TEN SOPHOMORES ON FRIAR SQUAD

Moge, Spinnler and Eichner
Seek Varsity Basket-
ball Posts.

Providence College's basketball prospects are bright as pre-schedule drills progress for the opening game in Worcester against Assumption College, Dec. 7. Sophomores from the strong yearling quintet of last season are battling the Juniors and Seniors for starting assignments.

Yesterday three Sophomores, Bill Moge, Bill Spinnler and Norm Eichner, reported for practice. All excelled with the Freshmen. Several other Sophomores are in line for berths on either the first or second team.

Indications are that Big Ed Bobinski of New Haven, Sophomore, will be at centre and Capt. Ben Smith at one of the guards, on the first team. This year's squad comprises two Seniors, 10 Juniors and 10 Sophomores.

In a recent poll of the City College of New York football squad Hank Soar, P. C. star halfback, was named left halfback of their all-opponent eleven. Soar's play against the Beavers drew commendatory comments from Metropolitan sport writers.

HANK SOAR JOINS P. C. COURT TEAM

Basketball Squad May Meet
Northeastern in Demonstration
Game Nov. 29.

One of the features of this year's Providence College basketball season will be a demonstration game with Northeastern in the Harvard athletic plant about Nov. 29 if present plans carry through. Coach Al McClellan is a member of a committee appointed to secure suitable teams to stage the demonstration, a yearly feature attended by coaches of all types of basketball teams from all parts of New England.

This demonstration is to show the new rules and the new styles of play in the court game. Coaches can learn much at such an affair and usually all the New England colleges, prep schools and high schools are represented. There are talks by the men qualified to discuss certain points of the game more thoroughly than others, and the teams picked to stage the demonstration game follow out instructions incorporated in these talks.

Aside from the attractiveness of appearing before such a basketball gathering there is another point in favor of the idea. Providence has not met Northeastern in basketball and will be given an opportunity to test its power against a club which usually has a wealth of strength. The fact that the game comes during the Thanksgiving holidays has left P. C. officials doubting whether to break up the court squad or permit it to continue workouts over the vacation period.

The Providence Varsity squad was enlarged yesterday by the arrival of Hank Soar, Capt. Ben Smith and Pat Morrison. Coach McClellan may shift his men about considerably this year to make them familiar with every post on the team in case of emergency.

A severe blow to the Friars before the season is even started is the injury suffered by Charles Kelly of Wallingford, Conn., Monday, during a scrimmage game. Kelly's jaw was broken in a mixup when some player's elbow caught the Wallingford Sophomore under the chin. Gus Hagstrom of Gloucester, regular forward along with Joe Carew last year, is still out of action with the football injury he received in the Springfield game.

FRIAR FIVE PLAYS FIRST GAME DEC. 7

Starting its Varsity schedule on Dec. 7, the Providence College basketball squad must work at top speed these afternoons to prepare for what is expected to be another ambitious court listing. While the schedule has not been officially released, the Friars will meet most of their keen rivals again this season. A few new teams will appear on the schedule.

Ten players have been practicing since Nov. 6 and this group is well along in the work. The men who have been taking part in the early drills are Milt Blieden, Charles Gallagher, guards; Ed Bobinski, centre; Joe Carew, Gus Hagstrom, Elmer Chester, Charles Kelly, Fred Collins and Leo Ploski, forwards. Added to this group are some Freshmen, who have stolen a march on their mates by drilling with the Varsity in order to fill out two teams. Among them are John Shapiro, centre, and "Bim" Strasberg, forward.

Shapiro is from Lynn, Mass., where he starred in basketball and baseball. He is a capable basketball centre and also a pitcher. Strasberg was a three-sport captain at Hope high in 1933. He played end in football, catch in baseball and at a forward post in basketball. His abilities won All-State honors in football and basketball.

There will be a nucleus of 12 Varsity players with which to build this year. Added to this group will be 10 Sophomores from the star Freshman team of '34-'35. A few more students may try out for the team so that it appears the Friars will have both quantity and quality in their court squad. Ed Gill of La Salle and Moses Brown, a Providence Junior, has been appointed manager of the basketball squad.

ALL HANDS TRYING TO COAX THE BALL IN!

With football bowing to the calendar and wintry blasts, the college athletes are turning to basketball these days. Here is a bit of action seen at Providence College where Coach McClellan is drilling the Friar basketball squad.

Dominican Quintet Conquers Assumption 45-24 in Opener

Edward Bobinski Leads Providence Attack with 13 Points.

(Special to the Providence Journal)
Worcester, Mass., Dec. 7.—The strong Providence College basketball team, with four veterans in the starting line up, scored a 45 to 24 victory over the Assumption College quintet here today. The game was the first college tilt ever played by Assumption.

The Providence players towered over the Assumptions and made good use of their height. Providence scored soon after the start when Edward Bobinski was on the end of a fine passing attack and scored from underneath the hoop. Assumption broke into the scoring column after eight and one-half minutes of play when Deslauriers made good on a try from the 15-footmark. Capt. Ben. Smith came back with a floor goal for the Friars, and at this stage of the game, Coach McClellan sent in an entire new combination. Assumption went on a scoring rampage when the Providence reserves entered the game, and managed to get within three points of the Friars' lead when the starting P. C. team was sent back.

Gallagher, Bobinski and Davin went on scoring sprees in the last four minutes of this half bringing the score to Providence 20, Assumption 8.

The Friars showed improvement in the second half, and the passing attack which always ended with a man free under the hoop, clicked perfectly.

Numerous substitutions were made in the Providence line-up during the last eight minutes of the game. Assumption put on a scoring spree in the last five minutes, and with Le-

mire and Aubuchon doing the scoring, managed to cut into the Friars' lead. Belliveau, however, ran the Friars total to 45 with two floor goals and a free try during the last minute.

Bobinski, with 13 points, led the scorers. Lemire was the best man for the homesters and led his team in scoring with nine points.

P. C. OVERWHELMS YALE COURT FIVE

Two New Haven Boys Star in
Victory Scored by
Friar Team.

(Special to the Providence Journal)
New Haven, Dec. 11.—Providence College, aided by the brilliant work of two local youths, Leo Davin and Ed Bobinski, overwhelmed a Yale five here tonight. The score was 48 to 24.

The Friars had things pretty much their own way after the first few minutes. Going into the last half sporting a five-point lead, the Friars scored almost at will as the Yale defence crumbled. Davin, Bobinski, and Smith scored from all corners of the court and ran up 21 points to Yale's three in the last 15 minutes.

Davin was high man with 15 points. Smith and Bobinski were close behind. Weymouth and Miles were high scorers for Yale.

BILL MOGE

Providence Defeats Yale

48 to 24 at Payne Whitney

Basketball Team by

Local Stars Shine In Friar Triumph

Leo Davin and Eddie Bobinski, Former Hillhouse
Brilliants, Account for 26 Points Between
Them—Milford Beats Eli Frosh,
By 25 to 23.

By JOE HURLEY

Leo Davin and Eddie Bobinski, two former Hillhouse high school stars, returned to the city of many of their triumphs together in schoolboy competition, to lead a powerful Providence College quintet in a crushing 48 to 24 victory over Yale at the Payne Whitney Gymnasium last night before 1,000 fans.

The aforementioned pair, members* of Emmons Bowen's great Hillhouse basketball clubs of a few seasons ago, tallied a total of 26 points between them, enough to defeat the Eli.

However, due credit must be given to the entire Providence team, for after leading twice in the opening minutes, the Eli dropped back and the smooth-working Friar machine headed for victory in an impressive manner.

Providence has one of its greatest teams in many years and a prosperous season is in the making for the charges of Albert McClellan. Yale could not break through the winner's defense and were held to three scores from the floor in the second half.

Yale started off with a bang in the opening minute and rolled up a 6-0 lead before Charlie Gallagher broke the ice for Providence with a foul shot. Bob Weymouth, Roger Morton and Bud Miles accounted for the opening spurt.

The Black and White clad Rhode Islanders then proceeded to put on the pressure and Captain John Smith dropped in a goal from underneath the hoop. Davin followed up by looping in a pair of long shots to shove his mates in front 7-6. Yale took time out but the breathing spell failed to halt Leo and he scored from close range with another double-decker.

FRIARS SWAMP STROUDSBURG

P. C. Opens Home Season with
64-39 Victory; Fresh-
men Also Win.

Providence College walked away with a good Stroudsburg Teachers basketball team, 64-39, last night at Harkins Hall, opening the home season with the finest display of speed and finesse that any P. C. court aggregation has ever shown. In a pre-lim the P. C. Freshmen fought an aggressive Naval Training Station team point for point, and topped them 32-28 on baskets made in the last three minutes of the final quarter.

Both contests were played at top speed and both were rough. From the time that Big Ed Bobinski twirled in the first basket until Capt. Ben Smith poked the final two points through the netting P. C. was rarely in danger. A whirlwind first half, with both teams playing way over their heads, found P. C. ahead at the intermission 32-21.

At this point it looked like a close game, but the second half was a different story. Providence had what it took while the visitors tired rapidly. Late in the period Stroudsburg was still banging away at the P. C. defence, but many of the shots were the desperate, long-tom variety. Three subs were on the Providence team with only half of the second period played.

The final minutes found almost an entire sub team on the floor until McClellan rushed in his regulars for a last shot, shortly before the final whistle. Work of the subs was only slightly under that of the regulars, who possessed a larger degree of

finesse in the teamwork than the reserves.

Stroudsburg presented a relentless attack, which went awry by the slightest of margins. Baskets which seemed labelled for the nets rimmed and slid off. The visitors, shorter and lighter than the Friars, found this disadvantage very bothersome when they tried to pierce the Providence defence. The rangy Friars were plenty troublesome to the Teachers' attack throughout the game, taking the ball away and battling aside tries at the basket.

Charlie Gallagher was, perhaps, the steadiest player on the floor for the Friars, with Joe Carew and Ed Bobinski leading in points, and Capt. Ben Smith close behind in the scoring. On defence Leo Davin, Joe Carew, Ray Belliveau and Gallagher were strong. Fred Collins played utility man to perfection, and while he did not figure in the scoring, he was in scoring plays and covered well on defence.

Belliveau turned in some stellar work in scoring and on defence. His accuracy in shooting, accounted for nine points, all more or less of a spectacular nature. Providence was back too deep on the defence for a time, giving Stroudsburg a chance to form its scoring plays. But this was remedied when Carew and Davin realized the situation and imparted the word to "move up" to their mates.

For the visitors Roche was best offensively, with six baskets. Collins turned in a fine game at left forward, teaming up with Dubin for the best scoring combination the Teachers had in the game, Williams, Marconi and Zook kept Stroudsburg in the running in the first half, but were forced to do so much defensive work in the second half that their scoring effectiveness was largely curtailed.

Both teams made seven points from the foul line. Stroudsburg had 14 foul tries and Providence had 12. For the visitors Capt. Marconi was forced to leave the game on personal fouls while for Providence Bobinski and Bliden piled up three personals each, but managed to keep away from the fourth one.

Play waxed so fast and hard in the first three minutes of the second half that Zook, Stroudsburg guard, had to be doctored for a cut on the head received in one of the pile-ups under the basket. Forced to stay out of the foul lane by the new three-second ruling, the players advanced into the corners and cut in toward the basket, with the result that traffic under the nets was tied up all night. There was scant open play as Stroudsburg and P. C. players tailed one another around the floor closely.

FRIARS TO LEAVE ON HOLIDAY TRIP

Ten Players on Travelling
Squad; Hagstrom Ready
for Active Duty.

The Providence College Varsity basketball team leaves today on its annual Christmas holiday trip. This year games with Stroudsburg Teachers College, the Columbus Council team of Brooklyn and the University Club of Stamford are scheduled. Coach Al McClellan is looking forward to a successful trip inasmuch as his material is excellent. His team has established a point average of 52 per game in its first three matches.

Ten players will be taken on the trip. The first team of Capt. Ben Smith and Leo Davin, guards, Ed Bobinski, centre, and Charles Gallagher and Joe Carew, forwards, will start each game with a sub quintet of Doc Blieden and Carl Angelica, guards, Fred Collins, centre, and Ray Belliveau and Gus Hagstrom, forwards, ready for reserve duty.

Tonight the Friar squad will watch the New York University-California game at Madison Square Garden and will then go to Stroudsburg for their return game with the State Teachers College. On Saturday the Friars will tackle an array of former college stars when they meet the University Club of Stamford. Friday the team plays the Columbus Club in Brooklyn.

What is heralded as the strongest team in the athletic history of the Friars has been further strengthened by the return to active play of Gus Hagstrom, one of the best shots the Dominicans have ever had. Hagstrom played only a few minutes against Stroudsburg here last week but his first heave at the basket dropped through for two points. A football injury slowed him up but he is rapidly returning to his best form.

Hagstrom will be a relief forward as Coach McClellan does not wish to break his present front court combination of Joe Carew and Charlie Gallagher, both of whom turned in fine work while the Friars were keeping their slate clean with triumphs over Yale, Stroudsburg and Assumption.

FRIAR COURT FIVE SEES N. Y. U. GAME

Team Attends Madison Square
Contest on Way to Strouds-
burg, Pa.

(Special to the Providence Journal.)

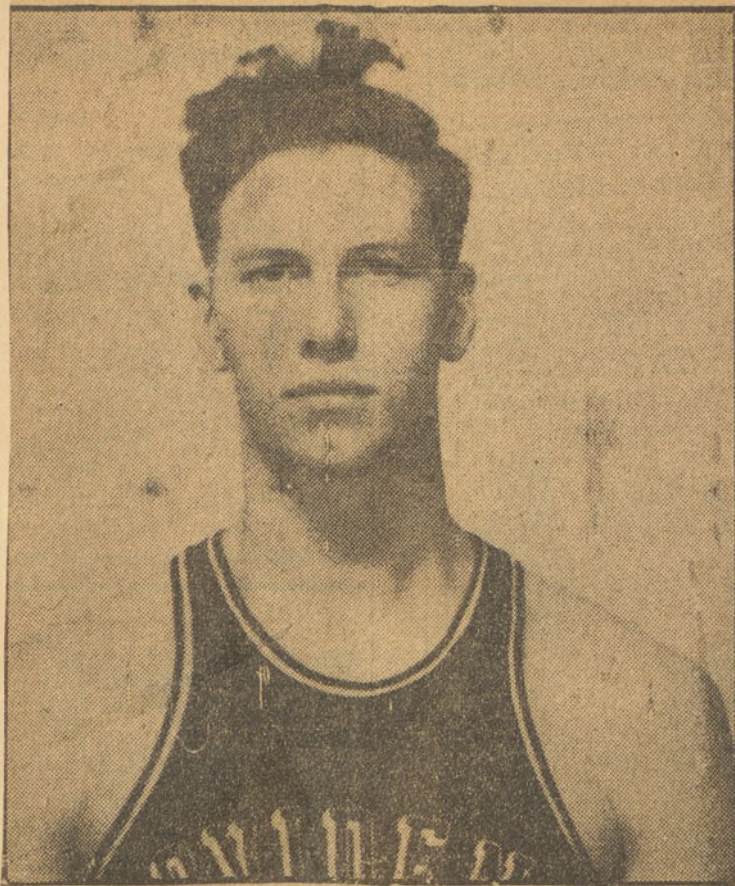

New York, Dec. 18. — The Providence College basketball team arrived here early this evening and later attended the N. Y. U.-California game in Madison Square Garden. After an overnight stop the team will leave for Stroudsburg, where it plays the strong Teachers' team tomorrow night.

Friday night the Friars clash with the Columbus Council quintet in one of many local games listed for that evening. Saturday the team meets the University Club in Stamford, en route to Providence after its annual Christmas holiday tour.

Coach Al McClellan has 10 players along with him and plans to start Captain John Smith and Leo Davin, guards; Edward Bobinski, centre, and Joseph Carew and Charles Gallagher, forwards. In reserve he has Milton Blieden and Carlo Angelica, guards; Fred Collins, centre, and Alfred Hagstrom and Raymond Belliveau, forwards.

The Friars' outstanding achievement this year was the one-sided victory over Yale a week ago. The Dominicans have also defeated Assumption College of Worcester and the Stroudsburg Teachers. At present the team has amassed a point average of 52 points and has prospects for a fine season.

Big Ace on an Ace Team

Leo Davin, giant guard on the Providence College 'Varsity basketball quintet, who has played sensationally in the Friars' three victories thus far. He's counted upon heavily during the Friars' current road trip. They meet Stroudsburg Teachers at East Stroudsburg, Pa., tonight, Columbus Club at Brooklyn tomorrow night and University Club at Stamford, Conn., Saturday night.

Game played: December 19, 1935

Ed Bobinski and Leo Davin Star in P. C.'s Easy Victory

Pace Their Point-a-Minute
Mates in Game Played
in Pennsylvania.

(Special to the Providence Journal.)

East Stroudsburg, Pa., Dec. 19.—The high-scoring Providence College Varsity basketball team had little trouble in rolling up a 50-31 score here this afternoon to collect its fourth straight victory of the season and its second decision over the fast State Teachers' College quintet of this city. The Friars took an early lead and led 26-11 at the half.

Once again the New Haven twins, Ed Bobinski and Leo Davin, combined to take the high-scoring honors, as they paced the point-a-minute Friars to a one-sided victory. Bobinski was at his best as he tossed in four field goals and made good on four free tosses, while holding Capt. Fred Marconi of the locals scoreless. Davin, with five field goals, was pressed closely by Gallagher and

Capt. Smith, who added eight points each to the Providence cause.

Providence started at top speed, but had trouble netting points, and at the end of eight minutes had only a 9-1 lead. Then Collins went in at guard and Capt. Smith switched to centre, thereby placing a veteran Junior quintet on the floor. This combination ran the score to 19-9 as Carew and Gallagher found the nets with running, one-hand shots from the corners of the court. Bobinski went back in at centre, and combined with Davin to garner seven more points before the teams were halted for the intermission.

Belliveau subbed for Gallagher at the start of the second half and the Friar attack gained its full power as the team broke up the locals' passes to dribble through for scores and worked their own pivot and block plays to perfection. With Bobinski, Davin and Smith leading the way in the first 10 minutes, the Friars rolled their score to 40 points while holding Stroudsburg to one basket from the floor and one foul toss.

Providence substitutes were rushed into action in the last five minutes of the period, and the locals rallied to raise their total to 31 points, the lowest score they have been held to in the past two years of basketball competition. Every member of the visitors' rangy squad drew action and all but Hagstrom and Collins netted points.

Off to a successful start in the first game of their holiday road trip, the Friars leave here tomorrow for Brooklyn, where they will meet the strong Columbus Club outfit, which boasts an array of former college stars from the metropolitan area.

Dominicans Lose to Caseys in Overtime Battle, 45-43

Providence Quintet Loses Lead
in Closing Seconds of
Regular Play.

(Special to the Providence Journal)
Brooklyn, N. Y., Dec. 20.—A Columbus Council team which refused to take defeat as an answer to its late rally in the second half, brought Providence College's string of early season victories to an end, 45 to 43, in an overtime period at the Columbus Council last night. The Caseys, trailing throughout the second half, overhauled the black-shirted Friars after lagging 39 to 34 with three minutes of the concluding period remaining.

Joe Geary, former St. Francis star, whose 18 points proved the spearhead of the Columbus attack, scored two baskets with one minute to play. Eddie Bobinski, Providence centre, sank a foul to make the count 40 to 38. With two seconds to play remaining, Geary again scored on a lay-up shot and the game went into overtime.

Columbus proceeded to a 45 to 40 advantage in the extra session and then fought off Providence's last desperate bid. Joe Carew scored and Leo Davin netted a foul but it wasn't enough.

Throughout the first half Providence didn't look like the team which had been cutting a swath in New England circles. The Friars, all of whom measures well over six feet, handled the ball loosely and couldn't

penetrate the Casey defence. Columbus Council, however, didn't prove particularly adept at sinking the ball on what seemed sure shots, either, and the half ended with the score at 18-18.

Providence swept into an early lead in the second half and except for the disastrous final three minutes looked good all the way. Joe Carew did yeoman work for Providence, scoring 22 points in all, 20 of them on field goals.

Providence College Five Stages Rally to Triumph

Defeats University Club Quintet of Stamford in Spectacular Game.

(Special to the Providence Journal)

Stamford, Conn., Dec. 21.—In a fast and rough game the Providence College Varsity basketball team scored a 30 to 29 decision over the University Club of this city here tonight. The local All-Stars were without the services of Dick Bracken, former Friar ace, but they presented a formidable array of former collegiate stars who pressed the McClellan men from start to finish.

Trailing by five points with less than a minute of the second half played, the Friars staged a brilliant offensive with Ed Bobinski as the spearhead of their attack and took a 23 to 18 lead. A field goal and two foul shots brought the homesters to within a point of tying the score. Providence had possession as the final gun sounded.

Pickard, former Syracuse ace, started the scoring when he dribbled through to the nets for a shot from underneath, and a moment later, made good on a free toss after being fouled by Bobinski. Six minutes had elapsed before Leo Davin, big Providence guard, scored on a long toss from beyond the foul line to give the Friars their first points of the evening. With the homesters holding a 12 to 5 lead, Belliveau went in for the visitors and started a rally. Smith scored and Carew followed with a long toss. Play became rough as the two outfits surged up and down the large armory sur-

face. Bobinski cut the locals lead to three points when he dribbled the length of the floor, eluded the defence and scored. As the half ended with the University Club led 16 to 13.

Coming out after the rest the black-shirted Friars yielded a spectacular one-hand shot to Jack Walsh, ex-Colgate star, before opening their offence, which put them into the lead for the first time in the evening.

Gallagher tallied on a one-hand push shot from the right side of the court, and Bobinski outwitted the locals' defence a minute later when he hoisted the ball to the mark from near the mid-court. Davin followed with a field goal, and then Capt. Smith intercepted a Stamford pass and made a clever hook pass to Bobinski, who converted for the points to send Providence into a 23 to 18 lead.

Elliot, who once played for Syracuse, put the locals in the running again on a retap, but Providence was not to be denied and Gallagher converted on a foul and Blieden cleared the rim for two points on a toss from deep court. Belliveau ended the scoring for the Friars when he tallied from beyond the foul line. Then the Stamford cagers staged their belated rally with Haggerty and J. Walsh cutting the Providence lead to one point as the time ran out.

Dartmouth Five Clinches Decision In Final Minute

Friars Stage Uphill Battle
Throughout Game to Gain
Lead but Then Lose It.

(Special to the Providence Journal)
Hanover, N. H., Jan. 8.—In a spectacular, high scoring basketball game between two of the leading college teams in New England, the Dartmouth quintet nosed out Providence College 54 to 53 before more than 2000 persons here tonight.

While the visitors were beaten, their excellent comeback after trailing by 14 points at the end of the first half was one of the many features of the exciting game.

The Big Green, whose record up to tonight could hardly compare with the Friars, got off to a good start and appeared headed for decisive victory.

Sophomore Bill Thomas of Hollis, N. Y., Dartmouth's standout player and the leading basketball scorer in New England, along with Capt. John

McKernan and Ratajczak led the assault upon Providence in the first period. Dartmouth led 32 to 18 in the first half.

The Friars came back with a rush in the second half. Three players, Ed Bobinski, second ranking scorer in New England; Joe Carew and Ray Belliveau led the attack. With the visitors leading, 35 to 32, both sides speeded up the action. Carew added a floor basket for Providence and Ratajczak tossed in three successive field goals to keep the battle close.

The game continued at a fast pace until McKernan and Ratajczak tallied with field goals. But to make matters worse for the Friars, Bill Thomas caged two floor goals, and with little more than one minute to play, the score stood 50 to 49 in Dartmouth's favor.

The lead was short-lived, as Belliveau collaborated with Smith, the former's last basket putting the Friars ahead, 51-50. With a minute remaining, John McKernan's shot again put the Indians in the lead and Ratajczak made it 54-51.

With time running out, Bobinski's one-hander brought the visitors again to within a single point of tying the score. With four seconds remaining, the Friars put on a desperate last stand. McKernan, however, got the tap off to Thomas, and Dartmouth held the ball during the final seconds.

Friars To Work Out at St. John's Court Tonight

(Special to the Providence Journal)
 Hanover, N. H., Jan. 8.—In a spectacular, high scoring basketball game between two of the leading college teams in New England, the Dartmouth quintet nosed out Providence College 54 to 53 before more than 2000 persons here tonight.

While the visitors were beaten, their excellent comeback after trailing by 14 points at the end of the first half was one of the many features of the exciting game.

The Big Green, whose record up to tonight could hardly compare with the Friars, got off to a good start and appeared headed for decisive victory.

Sophomore Bill Thomas of Hollis, N. Y., Dartmouth's standout player and the leading basketball scorer in New England, along with Capt. John McKernan and Ratajczak led the assault upon Providence in the first period. Dartmouth led 32 to 18 in the first half.

The Friars came back with a rush in the second half. Three players, Ed Bobinski, second ranking scorer in New England; Joe Carew and Ray Belliveau led the attack. With the visitors leading, 35 to 32, both sides speeded up the action. Carew added a floor basket for Providence and Ratajczak tossed in three successive field goals to keep the battle close.

The game continued at a fast pace until McKernan and Ratajczak tallied with field goals. But to make matters worse for the Friars, Bill Thomas caged two floor goals, and with little more than one minute to play, the score stood 50 to 49 in Dartmouth's favor.

The lead was short-lived, as Belliveau collaborated with Smith, the former's last basket putting the Friars ahead, 51-50. With a minute remaining, John McKernan's shot again put the Indians in the lead and Ratajczak made it 54-51.

With time running out, Bobinski's

With Al Hagstrom, first string forward and second high scorer of the team last winter, still nursing a knee injury sustained in football, Charlie Gallagher, six foot junior from Newton, continues to hold the left forward position. Hagstrom has been able to take part in the last two games, and

as a result will be in line for action against Dartmouth.

Joe Carew, Medford product, and regular right forward last year, will be one of the main cogs in the attack which will be unleashed against the Indians. Carew is at present the second high scorer of the New England college ranks, and will engage in a duel for points with Hall, pace leading Dartmouth forward. Then as capable reserves Coach McClellan will have Ray Belliveau, the sparkplug of the team in its crucial spots, Fred Collins, reserve center and ace pitcher of the ball team who received several major league offers last spring, Carlo Angelica, aggressive guard from Enfield, Conn., and Milt Bleden, clever ball handler from Staten Island.

Average Point a Minute

To date the Friars have averaged better than a point a minute in their competitions, and have scored two wins over the Pennsylvania State Teachers College at Stroudsburg, one sided victories over Yale and Assumption College and eked out a 30 to 29 triumph over the powerful University Club of Stamford, Conn., a team composed of former college stars. With the team rapidly gaining its peak form, the Friars promise to be a standout in New England competition, and they are being boomed as the likely representative of this district in the trials for the Olympic one-hander brought the visitors in again to within a single point of tying the score. With four seconds remaining, the Friars put on a desperate last stand. McKernan, however, got the tap off to Thomas, and Dartmouth held the ball during the final seconds.

Friars To Work Out at St. John's Court Tonight

Providence College Squad Of Nine Players Has Eye On Olympics

(Special to the Monitor-Patriot)

PROVIDENCE, R. I., Jan. 7 (AP)—

The Providence College varsity basketball team which has high hopes of being the New England representative in the collegiate Olympic basketball tryouts next March, resumes its campaigning this week when it travels to Hanover to meet Dartmouth tomorrow night, and then entertains St. Anselm's of Manchester at Providence next Saturday.

The Friar squad of nine players, together with Coach Al McClellan, and the managerial staff, leaves here today for Concord, N. H., where the party will stop for the night. A brief workout and scrimmage will be staged at the Knights of Columbus hall in the Capital City tonight, and tomorrow the party will continue into Hanover eager to duplicate the 42 to 35 victory scored over Dartmouth last winter.

Have Won 5 Out of 6

The present Friar hoop outfit shapes up as one of the rangiest in New England competition, and has already won five of the six games it has played. An overtime, 45 to 43 decision was dropped to the K of C team in Brooklyn, N. Y. during the vacation period. The outstanding early season win of the team was the 48 to 24 triumph over Yale on the Ellis court.

With three starters who stand six three in height, the Providence combine is indeed a big team. Four of the first string five are holdovers from last year's high scoring outfit, with Ed Bobinski, lanky New Haven sophomore, as the only newcomer. Bobinski is a former all New England all scholastic center, and he is ranked as one of the finest pivot men in collegiate ranks. His presence in the starting array has forced Captain Ben Smith, varsity pivot man a year ago, to drop back to a guard position where he teams with Leo Davin, tackle on the football team, and a 195 pound six foot three inch giant.

Rangy Six-footers

With Al Hagstrom, first string forward and second high scorer of the team last winter, still nursing a knee injury sustained in football, Charlie Gallagher, six foot junior from Newton, continues to hold the left forward position. Hagstrom has been able to take part in the last two games, and

as a result will be in line for action against Dartmouth.

Joe Carew, Medford product, and regular right forward last year, will be one of the main cogs in the attack which will be unleashed against the Indians. Carew is at present the second high scorer of the New England college ranks, and will engage in a duel for points with Hall, pace leading Dartmouth forward. Then as capable reserves Coach McClellan will have Ray Belliveau, the sparkplug of the team in its crucial spots, Fred Collins, reserve center and ace pitcher of the ball team who received several major league offers last spring, Carlo Angelica, aggressive guard from Enfield, Conn., and Milt Blieden, clever ball handler from Staten Island.

Average Point a Minute

To date the Friars have averaged better than a point a minute in their competitions, and have scored two wins over the Pennsylvania State Teachers College at Stroudsburg, one sided victories over Yale and Assumption College and eked out a 30 to 29 triumph over the powerful University Club of Stamford, Conn., a team composed of former college stars. With the team rapidly gaining its peak form, the Friars promise to be a standout in New England competition, and they are being boomed as the likely representative of this district in the trials for the Olympic selection to be made in New York in March.

MURPHY ELECTED CAPTAIN AT P. C.

William Murphy, three-sports star at Danbury high school, was elected captain of the Providence College Freshman basketball team yesterday.

Murphy won a position with the Friar yearlings at the start of the campaign and has been a regular ever since. He also played on the Freshman football team.

At Danbury high the new Friar Freshman captain competed in football, baseball and basketball. He was captain of the basketball team in his last year.

Providence College Five Defeats St. Anselm 51-30

Connerton Outstanding for Visitors; Collins, Hagstrom Lead Friar Attack.

The untiring efforts of Leo Connerton, former De La Salle athletic star, were not enough to stop the Providence College basketball team last night at Harkins Hall and the Friars spurted through a rugged second half to a 51-30 victory. The first half ended with the Dominicans leading 25-21.

Connerton was in his usual good form and dribbled through the Providence team for frequent scores in the first half. His work was checked in the second half mainly through the efforts of Fred Collins and Gus Hagstrom.

With Fred Collins leading the scoring for Providence and Gus Hagstrom back in rare-shooting form the Friars used their short passing game to keep the ball away from the visitors and wait for the opportunity to break through the Saints' defence for a score. Capt. Ben Smith added eight points to the Friars total and played a steady game at centre in place of the injured Ed Bobinski.

Leo Ploski was the standout of the reserve team and made seven points in addition to playing a fine defensive game. Ray Belliveau, Charlie Gallagher and Leo Davin turned in capable work to stop the threat of Connerton and his mates.

In the early minutes Providence was away to a 5-0 lead before Connerton sank a basket from the foul circle to make the count 5-2. Then the visitors staged a rally and with Connerton making two field goals and a foul toss and Butchka one field goal, the Saints took the lead at 9-7. Davin's side-flip basket from underneath the netting tied the score at 9-9 at the 10-minute mark.

As the teams battled hard for each following point the score was tied at 11-11 and 21-21. With two minutes of the first half remaining and the score 21-all, Fred Collins made good on a toss from deep in one corner and Gus Hagstrom sank a long-tom to bring the score to 25-21 as the half-time whistle sounded.

Fred Collins, Capt. Ben Smith and Leo Ploski dominated the scoring as the second half went along. Milt Blieden went in for Collins and added a basket to the Friars' total. Connerton continued to be the spark in the St. Anselm play through the second half, but could not carry the burden alone, particularly in the face

of the smooth passing which the Friars showed.

In an exciting preliminary contest the Bryant Indians downed the Providence College Freshmen, 39-30. Bryant's smooth playmaking was more than the P. C. Freshmen could overcome. Providence's Freshmen were in the game, close up, all the way, but a tendency to be wild in shooting and lack of finesse in passing proved their downfall.

Otto Kubelle of Bryant and Elton Deuse of the Freshman team tied for high scoring honors with 11 points each. Dave Clark made eight points from his guard position and the aggressive play of the Indians as a whole accounted for a well-earned victory.

Dominicans Conquer Lowell In Closing Minutes of Play

Record Crowd Sees Contest;
Bobinski, Carew Give Im-
pressive Exhibition

(Special to the Providence Journal.)

Lowell, Mass., Jan. 14.—In one of the keenest-fought basketball contests seen here in many years, played before a record crowd tonight, Providence College rallied in the last stages and handed Lowell Textile its first setback of the season by a 35 to 30 score. The home quintet had previously won four straight games.

The highly-favored Friars found themselves under pressure all the way as the Textile team, lead by New England's high scorer, Co-captain "Lou" Athanas, gave a sterling exhibition which coped with that of Providence until the last six minutes of play.

In those final minutes, the fast team-play and the superior substitutes of the visitors gained the five-point margin which earned them victory, while the Textile quintet could not garner a single tally.

Providence held its greatest margin at the close of the first half. At that time the score was 24 to 15, made possible through the return of Ed Bobinski and Joe Carew, centre and forward, who were playing their first contest since the one-point Dartmouth-Providence game just one week ago. These two Providence stars, among the leading five New England varsity scorers, gave a great exhibition as their side took the nine-point advantage.

But in the second half the Friar guards playing against Athanas found the Textile star slipping them in from all positions. Joe Doukszewicz, Lowell centre, aided him and after 14 minutes of play in that session, the count was tied at 24-all.

In the six remaining minutes with Leo Davin and Capt. Ben Smith, guards, keeping Athanas in check, the visitors went ahead to victory.

Charlie Gallagher, Fred Collins, and Ray Belliveau did commendable work in the contest for Providence. John Bogacz at guard gave the best defensive performance for the losers.

RAMS TO STAKE UNBEATEN RECORD AGAINST FRIARS

State and P. C. Fives Appear
Evenly Matched.—To Play
Tomorrow Night.

BY JOE NUTTER

Most of the roads hereabouts will lead to the Rhode Island Auditorium tomorrow night when Rhode Island State College meets Providence College in varsity and freshman basketball.

The particular rivalry that brings the two institutions together on a floored court isn't very old in years, but it's already an ageing proposition in intense rivalry.

Yesterday afternoon, for instance, Coach Al McClellan ordered secret practice for his charges in Harkins Hall. He took a megaphone and directed the activities of his men from the sidelines. No field officer shouting commands ever got more for his effort than the tall, energetic director of the Friar hoopsters.

Down deep in South County Coach Frank Keaney dispensed with the megaphone, and there was no need for secret practice, but Rhody drove hard and fast. Keaney will tell all the world the type of basketball he plays, so there is no secret in keeping it quiet. It's like Dobie's off-tackle play. You know how it works, but the job is to stop it when Cornell has the man power. Rhode Island's fire-ball, with the fast-breaking charge, the incessant speed, and the eternal shooting at the basket, is a type of basketball that differs materially from that in use on Smith Hill.

What few comparative items exist would indicate that the two teams are very close. Ordinarily, Providence College would be heavily favored, but the Lowell Textile game would indicate that all is not tops on Smith Hill. Providence was below par that night and had to come from behind in a last-ditch fight to win. It would be more of a trick to come from behind on Rhode Island.

On the other hand, Providence has the size, for her men will measure well above the run of the Ram players. And you can't discount height in basketball.

Game played:

January 14, 1936

FRIAR YEARLINGS TRIUMPH 32 TO 24

Sweeping into the lead seven minutes after the start of the contest and never relinquishing its margin from that point on, the Providence College Freshman basketball team subdued the Bradford Durfee Textile five of Fall River, 32-24, last night, at the Fall River Boys' Club. It was the second triumph of the season for the Friar Frosh.

Elton Deuse, former B. M. C. Durfee high school ace, who was at the pivot post for the visitors, led his team to victory. The Textilers scored shortly after the opening whistle when Johnny Harrington caged a foul shot. During the seventh minute of play, Len Shapiro, Friar Freshman right guard dropped in a pretty overhead shot, and his "two-pointer" was followed by a "long tom" which gave Providence a 4-1 lead.

The visitors uncovered their full offensive power in the second period which netted them nine more points. Bim Strasburg and Dick Murphy gave a fine display of passing and shooting to give the Friars a 13-4 margin.

Although the Durfee five rallied strongly in the last two periods, its belated attack was not enough to overcome the lead piled up by the visiting club. Fred Zebrasky set the pace for the Textile outfit in the last half, scoring six field goals. However, the "breaks" of the game saw him miss almost twice as many shots, several just rimming the hoop.

With only three minutes remaining in the final period Durfee came within six points of deadlocking the contest. Providence College called for time out and after the rest period crashed with a trio of field goals to clinch the game. Murphy scored two baskets and Strasburg accounted for the other two points.

Crowd Likely To Set New Local Record

Rams Meet Friars Saturday at Auditorium in Color- ful Setting

Rhode Island State will carry an unbroken string of victories into action when it faces Providence College Saturday night at the Auditorium in the city's big basketball classic of the winter.

The "point-a-minute" Rams salted away victory No. 6 when they took United States Coast Guard Academy into tow by 50-33 last night at Kingston and thereby preserved their unmarred record for the all-important clash with the Friars.

That makes what amounts to an almost perfect setting for the Saturday night game, which is expected to draw the largest basketball crowd in Rhode Island's history. The entire Auditorium seating capacity will be used to accommodate the fans.

Providence College can't boast an undefeated record, similar to that of the Rams. The Friars have been nudged out twice in nine games, one of the defeats being a one-point loss to an opportunistic Dartmouth five and the other a two-point setback at the hands of the crack Columbus Council quintet of Brooklyn in a non-collegiate affair.

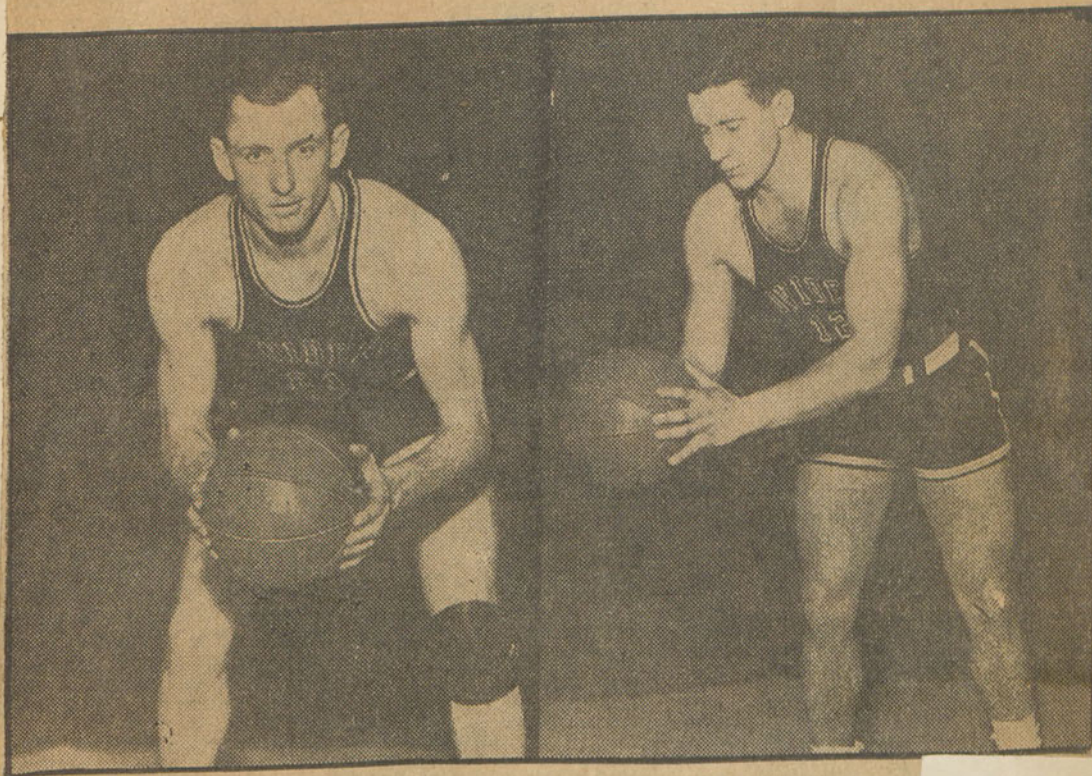

SLIGHT ODDS ON FRIARS

Things balance up, though, in the fact that the calibre of the Friar opposition has been higher than that faced by the Rams. As a result, the odds remain slightly on the Friars, with their wealth of brilliant first-string and reserve material, to continue their basketball supremacy over the Rams, but a close, hard-fought game is regarded as a certainty.

Coach Frank Keaney and the Rams will come to town primed for a last-ditch fight for an upset. If the Kingstonites could trip up these high-flying Friars, it would amount to a real gem to be placed in the collection of Ram athletic triumphs along side of the first football victory the South County athletes hung up over Brown last fall.

There's no denying the fact that State has been pointing for this one all winter. All hands practically concede that the two-game Friar-Ram series this winter means the State championship, since there doesn't seem much possibility of the current Brown team intruding itself into the picture. State already has to its credit a convincing victory over Brown, scored last Saturday night at Kingston.

P. C. Brilliants Who Can Shoot

Ed Bobinski, left and Ray Belliveau, clever forwards of the Friar basketball forces.

Friars Uncork Whirlwind Offensive in Second Half

Rams Make Gallant Bid in Final Minutes; Six-Game Victory Run Snapped.

BY MICHAEL J. THOMAS

With its offensive gathering momentum as the game progressed, the Providence College basketball team scored an impressive 53 to 47 victory over the Rhode Island State College quintet before 3500 spectators at the auditorium last night. The Friar victory snapped a six-game victory run of the Rams and marked their first defeat of the season.

The Dominicans secured their margin of victory by a whirlwind offensive during the early part of the second half, assuming a 50 to 37 lead 12 minutes after play restarted. The Rams made a gallant bid to reach even terms with their foes during the final minutes. They came within seven points of reaching the Dominicans, but the Providence defensive strengthened during the pinches.

Leo Davin of the Friars was the high scorer of the game with 19 points. Capt. John Francis Martin led State's offensive with 18 markers.

The game, first to be played at the Auditorium this season, was replete with well executed plays, passing and shooting. A fast pace was maintained from the start, and until the Dominicans uncorked their powerful offensive during the second half, only a few points separated the teams.

The Friars used their superior height to full advantage, especially on rebounds. They were able to obtain possession of the ball most of the time when play was under the baskets, and to this factor may be traced many of their baskets.

Players on both teams made fancy baskets, with the outstanding individual performance being that of Martin. The captain of the Rams hooped in shots from all of the angles of the court, and it was his brilliant play that kept the Rams in the battle until the end.

Leo Davin, giant guard, played an important role in the Providence victory. Not only was he the Friars' high scorer, but he also excelled on the defence. He broke up a number of State plays and was especially valuable to the Friars defensively when the Rams staged their spasmodic rallies.

Both teams employed a fast breaking offensive, which accounts for the large score. At the outset the Friars relied on constant passing and short shots to score, but with the Rams employing a close zone defence, they were somewhat checked. Later in the contest, they began to shoot from farther out, and were more successful. The Rams shot most of their baskets from outside the Providence defence.

Junior Keaney, son of the State coach, who was slated to start at a forward post, was unable to play because of an injured knee. His place in the starting lineup was taken by Tashjian, a Sophomore. Fabricant, another Sophomore, also started for the Rams.

The scoring started following the initial tap-off, Davin taking a pass from Smith to put the Friars ahead 2 to 0. Bobinski added another bas-

ket, to give the Friars a 4-0 advantage.

Messina tallied State's first points on two foul shots, and shortly afterward, Martin caged a brilliant overhead shot from the side court to tie the count at four-all. State took the lead for the first time, 6 to 5, when Martin and Fabricant scored foul shots.

Both teams alternated in scoring during the next five minutes and the score midway of the first half was tied at 13-all.

Davin and Bobinski scored in rapid succession to put the Friars ahead, 17 to 13. With both teams concentrating on the offence at this stage of the game, baskets were scored with

marked frequency. Providence took a 20-18 advantage, 15 minutes after play started, and the teams battled the remaining five minutes practically on even terms. The half ended with the Friars ahead 28 to 25.

The Rams took the lead shortly after the second half started on baskets by Martin and Fabricant. With the Rams ahead, 31 to 30, the Friars staged their winning drive. Led by Bobinski and Collins, they began to break through the State defence.

With only five minutes of play remaining, the Dominicans had assumed a 50 to 35 lead. Victory was practically certain for them, but the game did not end without the Rams throwing a scare into the Friar camp.

Martin regained his scoring eye and scored six successive points for the Rams while the Dominicans were scoring only two. The score was now Providence 52, State 43 with two minutes remaining.

Fabricant took a pass from Messina and tallied two more points for State, to leave his team but seven points behind, but at this point, Davin contributed another field goal to definitely clinch the verdict for Providence.

The Ramlets led throughout in their game with the Friar yearlings. It was not until the final minutes of the contest that the Dominican offensive clicked. The Ramlets, however, had compiled too large a lead to be seriously threatened. The Ramlets led 22 to 15 at the half.

Vic Tkacs, who scored 16 points, and Chet Jaworski, who tallied 14, led the Ramlets to victory.

Jim Wright of State, failed to score in first period on a penalty shot, after being fouled by Joe Carew. No. 21 is Ed Bobinski of P. C.; No. 18 is Bill Moge of P. C. and No. 20 is Fabricant of R. I. State. The Friars won last night's game at the Auditorium, 53 to 47.

FRIARS ANXIOUS TO BEAT CADETS

Victory Over Army, It is Believed, Will Enhance Olympic Prospects.

Having enhanced its basketball record for this season by a 53-47 victory over Rhode Island State, the Providence College basketball team will have the opportunity to add further to its reputation when it meets Army at West Point on Wednesday afternoon. If the Friars can top the Cadets, who have been defeated by Duke and Colgate in their last two contests, their Olympic prospects will be much brighter.

One thing about the double-header at the Auditorium which bodes well for the Ram-Friar series during campaigns to come is the outcome of the Freshman game, which the Ramlets won, 46-31. The margin of six points which gave the Friars victory in the 'Varsity encounter indicates there will be another close battle when the teams clash at Kingston in February.

Ray Belliveau was unable to take part in the major attraction on Saturday evening because of illness. With weather as it is it is doubtful if he will be able to play against Army. His effectiveness will be missed, even though Coach Al McClellan has strong reserves to call upon.

Plans for the Friars today call for a workout this afternoon at which time Coach McClellan will choose his squad to make the trip to West Point. The players will leave Tuesday afternoon, and will go directly to West Point by way of New York City. The return trip will be made on Thursday.

Providence has rounded back into form after the layoff during the Christmas holidays as their triumph over R. I. State showed. The Friars face another gap in their practice schedule during the semester vacation, and will be forced to start all over again when classes resume, with their keen rivals, the Rams of Rhode Island State, as the first objective in February.

Game played: January 22, 1936

Cadets Stage Second Half Rally to Trim Providence

Dominicans Lead at Half 19-14; Monk Meyer and Dawalt Star.

(Special to the Providence Journal)
West Point, N. Y., Jan. 22.—Army's basketball team was forced to put on a strong second half rally here this afternoon to turn back the Providence College quintet, 40-34. Fast and hard fought throughout, the contest was not decided until the closing minutes.

The Friars, after falling behind 13-8 during the first 12 minutes of play, put on a short spurt that found Ed Bobinski and Collins leading the attack. This rally gave the Dominicans the lead 19-14 just as the half ended. The West Pointers on two previous occasions in the opening chapter had tied the count, or forged ahead.

A fast-breaking offence, led by Monk Meyer, Army's football star, and Ken Dawalt, in the second half found the Cadets going into a one-point lead, 31-30, just 10 minutes after the restart. Dawalt went out on personal fouls at this stage of the contest, but his replacement, Scott, kept up the pace and dropped three goals to give Army a fair-sized lead. Still maintaining its fast pace,

Army found the basket range with more consistency than in the first half, and matched the Friars in point scoring while holding its margin acquired during the second half spurt. Providence made a great bid to overcome the slim margin, but fine defensive work by the Cadets turned back the attempts.

Meyer, the Cadets' right forward, captured the high-scoring honors of the game, when he caged four field goals and three foul shots for a total of 11 points. Bobinski of Providence tallied 10 points for the Friars, as did Dawalt of the home forces.

Feeling Runs High as P. C. Takes Measure of State

Flare-ups by Timers, Coaches
and Players Nearly Culmi-
nate in Free-for-All.

By MICHAEL J. THOMAS

The Providence College basketball team established beyond doubt its superiority over the Rhode Island State College quintet by repeating a previous triumph over the Rams at Kingston last night. The score this time was 65 to 42.

Hitherto invincible on their home court this season, the Rams were completely outplayed by the Friars, who kept the opposition at a safe distance throughout the ruggedly-fought battle.

The contest, watched by a highly partisan crowd of more than 2000, was played at a fast tempo. Reserves frequently entered the game because of the fast pace maintained from the outset. Intense feeling ran among the crowd and players, and, at times it appeared that the contest might get away from the officials.

There were flare-ups by timers, coaches and players, and on one occasion near the end of the game, a free-for-all nearly cropped up among the contestants. Despite the many delays, caused by friction and the lack of systemized work between the referees and official scorers, the large crowd witnessed a good game.

State College athletic officials said the crowd was the largest to witness a basketball game in the new gymnasium. Many of the late arrivals were unable to gain admittance. Only standing room was available midway during the preliminary game, between the Freshman teams of the two colleges. This contest was won by the Ramlets 66 to 28.

By scoring 17 points Capt. John Francis Martin of the Rams established an all-time State College scoring record, bringing his four-year total to 714. The previous mark of 701 was established in 1928 by Robert "Red" Haire, who, incidentally, attended last night's contest. With the Rams just past the halfway mark of their schedule Martin undoubtedly will compile a total that will stand for some time.

Martin, regarded as one of the best college players in the East, was the only Ram who penetrated the Friar defence with any degree of success. He was at his best during the first half when he collected 14 of his 17 points.

As was the case in their first game, the Friars used their greater height to full advantage. They recaptured most of the rebounds and took the majority of the tap-offs, factors which kept the Rams on the defensive during a good part of the contest.

The Dominican defence, especially, was effective, much more so than it was in the initial game between the teams, and to this factor may be traced the contrasting scores of the two contests. Providence won the first game 53 to 47.

Providence's best scoring play was a long pass with Leo Davin, game's high scorer, on the receiving end. The Rams were caught flat-footed by this pass time after time, with Davin scoring field goals unmolested.

Although each of the 13 Providence players turned in good games, Davin played the best game by far of any man on the court. He gave a brilliant all-round performance, scoring baskets with marked frequency and playing an alert defensive game. He tallied 23 points, and earned the distinction of leading the scorers in both contests played by the intra-State foes.

The defeat was the most decisive the Rams have received this season, but they put up a courageous battle against a vastly superior foe. Martin was their main threat, but as soon as he tired from first half exertions, the punch to their attack had vanished. Martin saw more service than any other contestant.

Fouls were frequently called, with the result that three players, two of them Rams, were ejected on four personals. They were Morris Fabricant and John Partington of State and Joe Carew of the Friars.

With the exception of the first few minutes of play, the Friars lead by at least 10 points. During most of the game, however, their advantage ranged from 15 to 20 points. The half-time score was 37 to 23.

Martin opened the scoring with a field goal, but Gallagher retaliated for the Friars. State regained the lead on a foul shot by Messina, but soon afterwards Bobinski dropped a basket to give the Friars a lead they never relinquished.

Davin, Smith and Belliveau alternated in scoring field goals for the Dominicans, and with the result that they took a 13 to 6 lead after four minutes of play. The Friars, playing an

adept short-passing game, continued their strong offensive drive and at the 10-minute mark were ahead by 28 to 18.

State, with Martin making one-handed shots and long toms, rallied, but the Friars counter-rallied with the result that Providence took a 12-point lead at the half.

The Rams started the second half auspiciously. This time Fabricant led its drive, but the Friars were not to be denied. They began to break through the State defence with marked frequency again, and in five minutes of play, the Friars led by mission, had gained a commanding lead, 58 to 38.

The remainder of the game found the Rams battling desperately in a hopeless cause.

Ed Bobinski, extreme right, snares a one-handed field goal in last night's basketball feature at the Auditorium. The toss was good and added two digits to Providence's score which amounted to 55 as against Springfield College's 48 when the contest ended.

Photograph shows Springfield and Providence College basketball players in battle for ball, shown by arrow, in first half of game last night at the Auditorium. The Friars won the contest, 55 to 48.

Fouls Frequent as Quintets Fight for N. E. Supremacy

Maroon's Winning Streak Is Snapped; Leo Davin Deadly Under Baskets.

The Providence College basketball team took a firmer grip on the basketball supremacy of New England by turning back a powerful Springfield College quintet, 55-48, at the R. I. Auditorium last night. Springfield's 10-game winning streak was halted by this victory.

Each team shared the lead during the first half but a scoring surge by the Friars in the last five minutes gave them a 34-24 lead at half time. During the first 10 minutes of the second half Providence piled up a 43-33 lead, maintaining the same margin over the visitors that existed at the end of the initial period.

With less than four minutes left in the second half the Maroon play-

ers narrowed the Friar lead to five points, 48-43. Providence then resorted to a short passing game and had considerable success in keeping possession of the ball as time was running out.

Since much was at stake, the game gradually developed into a rugged affair. Fouls were called all too frequently for the spectators and the partisan groups on either side of the Arena voiced their sentiments loudly and long. Unnecessary roughness detracted from the game as players were spilled and sent sprawling.

Both teams had their individual stars but it was excellent team play on the part of the Friars that spelled victory for the Black and White. Employing a short passing game and gradually working into Springfield territory, the Friars displayed speed and finesse in shooting.

Springfield, working smoothly enough in the opening period, found the Providence defence very troublesome in the last period and its teamwork was so disorganized that the Maroon was always behind, fighting to keep the lead down. The visitors were never closer than five points to the Friars in the second half.

Providence, off to a 4-0 lead in the opening stanza, lost it on some accurate long tosses by the Maroon players at 6-4, tied the count at 6-6, went ahead, 9-6, but again fell behind 13-9. Providence stayed behind for the next 90 seconds, but when the score was again tied, at 14-14, the Friars put on pressure and jumped ahead, 23-14. Springfield drew up close at 24-22 but a Providence rally widened the margin to 34-24 as the half time bell sounded.

Springfield had an excellent set-shot in Al Hunt, Jr., right guard. Hunt was good for a score almost every time he crossed midcourt into Friar territory and was free to take careful aim. His six goals from the floor plus one foul, gave him 13 points for the high total on the Springfield team and the highest total for the night.

Providence's high scorer was Leo Davin, giant left guard, who was deadly under the basket. Davin scored six goals from the floor, four of them from directly beneath the netting, for 12 points. Fred Collins turned in a fine game and contributed 10 points to the Providence total.

Both teams scored the same number of field goals, 20 apiece. It was at the foul line that the game was decided. Providence scored 15 of a possible 21 points from the free mark, while the visitors made eight out of 17 possible points from this spot.

Charlie Gallagher opened the scoring for Providence when he cut abruptly just outside the Springfield foul circle and dribbled in fast to tally from the side court. Gallagher's foul gave Providence a 3-0 lead and Ed Bobinski, spearhead of the Friar attack, extended the lead to 4-0 on a foul toss. Capt. George Cella of Springfield made the visitors' first points. He dribbled to the far corner and sank a basket on the run. A Springfield criss-cross pass ended with Cella sinking the ball from beneath the nets and Hunt flipped in one of his set-shots to give Springfield a 6-4 lead.

Fred Collins went in for Capt. Ben Smith on the Friar five at this point. Carew tied the count at 6-6 and Bobinski and Davin scored to give the Dominicans a 9-6 advantage. Springfield came right back with

baskets by Hebard, Nuttall and Meyers and took the lead at 13-9. Providence power began to tell and the Friars kept the Maroon on the defensive, piling up a 10-point lead as the half ended.

In the second half the Friars guarded the visitors closer. Springfield's long shots did not fall with as much accuracy as they had in the first half. Hurried in their passing, the visitors lost their smooth teamwork and Providence took advantage to maintain the lead.

Sterling defensive work by the Friars in the second 20 minutes of play spelled victory. But the Friars took the offensive every time they were given the opportunity and, driving into Springfield's half of the floor with a fast short passing attack, they pressed Springfield back on the defence. The Maroon broke away for some fine team plays but the Friars' tight defence stopped their threats.

In a preliminary game the Providence College Freshmen nosed out the Springfield Jayvees, 34-32. Providence Freshmen led at the half, 16-13. With four minutes of the final quarter remaining, the Jayvees took the lead for the first time, 26-24. Providence came back strong and McDermott's goal decided the game in the final minute.

DOMINICANS BEAT VILLANOVA 46-37

Friars Take Early Lead, Match
Visitors in Later Stages;
Bobinski Sets Pace.

With Ed Bobinski, Joe Carew and Charlie Gallagher accounting for most of the Providence College points, the Friar Varsity basketball quintet defeated Villanova, 46-37, last night before about 400 spectators at the Auditorium. The Friars held a 21-17 advantage at half time.

Providence took a big lead over the visitors in the first five minutes and was still enjoying a comfortable lead after 10 minutes of play. Villanova rallied in the second half of the opening period and drew up to within four points of the Friars at the half time bell.

At the start of the second half the Friar first team took the floor and after five minutes of play had a 30-22 lead. Villanova was less effective in the opening minutes of this period, but with eight minutes gone the visitors broke up the floor for five field goals, bringing the count to 41-34, as a determined Friar attack matched each opposing score.

Both teams turned in spotty performances. The Friars jumped into an early lead and this advantage proved more than the visitors could overcome. Ed Bobinski, Friar centre, scored 15 points to take honors for the evening. Joe Carew and Charlie Gallagher, Providence's starting forwards, made 11 and 10 points, respectively.

Outstanding on the visiting team were Don Brennan, centre, and Charles Noonan, sub forward. Brennan's set shots were of the spectacular sort. Mike O'Meara tossed in a

pair of long toms almost from mid-court.

Providence College made four more field goals than Villanova and enjoyed a better percentage as far as foul shots were concerned. The Friars made eight out of 15 attempts while the Wildcats could cage only seven of 18 chances.

Ed Bobinski scored in the fourth minute of the game to give Providence a 2-0 lead. Harry McNally, Villanova guard, netted a foul shot in the fifth minute of the game for the visitors' first point. During the next three minutes Providence ran its lead to 10-1 before Tom Ryan sank Villanova's first field goal in the eighth minute of play.

Villanova's late rally in the first half was led by Noonan and O'Meara who brought the score to 19-15 with two minutes left to play. O'Meara scored from underneath and Collins zipped in a fast shot to make the half time tally, 21-17.

In the second half Providence scored two baskets to one for the visitors. As the Wildcats realized that time was running out and that the Friars were employing a short passing formation to keep possession of the ball, their hurried attack did not click effectively.

Providence maintained an increasingly faster pace in the second half. The Friars netted nine field goals and three foul baskets in the first half and 10 field goals and five fouls in the second half.

Villanova scored six times from the floor and five times from the free throw line in the first half. In the second half the visitors' attack netted nine goals and two fouls.

The Dean Academy quintet topped the Providence College Freshmen in a preliminary game, 45-36. Dean took a commanding lead from the start and was never seriously threatened.

BRYANT QUINTET WINS 10TH GAME

Bryant College's basketball team had little trouble with the Providence College Freshman quintet last night and won its 10th victory of the season 58-29, at Stratton Gym. The score at the half was 28-9 in Bryant's favor.

Henry Jablecki, the Indians' sharp-shooting left forward, made 23 points as the Bryant team completely outclassed a P. C. Freshman quintet that was minus two regulars who were injured recently. Dave Clark, Otto Kubelle and Capt. Gil Bray shared in the Bryant scoring honors.

While the outcome was hardly in doubt after Bryant jumped into a long lead in the first half, the Freshmen closed the gap considerably in the second half. "Bim" Strasberg, Fred McDermott and Ray Bedard contributed a major portion of the Freshman points.

MAROONS TOPPLE DOMINICANS 50-43

Springfield, Trailing by Seven Points at Half, Rallies to Triumph.

(Special to the Providence Journal)

Springfield, Mass., Feb. 22.—Trailing by seven points at the half, Springfield College's basketball team staged a rally in the final period to defeat Providence College 50-43 here today before a crowd of 2000.

Unsteady in passing in the first half, Springfield more than made up for its deficiencies in the final period. Whereas the Maroons had been weak in fighting for the ball under the Providence hoop in the first 20 minutes of play, they outgamed the tall Dominicans during the final period. Once the home city team took over the lead at 27-26 it never relinquished it.

Although he did not lead in the scoring, Capt. George Cella of Springfield was the outstanding player for the winners. Bobinski, visiting centre, led the scorers with 15 points. Nuttall, Hebard and Hunt also hit double figures.

The Springfield Jayvees defeated the Providence Freshmen, 52 to 37.

BECKER DEFEATS FRIAR FRESHMEN

(Special to the Providence Journal.)

Worcester, Mass., Feb. 25.—Roaring away to a substantial lead at the start, Becker College's basketball team conquered the Providence College Freshmen 64-50 in a free-scoring game here tonight.

Becker led, 18-5, at the quarter and 31-16 at the half, being held even thereafter.

Ben Strasberg, a visiting forward, walked off with the evening's honors by setting a local scoring record. He slammed home 33 points, most of his shots being of the one-handed type. Samko tallied 26 for the locals.

Lenehan Scores Basket During Last Minute to Give St. Anselm's 32-31 Victory.

(Special to the Providence Journal)

Manchester, N. H., Feb. 29.—Led by Capt. Leo Connerton of Newport, R. I., the St. Anselm's College basketball team scored a spectacular 32 to 31 victory over the Providence College quintet here tonight.

Bernie Lenehan scored the winning basket on a pass from Capt. Connerton with but two seconds left to play. The game was close throughout with score knotted 14-14 at half-time.

St. Anselm's forged into a 14 to 5 lead midway in the opening chapter but at this point Belliveau for Gallagher entered the game and the Friars spurted.

Ten minutes after the second half started the teams were again tied 25 to 25. Collins caged a basket for Providence but Spirida's long shot tied the count at 27-27. Bobinski registered a field goal for the Friars before Butchka converted a free try for St. Anselm's. Hagstrom made good on a pass from Smith to give Providence a 31 to 28 lead. Providence tried to "freeze" the ball but Buchawski of St. Anselm's scored a basket after a toss-up. Lenehan scored the final shot as pandemonium broke loose.

Providence missed a score of set-up shots during the first half. A dispute arose late in the game over whether St. Anselm's had exceeded its time-out limit. The Providence scorer had the Bluejays credited with four times out, but the St. Anselm's scorer insisted that there were only three. Coach McClellan made a vigorous protest, but to no avail.

Bobinski and Hagstrom excelled for the Friars.

P. C. FRESHMEN TRIP TEACHERS

Holding command throughout the entire contest, the Providence College Freshmen defeated the Rhode Island College of Education basketball team, 51-28, yesterday afternoon at Harkins Hall. "Bim" Strasberg again took scoring honors for the Freshmen, caging 19 points.

After gaining a 13-7 margin at the end of the first period, the Freshmen continued to lead and were on the long end of a 24-13 count at half time. Strasberg and McDermott took scoring honors in the first half with four field goals and a foul basket each.

Farrell and Skipp were the leading point makers for the Education quintet in the first half and in the second half Berg, taking over the centre duties, led the Teachers' scoring with a pair of field goals and two foul shots. Strasberg scored five times from the floor in the second half to lead the Freshman attack.

ST. JOHN'S CONQUERS PROVIDENCE BY 43-34

Redmen End Basketball Season With Fourteenth Victory in Eighteen Contests.

With Frank McGuire, who made 13 points, and Rip Kaplinsky leading the attack, the St. John's University five terminated its season last night by conquering the Providence College quintet, 43 to 34, before a capacity crowd at the De Gray gymnasium in Brooklyn. The triumph gave the Redmen a record of eighteen victories against four defeats.

Providence was handicapped by the absence of Joe Carew, veteran forward, and Leo Davin, star guard, and could not get going. The Friars were ahead only in the opening minute, when Ed Bobinski made a field goal. At half-time the score was 21 to 13.

In the preliminary game the St. John's junior varsity closed its season with a 26-to-18 victory over the Ebingers from the Flatbush Boys Club. At the half St. John's led, 14 to 7.

CAREW-DAVIN OUT OF FRIAR LINEUP

Injuries Will Prevent Them
from Playing Against St.
John's Tonight.

LINEUPS AT BROOKLYN, N. Y.	
ST. JOHN'S.	PROVIDENCE.
Kaplinsky, lf.	lf., Gallagher
Gotkin, rf.	rf., Hagstrom
Bush, c.	c., Bobinski
Oeding, lg.	lg., Collins
McGuire, rg.	rg., Smith (C)

Time of game: 8:30 o'clock. Place: De Gray Gym.

Coach Al McClellan of Providence College will start a revised lineup against St. John's University of Brooklyn tonight when the Friars swing into action against the Redmen in the only regularly scheduled contest between these rivals this season. Injuries to Joe Carew and Leo Davin have forced the Friar mentor to drop them from the travelling squad.

With the loss of these two men the Friars' chances of topping the Redmen have become smaller, but McClellan hopes to select a winning combination from a squad of nine. St. John's was bumped off its stride on Monday night by the alert St. Francis quintet, 30-22. The game with the Friars is the final one of this campaign for the Redmen, and they will be "shooting the works."

ST. JOHN'S FIVE SUBDUES FRIARS

Redmen Triumph 43 to 34;
Providence Loses Early
Acquired Lead.

(Special to the Providence Journal)
Brooklyn, N. Y., March 6.—Handicapped by the loss of Joe Carew, star forward, and Leo Davin, six-foot, four-inch guard, the Providence College basketball team lost to the St. John's University quintet, 43 to 34, in the crowded De Gray gymnasium here tonight.

After a momentary lead at the start, the Friars trailed the Redmen for the remainder of the contest. St. John's led 21 to 13 at halftime. The game was the last of the season for the victors, who lost only four games this year.

Charlie Gallagher, Providence left forward, played a stellar game, garnering six goals. Al Hagstrom, Ed Bobinski and Capt. Ben Smith also played well for the Friars.

FRIARS TOPPLE UPSALA 58-24

Smith, with 15 Points, Leads
Providence to Victory
at East Orange.

(Special to the Providence Journal)
East Orange, N. J., March 7.—Providence College proved too much for Upsala here tonight in their basketball meeting, the Rhode Island quintet handing the local team a 58-24 lacing. Tonight's game marked the last game of the season for Upsala.

The visitors lost no time in getting down to business and before the game had got under way, the Jersey collegians realized that they were meeting a stiff opponent. The half closed with Providence leading 39-12.

In the second half, Upsala found the same stiff opposition that they encountered in the first half, and despite their trying efforts, they were unable to cope with the swift pace set by the visitors.

Smith, Providence guard and captain, took scoring honors, with 15 points.

Friars Stave Off Lowell Rally to Win 38 to 34

Athanas Scores 12 Points for Textile Five Although Closely Covered.

Outplaying their opponents 25-11 in the first half the Providence College basketball team staved off a Lowell Textile rally in the second half to score a 38-34 victory over the Textilemen last night at Harkins Hall.

With Ray Belliveau leading the assault with four field goals in the opening half, the Friars pressed the attack throughout the first 20 minutes, with Lowell making only sporadic dashes up the floor and tossing away many chances to score.

Lowell came back with a rush in the second half and Athanas, who had been held to five points in the first half, added seven to his total in spite of close guarding by the P. C. backs. Bassett had a major part in the Lowell rally, scoring three times from the floor.

Clever pass interception by Collins and Gallagher in the first half stopped Lowell sorties time and again. Davin and Bobinski used their height to break up Lowell passes in the second half. The Friars employed their "figure-eight" passing to good advantage in the closing minutes of the game, as Lowell tried to draw up with their opponents.

Lowell resorted to long passes and fast breakaways in the second half, after finding their short passing game useless in the opening stanza. Athanas was well guarded throughout the game, not only by his own man, but by the Friar team in general.

Ray Belliveau stole the scoring honors with a display of shooting from all angles. He netted 17 points to turn in the best individual contribution of the night.

Athanas was Lowell's best offen-

sive threat as he totalled 12 points despite the fact that he was a "marked man" from the opening tap. Doukzewicz seconded the Lowell co-captain's efforts with nine points. But it was the insertion of Bassett into the Lowell lineup in the second half that started the visitors on their rally.

Lowell opened up in the second half and began to use every means to score. Long passes and shots from near and far rained the Providence basket but the Friars had the advantage of the lead and overtaking the Dominicans was more than the Lowellites could accomplish.

In a preliminary game the P. C. Freshmen lost to Becker College, 60-39. Somco, Vangel and Goodwin starred for the Becker quintet, while McDermott and Memphis were best for the Freshmen.

Bear and Friars Take a Tumble

Harrison Van Aken of Brown (No. 21) and Jake Bleiden of Providence College are shown reaching for the ball after both had tumbled to the floor during the game between the Friars and the Bears at Brown gymnasium last night. Other Friars in the picture are Joe Carew (No. 6) and Capt. Ben Smith (No. 24). The other Brown players are Al Morcum (No. 4) and Red Armstrong (No. 14). Providence won 48 to 34.

Providence College Five Wins 48-34; Retains Title

Whirlwind Offensive in Second Half Brings Triumph Over Brown.

By MICHAEL J. THOMAS

Providence College successfully defended its State college basketball championship by conquering the Brown quintet 48 to 34 at the Brown gymnasium last night. The Friars put on a whirlwind offensive in the second half to triumph.

The Brown Freshmen won the preliminary contest 49 to 38 from the Dominican yearlings. Nearly 2500 spectators watched the two hard-fought battles.

Superior man power was instrumental in the Friar triumph. The Bears matched every move of the Dominicans during the opening half, but the second part of the conflict was entirely in Providence's favor.

Both coaches rushed in reserves after their regulars had tired from first half exertions. The Providence substitutes carried too much punch for their Brown counterparts.

The Friars played good basketball and richly deserved their victory. Their play in the second half especially was noteworthy. During the final 20 minutes they worked set plays in an efficient manner and completely stopped the Brown offensive.

They clicked in a manner reminiscent of their earlier games when they were consistently topping foes. They passed accurately and continually worked their way under the baskets for easy shots. They kept the ball moving and late in the game had the Bears bewildered with their passing attack.

The Bruins, however, put up a fine battle in face of odds. They fought desperately but the cards were stacked against them.

Three of the Brown players, Capt. Ray Noonan, Harrison Van Aken and Red Armstrong, fought their hearts out trying to stem the Friar tide. They were playing their last games on the Hill and gave their best for a Bruin victory.

Last night's victory gave the Friars a clean sweep in their State championship series with Rhode Island and Brown. They won two games from the Rams and one from the Bears.

Joe Carew led the Dominicans to victory by scoring 14 points. He was the game's leading point gatherer. Eddie Bobinski, Sophomore centre, also played a prominent role in the Providence triumph by collecting 10 points. Four of Bobinski's baskets were made during Providence's speedy offensive early in the second half.

Bobinski was on the receiving end of Friar passes during this spirited rally and all of his baskets were made on close-up shots. Capt. Ben Smith excelled on the defensive. Gus Hagstrom also played well for Providence, being especially adept at long range shooting.

The Friars guarded Ken Kennedy, Brown's scoring ace closely. Kennedy was held to one field goal. He caged five foul shots, however, and was Brown's leading scorer with

seven points. This is the first time this season that Kennedy has been held to a single basket.

Halftime found Providence ahead by only two points, 22 to 20. It was not until the dying minutes of the second half that the Friars took the lead. Their offensive clicking well, the Bears held the lead during most of the initial 20 minutes. A basket by Carew near the end of the session put Providence ahead.

Most of the action was packed in the first half. Play slowed up in the second session but only a little. The game was cleanly played and a minimum number of fouls were called. Only one player went out of the game on four personals.

Brown started auspiciously. Al Morcum and Noonan scored five points before the Friars entered contention. Leo Davin and Smith hooped baskets to make the score 5-4. Charley Gallagher scored a field goal to put Providence ahead 6 to 5, but Morcum soon retaliated for the Bears and Brown went ahead 7 to 6. Carew tied count with a foul shot but Morcum again scored to regain the lead for the Bruins.

The lead alternated during the next 10 minutes. At the 15-minute mark of the first half Brown led, 18 to 15. The Dominicans, however, spurted and took a two-point advantage at the interval.

Kennedy dropped two foul shots soon after play was resumed to tie the count at 22 all. But Providence uncorked its winning rally at this point. Friar passes and shots began to hit their mark. Carew scored first and Bobinski followed him with two baskets. Hagstrom continued the run of baskets and Bobinski again entered the picture with another double heave.

With 10 minutes remaining the Friars had forged ahead 42 to 27. Bob Brokaw, Bill Chichester and Van Aken gave Brown life by scoring baskets but Providence came back strong and was drawing away at the end.

Back Again for N. E. Olympic Playoff

Leo Davin, Providence College's Brilliant Sophomore Guard from New Haven, Who Will Be at His Regular Post Tomorrow Night When the Dominicans Oppose Springfield at Harvard's Court for the Right to Represent This Section in Next Week's District Trials at New York

March 8, 1936

P. C., SPRINGFIELD TO PLAY THURSDAY

Winner of Game to Represent
New England in Olympic
Trials.

(Special to the Providence Journal)

New York, March 7.—The Providence College and Springfield College basketball teams will meet in a playoff game at the Harvard gymnasium next Thursday night to decide which team shall represent the New England section in the Olympic intercollegiate basketball trials in Madison Square Garden, according to the decision of the first district committee as made known here today by H. H. Salmon, chairman of the group.

Salmon conferred here this afternoon with John E. Farrell, graduate manager of athletics at Providence College, and stated that arrangements have been made to stage the deciding game at the neutral Harvard court. Providence and Springfield divided honors in their series this season, the Friars winning at Providence by seven points, and then losing the return game at Springfield by the same margin.

Decision to have Springfield and Providence decide the New England supremacy was made in view of the work of the two teams against major competition. Both have turned in noteworthy performances this winter. The winner of the playoff on Thursday will represent New England in the first district tournament to be staged in the Garden here on March 18. The other teams to compete in this round robin series will be selected the first of the week, with Columbia, Manhattan and Syracuse as possible choices.

Providence, Springfield Play-off Tilt For Olympic Shot Looms as Dog Fight

By ARTHUR SAMPSON

The best college basketball attraction of the season for this city is scheduled for the Harvard indoor athletic building tomorrow night, when Providence College meets Springfield College to determine which team will represent New England in the sectional elimination series of the Olympic tryouts.

The winner of this contest will participate in the Olympic trials which start at the Madison Square Garden on March 18.

In addition to the natural importance which goes with a game of this sort, there are many angles which make this contest well worth seeing.

Springfield usually has been represented by a good basketball team ever since Dr. James Naismith organized the game at that college, and it is fitting that the gymnasts should be one of the teams contending for the honor of being the first team to represent the United States in Olympic competition.

Providence, in the last few years, has been represented by outstanding quintets, and this year has been no exception.

These teams, regarded as the best in New England, although neither has enjoyed a spotless record, have already met twice and each holds one victory. Providence won the first contest played at the Rhode Island state capital, 55 to 48. Springfield took the return engagement on Washington's birthday, 50 to 43.

Both Equal From the Floor

The margin of difference in the scores was exactly seven points in each instance. In addition the box scores show that both teams tallied the same number of field goals in both games, and that the winning margins were produced from the foul line.

On the records, then, two more evenly matched teams could not have been selected. Playing on a neutral floor the contest should be one of those thrilling games which are not decided until the bark of the concluding gun.

As the scores of the two previous games imply, Providence and Springfield both are high scoring quintets. George Cella, a New Jer-

sey product, is the main scoring threat of Springfield, although Hebard, center, and Meyer, a stocky guard, are fine players.

The Friars, with New England boys forming the first string array, have outstanding performers in Bobinski, Davin, a high scoring guard, who has been on the injured list for two weeks, Capt. John Smith of Brockton, Charley Gallagher of Newton and Joe Carew of Medford.

Gen. Al McClellan of Swampscott, the Providence coach. The general a well known figure in this city, is made quite a name for himself in athletics at St. John's Prep and later attended Mt. St. Joseph's College in Baltimore.

INDIANS TOPPLE FRIAR HOOPSTERS

Providence College's Hopes for Olympic Berth Shattered in Game at Harvard Gym.

Springfield College dashed the hopes of Providence College for an Olympic berth by taking the third game of the dead-locked series, 33 to 24 in the Harvard Gymnasium last night. Less than 1000 fans watched the game.

The Indians now have a clear-cut claim to the New England title and will leave for New York to represent New England in the District 1 trials against one of the New York combinations.

George Meyers and Dick Hebard, the two Indian sharpshooters, paced the flying Gymnast team, and Springfield fully earned her conquest. Springfield led, 17 to 15 at the half. Opening the second half Hebard, Cella, Hunt and Meyers rained shots into the basket for a 26 to 17 lead, and thereafter, Springfield matched the Friars final burst of speed and passing to take the game handily enough, 33 to 24. The game marked the lowest score that Providence College has made in weeks and weeks.

Meyers went out of the game on fouls, and Capt. Cella aggravated the foot injury that had taken him out of competition earlier in the year.

The points were scored as follows:

FIRST HALF	
SPRINGFIELD	PROVIDENCE
Hebard	2
Nuttall	4
Nuttall	5
Hunt	7
Meyers	9
Hebard	11
Meyers	13
Hebard	15
Lawler	17
Hebard	19
Cella	21
Hebard	23
Hunt	25
Meyers	26
Rees	27
Hebard	28
Meyers	30
Phillips	32
Phillips	33
	Bobinski
	Davin
	Davin
	Smith
	Davin
	Belliveau
	Belliveau
	Hagstrom
	Belliveau
	Davin
	Carew
	Angelica
	Hagstrom
	Smith

Davin scored eight points. Smith, Belliveau and Hagstrom, four each; Carew, two; and Bobinski and Angelica, one each.

Game played:

March 12, 1936

Leo Davin to Lead Friars Next Season

**Big Guard From New Haven
Elected Basketball Captain
at Providence College**

Leo J. Davin, high scoring guard on the Providence College 'varsity basketball team, has been elected captain of next year's quintet by this season's lettermen. The election of the popular Davin to the post was announced today by John E. Farrell, graduate manager of athletics at the college.

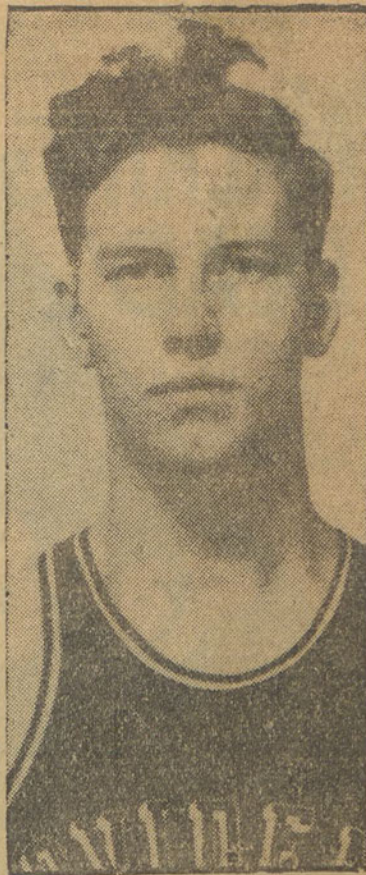

Davin, one of the most popular young men on the Dominican campus, is a product of New Haven high where he was captain of Connecticut State championship teams in basketball and football in his senior year. He was selected on all-State teams in both sports.

In his Freshman year at Providence College he captained the yearling football team, the first outfit coached by Joe McGee, present Friar 'varsity mentor. He was a guard on the Freshman basketball team that year. For the past two seasons he has been regular tackle on the Friar 'varsity football team and regular guard on Coach Al "General" McClellan's basketball quintet.

Davin played brilliant for the Friars in all the games in which he took part this season, but an unfortunate mid-season injury kept him out of several of the key contests. In the two games with Rhode Island State he scored a total of 42 points, the highest individual gross on either team. He was selected as a guard on the team picked by Coach Frank Keaney of State from the ranks of the Rams' opponents.

The new Friar captain succeeds Ben Smith, this year's leader. Smith, like Davin, will be back next year, as both are juniors. Davin stands six feet, three inches and weighs 195 pounds. He's fast, aggressive, eagle-eyed in shooting, brilliant on the defense and likely to prove an inspiring leader.

To Lead Friars

LEO DAVIN

New Haven youth and star on the Providence College basketball team for the past two seasons who was elected captain of the squad for the 1936-37 season. Davin was one of the high scorers on the P. C. outfit.

FRIARS HAVE SPORTS TALENT GALORE THAT THEY NEVER USE

BY JOE NUTTER

It isn't often that a college permits a wealth of high class sports material to remain on the sidelines, particularly when that material is eligible.

But Providence College, already boasting some of the finest talent in Eastern college ranks, has not exhausted her ranks of material in developing fine basketball and baseball teams. Within the walls of the Dominican institution, lives a basketball squad that would be the envy of most of the college hoop tutors in New England, and yet the Friar is not using this particular talent.

SCHOLASTIC WORK EXCEPTIONALLY HEAVY

Over in Guzman Hall, the dormitory that is claimed as residence for some 70 students, dwell a flock of basketball players of proven ability. But these 70 men, while taking the regular academic courses at Providence College, are planning their studies with the idea of becoming Dominican priests.

The heavy scholastic program embracing concentration in the arts, coupled with the long study hours and the extra class work incident to preparation for the priesthood, virtually takes the entire lot out of sports competition. There simply isn't time to give to organized sports and maintain the standard of excellence demanded in the class room. So Providence College must limit her organized sports program, almost entirely, to the other undergraduates who are taking only the regular academic course. The Guzman Hall residents are limited to informal competition, if they compete at all.

But the interest in sports burns bright, in Guzman Hall, and despite the rigorous academic routine, that group has organized a team that plays as time and the inclination permits. So good was that team that last year, it outclassed all the teams in the college interclass league, and then went on and won second place in the State Catholic championship tournament. It bowed in the final to the St. Adelbert five, a team that boasted such talented names as Bill Kutneski, former football and basketball captain of the Friar varsity

and one of the country's greatest guards last year; Walter Garbecki, Walter Utke, former Bryant College ace, and George Larkowich, now a mainstay on the Brown freshman team.

HALL TEAM REGARDED AS MATCH FOR VARSITY

Those who have watched Guzman Hall's stars in action aver that a picked team from that dormitory could give the Friar varsity an interesting scrimmage anytime. Few would concede the team a chance of defeating the Friar varsity at its peak, but a game would not produce a one-sided score by any means. Given the time that the varsity has and it would produce a real contest.

And the Guzman Hall boys would produce a brand of so-called Western play that would extend the Friar team which is made up entirely of Eastern players. Seven of the Guzman Hall residents received their preparatory school training in mid-Western high schools, so they are grounded in the more rugged play of the corn-belt.

Two of the freshmen have just been permitted to join the college freshman team, and their presence has had much to do with a mid-season lift in that combination. Bill McDermott, a tall, rangy lad from Huron, South Dakota, is a great basketball player. His great shooting and fine pass work was the factor that turned impending defeat into victory in the final moments of the Springfield yearling contest last week. McDermott, a six footer, won all-scholastic honors in his home State a year ago, and given the time to work under McClellan should develop into a great player.

ROAN FORMER SCHOOLBOY ACE

John Roan, a 175-pound youth made his debut against Dean Academy last Saturday night at the Auditorium, and in that game stood out among the Friar yearlings. Last year Roan was an all-scholastic guard on the Holy Family high school team in Columbus, Ohio.

Among the other Guzman Hall players who would be welcomed in any basketball camp are Mike Harvey, Junior class-man, who stands 6 feet 2 inches, and Ed McSweeney, Columbus, Ohio,

guard. Harvey played for Fenwick High School, just outside Chicago, under Tony Lawless, a great player in his way at Loyola University of Chicago. McSweeney played for three years at Aquinas High under Mike Boland, former Georgetown centre. McSweeney was an All-City player in his senior year at Aquinas, and he captained the team through a fine campaign.

Others on the squad are John Francis O'Connell of Cambridge; Barney Geary of Somerville, both stars on the St. John's team as forwards for two years; John Joseph O'Connell and Vincent Fallon, both six footers from New Haven; Wayne Conley, speedy forward from Minneapolis; and Frank Zavadskis, husky guard from Cleveland. Zavadskis was one of the ace pitchers on the undefeated Friar freshman baseball team last year, turning in triumphs over the first-year Harvard, Brown, and Boston College nines. Jack Egan counts him as one of his most promising 'varsity contenders this year.

The ability of the Guzman Hall residents isn't confined to basketball, for football and baseball talent is present in creditable quantity. Only occasionally will one of these lads appear on a Friar team, for the academic routine must come ahead of all else. It takes an exceptional student to find time to venture into intercollegiate sports competition.

Friar Basketball Players Awarded Major Letters

The Providence College Athletic Association awarded major letters to 11 students for the 1935-36 basketball season, it was announced today by John E. Farrell, graduate manager of athletics.

The names of letter men follow:

Carl S. Angelica of Thompsonville, Conn., Raymond Belliveau of Fitchburg, Mass., Milton H. Blieden of Staten Island, N. Y., Edward W. Bobinski of New Haven, Joseph W. Carew of Medford, Mass., Frederick J. Collins of New Milford, Conn., Leo J. Davin of New Haven, Charles R. Gallagher of Newton, Mass., Alfred Hagstrom of Gloucester, Mass., John F. Smith (captain) of Brockton, Mass., Edward T. Gill (manager) of Providence.

The following were given awards for freshman basketball:

Raymond J. Bedard of Central Falls, Thomas P. Caito of Columbus, O., Joseph E. Deuse of Fall River, Charles E. McElroy of Providence, William J. McDermott of Huron, S. D., Joseph P. Martellino of Newport, Clayton C. Memphos of Providence, Michael Michaels of Danbury, Conn., William J. Murphy (captain) of Danbury, Conn., John M. Roan of Columbus, O., Abraham Strasberg of Providence, Thomas P. Melia (manager) of Fall River.

McCLELLAN HEADS COURT OFFICIALS

Elected President of Eastern
Massachusetts Board.

Kelleher Renamed.

Boston, March 30.—“General” Albert McClellan, Providence College coach, was named to succeed Jack MacDonald as president of the Eastern Massachusetts District Board of Approved Basketball Officials at the Boston City Club yesterday. Since he was the only nominee, the vote was unanimous.

Charles Featherstone of Brighton was elected vice president, Edward M. Kelleher of Arlington was re-elected secretary for the ninth successive term and Bill Joyce of Lynn was made an honorary life member.

Kelleher, who is president of the national board, will attend the meeting at New York this week-end, along with MacDonald. The annual banquet of the Eastern Massachusetts group will take place Wednesday night April 15.

Leo Davin Picked For All N. E. Team

Leo Davin, Providence College varsity basketball star, has been selected on the official All-New England basketball team, it was announced recently by the N. E. basketball conference. The announcement came as no surprise, for rumors of the selection have been circulating since the close of the Friars' season. Davin's ruggedness and ability have made him one of the outstanding performers in this section for the past two years. His selection as a member of the All-New England team comes as the climax to a brilliant season of work on the court.

Edward Bobinski, Friar center, won a position on the second team selected by the conference. Honorable mention was received by Joseph Carew, Charles Gallagher, John Smith and Fred Collins.

The team was selected for Edward Bulger, Boston Evening Transcript sports writer, through votes submitted to him by New England basketball coaches.

*"Hank" Soar, Ace
Football Player,
Dropped by P. C.*

Albert Henry "Hank" Soar, one of the greatest football players ever to matriculate at Providence College, has been dropped by the college authorities for overcutting classes, it was learned this afternoon. Rev. Arthur H. Chandler, O. P., Dean of the College, confirmed the report that Soar had been dropped for not attending classes and said that there was no possibility of his returning to good standing at Providence College.

Soar, a Pawtucket all-around star, entered Providence College three years ago, and has completed two seasons of varsity football. Last year, he won honors as one of the leading backs in Eastern College ranks. He has been a candidate for a position on the baseball and basketball teams but his college sports honors have all been won on the gridiron.

He failed to return to college following the spring recess, and now his status has reached the point where he has overcut so much that the academic authorities have had to take action on his case.

Brown, State, P. C. Players On All-Star Court Team

Coaches at Three Colleges
Make Selections for Providence Journal.

BY MICHAEL J. THOMAS

Through the co-operation of the three college basketball coaches in Rhode Island, the Providence Journal this morning for the first time publishes two New England All-Star teams. The term "All-Star" here is used advisedly so as to distinguish between this classification and All-New England teams.

This is pointed out at the suggestion of the three coaches, who limited their selections to only players they had seen in competition. They wish to emphasize that, accordingly, their selections would not be truly representative of the entire New England district, and hence preferred the term "All-Star" instead of "All-New England" to be applied to their choices.

• • •

Possibly, however, the first quintet may be the same as the All-New England team that will be selected by the majority of the district's coaches in the near future.

Coaches Arthur Kahler of Brown, Al McClellan of Providence College and Frank Keaney of Rhode Island State made the selections. Each picked two teams. One point was allotted each time a player was picked on the first team and a half

point for second team nominees.

The five first team positions are equally distributed among Lowell Textile, St. Anselm's, Brown, Rhode Island State and Providence College. Providence and Springfield share second team honors with two representatives each. The other berth went to Dartmouth.

Lou Athanas of Lowell and Leo Connerton of St. Anselm are the first team forwards. Ken Kennedy won the centre berth. Captain John Francis Martin of Rhode Island and Leo Davin of Providence were named for the guard positions.

Athanas, Connerton and Martin drew the most points, each being picked twice on the first team. Kennedy and Davin drew one first team and one second team vote each.

Four of the first team selections were among the 10 leading New England scorers. Athanas, who ranks among the nation's highest scorers, led in this district with the remarkable total of 417. Martin placed second with 294 points and Kennedy was fourth with 238. Connerton was eighth with 169. The fifth player, Davin, who missed games because of illness near the end of the campaign, tied for 12th with 141 points.

These statistics testify to the offensive power of this mythical team. Each has a natural aptitude for the game and has proved his worth in many tests.

Connerton a Newport youth, has been a standout at St. Anselm's during the past two years. Connerton probably is the best dribbler in Eastern college circles. He has an uncanny way of sifting through the opposing defence and is a dead shot. His expert dribbling makes him a highly colorful player.

John Martin, R. I. State	Guard	Ben Smith, Providence
Leo Davin, Providence	Guard	George Meyers, Sp'gfield

Honorable mention: Forwards—Ray Belliveau, A. Hagstrom and Joe Carew, Providence; Al Raslavsky, Worcester Tech. Centre—Larry Kelley, Yale, Guards—Al Schweizer, Amherst; Harrison Van Aken, Brown; Morris Fabricant, R. I. State; Arthur Hanson, New Hampshire; Al Bogacz, Lowell.

Kennedy is rated as one of the best players in Brown basketball history. He has been the key man of the Bruin offence during the past two campaigns and last year, as a sophomore, made the New England team. Much of Brown's recent basketball success is attributed to him. He is an earnest and willing worker. He has spent hours in practice attempting to improve his play and his record speaks of itself. Kennedy is rated by Kahler as one of the best players he has ever coached.

Kennedy's forte also is dribbling. Like Connerton, he has the knack of weaving through a defence for set-up shots.

Nearly all the Kingstown folk will rate Martin as the best player ever to represent State. He has won many games for the Rams during his three years of varsity play with his accurate shooting. He holds every State scoring record. His forte is long toms. Indications are that Martin will make the All-New England team for the third straight year.

Davin probably is the brainiest college basketball player in this district. He invariably is in the right spot. A capable defensive player, Davin also can shoot with the accuracy of a star forward.

• • •
Probably the five players on this all-star team rank as the best group to appear at any one time in New England college basketball. All but Athanas and Martin are juniors.

Capable players are included on the second team. George Cella of Springfield and Bill Thomas of Dartmouth are the forwards. Cella was Springfield's offensive star until his play was affected by a late season injury. Thomas was one of the leading players in the Eastern Intercollegiate Basketball League.

Ed Bobinski, sophomore, is placed at centre. The Friar played remarkable basketball in spots. He was an early season standout with Providence, but ran into a temporary slump near the finish. With two years of college play ahead of him, he should develop into a player of the first rank.

The two guards are Ben Smith of Providence and George Meyers of Springfield, two able defensive players. Meyer's play was instrumental in bringing the New England championship to Springfield.

Ten-Hit Friar Cannonade Rips Holy Cross Off Top

Sherry's Pitching and Landry's
Outfield Play Feature
Hendricken Field Game.

By F. C. MATZEK

Complementing Karl Sherry's five-hit pitching with a 10-hit cannonade in which each member of the Friar nine had a part, Providence College's baseball forces tumbled the Crusaders of Holy Cross from the unbeaten ranks at Hendricken Field yesterday. The defeat, a 4 to 1 setback, was the first of the campaign for the Purple in 15 starts. Close to 4000 saw the game.

With the major defensive burden resting on the pitching capabilities of the Pawtucket Sophomore, the Friars concentrated on the attack. One blazing three-hit, three-run spurt in the last of the fourth actually turned the trick. It brought the Dominicans from behind and put them into a lead that Sherry protected well the rest of the distance.

Each and every one of the Friars shared in the 10-hit barrage levelled against Roy Bruninghaus, ace moundsman and starter for the Crusaders, and his successor, Jarlett.

Four of the Friars stepped definitely to the fore in run producing—Hazell, Belliveau, Gallagher and Reid. And of that quartet Gallagher, centre fielder, garnered top laurels with a two-run homer in the fourth that put the Friars out in front.

Hazell opened the fourth inning uprising with a ground single to left. He stole second before Bleiden fouled out, and scored on Belliveau's slashing single to left centre. Gallagher followed with a long shot over the right field fence.

That Gallagher poke settled the issue. Hazell's run had knotted the count at 1-1, Nick Morris of the Crusaders having cocked Sherry's first pitch in the third over that short right field wall for a four-ply wallop. Johnny Reid, loose-jointed Friar catcher, brought the scoring to an end with a duplicate of Morris's and Gallagher's homers in the seventh. It was superfluous, perhaps, but it was sweet recompense for two previous strikeouts by the Dominican backstop.

The victory for the Friars evened their score with the Purple baseball lancers. Holy Cross having beaten them 13 to 7 Monday at Worcester. The triumph establishes the Friars as specialists at snapping victory strings. The same club brought end to straight victory run

Springfield and R. I. State, cutting both teams down after they had recorded nine in a row.

There was something more to yesterday's performance by the Friars than Sherry's top-grade hurling and the batting of Hazell, Belliveau, Gallagher and Reid. Omer Landry, in left for the Friars, pulled robbery catches on Daughters in the first and on Couillard in the seventh. Gallagher accepted three chances in centre field to cut down possible hits. One off Moriarty in the ninth was a gem.

The Friars' inner defence was almost flawless. Madden erred on Couillard's hopper in the second, but Sherry covered the miscue when he caught the Crusader napping off first. Belliveau, Bleiden and Marion combined for the only twin killing of the

game when they retired Moriarty and Carty in the fourth after the former had singled to start the inning.

Sherry's contribution to the Friar cause was a big one. In addition to holding the visitors to five hits, at least one of which was a scratch one, he fanned five and issued no free passes. In five of the nine innings he set the Crusaders down in order. Only three Crusaders were left stranded.

Nick Morris, Purple football hero, collected two of the bingles off Sherry, his homer in the third and a single that whistled past Marion in the fifth. Defensively, with the exception of the pitching, the Crusaders were nearly as strong as the

victors. Daughters, at third for the Purple, was charged with the only miscue of the game, an error that didn't, however, figure in the scoring.

Couillard, right fielder for Holy Cross, found the short right field not to his liking. Twice he was backed up against that barrier and each time, once in the third on Madden's drive and again in the eighth on a similar shot by Bleiden, the ball bounded out of his glove. Each hit went for two bases.

Bleiden's double was the lone hit off Jarlett who relieved Bruninghaus in the eighth after the latter retired in favor of pinch hitter Buzz Harvey in the first of the same inning. Bruninghaus was nicked for nine hits in seven frames. He fanned five Friar batsmen and issued no passes.

SHERRY, SOPHOMORE, HURLS TWO-HIT-BALL AS FRIARS WIN

Dominicans Score Six Runs in First Two Innings to Beat St. John's

Behind the two-hit pitching of Karl Sherry, Pawtucket sophomore, the Friars of Providence College jumped back into the victory column yesterday at Hendricken Field to down St. John's University, 9-1. Getting to Frank Maguire in the first inning, eight Friars came to the plate and knocked out five hits to score four runs.

Maguire fared no better in the following frame when he gave a walk and yielded one hit to launch two runs over the plate for the home team. An error by Testagrossa was partly responsible for one Friar tally.

Providence hit hard and often from the start and with Sherry pitching at his best was never seriously threatened by the Brooklyn Redmen. Coach Jack Eagan shook up his starting lineup and batting order and the changes evidently were successful. Omer Landry headed the batting list and hit safely to centre his first time at bat.

• • •

From then on there was a barrage of hits and a parade of Friar runs across home plate. With two out, Hazell, Gallagher, Banahan and Belliveau found Maguire for bingles in the first inning until Maguire tightened and struck out Johnny Reid. Reid had helped to shatter the Redmen's hopes in the first inning when he went back of home plate to nab two foul flies for putouts.

The visitors were put out in order in the first, second, third and sixth innings. None of the St. John's players reached base until the fourth when Hagan singled over second base to deep centre. A walk in the fifth inning placed the second visitor on base but a rally did not materialize.

In the ninth inning the Redmen made a slight spurt toward whittling down the margin of victory. Dixson drove out a hard grounder which Madden could not handle. Leary drew a walk but here the threat died out. Coach Buck Freeman tried several pinch hitters and made a few shifts in his team but the Redmen

could not produce a rally in the face of the determined Friar defence.

• • •

Five hits and four runs in the first frame for the Friars were followed by one hit in the second for two runs. Landry drew a walk in the second and went to third when Testagrossa erred on Madden's hard grounder, permitting the Friar co-captain to reach first. Marion's single to deep left sent Landry and Madden home.

Madden hit a scorching single to left in the fourth inning but St. John's staged a double killing, Dixson to Cochran to Kelly, to end the Friars' chances. With the change in pitchers in the sixth, the Friars went to work on Joe Coppo.

Belliveau grounded out to third. Johnny Reid hit safely to short right but was caught at second. Coppo to Cochran, on a fielder's choice of Sherry's roller. Landry and Madden singled to score Sherry, and Marion was given an intentional walk, filling the bases. This brought Tom Hazell; he drove a liner into centre field to score Landry and Madden.

The Friars were not able to produce any scoring in the seventh and eighth as Coppo struck out two and his infielders tightened their play. This victory for the Friars decided the series with the Redmen; the first game ended in a 4-4 tie.

BRUIN FIRST BASEMAN OUT AT THIRD

Photograph shows Charlie Butler being put out at third base, on attempted steal, by John Madden, in second inning of Brown-Providence College game Saturday at Aldrich Field. Brown won the game, 6 to 4.

Crossing the Plate With Friars' Final Score

P.S. 5-5-21-35

Johnny Reid, Providence College catcher, is shown scoring in the seventh inning on his homer over the right field fence at Hendricken Field against Holy Cross yesterday. The home run was the third in the game, the Friars getting two and the Crusaders one. Umpire Rudderham is watching Reid cross the plate, while some youthful admirers reached out to greet the Friar catcher.

SHERRY'S EXHIBITION A RARE FEAT

KARL SHERRY gave as fine an exhibition of college pitching when the Friars defeated Holy Cross as you you'll see on any diamond. The young man was as cool as a shylock's stare in the pinches and when he had no trouble lurking on the base lines toyed with the Crusaders by the simple use of a tricky change of pace and a hesitation delivery.

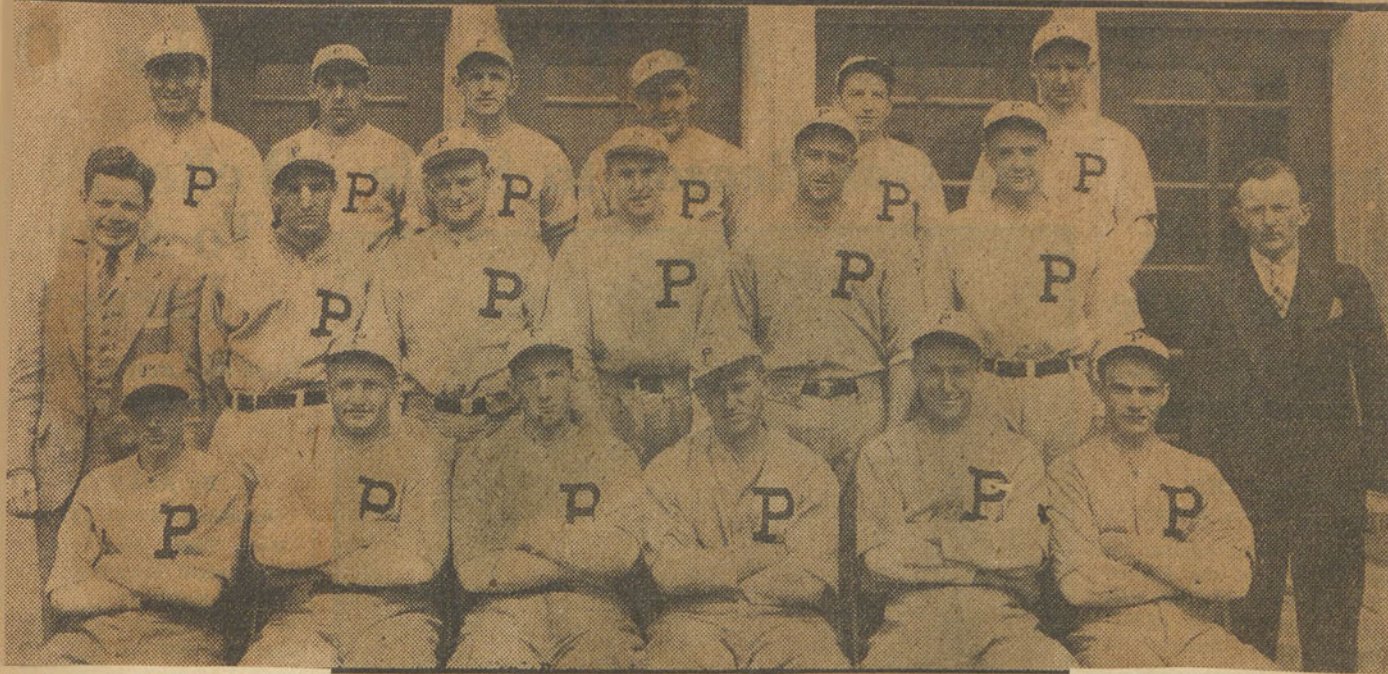

The Cross batsmen, sluggers extraordinary to the tune of a team average of .400, were expected to cut loose and rattle the windows in Harkins Hall far beyond centre field at any time but young Mr. Sherry wasn't awed by the tremendous batting punch and past performance of Jack Barry's bombers.

The Cross athletes might represent the finest collection of diamond brilliants uncovered in a decade at Mt. St. James but on Saturday they were just another bunch of freshmen to the bespectacled Sherry, a sophomore. Against St. John's of Brooklyn, a fortnight ago, the youth from over Taunton way let the Redmen down with two safe clouts. Cross could gather but four. Six hits in 18 innings. Fair enough.

The collegiate ball fan has a choice dish here this week. Brown plays at Aldrich Field on Memorial Day against one of Harvard's most spectacular clubs, a team that possesses power and can collect runs in big bunches. At the same time Rhode Island State will be playing P. C. at Hendricken Field. State will be looking to avenge a 12-inning setback the Friars handed out last week.

Harvard, the Bruins, P. C. and State are hitting on all cylinders now.

Undefeated Friar Freshmen Baseball Squad

The Providence College freshmen baseball squad, coached by John E. Farrell, graduate manager of athletics at the Friar college, which won 11 straight games to be the first undefeated baseball team in the history of the Smith Hill institution. Front row, left to right, Vin Ahearn, 2b., of Derby, Conn.; Dominic Minicucci, 2b., of Naugatuck, Conn.; William Spinner, catcher, of Paterson, N. J.; Leo Fischer, 1b., of Springfield, O.; Frank Zavadskis, p., of Cleveland, O.; Thomas Appleton, rf., Providence. Second row: Manager Michael McGarry of New London, Conn.; Leo Ploski, ss., of Albany, N. Y.; Charles Gagney, ss., of Providence; John Crowley, lf., of Cumberland; Charles Kelly, c., of Wallingford, Conn.; John Victor Lynch, p., of Caldwell, N. J.; Coach John E. Farrell. Back row: Joseph Kossick, outfield, of Cleveland, O.; Norman Eichner, outfield and 1b., of Torrington, Conn.; John Lengyel, c., of New Haven, Conn.; Paul Ryan, p., of Haverhill, Mass.; William Moge, 3b., of Springfield, Mass., and Edward Bobinski, cf., of New Haven, Conn.

FRIARS WIN, 6-1, TO LEAD SERIES;

Rams Unable to Hold Their Early Advantage

4000 Attend Hendricken Field
Game and See State Errors
Turn Victory Tide.

Fred "Lefty" Collins, Providence College southpaw, limited Rhode Island State to four hits as the Friars took the Rams into camp for the second time this year at Hendricken field, 6-1, yesterday afternoon before 4000 fans.

Rhode Island was away to an early start with a run in the first inning and with "WiP" D'Entremont pitching well it seemed the Rams were due to even their score with the Friars. But two State errors in the third gave Providence one run and the Friars applied pressure in the fifth to score four more.

The good work of Collins on the mound and the effective Friar fielding had a large share in the victory. Collins held the Rams to four scattered hits and fielded six chances without a slip-up.

Errors on the part of Rhode Island enabled the Friars to tie the score in the third. Four hits, coupled with two errors, paved the way for a four-run Friar splurge in the fifth, which Rhode Island could not overcome. Two hits and two errors added another run to the Friar total and the game ended as the Rams

flied out and grounded out in the ninth.

There were several fielding gems during the game. Eddie Fay, Rhody shortstop, went back for a nice catch of Collin's fly in the second inning. On the next pitched ball, Fay nabbed Bleiden's liner for the third putout. Charlie Gallagher, Friar centre fielder, made a spectacular, running shoe-string catch of Mudge's fly and threw in to the plate to hold D'Entremont on third.

After Belliveau flied out in the third inning to Martin in centre, Gallagher drew a walk and stole second. Gorman erred on Hagstrom's grounder and Gallagher went to third while the Friar catcher was safe at first. Gallagher scored when Ryan attempted to nab Hagstrom who was stealing down to second. Pascoe stopped the Ram catcher's throw behind the pitcher's box and threw to home. But Ryan dropped the ball as Gallagher crashed into him with the first Friar run.

Providence and State went out in order in the fourth. It was in this frame Gorman was ruled out for interference when he bumped Marion, who was trying to catch his foul pop fly between home and first.

With State out of the way in the fifth, Providence laid wood to D'Entremont's offerings to score four runs. Belliveau singled to deep short and made certain of the hit by sliding face first into the bag. He went to second when Applin erred on D'Entremont's peg to first in an attempt to catch him off the bag.

Gallagher's sacrifice to D'Entremont moved Belliveau around to third. With the count 3-2 against him, Gus Hagstrom hit a double to the right field fence to score Belliveau and place himself in position to tally. Landry's single to left field sent Hagstrom home. Madden's grounder was mishandled by Fay, Ram shortstop, and Landry romped to second. Both Madden and Landry came home on Marion's triple.

Marion hit to deep left centre and Fisher, Martin, Pascoe all had a part

in relaying the ball into Ryan who nailed Marion at home. It was Pascoe's expert throw to the plate which enabled Ryan to tag Marion out. Hazell grounded out to end the inning.

In the sixth Providence tallied when Belliveau singled and Applin erred to permit Collins to score. Marion singled to right in the seventh, but died on second after stealing to that point.

The score:

PROVIDENCE COLLEGE		RHODE ISLAND	
abr	hpo	abr	hpo
Landry, 1	4 1 1 2 0	Martin, m	4 0 0 4 1
Madden, 3	3 1 0 1 2	Mudge, r.	4 1 2 2 0
Marion, 1	4 0 2 13 2	Fay, s.	4 0 0 3 3
Hazell, r.	4 0 0 2 0	Gorman, 3	3 0 0 0 2
Collins, p.	4 1 1 2 6	Applin, 1.	2 0 0 8 0
Bleiden, s.	4 0 0 2 2	Pascoe, 2.	3 0 0 0 2
Belliveau, 2	4 1 2 0 5	Fisher, 1.	3 0 1 2 1
G'lagher, m	2 1 0 3 0	Ryan, c.	3 0 0 5 1
H'gstrom, c	3 1 1 2 0	D'En'm't, p	3 0 1 0 2

Totals	32 6 7 27 17	Totals	29 14 24 12
Innings	1 2 3 4 5 6 7 8 9		
Providence College	0 0 1 0 4 1 0 0 x-6		
Rhode Island	1 0 0 0 0 0 0 0 0-1		
Errors—Gorman 2, Applin 2, Fay, Ryan, Collins. Stolen bases—Marion, Gallagher, Mudge. Two-base hits—Hagstrom, Mudge, D'Entremont. Three-base hit—Marion. Sacrifice hit—Gallagher. Struck out—By Collins 2; by D'Entremont 4. Base on balls—Off D'Entremont 2. Hit by pitched ball—By Collins (Applin). Time of game—2h. Umpires—Gardella and Kelleher. Attendance—4000.			

Both Collins and D'Entremont pitched balls on their first tosses and each pitcher tossed out the first man to face him: Collins to Marion, D'Entremont to Applin.

Keaney protested an out in the second inning when Applin was caught off first by Collins and run down, Marion to Bleiden. The Friars repeated the act in the third when Mudge was caught off first.

The usual huddle at home plate was prolonged when Keaney questioned the ground rules. Marion, Madden, Gorman, Kelleher, Gardella and Keaney were the huddlists.

With three pitched balls Collins struck Gorman out in the first inning. Gorman is State's clean-up batter.

In the eighth inning Tom Hazell, Friar right fielder, made a great running catch of Fisher's foul fly. He was travelling so fast his momentum carried him about 30 yards to the fence.

The result of the game gave Providence three victories and one loss in the State series and undisputed possession of first place in the Bruin-Ram-Friar contests.

Out at Home Trying to Stretch Triple

Leo Marion, Providence College first baseman, is shown above being tagged out at the plate by Catcher Ryan in the fifth inning of the Providence College-R. I. State Game at Hendricken Field yesterday. Marion had tripled to score two runs and tried to stretch the hit into a homer when a fine relayed throw to Ryan caught the Friar player at the plate. The Friars won the contest 6-1.

Collins and d'Entremont Loom As Rival Pitchers

Rams, Undaunted by Recent
Friar Successes, Come Here
for Revenge Memorial Day.

Varsity baseball takes sole possession of the sports scene at Providence College this week with two games scheduled. The big feature will be the Memorial Day game with Rhode Island State at Hendricken Field.

Although Providence has not blazed a path through the Eastern college baseball world this year, it has broken the victory runs of Holy Cross, Springfield and Rhode Island State. One-run margins did the trick in two instances, 8-7 against Springfield and 7-6 over State.

At present the Friar record is as follows: Nine victories, one tie and six defeats. Important triumphs were those over Princeton, Villanova, Springfield, St. John's, Brown, Holy Cross and Rhode Island.

Fred (Lefty) Collins, Friar ace, and Wil d'Entremont, Rams' No. 1 twirler, are slated to be rivals as the Rams, undaunted by recent Friar successes, come here for revenge.

The second game on the card this week is the first of a home and home series with Boston College. This contest will be played on Saturday at Newton. Providence will be primed to avenge the 2-1 loss in three games suffered at the hands of the Eagles last year.

Providence College's Freshman baseball nine finished its season undefeated with its win over the Ramlets Friday. The team won 11 straight games. Valuable material for the varsity next year has been developed during the freshman season.

On the pitching staff the work of Frank Zavadskis, Paul Ryan, captain of the freshman football team last fall, Vic Lynch and Tom Moher, was outstanding. The catchers who merit mention are Jack Lengyel, who has fine prospects of being regular varsity backstop next season, Bill Spinnler and Charlie Kelly.

While the infield was shaken up by injuries to some of the regulars, the play of Leo Ploski, shortstop; Leo Fischer, first baseman; Vin Ahearn, second base; and Bill Moge, third base, was exceptional. The outfield trio of Tom Appleton, Tom Crowley and Ed Bobinski, basketball captain of the freshman team, turned in good hitting and fielding averages.

FRIARS ENGAGE YALE TOMORROW

Sherry Slated for Mound Duty
Against Bulldog Nine at
New Haven.

RIB 1-4-35

LINEUPS AT NEW HAVEN	
PROVIDENCE	YALE
Landry, lf.	Cummins, m.
Madden, 3b.	Dagan, lf.
Marion, 1b.	Armstrong, rf.
Hazell, rf.	Curtin, 2b.
Gallagher, m.	Woodlock, ss.
Bleiden, ss.	Rankin, p.
Belliveau, 2b.	Klein, c.
Reid, c.	Kelley, 1b.
Sherry, p.	Klimczak, 3b.
Time of game: 3 p. m.	

Yale is the next opponent on the Providence College baseball schedule the Friars invading New Haven tomorrow for a game with the Bulldogs. The Dominicans have won 11 games, tied one and lost six. Their victories have been made over Princeton, Villanova, St. John's, Holy Cross, Brown, Rhode Island State, Springfield and Stroudsburg.

This year's Friar nine is expected to shake the so-called jinx which has bothered other Dominican nines in their games at New Haven. Karl Sherry, conqueror of Holy Cross which trounced Yale 14-4 in a recent game, will start for the Friars. Johnny Reid is the probable catching selection.

Yale has won four and lost four in Eastern Intercollegiate play and ranks second both in the team batting and fielding averages. Rankin, one of the best pitchers on the Eli staff, is expected to face the Friars with Klein catching. Klimczak, Woodlock and Curtin are Yale's heavy hitters with marks well over the .300 average.

BLANCHE PITCHES TRIBE TO VICTORY

Former Providence College
Hurler Gives Haverhill Two
Hits in Eight Innings.

Haverhill, Mass., June 4.—Al Blanche, the former Providence College star twirler, pitched the Boston Braves to a 9 to 4 victory over the Haverhill team, made up of all star players from the Pentucket League of this section at the local park yesterday afternoon.

Blanche was in excellent form al

lowing two hits in the eight innings he was on the mound. When he retired at the end of the eighth in favor of "Randy" Moore, Haverhill started an uprising which ended in a four run rally.

The former Friar pitcher who has been pitching to batters at Braves Field all year but is under no contract with the Braves may obtain some results as a result of his fine performance on the mound yesterday. Of the two safeties off him, one was a roller in the third which got by the second baseman and the other was a harder hit ball which got by Blanche for a hit. He struck out five batsmen and was invincible with men on the bases.

When Moore replaced the ex-Providence pitcher, Haverhill made two singles, a double and a pass for their four run rally.

Babe Ruth-Fuchs Wrangle Le Marks End of Slug gger's Baseball Career

BUTLER REACHES FOR A HIGH ONE

F B 6-4-35

Brown first sacker snares a high toss from Levinson at short on Milt Bleiden's scratch single in the sixth inning of the Brown-Providence College game at Aldrich Field yesterday. The Friars won 3 to 1 to take the city championship.

BROWN DEFENCE CRUMBLES IN FINAL STAGES OF GAME

Friars Push Over Runs in 3 of Last 4 Innings to Win Deciding Contest of Local College Series

F. B. - 6-4-35

BY JOE NUTTER

Providence College completed her sweep of the State and city titles in the first three-cornered race yesterday when she came from behind to defeat Brown, 3 to 1 on Aldrich Field.

Brown's loss of the verdict placed her in the cellar position, with P. C. on top and Rhode Island State College in second place.

The standing in the State series:

	G.	W.	L.	P.C.
Providence College	5	4	1	.300
Rhode Island	3	1	2	.333
Brown	4	1	3	.250

Yesterday's game, which found Fred Collins and Ambrose Murray facing each other from the mound for the third time this season, found both teams playing heads-up ball until the sixth inning. There the hitherto capable Bear defence cracked wide open, and quicker than it takes to tell it, the Friar nine added hits to Bruin errors to grind out the verdict in the rubber game of the intra-city series.

Brown tallied first. Perry Elrod was passed as he opened the fourth frame, gained second as Butler ran for first after a dropped third strike, moved on on Brown's out, Belliveau to Marion, and then scored on Murray's single through second base.

MADDEN SCORES

FIRST P. C. RUN

Both teams continued on without further scoring until the sixth inning, when Madden came in for the first Friar tally. Madden was passed, went to second as Marion was re-

tired, Murray to Butler, and then scored when Butler pegged wild over third base with no one covering the bag to take the throw.

Bleiden singled in the same inning, stole second as Hart made a fine peg that got away from Levinson and rolled into centre field, the runner going to third on the play. He remained right there as Ray Belliveau flied out to Mickey O'Reilly.

Providence came back in the seventh with another run. Gallagher was passed, went to third on Levinson's error, and scored on Collins's single to centre field. And Leo Marion completed the winners' scoring for the day in the eighth when he pounded out a circuit drive as the first man up. The Friars got two singles on the next two men up, but alertness in guarding home plate nullified the scoring threat.

COLLINS ALLOWS

BUT FOUR HITS

Providence collected seven hits off Murray, Brown got four off Collins, but Brown made four of the five errors chalked up to erring players. Providence worked two nifty double plays, Collins to Bleiden to Marion to Bleiden and Collins to Bleiden to Marion.

One of the trickiest plays of the game came in the fourth inning when Bleiden hit a grounder to Charlie Butler. Butler rushed in and took the ball on the first bound but held his position to tag the runner as he went by in

order that he might keep Marion on third.

With Marion ready to romp in on any attempt to move to second, Butler crowded Bleiden, and the Friar short fielder, intent on doing his part to score the run, turned and came back to first. The very unusual spectacle of the runner coming the wrong way down the first base-path was removed when Butler ran him down and tagged him out, Marion, meanwhile getting no opportunity to move in from third.

BROWN OF BEARS

GETS TWO SINGLES

Bleiden hit two singles, and Marion, Hazell, Gallagher, Hagstrom and Collins all got one hit each, all being singles except Marion's homer.

Frank Brown got two singles for Brown and Murray and Slader each singled. Butler, Brown, Levinson and Hart and Hagstrom all made errors. Collins struck out five men and Murray three.

John J. "Mickey" O'Reilly was walked four times on four trips to the plate. Collins passed nine men, Murray walked five, but two of the five Murray planted on first sprouted full sized runs.

With the lower end of the Bear batting order coming up in the ninth, Coach Jack Kelleher sent in Henshaw for Levinson and Kuhn for Hart, but a ground out to Marion, and an infield out, Belliveau to Marion, completed the game.

George Kuhn didn't do any playing except get a time at bat, while pinch-hitting for Harrie Hart in the ninth, but he had a busy afternoon just the same. George reached the field late, for he had been in a three hour final examination yesterday afternoon.

Leo Marion's homer hit the sod in a line with "Charley" Slader's fielding position, but Charley wasn't close enough to do anything about it. The ball hit the ground, then rolled the proverbial mile and Marion, was rounding third before Eli Levinson took the throw way out in Texas League territory.

No one was on, but it was the signal for a regular spree in hitting, for Hazell and Bleiden both singled, Belliveau was passed and Gallagher and Hagstrom were both safe on first on fielder's choices, as the infield kept the pressure on third. While Collins was at bat, Hagstrom tried to steal home, but Murray nailed him with a yard to spare on a nice throw to Hart.

FRIARS WHIP ELIS

Sherry Dazzles Yale, 2-0, Yields Only Four Singles

Madden and Hazell Score
Dominicans' Runs on New
Haven Diamond.

(Special to the Providence Journal.)
New Haven, Conn., June 5—The performance given by Karl Sherry, Providence College pitcher, of white-washing Yale 2-0 with only four singles marked the most brilliant pitching of the season against the Elis. The Friars scored their only two runs off Charley Dillingham, reserve twirler who allowed six hits in the eight innings he remained in the box. They got one hit off Bernie Rankin, who replaced him in the ninth.

Yale played almost errorless ball. A wide throw to first base by Walter Klimcyak, handling Milt Bleiden's difficult bouncer in the ninth, was the only Eli misplay.

Both nines exhibited dazzling fielding form, Bleiden and Ray Belliveau contributing sparkling stops and throws.

John Madden scored the opening run in the first inning on his base

on balls and Leo Marion's two-bagger along the right field line. Tom Hazell's single in the seventh, Bleiden's sacrifice and Belliveau's single to left sent Hazell across with the second run.

Tommy Curtin, the only Yale player to reach third, singled in the second and advanced on Capt. Woodlock's sacrifice. He took third on Phil Klein's out but was stranded as Larry Kelley fanned.

Friars Make Yale Fifth Victim in Sensational Baseball Competition Brand of College

Karl Sherry Hurls P. C. To Victory

Friars Have Polished Off
Great Season by
Five in Row

News Tribune 6-35
There's another link today in the sensational chain of wins over major opposition that the Providence College baseball team has been forging to bring its season to a successful close.

The latest victim on the Friar string is the Yale nine, which fell by 2-0 before the four-hit pitching of Karl Sherry and some timely hitting by the Friar batters in the first and seventh inning.

It was the fifth win in the last five starts for the Friars and a particularly sweet triumph, considering that the Yale game at New Haven has always been a tough one for the Dominicans to take even in the years when they had the Eastern championship tucked away.

In its last five appearances, Coach Jack Egan's Sophomore studded Friar nine has beaten Holy Cross, the only defeat suffered by the Crusaders in 19 starts; taken two games from Rhode Island State and one from Brown to win the Rhode Island championship and administered that neat setback to the Elis.

That's a grand closing record for a team that labored against the difficulties in the way of lack of experienced material that faced the Friars in the start of the season when Egan was forced to insert six sophomores into the lineup to take the place of graduated varsity players. Now only the double-header with Boston College at Hendricken Field Saturday remains before the current Friars—a comeback team, if ever there was one—hang up their togs for the season.

SHERRY BRILLIANT

Sherry, conqueror of St. John's and Holy Cross in previous games, pitched the same sort of ball against Yale. In fact, his work was the most brilliant brand of pitching the Elis had faced all season, both within and without the ranks of the Eastern Intercollegiate League.

The bespectacled Sophomore from Pawtucket allowed the Elis only four hits, fanned the same number of batters and walked two. Assisted by some smart support by his fielders, he was in complete command of the situation all the time.

The Friars got out front in the first inning as Johnny Madden worked himself a base on balls and scored on Leo Marion's two bagger. They called their second run in the seventh on Tom Hazell's single, Milt Bleiden's sacrifice and Ray Belliveau's timely one-base knock.

Charlie Dillingham, Yale's starting pitcher, left the mound after the eighth after giving up six hits. Bernie Rankin allowed the Friars one hit in the ninth.

Omer Landry, Milt Bleiden and Belliveau starred afield for the Friars.

Friar Co-Captain Completes Double Play

V.S. 3 6-9-35

Leo Marion, Providence College co-captain, is shown above after tagging Anderson of Boston College at home plate on a perfect throw from Omer Landry in the sixth inning of the first game at Hendricken Field. Landry came in fast to take Galligan's drive in left field and pegged home to Marion, covering the base line, to catch Anderson. The Eagles won both games, 6-3, 6-5. Shown in the photo are, left to right, Umpire Gardella, Catcher Reid, Marion, Anderson on the ground and Pitcher Sherry.

P. C. to Lose Nearly 24 Athletes By Graduation

Football Has Largest Number
with Nine.—Baseball to
Lose Five.

Almost two dozen members of the 1935 Providence College graduating class have had active part in the successful sport seasons which closed yesterday with the baseball double-header with Boston College.

Football claimed the largest number of competitors with nine graduates taking part. Three tennis players, five baseball players and two golfers are the other graduates who have been on the Friar sport teams during the 1933-35 period.

Baseball is in the spotlight at present so the members of the team who are graduating have been singled out several times. Co-captains Johnny Madden and Leo Marion, William Fitzgerald, Leo Lanigan and Manager Robert Lucey have severed their connections with the Friar ball team, many of them to go on to higher things in the diamond sport.

In football Coach Joe McGee, who will be sending out a call for drills soon, lost Joe Adamick, George Cusack, his stellar captain, Big Bill Kutneski; Abe Feit, stocky centre; Pete Gobis, Paul "Peeper" Healey, Manager Frank Holden, Assistant Manager Adolph Janulis and Bart Skipp.

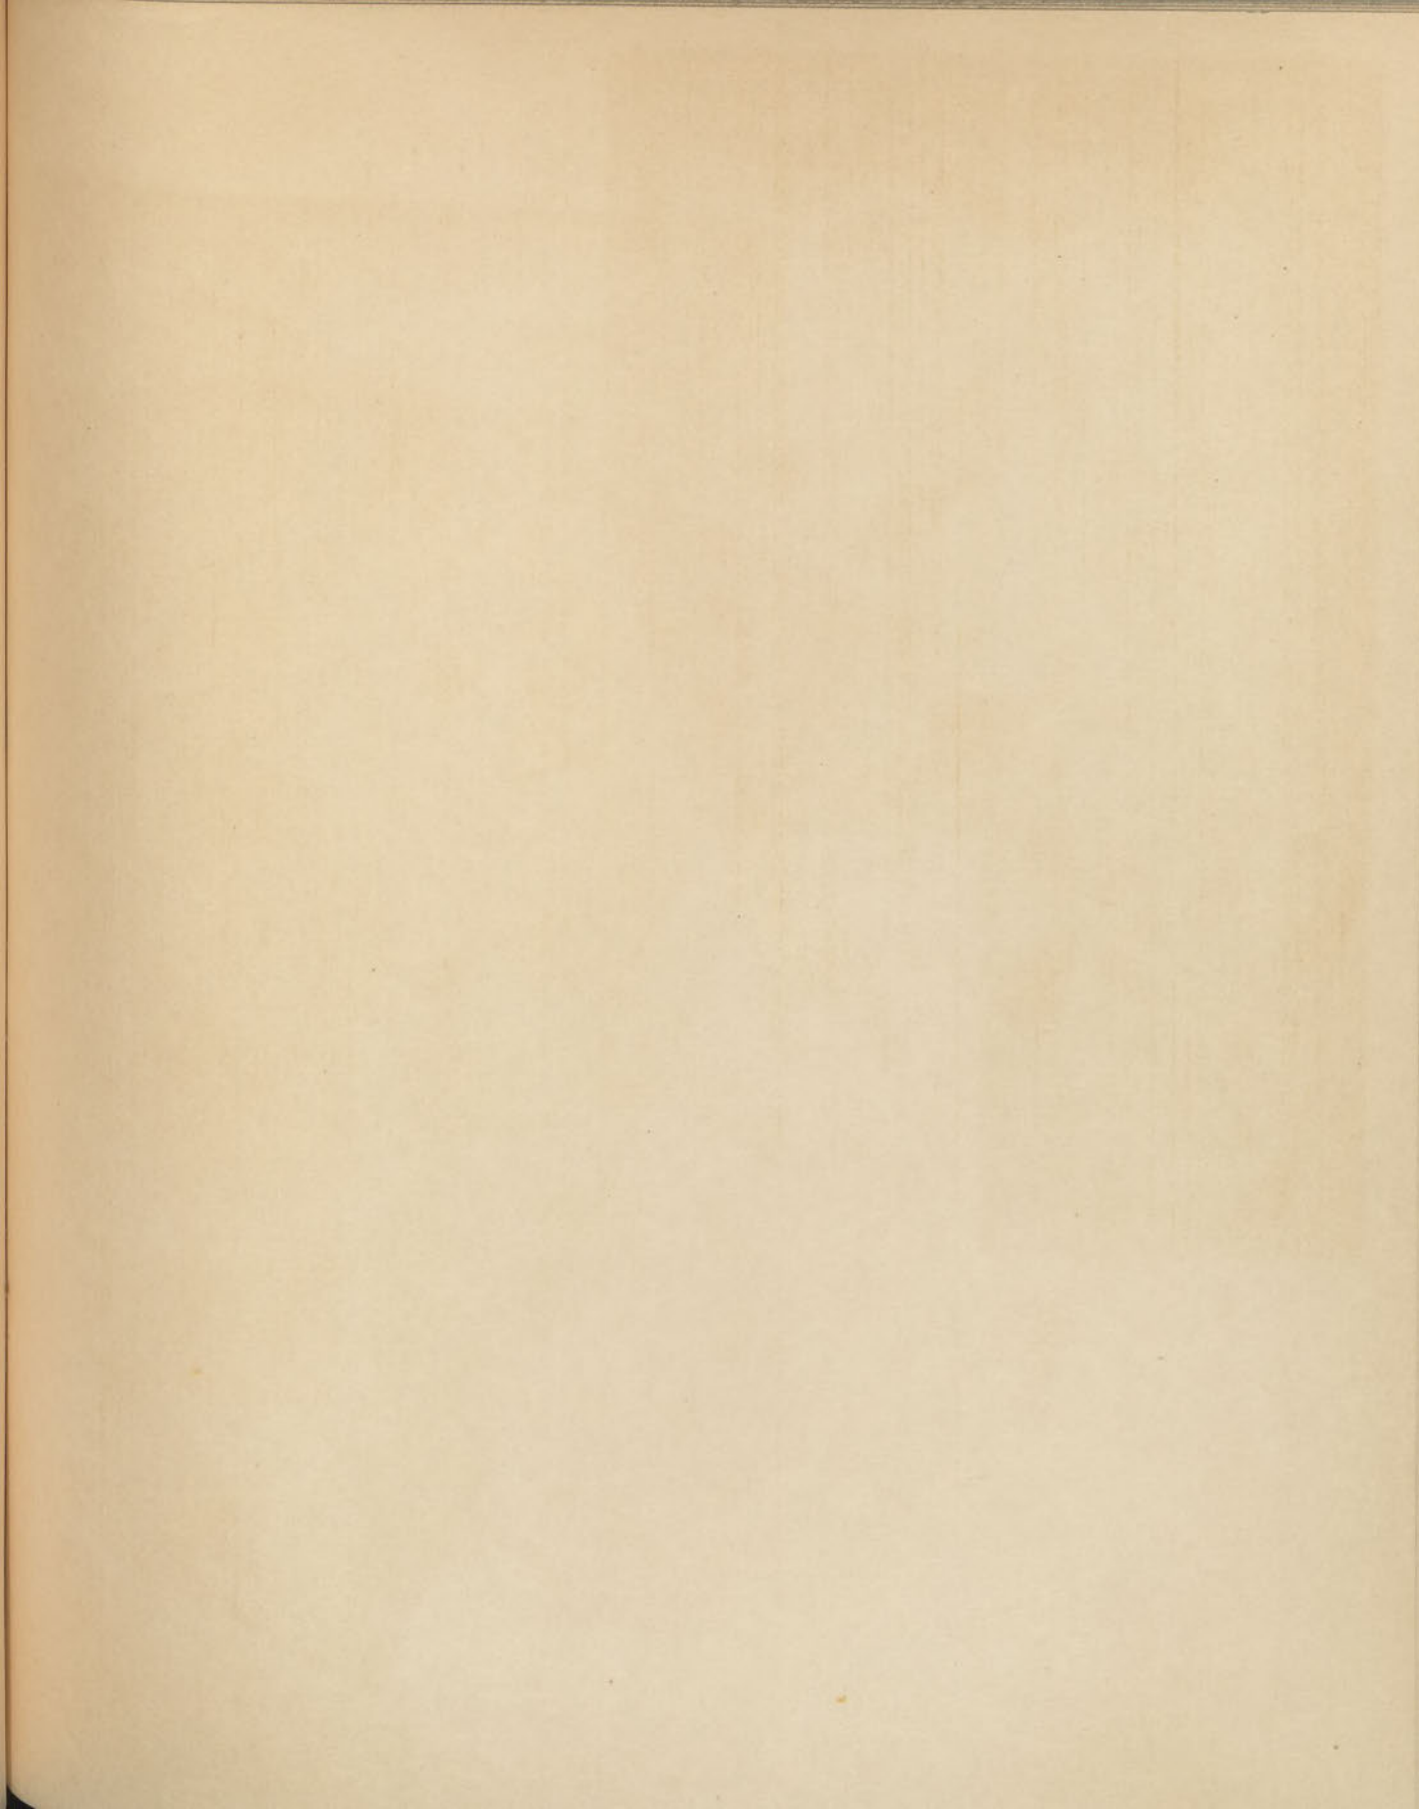

The linksmen were not in action this year as the Friars did not sponsor a team, but last season Joseph McLaughlin was captain of the golf-

ers and Johnny W. Shields was manager.

Tennis lost Capt. Danny Hart, dependable member of the team for three years; Manager Robert E. Carroll, genial director of the netmen's activities, and Donat L. Savoie, a competitor last year.

Coach Joe McGee had his football men in a huddle recently to discuss plans for the coming season. Pictures of the Ram-Friar football game which was held in the Brown stadium last fall, were shown to the squad to arouse the "old football spirit".

With plans for a new Friar stadium in the making, the Friar men are planning to give his team some extra work this fall. Last year the Friars won more games than they lost for the first time in a long while, and the coming year should see further advances made in the local college.
