

at Col Allen's

Brooklyn N.Y.

Nov 5 mo 1870

Dear Sigie

I am here at Col A's
when I have been since the
1st of the mo. I left home
quite unwell, but am better
some what, & should have
been more so. but for
taking cold at Brockton, which
on Friday day. I got thy last
letter a few days ago from
Amherst. It is very interest-
ing one. I am glad thee like
Mrs. Tallman & her husband,
I got advice from Lucy (her
sister) she left. She said she
was very sorry to go without
seeing or hearing from thee.
I enclose her letter. Addie Cold-
well came on when I did. She
thinks of going to Rochester soon.

Col & Mrs A. want thee to
come here on thy way home,
very much. The weather has
been so bad I have not
been able to get about much
I have plenty of invitations &
calls. Parker Davis enquired
very affectionately after thee.
I wish thee would stop a day or two
with Col. A. for Charles wants to
see thee. He is looking well & doing
well, I believe. Lewis is much after
the old sort. We saw Maria Dow
dell in Boston. Her bro. Mullins is sick
she has taken him to the hospital
near her. What a hard time the poor
girl has! I shall return next
week. I saw thy father in Boston. He
had one of his colds, but was otherwise
much as usual. Let A & his
wife send love. So does Addie who
is over on a visit today. I wish thee
was here, or I think thee would

My dear J. G. W.
with much love
every day
