresh as when they started. Providence used a host of subs and had men coming in and going out at almost every break in play. Leo Davin again was high man in the point scoring with 18, but his capable work was outdone by the tiny flash from Worcester who held down the left forward berth. Goodreau was the hardest man to stop and ran up the high total for the evening, almost half of his team's points.

In a preliminary game the Guzman Hall five turned back the Collegians 27-18. Both teams showed improved play but the Guzman boys again proved too strong for the Collegians. The work of Captain Joe Hesler and Milt Lacy was the outstanding feature of the game.

The summary:

Durfee Textile Quintet Defeated By Providence College Freshmen

Talbotmen No Match for Rhode Islanders Who Score 11th Straight Win. Carew Outstanding.

A smart, speedy offense enabled the Providence College Freshmen to score an easy 55-31 victory over the Durfee Textile basketballers at the Boys' club on Saturday night. It was the 11th consecutive triumph for the Friar yearlings.

The winners had the better of the play throughout, outscoring Textile in every period. The local team made its best showing in the second quarter, but remained on the short end of the score.

Carew, right forward, featured for the winners, accounting for 18 points. He was the main cog in the clever passing game which penetrated the Textile backcourt continually. Hagstrom made 10 points.

Frank Skammels of Textile dropped in six field goals from difficult angles. His teammates, however, were unable to work their way through the strong defense of the winners. Textile's long shots failed to find the basket.

Guards Kept Busy

Providence was never headed, taking the lead at the outset and gradually increasing its margin as the game progressed. The Rhode Islanders held a 16-8 advantage at halftime.

Myler Freedman, ineligible for several weeks, returned to the Textile lineup. He and Kozak were kept so busy trying to hold the opposition in check that they were unable to do much in the scoring line. Freedman made two field goals and Kozak scored six points. The Providence team was the best seen at the Boys' club this season. The summary:

Providence College Freshmen—
Carew rf, Hagstrom lf, Bellevue,
Collins, Fairbrother c, Gavin rg,
Gallagher, Angelica lg.

Durfee Textile—Melnick rf, Gardella lf, Skammels c, Freedman rg,

FRIAR YEARLINGS

BEAT DURFEE 55-31

The Providence College Freshmen scored their 10th straight basketball victory by defeating the Durfee Textile School bye 55 to 31, at the Fall River Boys Club last night.

Providence had a 16-8 lead at half-time and was ahead all the way. Leading the scoring spree was Carew with 18 points, Davin with 12 and Hagstrom with 10. The five Durfee regulars played the entire game. Skammels totalled 12 points.

The Speedwells defeated the Durfee Textile Seconds, 27-14, in the preliminary game.

FRIAR YEARLINGS TRIUMPH 47 TO 28

Defeat Holy Cross Freshmen in Registering 12th Straight Basketball Victory.

Passing their opponents off their feet the strong Providence College Freshman court team won its 12th straight victory last night at Harkins Hall by downing the Holy Cross yearlings 47-28. Ray Belliveau, Friar speed demon, led his teammates in the scoring with 12 points while the Crusaders' best man was Gavin, left forward, who netted 14 points. The game produced some rugged action from start to finish and found the Crusaders time and again making a vallant rally in an effort to turn back the Black and White.

For three and one-half minutes of play, with the second team on the floor for the Worcester outfit, the visitors were not able to register a single point. A slight rally was staged when the first-stringers moved into action with Gavin and Jarlette accounting for the Purple scoring. After Joe Carew sank the ball on a down the floor play from the opening tip-off, Ray Belliveau took some excellent spot passes to sink three baskets in a row. "Lefty" Fred Collins thrilled the crowd with his sensational southpaw heaves and Capt. Al Hagstrom contributed a perfect set shot as the first period ended.

Angelica, substituting for Carew, opened the second period scoring with a flip shot from in front of the netting. Gavin countered with three successful tosses as the whistle blew for half time.

Charles Gallagher and Ray Belliveau were the sparkplugs in the third period as they caged the sphere on fast sweeps up the court. Ben Smith, regular centre, who injured his ankle a short time ago, was allowed to play for a few minutes last night after his ankle had been pronounced mended. His deceptive passes kept the audience in an uproar, and, although he made no effort to sink the ball, he worked well in scoring plays with his speedy passing.

Game played: February 12, 1934

Joe Carew started at guard, a new post for him, but was in the thick of the fray all the way. Ray Belliveau was hard to stop once he got his eye on the basket. Rough play was prevalent during the closing minutes of the game, but the rapid substituting by both sides prevented any flare-ups from going beyond bounds.

Holy Cross showed a spurt of fine pass work as the game drew to a close and with the Friar seconds on the floor threatened only to lose the ball on a pass out of bounds. The Crusaders fielded a much smoother five last night than that which faced the Friarettes a few weeks ago, but the superior Friar floor-work was too much for the visitors. Coach McClellan again used almost his entire squad of men and for this reason the scoring was more evenly distributed among the players than it has been for some time.

In a preliminary game which inaugurated the 1934 Providence College Inter-Class League the Seniors outplayed the Juniors 22-12. This evening the Sophomores will meet the Freshmen in what holds promise of turning another another rugged encounter. No Varsity players are eligible for this league.

FRIAR FRESHMEN TRIM ST. JOHN'S QUINTET 55 TO 29

Davin and Hagstrom Set Pace
for Collegians; Juniors
Win Prelim.

The Providence College Freshmen basketball team defeated St. John's Prep 55-29 last night on the Harkins Hall court. St. John's jumped into an early lead when Voyer caught the Friar-ettes napping and caged two baskets. For four minutes the Black and White Freshmen were held scoreless by the fast passing Saints, but Leo Davin finally broke through the St. John's defence and scored a short shot. A pass from Smith to Davin, which travelled the length of the court, evened the count when Davin again scored.

At the end of the first quarter Providence held a two point lead 9-7. Both teams resorted to passing in an effort to keep possession of the sphere, and after two minutes Left Collins took a pass from Hagstrom and caged the ball. Three baskets by Hagstrom, two by Davin and two by Angelica ran the Friar total up to 27 at the half. Voyer, Palombo and Doyle accounted for St. John's scores and the half ended 27-12.

Leo Davin snared a long arching shot to open the third period scoring, and the visitors broke away for baskets by Voyer and Doyle. Tobin was sent in for Doyle and netted four points on two "sleeper" passes under the basket. The homesters staged a whirlwind finish with Davin, Hagstrom, Carew and Collins coming in for the lion's share of the point making.

The closing minutes of play witnessed some rugged action on the part of both teams with several fouls being called in rapid succession. The entire Friar squad was used again and frequent substitutions made. On the visiting five the work of Voyer and Doyle was outstanding. The Friars' best men on offence were Davin and Carew, with Collins pressing hard for honors, and on defence, Carl Angelica broke up plays right and left to turn in one of his best games of the year.

The third game between class teams in the Providence College Inter-Class League brought the Juniors and the Freshmen together. A nip and tuck battle was won by the Juniors 15-10 on baskets by Fairbrother, Gobis, Skipp and Monahan. The Freshmen scored their points through Brooks, Banahan and De Feo with foul tosses by Hazel and Abrams. Healey counted for the Juniors from the foul line.

BASKETBALL NOTES

By RALPH WHEELER

The Boys' Club of Boston, Roxbury district, is faced with its second setback on its home floor tomorrow night when it entertains the crack Providence College freshman five . . . The Roxbury boys have defeated Oxford College, Gordon College, Newton Y. M. C. A., Mass. School of Optometry and Wanskuck Boys' Club of Providence, but it will be facing one of the greatest college freshman teams ever assembled, tomorrow . . . Al Hagstrom of Gloucester, Joe Carew of Medford, Ben Smith of Brockton, Leo Davin of New Haven, and Charlie Gallagher of Brighton comprise the starting line-up for Providence College freshmen . . . Roxbury Boys' Club has one of the finest players in the local amateur ranks in Phil Gaudet of Cambridge

The game between Providence College Freshmen and the Boys' Club of Boston, Roxbury district, at Roxbury, and the Greater Boston league contest between St. Charles of Waltham and the Presentation Club at Brighton, are the outstanding contests on the independent basketball card for tonight. . . . Joe Carew, who led the Greater Boston league in scoring last year, is one of the many stars on the Providence College freshman team, which has won 12 straight games.

The Roxbury Boys' Club has lost only one game at home this year, but it will do well to hold Providence to a 10 point margin tonight. . . . In the game at the Presentation Club in Brighton, the teams that finished one, two in the first half of the Greater Boston league, will oppose each other. St. Charles nosed out Presentation by one game for the first half title.

Game played: February 16, 1934

FRIAR FRESHMEN WIN 13TH STRAIGHT

(Special to the Providence Journal.)

Boston, Feb. 16.—After trailing the Boys' Club of Boston, Roxbury district, 6-5, at the end of the first period, the all-star Providence College Freshman quintet opened the throttle and swamped the Roxbury team 61-30 at the Boys' Club's gym tonight.

It was the 13th straight win for the Freshmen and the second defeat of the season at home for Roxbury.

FRIAR FRESHMAN GAME POSTPONED

Inclement weather forced the postponement of the Providence College Freshman-Becker College basketball game last night and the contest will be rescheduled for a later date. Coach Albert McClellan was snowed in at his home in Swampscott, Mass., one of the few occasions when he has missed a practice, and did not come to Providence yesterday. However, a regular drill will be held today, weather permitting, and the Freshmen will top off for their meeting with Becker in Worcester tomorrow night. The Varsity is pointing for its game with Springfield in the Massachusetts city on Thursday, Washington's Birthday. The contest will start at 3 o'clock.

Saturday will bring the Dean Academy quintet to Harkins Hall for a return encounter with the Friar Freshmen. Graduate Manager Farrell is seeking to make this contest an afternoon affair. The Varsity will rest on Saturday in preparation for the last few games which will wind up its season. Lowell Textile, Worcester Tech and Brown will be met in that order.

FRIAR FRESHMEN

TRIP DEAN 52-40

Academy Five Loses Out in Overtime After Holding Early Lead.

Outplayed for three periods, the Providence College Freshman basketball team came back in the last quarter to tie the score at 39-39, and then put on a superb display of ball handling in an overtime period to defeat Dean Academy 52-40 on the Harkins Hall court yesterday afternoon. With one minute and a half to play and the score 39-37 in favor of the visitors, Leo Davin caged a field goal to knot the count.

Dean held the upper hand from the start, and with the aid of six foul baskets led at the end of the first period 14-2. The lone Friar score was made by Capt. Al Hagstrom. The home club fought hard to catch up with the speedy Academy players in the second period. Dean was held to four field goals in this frame while the Friar yearlings made four and sank four fouls. When the whistle blew for halftime the visitors were ahead 22-14.

Ray Belliveau's entrance into the game after the resumption of play gave the Friars more confidence. Hagstrom opened the scoring with a set-shot from mid-court. Satalin and Giovanni were the Dean big guns in the third period, with Satalin's accurate foul baskets counting heavily in the visitor's favor.

The last quarter produced some of the fastest play ever witnessed on the Friar court. Dean's points in this period came from six foul tosses and a field goal.

For the homesters Belliveau sank a short basket as the period began, and Davin, Hagstrom and Carew counted to bring the score to 37-33 to Dean's advantage. Then the Friarettes opened a whirlwind attack and Carew and Davin found the nets, making the count 37-37. Carew's tying goal was a beautiful flip shot.

On two foul tosses Dean went ahead 39-37, only to have Providence come back on a basket by Davin and tie the score again. The final whistle blew as the ball was about to be tossed for the start of play. A short rest was given the players and a five-minute overtime period agreed upon. In the overtime, the Friar Freshmen succeeded in working plays for the first time in the game, scoring 13 points to the visitors' lone tally. Ray Belliveau scored twice and Davin continued his good work with a pair of baskets. The Dean quintet showed the results of the fast game they had been playing and were not able to repulse the Friars' offence.

BECKERS FACE FRIARS' FROSH

Undefeated Providence
Team, Here Tonight,
Has Won 14 Games

One of the speediest quintets in New England invades this city tonight when the Providence college frosh oppose the Becker college hoopsters at the Commerce High gym at 8 o'clock.

The Providence team boasts an untarnished record for the season, having rung up 14 consecutive triumphs. To date, no team has seriously extended the Friars in their long winning streak. It is a team of six-footers, with each man above the average in both shooting and floor work.

The Businessmen hope to push the visitors to the limit and make a ball game all the way.

Donald Allan, regular guard, returned to the school yesterday and will don a suit for tonight's clash, but it is doubtful if he will see much action, as he is still very weak from an extended illness. However, Coach Golembeski has capable reserves, but none with the experience of Allan. He will start Zarr and Burke in the front court, Hollows at center and Captain Kieronski and Hale at the guards. Collins and Mooney, forwards, and Seney and Tihonena, guards, are the understudies for this combination.

The Front-Streeters' chance for victory rests largely upon "Snitch" Hollows, Fitchburg lad, who has played brilliant ball all year, and has averaged better than 10 points per game for the second consecutive season. If Hollows is able to locate the hoop tonight, the invaders may be pressed to earn their victory. The Becker college girls will meet the strong Ware High sextet in the preliminary game at 7.30 p. m.

Worcester GAZETTE

BECKER FIVE PLAYS PROVIDENCE FROSH

Game Scheduled in Com-
merce Gym at 8 o'Clock
—Invaders Strong

An unbeaten Providence college Freshmen basketball team visit the Commerce gym tonight for a game with the Becker college basketeers with play to start at 8 o'clock.

The visitors come here with a great record and their recent victim was St. John's Prep whom the freshmen walloped 56-20, while the Preppers defeated the Becker team by a 49-37 score. Among other victims of the McClellan-coached lads are Holy Cross Freshmen, Dean Academy and Assumption. Becker has but one bright spot on their record, a hard earned 44-42 triumph over a strong Fitchburg State Teachers College quintet.

Coach Archie Golembeski of Becker will start "Red" Burke and Jimmy Zarr at the forwards; "Snitch" Hollows at center; and Capt. Wally Kieronski and Roland Hale at the guards.

The starting lineup for the visitors will include Hagstrom and Carew at the forwards; either Collins or Smith at center; and Davis and Gallagher, guards. Ray Belleveau, high scoring reserve will see action at a forward post.

In the preliminary contest, the Becker college girls will seek their fourth win of the season against the Ware High girls.

Game played: February 28, 1934

FRIAR YEARLINGS BEAT BECKER FIVE

(Special to the Providence Journal.)
Worcester, Mass., Feb. 28.—The Providence College Freshman basketball team remained undefeated when it beat out the Becker College quintet of this city 40 to 28 at the Commerce high gym here tonight.

The Friars received a score in the first half of the contest when they barely managed to gain a 20 to 16 lead at halftime but, with the outset of the third period they managed to draw away from Becker to register their triumph.

FRIAR FRESHMEN

TRIP INDIANS 36-22

Providence College Yearlings Stage Brilliant Rally in Last Quarter to Win.

Piling up a total of 18 points to their opponents' five in a fine last-period surge, the Providence College Freshman basketball team gained its 17th straight victory by defeating the Bryant-Stratton College quintet 36 to 22 in an exciting game at the City high school gymnasium last night.

Bryant-Stratton was first to score, when Charlie Swanson sank a field goal from under the basket soon after the opening whistle. But this lead was short-lived, the Friarettes going ahead 7-4 at the end of the first period on field baskets by Capt. Gus Hagstrom and a trio of foul goals by Carew and Gallagher. The Freshmen maintained their three-point advantage at the half, leading 12-9.

Up to this point, both clubs were playing careful basketball, but the opening of the second half saw the teams battling tooth-and-nail for the advantage. Bryant-Stratton managed to pull up to a 15-all tie midway through the second half but, again, Joe Carew and Carl Angelica sank foul baskets to give the Friarettes an 18-17 advantage at the conclusion of the period.

Game played: March 2, 1934

The Providence College Freshman team showed its superiority in the final quarter, and, with Capt. Gus Hagstrom and Leo Davin sinking baskets from all sections of the fore-court, the Friarettes pulled away to a commanding lead and were never in danger of being caught.

The game, which had a capacity crowd on edge throughout its length, was one of the roughest seen at the local gym. Twenty-nine fouls were committed by the opposing players during the course of the contest. The Friarettes excelled with their fine floor work, Capt. Hagstrom, Joe Carew and Smith, the starting forwards, having an edge on the work offered by Charlie Swanson, Elmer Duckworth and Ken Kennedy of Bryant-Stratton. Hagstrom gained the high scoring honors with a total of 11 points, while Swanson trailed him by a single point with 10.

In the preliminary game, the Olneyville Boys' Club Women's Auxiliary basketball team, with Virginia Higgins, Elmer Williams and Elna Blomquist in the limelight, handed the Bryant-Stratton College women a 24 to 10 setback. Miss Evelyn Vigeant played well for Bryant-Stratton.
