

PROVIDENCE

President's Christmas Message — 1982

Jesus, on *His* birthday, gave *us* a birthday present. It was, indeed, a gift and a most generous one at that. It came from the fullness of divine love. He gave us the hope of that peace which would bring joy to the world. Our quest to fulfill this hope is in reality our search for the meaning of Christmas.

Peace is a mystery founded on the unfathomable fact that an Eternal Father has shared His universe with mere mortals. Peace is a precious commodity which can be purchased only at the price of mutual respect among people of good will. Peace is a picture put together in a collage representing the tenderness of a mother, the strength of her husband, the simplicity of shepherds and the silent splendor of a starry night.

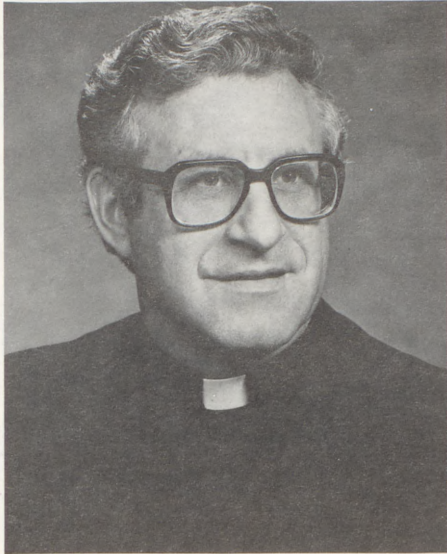

On the day of Christ's rebirth to us may I prayerfully wish you a renewal of His promised gift. I wish you His peace.

**Thomas R. Peterson, O.P.,
President**

UPDATE

December 1982

Loyalty Fund Entering Regional Phase

The 1982-83 Loyalty Fund, with its \$850,000 goal, is surging forward as it moves from the special gift phase into the regional phonathon phase. A highly successful round of special gift phonathons was concluded on November 22nd. These phonathons, which included Century, Dean's, Chancellor's, President's, Associate Chairman's, and Chairman's Clubs, amassed 827 gifts totalling \$111,065. These gifts bring the entire Loyalty Fund totals up to 3,549 pledges totalling \$420,100 which is ahead of last year's record pace. Also included in these figures are the results of two very successful pilot regional phonathons held in Denver, Colorado, on November 4th and San Francisco, California on November 10th. Pilot regional phonathons continued on November 30th in Bedford, New Hampshire, and December 2nd in Auburn, Maine. The entire regional phonathon phase begins on January 6th and concludes on March 5th in Boston, in addition to the regular fund appeals mailed from the college throughout the academic year.

as Master of Novices for the Dominican Province of St. Joseph.

A 1961 alumnus of PC, Fr. Smith joined the PC faculty in September 1981, as an assistant professor of philosophy and religious studies. Prior to this assignment, he taught religious studies at Caldwell College (from 1970-1981), New Jersey and St. Gertrude's Parish in Cincinnati, Ohio.

Ordained a Dominican priest in 1968, Fr. Smith holds a master's degree in philosophy from St. Stephen's College in Dover, MA, a S.T.Lr. degree from the College of the Immaculate Conception in Washington, DC and a Ph.D. from Drew University in Madison, NJ.

A native of Prince Edward Island, Canada, Fr. Smith is a member of the College Theology Society and the Catholic Theological Society of America.

With several months still to go, the Loyalty Fund goal, \$850,000, is still being vigorously pursued; however, it can only be attained with the hard work of our Loyalty Fund volunteers and our generous alumni.

All alumni who have not already done so are urged to forward their pledges as soon as possible in order to minimize the number of calls to be made at the regional phonathons. Anyone wishing to volunteer to work on one of the regional phonathons is urged to contact the Alumni/Development Office collect at 401-865-2415.

Bill Lenox '71, Bob Milkaitis '74, Dave Martinelli '72, Don Baker '72, and Peter Pimental '72 check the results at a recent Century Club Phonathon.

College Appoints New Personnel Director

Colonel Robert C. Stiepoek, chairman of the military science department, has been appointed personnel director for the college effective upon his forthcoming retirement from the army.

In his new position, Stiepoek will be responsible for the college's non-academic personnel program, which includes administering the wage classification plan for clerical and secretarial staff; recruiting all secretarial, office, library, technical and nursing personnel; assisting in the recruitment of administrative staff; maintaining personnel records; and administering the college's fringe benefits program.

A 1959 distinguished military graduate of the University of Scranton, Stiepoek holds a master's degree in English literature from Columbia University and is an honor graduate of the army's Advanced Public Affairs Institute at the University of Wisconsin. Stiepoek also served as an instructor for the leadership and management committee at the army's Command and General Staff College where he assisted with the development of the communications, human resources, public affairs and professional ethics instruction for the core curriculum.

Prior to joining the PC staff in 1979, Stiepoek served as a operations officer and deputy commander in Europe.

New Counseling Service For Alumni

The Providence College Alumni Office and the Counseling & Career Planning Center have launched a career services program open to all alumni.

The *Alumni Career Services* program was established to meet the needs of an increasing number of alumni who have turned to the Counseling Center for employment information and assistance. In the 1980-81 academic year, 288 alumni sought this assistance. In 1981-82, the number exceeded 300.

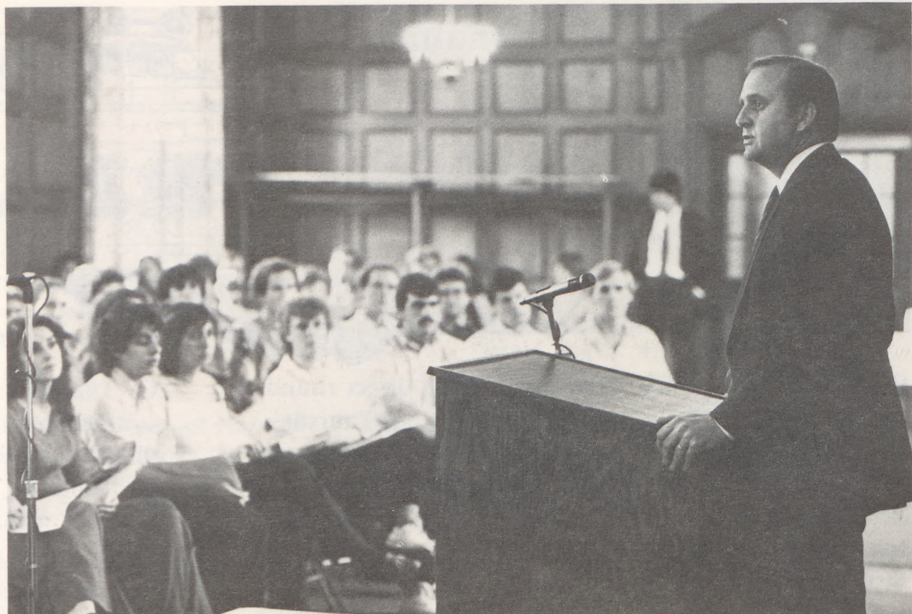

Several programs and activities will comprise the Alumni Career Services program during its first trial year of part-time operations.

Patricia Slonina Vieira

The *Alumni Advancing Alumni* program is a network of career information people which links alumni who are seeking information about a particular career field, industry, or specialty with other alumni who have expertise in these areas. Specific alumni in the Rhode Island/Southeastern Massachusetts area are currently being asked to participate in this network.

A continuing series of *Job Search Quality Circles* provides alumni job seekers with self-assessment and

Chase Executive Offers Career Options

Arthur F. Ryan, a 1963 graduate of PC, visited the campus on November 22nd as part of the Counseling and Career Planning Center's expanded use of alumni in career seminars.

Ryan, recently promoted to executive vice president at Chase Manhattan Bank, met with administration, faculty and students as part of a day-long visit. He was accompanied by three other bank personnel: Sally Gilfether, second vice president for resource management; Allan Wechsler, assistant treasurer; and Richard Barreto, placement officer.

Following a luncheon with administration and faculty hosted by

the Rev. John G. McGreevy, O.P., vice president for student services, Ryan spoke to a large group of students about the current condition of the economy and its affect on career planning. He also answered questions from students concerning their career goals and explained possible ways to achieve them. After Ryan's speech, an informal reception was held to enable students to speak with each member of the bank.

The visit was coordinated by John J. McGrath, assistant director of the Counseling and Career Planning Center and coordinator of placement activities.

career information research techniques. Included in these programs are exercises in resume preparation, background research, interviewing skills, and developing leads for information and employment interviews. Like their industry models, these quality circle formats encourage alumni to work together in supportive groups, sharing with each other the insights and information they gain through participation in the process.

An *Employment Opportunity Service* is now being developed that will attempt to match qualified alumni job seekers with specific openings we might receive through alumni referral channels.

Patricia Slonina Vieira is serving as coordinator of the pilot program. A 1975 graduate of PC, Pat was the assistant director of public information at the college from 1976 to 1979. She has been an employment counselor with the CETA program, wrote employees communications for Blue Cross and Blue Shield of Rhode Island, and has been an employment consultant. Since taking on her new role at the college, Pat has been involved in an intensive training program under the director of John McGrath, coordinator of placement activities and assistant director of the Counseling and Career Planning Center.
